## **This schedule applies to: Joint Legislative Audit and Review Committee**

### **Scope of records retention schedule**

This records retention schedule authorizes the destruction/transfer of the public records of the Joint Legislative Audit and Review Committee relating to the unique functions of conducting performance audits, program evaluations, sunset reviews and other analyses. The schedule is to be used in conjunction with the *State Government General Records Retention Schedule (SGRRS)*, which authorizes the destruction/transfer of public records common to all state agencies.

### **Disposition of public records**

Public records covered by records series within this records retention schedule (regardless of format) must be retained for the minimum retention period as specified in this schedule. Washington State Archives strongly recommends the disposition of public records at the end of their minimum retention period for the efficient and effective management of state resources.

Public records designated as “Archival (Permanent Retention)” must not be destroyed. Records designated as “Archival (Appraisal Required)” must be appraised by the Washington State Archives before disposition. Public records must not be destroyed if they are subject to ongoing or reasonably anticipated litigation. Such public records must be managed in accordance with the agency’s policies and procedures for legal holds. Public records must not be destroyed if they are subject to an existing public records request in accordance with chapter 42.56 RCW. Such public records must be managed in accordance with the agency’s policies and procedures for public records requests.

### **Revocation of previously issued records retention schedules**

All previously issued records retention schedules to the Joint Legislative Audit and Review Committee are revoked. The Joint Legislative Audit and Review Committee must ensure that the retention and disposition of public records is in accordance with current, approved records retention schedules.

### **Authority**

## GLOSSARY

### ***Appraisal***

The process of determining the value and disposition of records based on their current administrative, legal, and fiscal use; their evidential and informational or research value; and their relationship to other records.

### ***Archival (Appraisal Required)***

Public records which may possess enduring legal and/or historic value and must be appraised by the Washington State Archives on an individual basis.
