This schedule applies to: Public Housing Authorities and other Public Housing Program Agencies

Scope of records retention schedule
This records retention schedule authorizes the destruction/transfer of public records relating to the function of administering low-income housing and/or tenant-based subsidy housing programs by public housing authorities in accordance with chapter 35.82 RCW. It also includes public corporations & authorities created under RCW 35.21.670 that are authorized to administer low-income, tenant-based subsidy, and/or other public housing programs. It is to be used in conjunction with the Local Government Common Records Retention Schedule (CORE), which authorizes the destruction/transfer of public records common to all local government agencies. CORE can be accessed online at: http://www.sos.wa.gov/archives/recordsretentionschedules.aspx.

Disposition of public records
Public records covered by records series within this records retention schedule must be retained for the minimum retention period as specified in this schedule. Washington State Archives strongly recommends the disposition of public records at the end of their minimum retention period for the efficient and effective management of local resources.

Public records designated as Archival (Permanent Retention) or Non-Archival (with a retention period of “Life of the Agency” or “Permanent”) must not be destroyed. Records designated as Archival (Appraisal Required) must be appraised by the Washington State Archives before disposition. Public records must not be destroyed if they are subject to ongoing or reasonably anticipated litigation. Such public records must be managed in accordance with the agency’s policies and procedures for legal holds. Public records must not be destroyed if they are subject to an existing public records request in accordance with chapter 42.56 RCW. Such public records must be managed in accordance with the agency’s policies and procedures for public records requests.

In addition to the minimum retention requirements specified in this schedule, there may be additional (longer) retention requirements mandated by federal, state and/or local statute, grant agreement, and/or other contractual obligations.

Revocation of previously issued records retention schedules
All previously approved disposition authorities for records that are covered by this retention schedule are revoked, including those listed in all general and agency unique retention schedules. Local government agencies should take measures to ensure that the retention and disposition of public records is in accordance with current approved records retention schedules.

Authority
This records retention schedule was approved by the Local Records Committee in accordance with RCW 40.14.070 on January 30, 2014.

For the State Auditor: Cindy Evans
For the Attorney General: Sharon James
The State Archivist: Steve Excell
