

Charity fairs are an easy way for employees at your agency to connect with causes they believe in. This year, the Thurston County CFD Steering Committee is changing up the format for its charity fairs. Rather than two GIANT events in Olympia and Tumwater, the committee is looking for agencies that are open to hosting more intimate gatherings of charities.

Kezia Prater will be coordinating the charity fairs this year. If you have questions, you may contact her at: 360-664-6652 or email efd.tcsc@gmail.com

To host a charity fair, please answer the following:

Your name _____

Agency name _____

Address _____

(Area code) Phone number _____

Email address _____

How many charities can you accommodate? _____

Consider each charity will need:

- 6' table
- 2 chairs
- Space to set up

Note: Agencies must provide their own tables and setup. We will have a committee member at your charity fair to provide assistance only.

Choose the top three dates you could potentially host a charity fair between September and November:

Date 1: _____

Date 2: _____

Date 3: _____

Do you want to collaborate with a neighboring agency to host a charity fair together?

Yes No If yes, provide the following information:

Name of neighboring agency _____

Location _____

Agency campaign leader _____

Have you discussed collaborating with the campaign leader yet? Yes No

Thank you!
