

Can you

GIVE 1

to make a difference?

Imagine what we could do for the community if everyone simply gave up one hour of their salary to the cause of their choice. More than \$9 million dollars would go back into nonprofits in our community.

How can one hour of your pay make a difference?

\$10 pays for HIV testing and counseling for 25 at-risk men and women

\$16 protects one acre of land for conservation

\$20 buys a laptop at a computer literacy center for girls in Asia
