On behalf of the Office of the Secretary of State and election officials statewide, I am honored to present the 2023 General Election Voters' Pamphlet. This guide includes information about voting to help you make informed decisions as you exercise your right to vote.

To participate in the election, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 30. If you are already registered, review your registration information at **VoteWA.gov** to ensure it is up to date. After Oct. 30, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 7, to register to vote or update your registration and receive a ballot.

After you have marked your ballot, be sure to sign the return envelope. Your signature is important because trained election officials check to ensure your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage necessary — remember that ballots must be postmarked by Nov. 7 to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Go to **VoteWA.gov** to locate a ballot drop box or check the status of your ballot.

By voting, you are making your voice heard. Thank you for participating in our democratic process.

Sincerely,

Steve Hobbs
Secretary of State

Statement

I was appointed by the governor as Jefferson County's Superior Court Judge in January 2023, when the Honorable Judge Harper retired. In this role, I work diligently to create a safe and structured courtroom where all participants understand the process. I listen carefully to consider the issues presented and apply the law in a just and fair manner.

I aspire to create a court where everyone knows they will get a fair hearing, regardless of their profession, level of education, age, race, gender identity, sexual orientation, physical ability, or religious affiliation.

I am committed to collaborative leadership, focusing our justice system to address current community challenges while utilizing local resources and strengths. Along with the superior court commissioners, we identify non-adversarial processes when possible to achieve win-win solutions to minimize or avoid further trauma.

The Jefferson County Bar Association, the Latina/Latino Bar Association, and the LGBTQ Bar Association rated me "Exceptionally Well Qualified" as a judicial candidate. Vote to keep Brandon Mack as superior court judge this November.

**Your signature is needed to make sure
your ballot gets counted.**

The signature on your return envelope is compared to the signature on your voter registration record. Trained election officials verify each and every signature.

If your signature is missing or does not match your voter registration record, the county elections office will contact you by mail **before certification**. They may call or email if you gave them this info.

If you registered to vote online or through Department of Licensing, the signature from your driver's license, permit, or state ID will be on your voter registration record.

Voters can track and check their ballot status at **VoteWA.gov**.

How is my ballot counted?

1

Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on November 7, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! Don't let a late postmark disqualify your ballot. The USPS recommends that you mail it back at least one week before Election Day.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

2

Your signature is verified

Your signature is important and we need it to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure **only one** ballot is counted for you.

3

Envelopes and sleeves are separated

The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

Your ballot is reviewed and scanned

The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5

Your ballot is counted

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted. Every county conducts a post-election audit.
