Thurston County Steering Committee is looking for a few good Champions!!

What We Do

County committees assist the Washington State Combined Fund Drive (CFD) with local charity outreach and agency coordination. The Thurston County Steering Committee is made up of state agency representatives, the Secretary of State Office, and local charities. We are here to help Thurston County state agencies to promote the CFD and successfully carry-out their campaign. We meet monthly to plan and coordinate services, which currently include assisting with training, facilitating charity connections, and hosting statewide events.

Join the Team

We are in need of a variety of skill sets to help provide these services to Thurston County agencies and charities. No talent is too small to share! If interested, please complete the interest form and give to a current committee member.

**You cannot do all the good the world needs,
But the world needs all the good you can do!**

- Jana Stanfield

We will be hosting an open house and new member welcome reception at the Secretary of State's Office in June. We hope you will join us! To find out more, talk to a committee member or email us at cfd.tcsc@gmail.com
