Add-On Product Descriptions

Academic OneFile

Academic OneFile is the premier source for peer-reviewed, full-text articles from the world's leading journals and reference sources. With extensive coverage of the physical sciences, technology, medicine, social sciences, the arts, theology, literature and other subjects, *Academic OneFile* is both authoritative and comprehensive. With millions of articles available in both PDF and HTML full-text with no restrictions, researchers are able to find accurate information quickly.

In addition to all of the traditional services available through InfoTrac, Thomson Gale is proud to announce a number of new services offered through collaboration with Thomson Scientific/ISI. Mutual subscribers of *Academic OneFile* and Thomson *Scientific's Web of Science*® and *Journal Citation Reports*® and will be provided seamless access to cited references, digital object identifier (DOI) links, and additional article-level metadata, as well as to current and historical information on a selected journal's impact factor. Further, Thomson Scientific customers will be able to pull the full-text of an article right from their InfoTrac subscription. This close collaboration will allow for fully integrated and seamless access to the best in academic, full-text content and the indexing around it. *Academic OneFile* also includes a linking arrangement with JSTOR for archival access to a number of periodicals, as well as full OpenURL compliance for e-journal and subscription access.

Academic OneFile features a fully updated, intuitive interface -- providing multiple pathways to key information. Featuring the latest technology available on the groundbreaking PowerSearch® (see www.gale.com/servlet/ItemDetailServlet?region=9&imprint=000&titleCode=TGPS&cf=n&type=4&id=227657) platform, this essential resource is versatile and easy to use. Visit <http://www.gale.com/AcademicOneFile/> for more information.

Educator's Reference Complete

This collection of more than 1,100 periodicals and 200 reports is a great resource for any educator -- from the school teacher and administrator to those studying in the field at the collegiate and graduate level. Content included in the database is almost entirely full-text, with the majority of the titles also covered in the ERIC database. This database covers multiple levels of education from preschool to college, and every educational specialty -- such as technology, bilingual education, health education, and testing. *Educator's Reference Complete* also focuses on issues in administration, funding and policy. For more information, visit <http://www.gale.com/pdf/facts/ERC.pdf>.

LitFinder

LitFinder is international in scope, covers all time periods, and contains a wealth of primary literature content, including more than 126,500 full-text poems, 850,000 poem citations and excerpts, 5,000 full-text short stories, 2,800 full-text essays, 1,800 full-text speeches, and 1,000 full-text plays. *LitFinder* also includes biographies, work summaries, photographs, and a glossary. A subject navigator provides over 10,000 subject headings, and basic and advanced search modes allow users to search by keyword, author, subject, work title, work date, nationality, gender, timeline, and more.

LitFinder's easy-to-use interface allows users to easily target the information they are looking for or to browse the database through various refine search and browse options. For example, users can find everything from the sonnets of Shakespeare to the poetry of Maya Angelou, the love poetry of the 13th century to contemporary poems by African American women, the inaugural speeches of George Washington through George W. Bush, short stories by Edgar Allan Poe to stories by up-and-coming writer Elizabeth Weld, or essays on such subjects as the arts, science, and religion.

LitFinder also features a new user interface, launched in March 2004, 850 Spanish-language poems with English translations, and coverage of more than 600 nationalities and ethnicities and approximately 27,000 women writers. It focuses on contemporary works, including more than 3,500 full-text poems published for the first time in the current year, and new content is loaded on a quarterly basis. For more information, visit <http://www.gale.com/litfinder>

Nursing Resource Center

Gale's *Nursing Resource Center* is being designed to meet the needs of nursing students at community colleges, universities, and vocational or technical high schools across the United States. Available on Gale's *PowerSearch* platform, this resource will bring together in one easy-to-use interface important titles from Gale and Macmillan with excellent, thorough nursing-specific texts from Thomson Delmar. Additionally, relevant journal results from top publications in the field and animated depictions of the human anatomy will complement the core reference texts. The *Nursing Resource Center* provides authoritative information written in accessible language for students completing research papers, class assignments, and those preparing for their clinical experiences as they learn how to care for and treat patients. Visit <http://www.gale.com/NursingResourceCenter/> for more information.

Opposing Viewpoints Resource Center

Opposing Viewpoints Resource Center draws on the acclaimed social issues series published by Greenhaven Press, as well as core reference content from other Gale and Macmillan Reference USA sources, including selections from *Bioethics for Students*. The result is a dynamic online library of current event topics--the facts, as well as the arguments, of each topic's proponents and detractors. *Opposing Viewpoints Resource Center's* unique features include Topic Overviews -- frameworks that allow students to explore each topic's many facets -- and exclusive electronic access to Gale's *Information Plus* reference series of statistics, government data, information on legislation and more. Visit <http://www.gale.com/OpposingViewpoints/index.htm> for more information.

Scribner Writers Series

Gain access to more than 2,000 original and detailed bio-critical essays on the lives and works of more than 1,400 important authors from around the world. Now students, faculty and other researchers can access these literary references with flexibility and simplicity. Each entry averages 15-20 pages in length and includes a concise essay, hyperlinks for cross-referencing, a citation and biographical information that places the author's work in personal and historical context. Many authors in the *Scribner Writers Series* are seen from multiple perspectives through two, three or sometimes four essays. The series is designed to work the way students conduct literary research, therefore, students can go directly to an entry on a specific author, combine search criteria for a much more complex search, or explore thematic and chronological topics to make connections among writers. Visit <http://www.gale.com/pdf/facts/scribwri.pdf> for more information.

Small Business Resource Center

Small Business Resource Center -- perfect for public and academic libraries, chambers of commerce and small business development centers -- covers all major areas of starting and operating a business including financing, management, marketing, human resources, franchising, accounting and taxes. Startup and established businesses alike can find the answers they're looking for from an easy-to-use interface that includes a "How To" menu that tackles the most-frequently asked new business questions -- including "How to start a small business."

Whether the aspiring businessperson searches by existing business topics, types, sample business plans or creating their own, search results will be returned quickly and are designed for easy readability and use.

Small Business Resource Center is home to the best resources Thomson Gale has to offer, including the entire *Business Plans Handbook Series*, which contains hundreds of sample business plans created by real-life entrepreneurs.

Also included are the Encyclopedia of Business Information Sources, Encyclopedia of Management and Small Business Management - A Framework for Success. Small

Business Resource Center also features as dozens of titles from John Wiley & Sons -- best known for the popular and easy-to-understand "For Dummies" series -- such as Portable MBA Strategy, 2nd Ed., The 7 Irrefutable Rules of Small Business Growth and Portable MBA in Entrepreneurship. Visit <http://www.gale.com/SmallBusiness/> for more information.

Twayne's Authors Series

The acclaimed *Twayne's Authors Series* of literary criticism offers in-depth introductions to the lives and works of writers, the history and influence of literary movements and to the development of literary genres. This online series features the content of nearly 600 books that comprise three print series -- *United States Authors*, *English Authors* and *World Authors* -- each of which were carefully coordinated with input from librarians and educators to include authors universally studied in high schools and colleges. *Twayne's Author Series* is an ideal starting point for research papers on literary works and figures, special projects and presentations. Students can quickly gain results by searching for a specific author, combining search criteria for a more complex search, or exploring thematic and chronological topics. Visit <http://www.gale.com/pdf/facts/twayne.pdf> for more information.
