# Our Mission

Empowering Washington public employees and retirees to strengthen communities through the funding and support of charities.

If each current and retired state and higher education employee currently NOT donating through the CFD donated \$2 a month (less than a latte or a gallon of gas), together we could raise **\$2 million dollars** more for the charities we care about every year.

## What are you passionate about?

Each year, over 16,000 active and retired public employees pledge more than \$5 million to more than 5,000 different local, national and global charities. For some charities, the donors of the Combined Fund Drive provide their only source of funding.

The Combined Fund Drive is here to make your charitable donation experience as easy and enjoyable as possible.

Whatever your passion, the CFD has an avenue to support it.

Together, we can change the world, one donation at a time.
