Summit district.

Embrey puts us moss backs of the valley to shame, when it comes to roads. The people of that place turned out and made a good read this week from the main Colville road. Our roads into Chewish are a diagrace to our boasted civilization.

Wednesday I. T. Benham, who has the contract for finishing the upper story of Moore's brick block, so the Moward street, had the men at work on the job arrested for treepass. It seems that atter contracting for the plastering Mr. Benham subtled it but with the chamcher of the work Mr. Benham notified the near that he did not want them any longer. This notice they didn't beed and the next day he served as written notice on them to stop work. Monday night the server of the work of the server of the serv road. Our roads into chewean are a diggrace to our boasted civilization. Mecose, Palmorston & Co.º mine at Torot Lake, seven miles southwest from here, is looking well. Those mean reactively working their claim and it blds fair to become one of the leading mines of the county.

There is considerable excitement over recent discoveries out near the Columbia.

yesterday. W. H. Murray appeared for the prosecution and Jos. Doughas for the defense. Between the evidence and the argument the Jury were penned up several hours. At the ciose the jury brought in damages of one cent, throwing the costs upon the defendants.

— Mrs. H. T. Cowley, wife of our neighbor of the Chronicle, started on a protracted rate and this wask. She will visit here daughter stateding school at Oberlin, Ohio, and from there will extend her trip to her old home in New York. We wish the lady a safe and pleasant journey. The roads are rapidly improving and if we escape heavy rains this month, they will soon be in excellen-condition.

and Mr. Feulowes.
The piano and flute duetts by Mrs.
Brandt and E. J. Fellowes were excellently executed, as were also the
piano solos by Mrs. Coplen and Miss
Angle Davis, and the vocal solos of
Mrs. Wilson, Miss Sadle Todd and
Dr. Penfield. At the closs of the exercises, the award of prizes was
made, with a few appropriate remarks by Mr. Libby.

— The Cocur d'Alene Steam Navigation and Transportation Company has a party of men at work on, the road from Kings-ton to Murray, and will not stop until a wigon road is cut through. At present, the means of transfer from Kingston is by horseback. It is inflanded to make this route the best, shortest and chapset,

A Father Who is Funny When They Have Company.

Have Company.

"Children and fools tell the truth, in a the worn, and certainty children have a faculty of working the truth in at the worn time. Truth is a faced, and certainty children have a faculty of working the truth in at the worn time. Truth is a faced, such that the second of the second [Bill Nyo.] en and fools tell the truth,"

turned to my little daughter and aid:

"Bessic hayen't you got a funny "ppes, though?"

"Yes, indeed," said the ungrateful, unflial and irreverent helt-appearance of the same and the same and the great man. "You better we have company."

And yet people wonder why I am to the genial host that I used to be, and why the children do not est at the first, table, and why there is a sound of kicking agniast the door of an adjoining room, and the occasional wall of a hungry child as the meal progresses.

wall of a hungry child as the meal propresses.

Ell Perkins once told me that he was teaching his little girl to tell the played to assess the played to attend to the intense task, and whether he was not rath to take up a branch of the science for which there was getting to be so little use. It is said that truth is mightly and ullipreval. It is certainly mightly may always expect more or less of it from children, until they get to moving in good society and learn better. This definition of a like kind with itself.' The lockwise of the lockwise of

Bullding the Band.

A party of engineers and workmen started out from Kingston Tweeday, beaded by Clem. King, for the purpose of constructing a wagon road calculated that the road will be conspleted and ready for travel within fifty alays. The necessary money has been raised and the work will be pasted already without loss of time-road within the standard of the road within the standard wagon from Thompson's Falls is such that travel over it is tedious and unsafe, and, from what ye can pearn, it can only be unade a good road to a vost outlay of money. From the fast that the mail is to be carried over the condition of the carried with the carried over the condition of the carried all the year around, this is bound to be for route to the Cover d'Alone mines. The bulls of the travel and freighting is now going from bound to be the route to the Court of Aleon mines. The bulk of the travel and freighting is now going from the railroad via Spokane Falls, and, in the future, when the unveiling facts, it will be the 'chief and only traveled route to and from thee mines. This elify can be made in the control of shipments of freights, and there, in time, will be purhased the supplies for all the worth mining the control of th

The boys are telling a good joke on one of our members of the bar. A question started out to call upon Judge Turner. Arriving at the rooms occupied by the gentleman the would-be visitor announced his presence by a rap on the door. A vice on the inside called out "come out the fact that the door was barred, the gentleman again raiped and the fact that the door was barred, the gentleman spain raiped and the grant beginning to think that he was being very rudely treated, when the lady of the house appeared. The gentleman stated the ones saying culturant stated the ones saying Victimized. was being very rudely treated, when the lady of the house appeared. The gentleman stated the case saying that a lady's voice had bade him enter, and that even then he was re-fused admittance. He was more than ever shocked when he noticed that the lady was almost thrown into a convolvion by suppressed laughter. She informed him that the judge and his sife were out and the voice inviting him to come in was that of inviting him to come in was that of the lady of the lady of the con-traction of the companies of the shortest on his office with a similar took a hand in the mortinent and shortest to his office with a similar laws too good to keep, hence its early circulation.
