Greetings,

Over the past 12 years, I have been humbled to serve the citizens of Washington State.

One of the things that I've taken the most pride in has been watching the generosity of our state employees through the Combined Fund Drive (CFD). Helping create the CFD was one of the proudest moments of my time in public service, and to see where it has grown since its first campaign in 1984 has given me great joy.

The CFD is an outstanding program that allows thousands of state employees and retirees to donate to their favorite charities. In the 29 years since its creation, the Combined Fund Drive has raised over \$110 million for local, national and global charities through statewide fundraisers and payroll contributions.

In 2012, Washington State employees displayed incredible goodwill even in the face of ever-worsening economic news, pledging over \$5.3 million to the charities of the CFD.

Our state employees have shown astounding charity and goodwill in the face of these turbulent economic times, and I look forward to continuing the program's great legacy of charity and goodwill.

Thank you for making the Combined Fund Drive one of the premiere public workplace giving programs in the country and helping those in need throughout the state and around the world. Our volunteers and donors continue to try to make a world of difference.

Sincerely,

Sam Reed

Former Secretary of State

Since the creation of the Combined Fund Drive in 1984, the program has always looked to a select group of members to help advise its staff on how to best serve its stakeholders. The CFD Advisory Council helps advise the Secretary of State and the CFD staff on matters within areas of their experience and expertise.

The council consists of CFD volunteers, charitable organization staff members and private sector employees. A heartfelt thank you goes out to each of our 2012 members.

Our Mission

Empowering Washington public employees and retirees to strengthen communities through the funding and support of charities.

The Combined Fund Drive (CFD) is Washington State's workplace giving program for active and retired public employees. State and higher education employees are invited to give to the charity of their choice through payroll contribution and agency fundraising events.

For over 28 years, the Washington State Combined Fund Drive has set the standard of giving amongst similar workplace giving programs. With the help of our incredible volunteers, and the generous gifts from every participant, the CFD has helped strengthen our community through sustained contibutions.

Each year, more than 16,000 active and retired public employees pledge more than \$5 million to more than 5,000 different local, national and global charities. To date, Washington State employees have donated over \$110 million to the partnering members of the Combined Fund Drive.

The CFD offers the security and convenience you expect when making a donation to your favorite charity. You can go online or fill out a paper contribution form to set up a monthly payroll deduction, write a check, or make a one-time pledge. The Combined Fund Drive is here to make your charitable donation experience as easy and enjoyable as possible.

Whatever your passion, the CFD has an avenue to support it.

Together, we can change the world, one pledge at a time.

The Combined Fund Drive caters to thousands of donors across the entire landscape of Washington State. A donor can give through online monthly payroll contributions or at an agency fundraising event held within his or her community. The donors who are eligible to give through the Combined Fund Drive are:

Public Employee Retirees

State retirees are the fastest growing customer bases available to the Combined Fund Drive.

Over 100,000 retirees reside in the state of Washington and that number only continues to grow.

The CFD reaches these retirees through mailings, brochures and presence at events centered around state retired personnel.

The volunteers of the Combined Fund Drive work tirelessly to improve their communities through donations to charities throughout the world. For our member charities, the requirements are simple:

Have registered with the Internal Revenue Service as a charitable organization

Be registered to do business with the Washington Secretary of State

Benefits for Charity:

For some charities, the CFD is their primary source of funding. There are many reasons for a charity to be involved with the Combined Fund Drive. Here are just a few:

- IT'S FREE!!!
- CFD participation saves time and money, reducing administrative and development costs and providing more dollars to actual services.
- Charities can plan out their fiscal years better because they can project donations in advance.
- For some charities, the CFD is their primary source of funding.
- Participating in the CFD can provide access to thousands of potential donors.

Hurricane Sandy Relief Campaign

The storm hit Florida on October 25, with winds of more than 90 mph whipping through the landscape. Within days, the entire eastern seaboard had been ravaged by Hurricane Sandy. Millions of dollars in damage was incurred, people were torn from their homes and families were devastated from the losses suffered at the hands of an incredibly powerful superstorm.

The images were so distressing that Washington State's employees were compelled to help. For three weeks, the Combined Fund Drive conducted a special campaign dedicated to bringing relief to those affected by Hurricane Sandy.

What ensued was an outpouring of generosity, with over 430 state and higher education employees donating nearly \$28,600 during the month of November, with proceeds split evenly amongst 10 different charities that had started working on the east coast.

Put into prospective, the amount of money received by the American Red Cross could have provided one meal for 286 different disaster victims, or handed out 476 blankets to those left out in the cold.

"We can't thank Washington State employees enough," A

representative with the American Red Cross said. "Washington employees are extremely generous in supporting the Red Cross and other organizations during times of disaster."

For former Secretary of State Sam Reed, it was yet another showcase of the generosity of Washington's public employees. "It just goes to show what we can all do when we come together to help our fellow citizens," Reed said. "Sometimes, disasters like these can bring out the best in people."

Proceeds were split among the following charities:

American Red Cross Disaster Relief Fund (#1468727)

American Red Cross General Fund (#0337346)

ASPCA: The American Society for the Prevention of Cruelty to Animals (#0315252)

Catholic Charities USA (#0464556)

Convoy of Hope (#0464880)

Samaritan's Purse (#0315531)

When Washington State lost one of its strongest advocates for charity, donors of the Washington State Combined Fund Drive (CFD) created the most fitting of memorials.

Eva Santos, former Human Resources Director at the Department of Personnel, lost her long battle with breast cancer, leaving many of her close friends and family grieving the loss of an incredible symbol of generosity and caring.

"We have lost a great leader and I have lost a cherished friend," former Governor Chris Gregoire said. "My heart is heavy and her family and friends are in my thoughts."

Santos had long been a supporter of the CFD, helping usher the program through difficult transitions and overseeing some of the monumental changes that have made the program one of the most successful independent public giving programs in the country.

To honor her life, the volunteers of the CFD came together to honor her life by conducting a special campaign dedicated to breast cancer research and prevention.

This special campaign began on Eva's birthday, December

17, and ran through December 28. All donations were split between the Susan G. Komen Puget Sound Affiliate and the Breast Cancer Foundation.

More than \$990 was donated in just two weeks from donors all over the state.

A Message from Secretary of State Kim Wyman

Greetings,

It is with great honor that I have been called to serve the citizens of Washington. I am especially proud to be leading the volunteers and staff of the Combined Fund Drive.

Programs like the CFD are incredibly important to the fabric of a healthy community, helping those less fortunate and changing lives through simple and effective payroll contribution.

In these tough times, charity and goodwill are needed more than ever. The Combined Fund Drive is just one of the ways our citizens show compassion, and your tireless efforts will no doubt help to make our community better.

It is my goal to continue the legacy provided by those who have come before me, and I look forward to working with agency leadership, volunteers and donors of the CFD to make a lasting impact throughout the world.

Thank you so much for everything you've done. Your time and effort have truly made an impact on the lives of others.

Sincerely,

Kim Wyman

Secretary of State
