

SAVE THE 2/3'S VOTE FOR TAX INCREASES AGAIN

COMPLETE TEXT

AN ACT Relating to state taxes, fees, and other revenue; amending RCW 43.135.034; adding new sections to chapter 43.135 RCW; creating new sections; repealing RCW 43.135.043, 43.135.035, and 43.135.055; and providing contingent effective dates.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

INTENT

NEW SECTION. **Sec. 1.** This initiative should deter the governor and the legislature from sidestepping, suspending, or repealing any of Initiative 1053's policies. The people insist that tax increases receive either two-thirds legislative approval or voter approval and fee increases be set by the legislature. To get around I-1053's policies, the Legislature repeatedly raids dedicated accounts and dedicated funds, depleting them of revenue, necessitating revenue increases. The people want to put a stop to their bait-and-switch manipulation. This measure requires that revenue deposited in a dedicated account or dedicated fund may only be used for the statutory purpose for which the dedicated fund or dedicated account was created. These important policies ensure that taking more of the people's money will always be an absolute last resort.

PROTECTING TAXPAYERS BY REQUIRING EITHER TWO-THIRDS LEGISLATIVE APPROVAL OR VOTER APPROVAL FOR THE LEGISLATURE TO RAISE TAXES (sections 2 and 3 take effect if the 2012 legislature suspends or repeals the two-thirds legislative vote requirement for tax increases)

NEW SECTION. **Sec. 2.** A new section to chapter 43.135 RCW is added and reads as follows:

(1)(a) Any action or combination of actions by the legislature that raises taxes may be taken only if approved by a two-thirds vote in both the house of representatives and the senate. Pursuant to the referendum power set forth in Article II, section 1(b) of the state Constitution, tax increases may be referred to the voters for their approval or rejection at an election.

(b) For the purposes of this chapter, "raises taxes" means any action or combination of actions by the state legislature that increases state tax revenue deposited in any fund, budget, or account, regardless of whether the revenues are deposited into the general fund.

(2)(a) If the legislative action under subsection (1) of this section will result in expenditures in excess of the state expenditure limit, then the action of the legislature shall not take effect until approved by a vote of the people at a November general election. The state expenditure limit committee shall adjust the state expenditure limit by the amount of additional revenue approved by the voters under this section. This adjustment shall not exceed the amount of revenue generated by the legislative action during the first full fiscal year in which it is in effect. The state expenditure limit shall be adjusted downward upon expiration or repeal of the legislative action.

(b) The ballot title for any vote of the people required under this section shall be substantially as follows:

"Shall taxes be imposed on in order to allow a spending increase above last year's authorized spending adjusted for personal income growth?"

(3)(a) The state expenditure limit may be exceeded upon declaration of an emergency for a period not to exceed twenty-four months by a law approved by a two-thirds vote of each house of the legislature and signed by the governor. The law shall set forth the

nature of the emergency, which is limited to natural disasters that require immediate government action to alleviate human suffering and provide humanitarian assistance. The state expenditure limit may be exceeded for no more than twenty-four months following the declaration of the emergency and only for the purposes contained in the emergency declaration.

(b) Additional taxes required for an emergency under this section may be imposed only until thirty days following the next general election, unless an extension is approved at that general election. The additional taxes shall expire upon expiration of the declaration of emergency. The legislature shall not impose additional taxes for emergency purposes under this subsection unless funds in the education construction fund have been exhausted.

(c) The state or any political subdivision of the state shall not impose any tax on intangible property listed in RCW 84.36.070 as that statute exists on January 1, 1993.

(4) If the cost of any state program or function is shifted from the state general fund to another source of funding, or if moneys are transferred from the state general fund to another fund or account, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall lower the state expenditure limit to reflect the shift. For the purposes of this section, a transfer of money from the state general fund to another fund or account includes any state legislative action taken that has the effect of reducing revenues from a particular source, where such revenues would otherwise be deposited into the state general fund, while increasing the revenues from that particular source to another state or local government account. This subsection does not apply to: (a) The dedication or use of lottery revenues under RCW 67.70.240(3), in support of education or education expenditures; or (b) a transfer of moneys to, or an expenditure from, the budget stabilization account.

(5) If the cost of any state program or function and the ongoing revenue necessary to fund the program or function are shifted to the state general fund on or after January 1, 2007, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall increase

the state expenditure limit to reflect the shift unless the shifted revenue had previously been shifted from the general fund.

NEW SECTION. **Sec. 3.** RCW 43.135.034 (Tax legislation--Two-thirds approval--Referral to voters--Conditions and restrictions--Ballot title--Declarations of emergency--Taxes on intangible property- - Expenditure limit to reflect program cost shifting or fund transfer) and 2011 c ... s ..., 2011 c 1 s 2 (Initiative Measure No. 1053), as now existing or hereafter amended, are each repealed.

PROTECTING TAXPAYERS BY REQUIRING EITHER TWO-THIRDS LEGISLATIVE APPROVAL OR VOTER APPROVAL FOR THE LEGISLATURE TO RAISE TAXES (section 4 takes effect if the 2012 legislature does not suspend or repeal the two-thirds legislative vote requirement for tax increases)

Sec. 4. RCW 43.135.034 and 2011 c 1 s 2 are each amended to read as follows:

(1) (a) (~~(After July 1, 1995, a)~~) Any action or combination of actions by the legislature that raises taxes may be taken only if approved by (~~(at least)~~) a two-thirds (~~(legislative approval)~~) vote in both the house of representatives and the senate. Pursuant to the referendum power set forth in Article II, section 1(b) of the state Constitution, tax increases may be referred to the voters for their approval or rejection at an election.

(b) For the purposes of this chapter, "raises taxes" means any action or combination of actions by the state legislature that increases state tax revenue deposited in any fund, budget, or account, regardless of whether the revenues are deposited into the general fund.

(2) (a) If the legislative action under subsection (1) of this section will result in expenditures in excess of the state expenditure limit, then the action of the legislature shall not take effect until approved by a vote of the people at a November general election. The state expenditure limit committee shall adjust the state expenditure limit by the amount of additional revenue approved

by the voters under this section. This adjustment shall not exceed the amount of revenue generated by the legislative action during the first full fiscal year in which it is in effect. The state expenditure limit shall be adjusted downward upon expiration or repeal of the legislative action.

(b) The ballot title for any vote of the people required under this section shall be substantially as follows:

"Shall taxes be imposed on in order to allow a spending increase above last year's authorized spending adjusted for personal income growth?"

(3) (a) The state expenditure limit may be exceeded upon declaration of an emergency for a period not to exceed twenty-four months by a law approved by a two-thirds vote of each house of the legislature and signed by the governor. The law shall set forth the nature of the emergency, which is limited to natural disasters that require immediate government action to alleviate human suffering and provide humanitarian assistance. The state expenditure limit may be exceeded for no more than twenty-four months following the declaration of the emergency and only for the purposes contained in the emergency declaration.

(b) Additional taxes required for an emergency under this section may be imposed only until thirty days following the next general election, unless an extension is approved at that general election. The additional taxes shall expire upon expiration of the declaration of emergency. The legislature shall not impose additional taxes for emergency purposes under this subsection unless funds in the education construction fund have been exhausted.

(c) The state or any political subdivision of the state shall not impose any tax on intangible property listed in RCW 84.36.070 as that statute exists on January 1, 1993.

(4) If the cost of any state program or function is shifted from the state general fund to another source of funding, or if moneys are transferred from the state general fund to another fund or account,

the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall lower the state expenditure limit to reflect the shift. For the purposes of this section, a transfer of money from the state general fund to another fund or account includes any state legislative action taken that has the effect of reducing revenues from a particular source, where such revenues would otherwise be deposited into the state general fund, while increasing the revenues from that particular source to another state or local government account. This subsection does not apply to: (a) The dedication or use of lottery revenues under RCW 67.70.240(3), in support of education or education expenditures; or (b) a transfer of moneys to, or an expenditure from, the budget stabilization account.

(5) If the cost of any state program or function and the ongoing revenue necessary to fund the program or function are shifted to the state general fund on or after January 1, 2007, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall increase the state expenditure limit to reflect the shift unless the shifted revenue had previously been shifted from the general fund.

~~(6) For the purposes of chapter, "raises taxes" means any action or combination of actions by the legislature that increases state tax revenue deposited in any fund, budget, or account, regardless of whether the revenues are deposited into the general fund.~~

Sec. 5. RCW 43.135.035 (Tax legislation--Referral to voters--Conditions and restrictions--Ballot Title--Declarations of emergency--Taxes on intangible property--Expenditure limit to reflect program cost shifting or fund transfer) and 2010 c 4 s 2 & 2009 c 479 s 36 are each repealed.
