 Number of vote by mail voters credited _____

 Number of poll voters credited _____

 Number of provisional ballot voters credited _____

 Number of federal write-in ballot voters credited _____

 Number of out-of-state, overseas, and service voters credited _____

 **Number of voters credited even though the ballot was late and not counted _____

****NOTE:** The above number should always be zero in accordance with WAC 434-262-013.

The "total number of registered voters in all precincts" should come from the VRDB and should match your EMS numbers.

The total numbers of absentee, poll, provisional, federal write in, and UOCAVA voters credited all come from your EMS.

The "total number of voters credited even though the ballot was late and not credited" is asked for in RCW 29A.60.235. WAC 434-262-013 clarifies that a voter whose ballot was not counted shall not be credited with voting. Therefore, this number should always be zero.

The total number of voters credited comes from your EMS report.
