

## **2006 Connecting Learners to Libraries Grants with a CBA focus**

### **Grant Number: 06-CLL-002**

#### **Organizations: Pend Oreille County Library, Calispel Valley Library**

Abstract: **“Road through History”** is a collaborative program: whereby, historical books from various eras, both fiction and nonfiction, will be purchased for Cusick High School Library as well as for the Calispel Valley Library, making two books of the same title available for students to check out and read. The history teacher will be using these books for specific history programs and assignments for their students. Programs will also be scheduled at each library based on some of the books purchased through this project.

### **2005 Connecting Learners to Libraries Grants**

**Grant Number: 05-CLL-025**

**Organizations: Everett High School, Everett Public Library**

Abstract: In the **“Causing Connections”** project, the Everett Public Library, the Everett High School Library, and one classroom teacher will collaborate with the goal of improving students’ research skills and creating stronger connections between our students and libraries, and our relationship between our public and school library. We will use the state EALR classroom based assessment, Causes of Conflict, as our student research assignment to support our project goals.

Deborah Payne – Librarian at Everett High School – [dpayne@everettsd.org](mailto:dpayne@everettsd.org)

**Grant Number: 05-CLL-026**

**Organization: Vancouver School District**

Abstract: The project **“Catch the Current: Increasing Student and Community Awareness about the Lewis and Clark Expedition”** will provide quality reference materials for students during the bicentennial of this important event. By coordinating this effort with the local branch of the public library, students and others will have access to the same quality materials at both locations.
