Official Publication

WASHINGTON
Secretary of State

Ballots mailed out by **October 20**
1 (800) 448-4881 | sos.wa.gov/elections

On behalf of the Office of the Secretary of State and election officials statewide, I am honored to present the 2023 General Election Voters' Pamphlet. This guide includes information about voting to help you make informed decisions as you exercise your right to vote.

To participate in the election, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 30. If you are already registered, review your registration information at **VoteWA.gov** to ensure it is up to date. After Oct. 30, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 7, to register to vote or update your registration and receive a ballot.

After you have marked your ballot, be sure to sign the return envelope. Your signature is important because trained election officials check to ensure your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage necessary — remember that ballots must be postmarked by Nov. 7 to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Go to **VoteWA.gov** to locate a ballot drop box or check the status of your ballot.

By voting, you are making your voice heard. Thank you for participating in our democratic process.

Sincerely,

Steve Hobbs
Secretary of State

What's in the budget?

Operating Budget: pays for day-to-day operations of state agencies, colleges and universities, and public schools (including federal funds and dedicated funds).

Transportation Budget: pays for transportation activities, such as designing and maintaining roads and public transit.

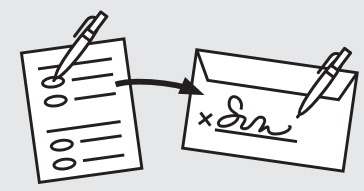

Capital Budget: pays for acquiring and maintaining state buildings, public schools, higher education facilities, public lands, parks, and other assets.

How do I vote and return my ballot?

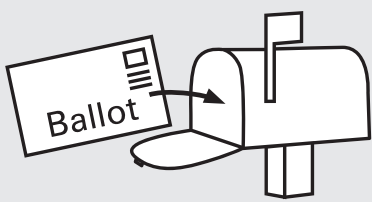

1 If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 20** to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2 Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

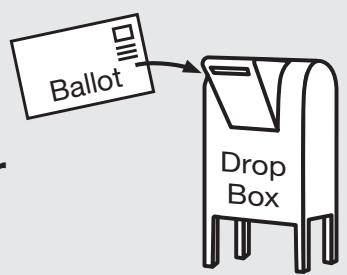

3 Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 7**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

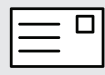

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 7**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4 Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

Statement

I am proud to serve the people of Benton and Franklin Counties as one of your seven Superior Court judges. I work hard every day to earn the trust and respect of the attorneys and parties who appear before me in court. Having practiced as both a civil and criminal attorney, I understand the legal issues that come before me every day and can apply my extensive experience to effectively resolve legal issues.

My judicial philosophy is to provide a courtroom where all people are treated with respect and can have their matter decided in accordance with the law, free of bias and personal agendas. I come into court every day having put in the necessary work to make sure that the parties can have a full and fair hearing, and knowing that their arguments were carefully considered before a ruling is made. Our community deserves nothing less.

I am a born and raised Tri-Citian, and am proud to be raising my family here with my husband Beau, a Kennewick native and retired US Army veteran. I would be honored to have your vote so that I can continue to serve my community.

Message from the Auditor

Dear Voter,

This pamphlet is a great resource. Please use it as a beginning point in your search for the information you will need to make an informed vote.

If you need additional information, please call us at (509) 545-3538. The Franklin County Auditor’s Office is available to answer your questions and assist with your election needs. We work hard to provide secure, accountable and transparent elections.

Please vote and return your ballot as soon as possible. If you are unable to mail your ballot **a week before Election Day**, it is recommended that you take the ballot inside the Post Office and ask staff to hand-cancel the ballot before placing it in a mailbox or that you use one of our ballot drop boxes to deliver it directly to Franklin County Elections. Check your ballot status at www.votewa.gov.

We all bring different experiences and perspectives to our communities. When we vote individually, the collective outcome carries a mandate for action. Your vote matters, it is an effective and powerful way for citizens to shape our government.

Vote it, Sign it, Send it.

ELECTIONS ARE SECURE AND ACCURATE

Tabulation equipment is certified by the Washington Secretary of State and the federal Election Assistance Commission. The system is never connected to the internet.

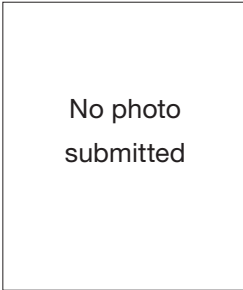

Logic and Accuracy

- Before each election, a public logic and accuracy test is conducted to ensure that voting equipment is ready for use and properly prepared to count ballots.
- The logic and accuracy test is verified by independent observers and the Office of Secretary of State.

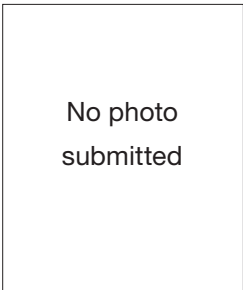

Post-Election Audit

- Post-election day audits are conducted prior to the certification of each election.
- The office to be audited is selected by political party and nonpartisan observers.
- Batches to be audited are randomly selected.
- The audit compares the vote totals from the tabulation system to a hand count of physical ballots.

To learn more or to view a logic and accuracy test or a post-election audit, please contact the elections department at: (509) 545-3538 or email elections@franklincountywa.gov

Elected Experience

My name is Ciera Valdez, and I have been part of the Connell community for my entire life. I live here, I work here, and most importantly, I raise my family here. I attended North Franklin School District, and my kids have been enrolled here since 2014 and will continue until the Class of 2039. The families of all the children who went to school here their whole lives aren't going anywhere, and neither am I. I am the voice for parents of my generation!

I am running for school board because I believe that decisions about our schools and how they are ran should be decided by parents whose children are currently enrolled in our schools. I have had children enrolled in NFSD since 2014 and will have children here until 2039. That is 25 years with children in our district! I am here to represent the parents like me, who went to school in North Franklin their whole lives and are now raising their kids in NFSD. I want to hear my community's thoughts and concerns about having a child in our schools during these trying times and I want to see the changes that this new generation of students need. I want to represent us. I am here to be the voice for the next generation of parents with children in North Franklin School District!

Statement

Pasco's future lies with our kids. Our kids deserve the best education possible to prepare them for success. Success is accomplished by teaching them the basics of reading, writing, arithmetic and learning how to become independent lifelong learners. My conservative values and leadership will help guide Pasco schools to ensure a healthy learning atmosphere and result in students that are well prepared for their future. As evidence of my conservative values, I am endorsed by the Franklin County Republican Central Committee. It is critical for parents to be involved with their child's education and the school should encourage this and not interfere with their relationship or parental rights. I will do my best to wisely use the finances that are available. I have written and managed budgets, people and resources to accomplish research and extension programs, including a national team of eight Professors. My course work in teaching methods and experience in teaching will assist me in my leadership and wisdom to the Pasco School District.

Vincent Guerrero

(Nonpartisan)

Elected Experience
No information submitted

Other Professional Experience

Vincent Guerrero was born and raised in Eastern Washington. Raised by parents who are farmers and still are farming. Vincent knows Eastern Washington and how life in the area is different than that of other areas.

Education

Vincent is married and has two children in Pasco's public schools. Vincent earned a bachelor's degree from Central Washington University and has a master's degree in public administration. Vincent is also a certified public manager.

Community Service

Vincent has over twenty years' experience working with local government, is a Meals on Wheels board member, and is a member of Pasco Kiwanis Club.

Statement

Vincent was born and raised in Eastern Washington. He knows this area is attractive, and people come to this area to raise their children in a safe place they can call home. Vincent's parents were born and raised in Texas, moved to Eastern Washington in the 60's and began their journey together soon after as farmers.

Vincent is running for Pasco School Board to help lead the district in a positive and productive manner. The area has seen tremendous growth and change in the last twenty years and a strong person is needed to help lead the district in its vision and goals. Vincent feels that he has a duty and responsibility to the citizens and children of not only district #1 but the whole school district to help guide it in a positive direction. Having a master's degree in public administration helps with being a good listener, setting goals, creating policies, collaboration, consensus, and working toward a unified vision.

Vincent knows that commitment is not just in words but in action. Vincent will work hard to ensure all children receive an opportunity for a quality education.

Statement

Pasco School Board members have an important role as champions for all of our students. I am running for re-election to the Pasco School Board to continue serving as an advocate for them and their families. Our Board can only be effective if its members work together and make decisions as one through consensus. That is my approach as a Board Director.

As a college instructor with 13 years experience, I understand the importance of ensuring our students have the educational tools necessary to thrive in a competitive economy. I will continue to partner with Board colleagues and District staff to support strong Career and Technical Education programs and advocate for equitably providing students STEM career development opportunities. Our students have clearly expressed to us their need for *meaningful connections* with their community and true feeling of belonging in their schools. Maintaining Board support for robust and sustainable physical, social, and emotional wellness for our students will remain a high priority of mine.

I will always listen to parents, students, staff, and educators when establishing policy and equitably allocating resources for all of our students and schools in a fiscally responsible way. I humbly ask for your vote. Thank you.

Statement

I am running for the Pasco School Board because I believe we can do better for our children and our city. As a parent of four sons and two daughters in the school district, a community member, I believe the future of our city depends on the ability of our district to bring excellence with equity to all students. This means supporting teachers to do their best work with our kids every day. This means listening to and incorporating the input of teachers, families and community members when designing district policies. And it means holding district leadership accountable when test scores flatline, enrollment fails to meet projections .

Statement
I’m Steve Simmons. Raised in Kennewick our family has lived in Pasco for 15 years. Our children attend school in the Pasco School District, one of which is a special needs student. I have a love for our republic, state, and community. I want to serve in a fair, balanced, and ethical manner. I do not believe that our elected officials need to be perfect but that they desire to seek out common sense and truth when making crucial decisions with funds and policies that affect our lives. I will work to ensure the budget, monies, and taxpayer funds are used responsibly and not on ideological, trendy, and wasteful programs. I will work toward fiscally responsible solutions regarding the educational goals and priorities of the community. Much of what affects education in the community happens at the state level. I will be involved in the various organizations and committees as a voice for our community, parents, and students. I will help ensure district and state K-12 education policies and legislation is simple and prudent, builds individual self-reliance, prepares for the future needs of our state and communities, and provides appropriate funding. I would be honored with your vote.

Statement

To the City of Connell, I would like to offer my services as Councilmember, At Large, Position 5. Twenty Years ago, we drove by on the highway looked over and saw the waterslides and the park and drove through town and thought what a nice place to live never thinking that one day I would end up being offered a job here. Nine years ago, as I came down that hill, I thought to myself this is home my new Pleasantville and it is. I have continued to strive to help the community in many different forms, Chamber of Commerce board member elect, Fall Festival, Hotel Motel Tax Committee, Salary Commission Committee and now I would like to be your new council member elect. I would like to help grow this community by listening to wants and concerns. I have turned this Hotel Into a profitable asset to the town bringing people to spend money at our restaurants and business and even seen customers fall in love with the town and move here. So, if you want someone who cares and will listen vote for me.

Chapter HA Member/Treasurer

Statement

I am running for my second term for Connell City Council. I have missed only 1 city council meeting since my term began in 2020. As Director of the North Franklin Heritage Museum in Connell, I designed and managed the renovations at the museum in 2017-2018 including the gardens, Hudlow Memorial Annex building and the Adams Homestead. I have also submitted the application to get the museum's church built in 1904 on the National Historic Building Registry. I have mapped Mt. View Cemetery in Connell and marked over 100 older graves that never received headstones and updated FindAGrave.com with all burials in the cemetery. I have covered graffiti around town. Through Connell Community Club and City Council, I was instrumental in getting the town clock project funding completed and the clock will be installed this fall by City Hall. I am a CHS 1989 graduate, love my hometown and would be honored to serve another 4-year term.

Elected Experience

I have been elected President of North Franklin Education Association for the past ten years. I have negotiated multi-million dollar contracts with North Franklin School District. Prior to that I was elected Vice-President to NFEA for 6 years.

Other Professional Experience

I have been a teacher and coach for North Franklin School District and Connell High School for 32 years.

Education

I have a Bachelors of Art from Central Washington University majoring in History. I have a Master's Degree from Heritage University in Professional Education and a certificate in Secondary Administration.

Community Service

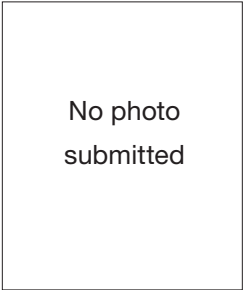

I have served in many community service projects including Fall Festival.

Statement

As city council member I would like to see Connell attract more business and services. This community needs more jobs opportunities, especially for young people out of high school. I love living in this small community but there is also room to grow and expand. We can still have a small community feel but grow at the same time. As a council member I will be prepared and research all decisions that I make. I am very organized and plan for everything. I will make no decision without being well informed and thought out. I plan to listen to citizens of Connell and make decisions for what's best for all of Connell. I came to Connell 32 years ago with the idea of getting some experience and moving on. But, my wife and I fell in love with place and felt this was the place for us. We raised our family here because we love the people here, its a great place to be. and I hope to continue making it great. Thank you.

Statement

I am honored to present myself as a candidate for City Council Member in the City of Pasco's District 2. I am deeply invested in the well-being and success of our community. I was born and raised in Pasco, I understand the unique challenges and opportunities we face. I will be a tireless advocate for our district, working diligently to address the issues that matter most to you.

I am passionate about fostering economic growth and creating job opportunities in our district. By attracting new businesses and supporting local entrepreneurs, we can enhance our community's prosperity and improve the quality of life for all residents.

Environmental sustainability is another area close to my heart. I will champion initiatives that promote clean energy and work toward utilizing our shoreline in a responsible manner. Safety and Security of our City is crucial to me. Some complex issues such as addressing the homeless crisis, will take someone like me who's capable of creative problem solving to address it.

Above all, I am dedicated to transparency, inclusivity, and collaboration. I will actively seek your input, engage with community organizations, and work alongside fellow council members to make informed decisions that benefit our district.

I was on a Planning Commission for a decade where I was the Chair for the majority of that time so I understand working on a municipal Comprehensive Plan and advising the City Council on ordinances. Pasco Chamber Board Member, Franklin Co. Sheriff's Citizen Advisory Board, Volunteer Chaplain at the Union Gospel Mission.

Statement

We need leadership in Pasco. I believe in servant-style leadership that listens to the people I serve and asks tough questions on their behalf. I am a constitutional conservative that believes in limited government and fiscal responsibility. I have been married for 17 years and have 5 children. I believe family is the bedrock of civilization and I am a staunch supporter of parental rights.

I want to work with Downtown businesses to revitalize the area and ensure the commercial/industrial area stays relevant and represented.

I want to fix West Pasco traffic. We have a mess on our hands on the 68 corridor. We need to look at a holistic approach that gets people moving again and not just applying a band-aid here and there.

I want to develop the Broadmoor area responsibly. The area is just a little smaller than downtown Seattle with a clean slate and a real opportunity for us to create an appealing urban environment of community and commerce in Pasco.

I am a strong supporter of police and I want to find solutions for homelessness, addiction, and mental illness. I am grateful for those supporting me and I would be honored to receive your vote.

Statement

My name is Irving Brown, and I am running to stay on the Pasco City Council for District 3. I have lived in Pasco since 2008 and serve as Human Resources Manager at Oasis Farms in Prosser, WA.

Pasco stands at a crossroads. With a booming population, we are facing important decisions about planning to manage this future growth wisely. Our economy remains one of the fastest growing in the state, which is attracting more people; this is an opportunity for an even brighter future for this city. I am running because I firmly believe in Pasco and the promise of that future while continuing work on our long-term plans.

If elected, I will continue strengthening our city's economy with pro-growth policies and planning that will encourage development evenly across our city. I will promote ways to save money in our budget without compromising vital services. I want to maintain a culture of equity, inclusion, and empowerment in our local government. We can uphold that culture by restoring the Diversity, Equity, and Inclusion (DEI) Committee.

Let's build our future together. I respectfully ask for your vote. For more campaign info or to volunteer, please visit my website at: mrbrownforcitycouncil3.com.

Statement

I'm running for Pasco City Council because I want our kids, and your grandchildren to have the same opportunities that we've had here in Pasco. I want our children to be able to ride their bike outside safely. I want our city to be the safest in Washington, with well-funded police, fire, and public works services. I want our families to be able to go to downtown Pasco and feel safe and not worry about illicit and open drug use and homelessness that has invaded our public spaces. I'm running because I want to pass policies that will strengthen our Pasco families. I want us all to see progress and a building of community across our whole city so that we can live up to our city's motto of One Pasco. I'm running because we need reform at the Tri-City Animal Shelter; that we address the fees and regulations that have made housing unaffordable and that we humanize local government to create a business and developer friendly city hall that facilitates growth and not obstruct it. I'm proud to have the endorsement of many community leaders and small businesses and with a servant's heart, I humbly ask for your vote.

Statement

I have been honored to live and raise my family here in Pasco for the past 23 years. I have a great wife and I've been blessed to raise our 4 kids.

America is a great country and I feel it is my civic duty to be involved in our community when given the chance. That is why I believe I bring a special set of skills to the Council as a small business owner and lifelong Republican. Safety for our residents and business's is my number one goal as a Pasco Councilman hence the reason I strongly support our local law enforcement. Other goals are smart growth for the Broadmoor area, oversight for the Animal shelter, keeping taxes to a minimum, a large family friendly central park, and a small government footprint for our community. I also strongly support our local trade apprenticeship programs and fire department. On another note I strongly believe Marijuana stores in our downtown and in other business areas will only bring crime and other unwanted consequences to our community. I am asking for your support in this election and would be honored to represent you, the voter, in November. Thank You and God Bless!!

Statement

As a long time resident, born in Pasco, I seek to serve you on the City Council. I offer my values, experience, and commitment to keep Pasco moving in a positive direction.

Effective city government must be transparent and inclusive. As a past employee of Benton County and Mid-Columbia Libraries, I strived to be an effective and fair steward of public resources—your tax dollars. I believe in using local talent and open source technologies as opposed to remote outsourcing, opaque contracts, and proprietary solutions.

For over a decade, I've nurtured our children's technological skillsets by serving on the Tri-Tech & Kennewick School District Computer Science Advisory Committee. I've stressed that while our kids need these skills to successfully participate in the global information economy, it is a disservice to not prepare kids to defend themselves against fraud, bullying, and online scams.

These are the same values I will bring to City Council. The growing number of unhoused individuals, gang activity, street racing, infrastructure and job growth are all sophisticated issues with many moving parts, some of which overlap. Our modern complex problems call for serious leaders who value science over slogans and pursue data driven outcomes. www.vote4zeb.com

Statement

I am troubled by what I see happening in our community. Drug use is becoming more commonplace, the unhoused population grows and wanders the streets of our city, mental health issues continue to increase in our community, and entire groups of our population cannot afford adequate housing. These are complex issues that require well-coordinated solutions. Our two-party system must set aside its differences to regain control of our communities and provide help to those in dire situations, protection to those who need it, accountability for criminals, and justice for victims. The same low-crime, safe community that I grew up in is the same community that I want my kids and your kids to grow up in. I'm willing to put in the work and effort to make that happen because I believe there is hope for our future yet. I humbly ask for your vote.

Vacation Bible School volunteer. Voter registration drive volunteer.

Statement

Pasco has been my home for over 20 years. I am a mother of four school-aged children, a Pasco Planning Commissioner, Pasco School District Teacher, and a youth volunteer coach. Serving in these roles gives me the opportunity to see and hear the diverse needs of our community. Pasco needs a council member who understands the scope of the position and listens to all residents.

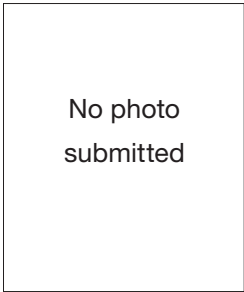

Pasco invests in our children, but will they have the option of establishing their own roots in Pasco? How do we not lose our local talent and keep our town's charm? City staff predict 40,000 new residents in the next 20 years, who will need 15,000 additional housing units. The opportunities this will create requires innovative thinking and partnership, a leadership style I can provide.

I will prioritize continued safety improvements, removal of barriers to the affordable housing crisis, and attracting new businesses while implementing responsible growth planning. I will work to improve community engagement, streamline permitting processes, and collaborate with local, state and federal elected officials. Most importantly, I will listen to and serve all residents.

Making Pasco work for you, with real results, now and into the future. Vote Lehrman!

Statement

The fire service is a lifelong passion for me, my father was a volunteer firefighter and I grew up in a small town fire community. After volunteering myself I was asked to fill an open commissioners seat and found that serving this role was even more challenging and rewarding. FCFD#3 has faced many challenges and grown through many changes since I first became involved. Nothing in the fire service has grown easier, less expensive or less complicated in that time. Meeting expanding needs with tighter budgets, finding and keeping exceptional staffing, recruitment and retainment of dedicated volunteers, maintaining a high level of training and equipment readiness are all paramount and key to operating a successful fire district. I also understand the financial stresses taxpayers face during these tough economical times. I feel that FCFD#3 spending has shown a strong dedication to financial responsibly without sacrificing the mission. When I dial 911 in FCFD#3 district I feel confident the quality help I need is rushing my way and I do not feel that I have overpaid for that resource. It's difficult to imagine how we could do better for less, but I will always remain watchful for those opportunities. Thank You.

Proposition No. 1**Franklin County Fire Protection District No. 3****Authorization for a 6 year levy lid lift.**

Franklin County Fire Protection District No. 3 Commissioners adopted Amended Resolution No. 447 concerning funding for fire protection and emergency medical services.

This proposition would authorize an increase of the District's property tax levy rate to \$1.34 per \$1,000 assessed valuation for 2024 collection to fund District fire protection and emergency medical services operations, including maintenance, staffing, training, capital facilities, and equipment. It would also authorize annual levy rate increases up to 6% per year above the prior year for collection in 2025-2029, and use the 2029 levy amount to calculate the levy limit in subsequent years.

Should this proposition be:

Explanatory Statement

If enacted, this proposition would authorize the fire protection district to increase the tax levy rate to \$1.34 per \$1000 of assessed value for collection in 2024. It would also allow the fire protection district to assess up to 6% per year above the prior year instead of 1% per year above the prior year for collection in the years 2025 through 2029. The district would be authorized to use the amount of the levy collected in 2029 as base for subsequent levy limitations provided in RCW 84.55. This would enable the district to continue maintaining and adequately funding district operations, including emergency medical services (ambulance).

Proposition No. 1

Franklin County Public Hospital District No. 1

Authorization for single-year permanent levy lid lift.

Franklin County Public Hospital District No. 1 Commissioners adopted Resolution No. 2023-1 to increase the level of property taxes to adequately fund District operations including emergency medical services. This proposition would authorize the District to increase the property tax levy rate to \$0.40 per \$1,000 for assessment in 2023 and collection in 2024. The dollar amount of the levy collected in 2024 shall be used to calculate the levy limit in subsequent years. Should this proposition be:

- Approved
 Rejected

Explanatory Statement

If enacted, this proposition would authorize the hospital district to increase the tax levy rate to \$0.40 per \$1000 of assessed value for collection in 2024, and use the dollar amount of the levy collected in 2024 as base for subsequent levy limitations provided in RCW 84.55. This would enable the district to continue maintaining and adequately funding district operations, including emergency medical services (ambulance).

Statement For Proposition No. 1

Franklin County Public Hospital District No. 1 was established in 1945 with a clear mission - to provide crucial medical assistance to our community. Back in 1970, the levy rate was set at \$1.00, and it played a significant role in funding the much-needed emergency services that we rely on to this day.

The levy rate has decreased significantly over the years and currently stands at just 18 cents and at the same time we must recognize that the cost of healthcare has skyrocketed over the last 50 years. Our financial support for emergency services has not kept pace with these rising costs, and growing population which poses a challenge for our North Franklin County community. As ambulance calls have increased by 21% over the past two years, it becomes more crucial than ever to provide the necessary funding for our EMS teams to continue their life-saving work effectively.

Statement For Proposition No. 1 (continued)

By supporting the levy lid lift, we can bridge this funding gap and ensure that our EMS teams have the resources they need to respond efficiently and effectively while at the same time providing the highest standard of care for our community and our families.

Let's honor the legacy of FCPHD1 and the mission it was founded upon by supporting the levy lid lift. Together, we can ensure that our emergency services remain strong and capable of meeting the growing needs of our residents. This is an investment in our communities that we must support.

Your signature is needed to make sure your ballot gets counted.

The signature on your return envelope is compared to the signature on your voter registration record. Trained election officials verify each and every signature.

If your signature is missing or does not match your voter registration record, the county elections office will contact you by mail **before certification**. They may call or email if you gave them this info.

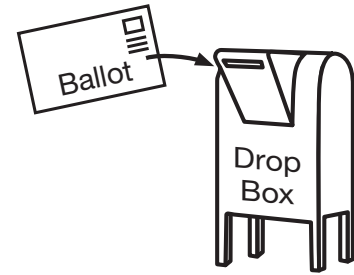

If you registered to vote online or through Department of Licensing, the signature from your driver's license, permit, or state ID will be on your voter registration record.

Voters can track and check their ballot status at **VoteWA.gov**.

1 Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on November 7, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! Don't let a late postmark disqualify your ballot. The USPS recommends that you mail it back at least one week before Election Day.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

2 Your signature is verified

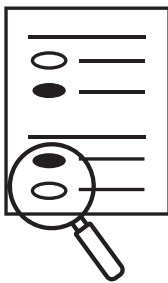

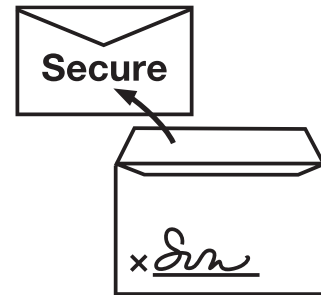

Your signature is important and we need it to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure **only one** ballot is counted for you.

2

3

3 Envelopes and sleeves are separated

The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

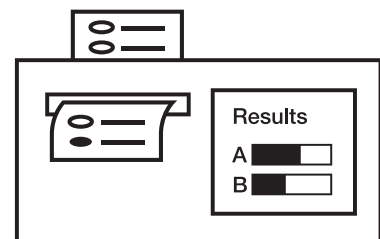

4 Your ballot is reviewed and scanned

The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5

5 Your ballot is counted

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted. Every county conducts a post-election audit.
