Created in 1984, the Combined Fund Drive (CFD) was established to consolidate the numerous charitable fundraising campaigns being conducted on state worksites. Employees can give through payroll contribution or at agency fundraising events. The program conducts an annual giving campaign during the final three months of the year, raising millions of dollars for local, national and global charities.

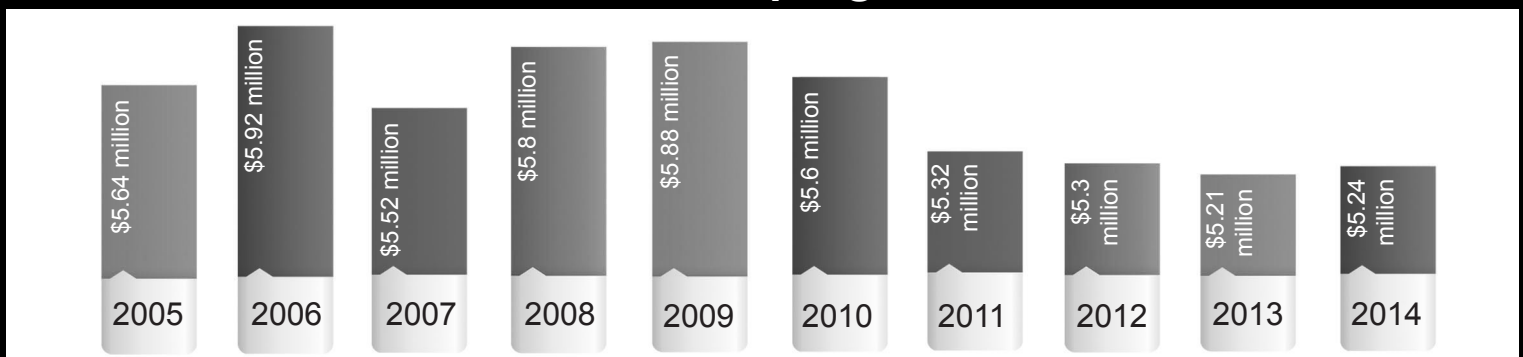

## Our Mission

To empower Washington public employees and retirees to strengthen their communities through the funding and support of charities.

## Our Values

- We connect state employees and retirees to improve our world, state and local communities through charitable involvement.
- We strive for excellent customer service when dealing with each of our stakeholders.
- We value and respect employee choices by providing the widest range of giving opportunities.
- We value innovation and efficiencies that best serve the needs of employees, retirees, and the charities they support. We consistently improve our operations to increase accessibility and participation.
- We value and feel it critical to foster a partnership among the federations and charities, the CFD Committee, the CFD staff, and state employees.

## Ten-Year Campaign Results

The volunteers of the Combined Fund Drive work tirelessly to improve their communities through donations to charities throughout the world. For our member charities, the requirements are simple:

**IRS**  
Department of the Treasury  
Internal Revenue Service

Be registered with the IRS as a charitable organization

and

Be registered as a charity with the Washington State Secretary of State

**SOS**  
Office of the Secretary of State  
Corporations & Charities Division

## Benefits for Charities

There are many reasons for a charity to be involved with the Combined Fund Drive. Here are just a few:

- It's FREE to join!!!
- CFD participation saves time and money, reducing administrative and development costs and provides more dollars to actual services.
- Payroll contribution continues to be one of the most cost effective ways for charities to raise funds.
- Charities can plan out their fiscal years better because they can project donations in advance.
- For some charities, the CFD is their primary source of funding.
- Participating in the CFD can provide access to thousands of potential donors.

# How to GIVE Types of Giving

## Payroll contribution

The best way for employees to connect with their favorite charities in a consistent, safe fashion is through payroll contribution. The CFD offers three different payroll contribution methods:

### Monthly

Employee selects a charity, start date and amount

Donation runs until employee cancels or separates from state government

### One-time

Employee selects a charity, pay date and amount

Donation is taken out on specified date

### Limited-time

Employee selects a charity, start date, end date and amount

Donation is taken from each paycheck during specified time

## Fundraising Events

Chili cookoffs, silent auctions and coin drives are just a few ways to raise money for charities in your community. You can give cash, check or with credit cards at CFD agency fundraising events.

## Personal Checks

A personal check must be written to the Combined Fund Drive during the campaign. The CFD cannot accept checks made payable to a specific charity. The check must be accompanied by a paper contribution form highlighting the charity that a donor chooses.

## METHODS OF GIVING

### Online Giving

Donors can manage their accounts online by visiting [www.cfd.wa.gov](http://www.cfd.wa.gov) and clicking on the "Donor Sign-In" box at the top of the page, where they can log in using their employee ID number and donate any time. Donors can also give using the CFD search engine.

### Paper Contribution Forms

Employees can also give to charity by filling out a paper contribution form and specifying the charity of their choice. The form must be filled out, signed and sent to the CFD office.

# How to GIVE Volunteer Tracker

The CFD recognizes that sometimes giving money just isn't an option for everybody. For our member charities, giving time can be just as crucial in saving money as receiving a monetary donation.

Since 2013, the Combined Fund Drive has been tracking volunteer hours that state employees log with any of our member charities. At the end of the campaign, special recognition is given to agencies who log the most hours.

## Search

Find a charity using the CFD search engine by name, type, county served and more

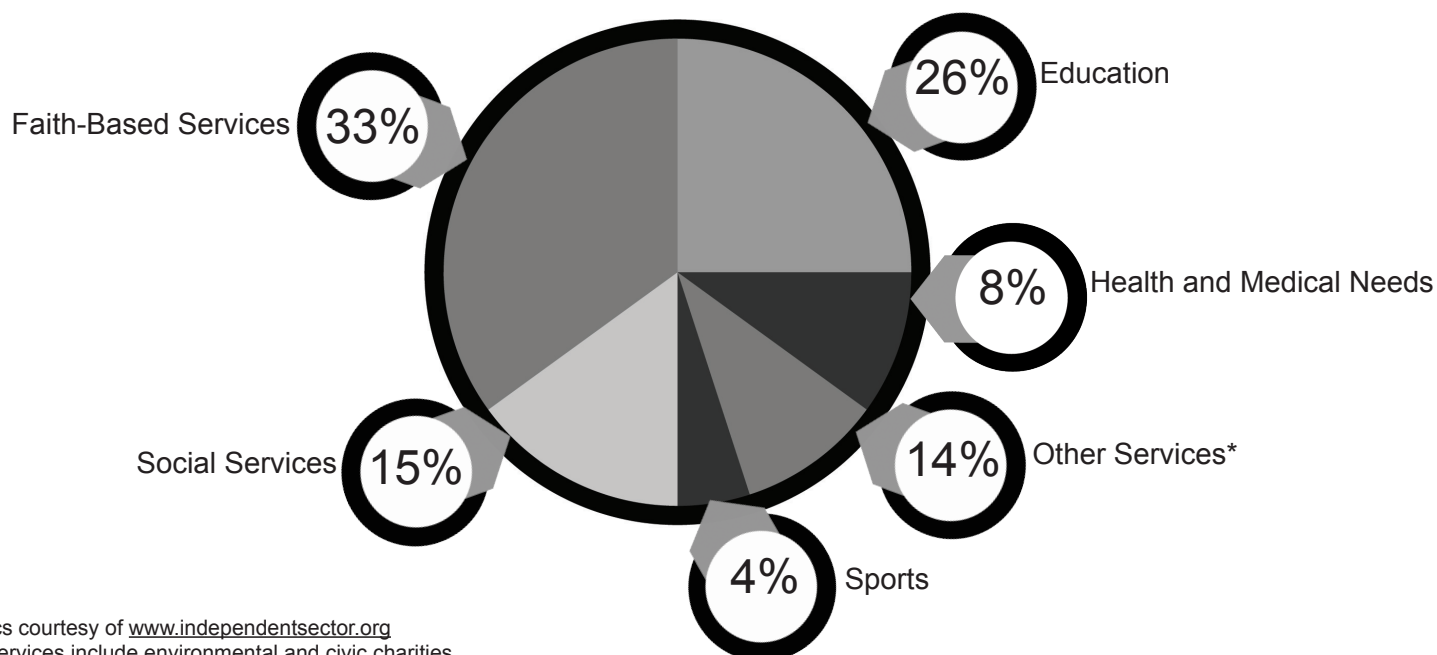

## Log

Donors can log volunteer hours with any CFD member charity through the search engine or their donation account

## Get Recognized

Agencies will be rewarded for logging the most volunteer hours at CFD recognition events
