Outreach & Learning Campaign Check In

Curtis updated us on what's happened to date prepping for the 10/8 Charity Fair he is hosting. Annya shared her campaign activity calendar with the group and then emailed to everyone (thanks!) Jeanne told us about the softball tournament.

Action Items Review:

Jolyn is still reviewing venues for recognition event. We have the Center of Urban Horticulture held. Trader Joe's has is providing food, so as a committee, we'll need to be prepared to do a little extra with this year's set up to put the food together.

Budget

Kerri handed out the budget for the committee to review.

Subcommittee Reports

Training

Kerri handed out the training evaluations and evaluation comments. We had some of the best reviews we have ever had.

Recognition

We have a place held, we have caterer and now we need a theme!

Agency Fairs

Curtis updated us on his Charity Fair and we invited everyone to attend the UW fair on 10/22/15.

Procurement

We got some good stuff, but most of it expires before the end of the year. I'll be using it for coordinator contests, unless materials are requested by coordinators.

State Report

The first week to give push was a great success. Lots of people chose to give or give a little more and Starbucks gift cards are coming!

Jolyn is reaching out to the State CFD office to help with volunteer recruitment for this committee. She is also following up with people who expressed interest in joining the committee during the training.
