

Request for Safe Name Label

ACP participants may request that the ACP use a “safe name” on all mailing envelopes that are forwarded by the ACP to the participants address. This is an added layer of protection- your name and actual address are not placed together on mail forwarded to you by the ACP.

For your safety:

- The safe label name you choose should not be a celebrity, family member, pet or friend.
- You will need to place your safe label name inside your mailbox so your mail carrier knows to deliver mail in that name.
- A safe label name is not a legal name change or an alias.
- Mail received in the ACP office MUST be addressed to your legal name. The safe name label will be used for ACP outgoing mail ONLY.

If you want to use a Safe Name, please complete this form and return to ACP.
