Ferry Boat

The work of exploring and sur veying for a railroad route over Cascade mountains is about concluded. The engineer in clarge, Col. Smith, and his as-

uch lower than any hitherto discovered. That low depression in the mountain range to the north of Rianier which is apparent from Tacoma, which seems to be far below the snow line, and which we have been accustomed to regard as the Snoqualmie pass, is now declared to be the Green river pass. Within two or three weeks the parties now out will have refurned.

the tunnels of which are long, and the curves abrupt, with snow sheds over 40 miles in length. There are two Nateliess passes, tunnel, but the former is preferred. the mountains from the North pass the grades and work are very light. The distance from the summit to the mouth of the Natchess river at Yakima City is about 63 miles, the first 18 or 20 miles being of very light work and the remainder, say 40 miles to Yakima, though somewhat heavier, passing as it does over some rocky points and crossing the river a number of times, will be nevertheless light in grade and work. On the western side of the range a line has been surveyed from the tunnel of the North pass to the valley of the Greenwater, a distance of 11 miles, and another line to the east and west of the South pass. The tretch of 11 miles from the sumnit of the North pass in descending to the valley of the Greenwater will be of maximum grade; thence to Wilkeson, 40 miles, the work required would be comparapracticable for a railroad. Adding to the distances above given

Fum the Weekly Ledger.

cannot be properly and finally which should first reach tide-determined by any means short of the same. The two parties under Messrs. White and Sheets, respectively, have for some time been engaged on the life of trade." But by an analogue of the pany has founded pass, why don't they have ascertained the best approaches to this pass from both the east and the west side of the mountains; the curves have been run in, the tinnels located, and all the difficult portions of the line measured and estimated with all the thoroughness required for Toolishly listen to the clamor and all the thoroughness required for the company to decide without further information the merits of the chapter into the chapter information the merits of the chapter into the chapter further information the merits of the route. Mr. Sheet's party, and thereby investa large amount of capital unnecessarily in build with profit to both, what may be bury, remains out to finish some details of the work on the west requiring heavy grades and sharp side, while the former is engaged in making reconnoisance toward of the control of the possibilities of the future when our hills and valleys control of the possibilities of the future when our hills and valleys control of the possibilities of the future when our hills and valleys control of the possibilities of the possibilities of the future when our hills and valleys control of the possibilities of the future when our hills and valleys control of the possibilities of the future when our hills and valleys control of the possibilities of the future when our hills and valleys control of the possibilities of the possibilities of the future when our hills and valleys control of the possibilities of the future when our hills and valleys control of the possibilities of the possibilities of the possibilities of the future when our hills and valleys control of the possibilities of the possibilities of the future when our hills and valleys control of the possibilities of the future when our hills and valleys control of the possibilities of the future when our hills and valleys control of the possibilities of the future when our hills and valleys control of the possibilities of the future when our hills and valleys control of the possibilities of the future when our hills and valleys are filled with an industrious population? The most sagging in a possibilities of the possibilities of the possibilities of the future when our hills and valleys are filled with an industrious population? The most sagging in the possibilities of the possibilities of the possibilities of the future when our hills and valleys are filled with an industrious possibilities of the future when our hills are the possibilities of the future when our hills are the future when our hills are th in making reconnoisance toward cost in running their locomotives the head of Green river for a pass and cars, they would be comreported to exist there, and to be pelled to establish heavy rates of excess of that needed by a cheap route, and in order further to pro-

the building of county wagon roads. There is more occasion have refurned.

The general result as to the foreign the matter of the general result as to the foreign the matter of the freshes restle, less difficult and expensively far that that por the last seasons excepting in fertistic reatty, less turned as the fast passon's serveying in strength of Central Packs, which proceeds the list passon's serveying in good time. 1971 In directors are not only favilable to me building of the mountain division, but as impidly as it can be done in a about five miles spart, called the and more particularly since they North and South passes. They do not want the county seat in a separate town from that We earnestly request members in which the court is held, for the from each precint to send us the grand juries have duties to perresult of the election as soon as possible, in order that we may be able to give it to our readers.

An editorial statement by the Times some weeks ago represented that military commanders not familiar with the topography of this country, had, by inade-quate maps, determined upon Chelan as a suitable site for a post. The general impression conveyed seemed to put the blame upon Gen. McDowell as the one at fault. We now have informafor solution. The three posts, dealing. Cœur d'Alene, Colville and Spo-kan, occupied by the 2d Infantry, pied by the 2d Infantry, conjunction with the who have great interests in Spo-Walla Walla post, it is believed kan county, and say but little give adequate protection against about them,—will surely be cast

To the Republican Voters of This question, which is of vital sons for recording their votes solidly against it. The more nportance to the residents of Spokan county, and which has people know about that place and called forth much comment and its backers, together with the reasons why it is urged upon the many opinions during the past few months, will be settled for a residents of Spokan county as season, at least, by a free ballot on Tuesday next. The question the The elections of Tuesday last their seat of government, more readily they are to declare has been thoroughly discussed, and is well understood by voters.

est number of persons in Spokan county will be served by retainwill be complete and overwidely ing the county seat in its present proper place. Voter, look at this question in a business, economical or individual light, and you will see decide. Falls as the county seat, you will gives the Republicans a gan of will so decide. With Spokan have good roads to haul over, many stores in which to make your purchases, and a good market for your products while at tending to county business. The legislature we have a major of the legi have good roads to haul over, six memors. Indiana reaches about 6,000 being a gain of 21,000 on the Demoratic plurality in 1876. It the florid is tending to county business. The legislature we have a majority of the county business. The legislature we have a majority of the specific plurality in 1876. It is concerning in will be liberally rewarded. Rockford, W. T. Rockford, W. T. Rockford, W. T. Rockford, W. T. advantages Spokan Falls affords 14 in contrast with the Demo farmers cannot be equalled.
While we candidly believe the who lives near the mouth of the Columbia; L. Bettinger whose home is in Calistoga, Cal.; and many other non-residents whose names we might mention, if dogmed necessary, try to make a fortune out of the voting power of Spokan county. The time is not a move to get the support of our voters. But when they hired an individual with type and ink, who, like themselves, is not entitled to a vote in Spokan county, to come within our borders and dictate to these voters the proper course for them to pursue in order to advance the value of order to adv majority for Spokan Falls should be very large, such a result would eight have been carried, making

upon the citizens of this city, and upon the citizens of this city, and dictate to these voters the proper course for them to pursue in order to advance the value of property in which his employers are interested, we thought it high. property in which his employers are interested, we thought it high time to inform the public plainly that an imposition was being practised upon them. We have said so in plain words, and have proven our statements. The effort to make a county seat out of a place that to-day has no post-office, no school house, no stage line, no church, no public building not be most properation. The state of the distribution of plain words and have proven our statements. The effort to make a county seat out of a place that to-day has no post-office, no school house, no stage well known already to readers all over Northwestern Washington:

| More department time to day has no post-office, no school house, no stage well known already to readers all over Northwestern Washington:

| More department time to political principles, enlightened legislation and good government if the denient of the legislation and good government if the denient of the legislation and good government if the denient of the legislation and good government if the time has been won in Indiana h over Northwestern Washington: have recently traversed that State

sine, no church, no public building, no retty residences and no clear title to its lands, is the height of folly, and a bold, reckless strike in the interest of a few, as the expense of many. It is truly an experimental town and as such is bound to prove a failure. The people are waking to a true realization of the situation all over the county. The most prominent men of each, precinct are now coming forward; and they are determined the error of permanently locating the county soat in such an experimental town shall not be committed. o none. Republish presidential electors, while is a improbably some southern states will gi-their votes for Garfield and Arseat in such an experimental town shall not be committed.

The are both old and new reductions in this county who take a pride in, and know the advantages of building up a business center and metropolis in their midst. They think it is infinitely better to have the county seat in such a city than it is to have a little town with a county seat in it, while they are frequently called to the main town where who hever ordered it and then called to the main town where there is much business. They also know that the District Court is already permanently located in Spokan Falls, and here the juries will have to assemble. They do not want the county the county is already permanently located to the spokan Falls, and here the process of the county of the count

however, need to be reminded of remaining dangers. Disappoint-Mr. J. M. Davies, general ed Democratic leaders will not agent of the Chicago and North-shrink from desperate acts to prewestern railway-for the Pacific vent full Republican success. coast, is now on business to Orecoast, is now on business to Ore-Men of good sense are anxious to encourage the growth of a large city in the county. Besides many letter a large west as the Black count and has steadily refused to other advantages derived there. Hills within ninety days, and secure peaceable and orderly defrom, its taxes will greatly lessen ultimately will make a Pacific cisions of a doubtful result. Let coast connection. He reports no possible effort be spared to that the Union Pacific is now make the Republican majority on omists will be an economical rapidly pushing from Ogden to the electoral vote so large as to measure. The idea of permaners are the perils of disputed countries. nently locating the county seat in an experimental town, where of all public buildings would have miles, so as to make a road of the cisive that there can be no conat lault. We now have miormation that Gen. Howard recombined to be erected immediately at a standard gauge, which is to be flict in its organization. By unheavy expense, is simply too out- extended at once to Snake river and thorough examination, as the best point within the field of clizens of Spokan county would as possible with the Golumpia best point within the field of selection. The post was promised from Washington. It is now rejected because of a failure of seat to a town where its presence intention to have the road built patronage, are willing to unsettle to Boise within a year. And the results of the war for the speedy construction of the supervision of peedy construction of the rail-oad, which change the problem Mr. Davies says he has no doubt this will all be accomplished.

TEACHERS' EXAMINATION. - We are informed by Miss Windsor, Superin-tendent of schools, that an examina-tion of teachers will take place in give adequate protection against about them, with sately of the windering tribes of Indians. In for Spokan Falls. This will be evited goodness of his heart, Gen. Howard is willing to assume the too, and after the count. The responsibility of his action in this Cheney boom is fast drig out.

A Circular

DEPARTMENT OF THE INT GENERAL LAND OFFICE, Washington, D. C., July 16, 1880.

Registers and Receivers: GENTLEMEN: I transmit here with a copy of an act entitled "An Act to amend sections twenty-two and twenty-three hundred and one of the Pevised Statutes of the United States, in relation to the settler's affidavit in pre-

emption and commuted home

- Stead entries."

The above-named section required these affidavits to be made efore Registers and Receivers, and this act provides that they may be made before the Clerk of the County Court of any Court of record, of the county and State or district and Territory in which the lands are situated: and if said lands are situated in any organized county, such affidavit may be made in similar manner

in any adjacent organized county in said State or Territory. The affidavit required by sec tion twenty-two hundred sixty-two is the regular pre-emption affidavit, designated as No. 20, page 71, of General Circular eptember 1, 1879, and the affidavit required by section twenty-three hundred and one is in case of commutation from a homestead, as provided in said section, requiring proof to be made in same manner as under rights. The form for the latter named circular, on page 80, and is designated as No. 35.

and in which your action has been the act, before the date of its approval.

Very respectfully, J. A. Williamson, Commissioner.

Be it enacted etc., That the affidavit required to be made by sections twenty-two hundred and sixty-two and twenty-three hundred and one of the Revised Statutes of the United States, may be made before the clerk of the County Court of any Court of record, of the county and State or district and Territory in which the lands are situated in any un-organized county, such andavit may be made in a similar manner in any adjacent county in said in any adjacent county in said States or Territory, and the affuavit so made and duly subscribed shall have the same force and effect as if made before the register or receiver of the proper land district; and the same shall be transmitted by such clerk of the court to the register and receiver with the fee and charges

Approved June 9, 1880.

Cheney. From the Palouse Gazette.] Cheney is a spot in the wilder ness, where an imaginary town exists. It is in the heart of a heavy timber and is built on a and we ask such legislation foundation or rocks and red dust. When we visited the town, not a completed building was to be seen. All that met the eye was a log hotel, a log stable hay roof, Sweitzer Bros,' and Bettinger's stores partially completed, a couple of dwellings in course of erection and several piles of lumber where buildings were to be erected. The town and surroundings were not at all inviting

be erected. The town and surroundings were not at all inviting and to our mind, nothing short of a miracle will make it an important point.

First—We pledge ourselves anew to constitutional doctorines and trading and to our mind, nothing short of a miracle will make it an important point.

To a disinterested observer Cheney presents no attractions of the beat National Convention of the eye, and it possesses none of the allurements calculated to a course bright hopes and energy source, east to push it forward and make it even an average trading point. True, the place his been catenable where the powers are defined to each common schools to form parties at a distance, but when they see it and study its surroundings and calculate where the spirit of their dreams, for its chances of future greatness are certainly not visible to the naked eye.

All over the country around and and and but Cheney there are not wisible to the naked eye.

All over the country around and and and but Cheney there are not wisible to the naked eye.

All over the country around and and and but Cheney there are not wisible to the naked eye.

All over the country around and and but Cheney there are not wisible to the naked eye.

All over the country around and and bout Cheney there are not wisible to the naked eye.

All over the country around and and but Cheney there are not wisible to the naked eye.

All over the country around and and bout Cheney there are not wisible to the naked eye.

All over the country around and and about Cheney there are not wisible to the naked eye.

All over the country around and and about Cheney there are not wisible to the naked eye.

All over the country around and and about Cheney there are not wisible to the naked eye.

All over the country around and and about Cheney there are not considered by a proportion to such a considerable and the proportion of the proportion

points, each individual point beng sufficient to supply the country in its own immediate neighorhood; consequently the merchants of Chency car only expect to make a living by wiping out these little points and gob-bling up all their business. This, however, will be difficult to do, as the "little fellows" possess a great deal of "sticktoitiveness" and have better prospects for future greatness than has the imaginary city of Cheney.

In all probability Cheney will be the depot at which passengers for Medical Lake will leave the cars. Only this and nothing nore. If it fails in securing the county seat it will be "busted," and if it succeeds, the county will be "busted."

#### Temperance Alliance,

At a regular meeting of the Olympia Blue Ribbon Temerance League, Sept. 13, it was unanimously voted to issue a call to reorganize the Territorial Temperance Alliance of Washington Territory. Accordingly at the ext regular Monday evening meeting of said League, September 20, the following call was unanimously adopted: Believing that the great temperance movement now in progress throughout the civilized world can be much accelerated in this Territory; by a union of all temperance organizations in an allimperance, composed of delegates or an element of the progress temperance organizations in an allimperance, composed of delegates or an element of the progress temperance organizations in an allimperance, composed of delegates or an element of the progression between the people and proposed partisan laws.

Eighth—We charge upon the Democratic party the hapitual sacrificas of patriotism and justice to a suprema and unsatiable just for office and patrionage; that to obtain possession of the national and state sourcements and of the progression of the profits of the progression of the profits of the progression of the profits of t ing that the great temperance ance, composed of delegates or representatives from said organilaw granting pre-emption law from for the latter facture and use of all alcoholic zations, and that the prohibition, affidavit is found in the aboveall sincere friends of temperance will be much sooner accomplished I have to advise you in this by the concert of action to be oboy the concert of action to be obtained through such an alliance, it is League respectfully and earnestly invites all temperance of ganizations in this Territory, and all churches friendly to temperance, in each town and neighborhood where there may be no temperance organization, to send one or more delegates to meet at the Good Templars' Hall in connection that the accompany tained through such an alliance, ing act is to be considered as this League respectfully and earretroactive in all cases pending, nestly invites all temperance orwithheld by reason of the affidavits having been made before such officers as are designated in the Goed Templars' Hall, in Olympia, on Wednesday, October 13th, 1880, at 7 o'clock P. M., to reorganize the Washington Territory Temperance Alliance. All newspapers in the Territory are requested to publish the fore going call.

Territorial Republican Platfo Resolved. That we rananimously adopt he declaration of firingiples as embraced a the Chicago platform of the national

the declaration of principles as embraced in the Ching of platform of the national reproduction party.

\*\*Reserved, That we heartly indorse the present administration of the general government and that we believe that posterity will award to it the honor of being one of the purest in the history of our country.

\*\*Reserved, That we favor the early admission of our Territory into the sisterhood of states, and our delergate is hereby in-

of states, and our delegate is hereby in structed to use all proper means to secur

Resolved, That we regard the unre-stricted immigration of the Chinese into this United Statos as a very grave evil which should receive the prompt atten-tion of congress and the treaty making powers of the United States and we invo the speedy modification of our present treaty with China in order that the said

treaty white Coins in order that the said immigration, which works so peculiar a hardship to the people of this coast, may per restrained and limited.

Revoked, That we favor the abandonment of our present Indian policy, believing that while some good results therefrom yet "evils do much more abound" and we of the hardship with the said when the said was the said that the said when the said was the said when the said was the said when the said was the said was the said when the said was the sai them on the same footing as other citizens them on the same footing as other citizens seems them in the enjoyment of the same rights and privileges only, and make them amenable to the same laws. (Applause) That we deprecate the colonization of Indians from abroad within the limits of the territory, and heartly approve the efforts of our delegate in endeavoring to prevent the same prevent the same bready endorse the administration of E. P. Forty as governor of this territory during the years for its wisdom and economy in the management of public affairs.

#### National Democratic Platform,

First-We pledge ourselves anew to the constitutional doctorines and tradi-

to initialist and costruct the election, and the uprecedented use of the redo to make a link currup, and despute power, insults the people and imperils their institutions.

men, and from which he was excluded by the leaders of the Republican party, is result.

Seveth—That the purity and attriotism their confidence in his wisdom and patriotism and indegrify ussullted by the assaults of the common enemy, and they further declare to him that he is followed into retirements he has chosen for himself by the sympaty and respect of his fellow elicitizens who regard him as one who, by elevating the standard of public morality and purifying the public service, mer.

Eleventh—Amendment of the Burling ame treaty; no more Chinese immigration except for travel, eduction and foreign commerce, and threin carefully guarded. Twlfetth—Public money and public

credit for public purposes solely, and pub-lic lands for actual settlers. Thirteenth The Democratic party is the friend of la-bor and the laboring man, and pledges itself to protect him allke against the cormonauts and the commune.

National Republican Platfo

The following is the platform assed by the Republican convenion held at Chicago.

tion held at Chicago.

Republican rule has restored upon a solid basis payment in coin for all the national obligations, and has given us a currency absolutely good apple "abord event in every part of our extended country. It has inflied the credit of the nation from the point where sper cent, bonds sold at 85, to that studyers per cent, bonds are eggently sought, at a premium. Under its desiministration railways have increased from \$1.000 miles in 1880 to more than \$2,000. ministration railways have increased from 21,000 miles in 1850, to more than \$2,000 miles in 1870. Our foreign trade has increased from 2700,000,000 to \$1,150,000,-000 in the same time, and our exports, which were \$20,000,000 less than our exports in 1889, were \$284,000,000 more than our imports in 1879. Without resorting to least it has, since the war closed, defrayed the ordinary exponses of the government, busides the accruing interest on the public debt, and disbursed annually more than \$30,000,000 for soldiers' pensions. It has paid \$880,000.

soldiers' pensions. It has paid \$880,000, 000 of the public debt, and by refunding 000 of the public debt, and by refunding the balance at lower rates, has reduced the annual interest charge from nearly \$151,000,000 to less than \$83,000,000. All the industries of the country have revived, labor is in demand, wages have increased and throughout the entire country there is evidence of a coming presperity greater than we ever enjoyed. Upon this record the Republican party sakes for the continued confidence and support of the people, and this convention submits to their approval the following statement of the primproval the following statement of the prim

and this convention submits to their approval the following statement of the principles and purpose which will continue to guide and inspire its efforts:

First—We affirm that the work of the last 21 years has been such as to commend itself to the favor of the nation, and that the truits of the costly victories which which we have achieved through immense difficulties should be preserved; that the peace regained should be cherished; that the dissevered union now hannlit restaud.

insults the people and imperils their institutions.

Seventh—The great fraud of 1876, by which upon a false count of the electoral vote of two States, the candidate defeated at the polls was declared to be President, and for the first time in American history the will of the people was setaside under threat of military violence, struck a dead-treated of military violence, the will of the people was setaside under threat of military violence, struck'n dead by blow at our system of representative government. The Democratic party, to preserve the country from the horrors of a civil war, submitted for a time in the firm and patriotic faith that the people firm and patriotic faith that the people of the Union than was over addressed to the conscience of a nation of freedmen. bony, but we insist that further subsidies to private persons or corporations must cease; that the obligations to men who preserved its integrity in the day of battle are undiminished by the lapse of it years since their final victory; their perpetual honor is and shall forever be the grateful privilege and the sacred duty of the American records.

ed to the conscience of a nation of freemines.

Eighth—We excerate the course of this
administration in making places for polititicial eriminals, and demand a reform
by statute which shall make it forever
impossible for a defeated candidate to
bribe his war to the seat of a usurper, by
litalinies upon the people.

Ninth—The resolution of Samuel J.
Titlen not gain to be a candidate for
election to the exalted place to which be
was elected a majority of his countrymen, and from which he was excluded by
the eladers of the Republican party, is result.

laws.

Eighth—We charge upon the Demo
cratic-party the hapitual sacrifices o
patriotism and justice to a supreme an
unsatiable just for office and patronage
that to obtain possession of the nation
and state governments, and of the contro of place and position, they have obstructed all the efforts to preserve purity and conserve the freedom of suffrage, have de ised fraudulent returns and certificates members of congress to secure at all haz-ards the vote of the majority of the states in the house of representatives, have en-deavored to occupy by force and, fraud places of trust given to others by the people of Maine, and reneued by the courpeople of Maine, and rescued by the cour-age and action of Maine's patriotic sons, have by methods vicious in principle and tyrannical in practice attached partisan legislation to appeopriation bills; have crushed the rights of individuals and vindicated the principle and sought the favo of rebellion against the nution and have endeavored to obliterate the sacted men ories of the war to overcome its mestima ble good results; freedom and individua countil.

quality. The social section of the duty and purpo of the Republican party to use all le mate means of this union to secure perfect harmony which may be practic able, and we submit to the practical, sens ble people of the United States, to sa whether it would not be dangerous to the best interests of our country at this time to surrounder the idministration of the na-tional government it on party which seeks to overthrow the existing policy upder the water so prapprous, and thus bring destruction and confusion, where there is now order and confidence and

#### How to Reach this Country.

Inquiring letters are so frequently eceived, as to the best mode of reaching this new country, the rates of fare, the shortest routes, &c., that we have compiled the following facts for the express benefit of those who would come among us. Those per-sons who have friends contemplating a visit to this country, either for pleasure or profit, ought secure some extra copies of this week's edition of The Times:

There are three routes which Easter people may take in coming hither. If person wants to save time, and desires to person wants to save time, and was to so bring stock, wagons, &c., the quickest and most direct route would be to come from Omha to Ogden; thence by wagon road to this new country; traversing the distance from Ogden in two or three weeks, when roads are good—say in the mouth of June, July or August. Those having neither wagons nor teams, car come by rail to Kelton, at a cost of about come by rail to Kelton, at a cost or accuse \$50 in emigrant car, thence by stage to Walla Walla, at an expense of \$50, exclusive of meals, and on to Colfax or Spokan Falls, at an additional expense of the and seven dollars, respectively. The remaining route is via. San Francisco, by rail, thence to Fortland, Oregon, by ocean steamer, thence to Almota, by boat. peace regained should be cherished; that thence to Portland, Oregon, by ocean the dissevered union now happily restored steamer, thence to Almota, by heat-should be perpetuated and that the liber-ties secured to this generation should be cabin occupied, and state of opposition on transmitted undiminished to future generations; that the order established and the credit acquired should never be imperiled; company makes but little difference in that the quality of the control of the c
