

**Ethnic NewsWatch Complete** is a full text subscription database containing newspapers, magazines, journals and newsletters of the ethnic, minority and native press. Designed to provide the "other side of the story", ENW titles offer additional viewpoints from those proffered by the mainstream press. With an unequalled collection of articles, editorials, columns and reviews from different and unique perspectives, Ethnic NewsWatch is an essential interdisciplinary and multi-lingual resource for any library serving the needs of a diverse student population with coverage from 1990 to current.

### Database Details

**Full-text** database includes 262 publications that contain over 1 million articles with 232,300 of them in Spanish.

**Representation** across all ethnic and minority groups: African American /Caribbean/ African, Arab/Middle Eastern, Asian/Pacific Islander, European/Eastern European, Hispanic, Jewish, Multi-ethnic and Native People

**Search fields** allow users to compare and contrast differing ethnic viewpoints easily.

**Basic and Advanced** search screens provide for novice users and expert searchers.

**Spanish titles** make up 25% of database, essentially providing a database within a database with an option to choose a Spanish language interface.

**Document Language** field allows you to target or limit your search to articles written in either English or Spanish -- based on the language of the publication. No articles are translated.

**Excellent tool** for developing critical thinking skills, students must utilize online research techniques. Context sensitive Help available .

**Exclusive content** not available on any other online database (64% of the titles are exclusive to ENW). These titles provide a unique perspective on the issues and cultures that constitute these United States.

**Sort options** include Most Relevant First, Most Recent First and Oldest (Historical) First .

**Type of Article** includes Biography, Book Review, Editorial, and Interview to allow for targeted searching.

**Email Options** include emailing multiple articles from the Marked List page or sending one article at a time from the Article View page.

**My Research Summary** can be used to save hypertext links for marked articles, recent searches and visited publications that you want to review later or share with friends and colleagues.

**Subject Thesaurus** is available in both English and Spanish. Browse the list of terms, or enter a term in the find field, then click Find Term to locate it.

*"There are really no true competitive products to compare with Ethnic Newswatch in terms of depth and diversity of coverage. Ethnic Newswatch is a very unique database, and it does not imitate any other specific competitive Web product(s)."*  
Charleston Advisor , January 2000
