

Can you

# GIVE 1

to make a difference?

Could you skip dinner at your favorite restaurant once a month and **GIVE 1** to make a difference? Giving up one dinner a month can make a huge difference to those in need.

### What can your dinner do this paycheck?

- \$21 purchases 25 egg-laying chickens as a food source for an orphanage
- \$42 supports five low-income adult learners with a quarter of one-on-one support and tutoring
- \$104 installs a water tank to provide safe water to 8,000 refugees in Ghana
