# A Message from Secretary of State Kim Wyman

Greetings,

As I reflect on my first year in office, one of the programs I am very proud to oversee is the Washington State Combined Fund Drive.

Throughout 2013, I witnessed countless examples of generosity by Washington State employees, and could not be more proud to be the co-chair alongside Governor Jay Inslee of a program that does so much good in our community.

Last year, Washington's state and higher education employees pledged over \$5 million to local, national and global nonprofits through payroll contribution and agency fundraising events and we're on par to do it again in 2014. Those precious dollars feed the hungry, provide medical care to seniors in need, help children learn to read and improve conditions for thousands locally and globally.

On behalf of the staff of the Washington State Combined Fund Drive, and all those in need throughout our community, I thank you for working to make the world a better place.

Sincerely,

Kim Wyman  
Secretary of State

# Our Mission

Empowering Washington public employees and retirees to strengthen communities through the funding and support of charities.

The Combined Fund Drive (CFD) is Washington State's workplace giving program for active and retired public employees. State and higher education employees are invited to give to the charity of their choice through payroll contribution and agency fundraising events.

For nearly 30 years, the Washington State Combined Fund Drive has set the standard of giving amongst similar workplace giving programs. With the help of our incredible volunteers, and the generous gifts from every participant, the CFD has helped strengthen our community through sustained contributions.

Each year, over 15,000 active and retired public employees pledge more than \$5 million to 5,000 local, national and global charities. To date, Washington State employees have donated over \$115 million to the charity members of the Combined Fund Drive.

The CFD offers the security and convenience you expect when making a donation to your favorite charity. You can go online or fill out a paper contribution form to set up a monthly payroll deduction, write a check, or make a one-time pledge. The Combined Fund Drive is here to make your charitable donation experience as easy and enjoyable as possible.

Whatever your passion, the CFD has an avenue to support it.

Together we can change the world, one pledge at a time.

The Combined Fund Drive caters to thousands of donors across the entire landscape of Washington State. A donor can give through online monthly payroll contributions or at an agency fundraising event held within his or her community. The donors who are eligible to give through the Combined Fund Drive are:

## State Agency Employees

# 30 Years of Excellence

Washington State has proven to be one of the most giving states in the nation. Each year, over 16,000 active and retired public employees pledge more than \$5 million to over 5,000 local, national and global charities. That amount of charitable giving places Washington State at fourth in the nation amongst state employee giving programs, an incredible feat given the fact that our great state is 13th in overall population.

## Your Dollars at Work

The money given by our generous donors impacts CFD member charities large and small by providing steady, sustainable revenue through an easy and effective method of giving. Below are just some of the services that received financial assistance through the CFD's payroll contribution program.

## Volunteer Tracker

For the first time since the program began in 1984, the Combined Fund Drive now tracks volunteer hours that state employees log at any of our member charities. The estimated average dollar value for volunteer time in Washington state is more than \$22 per hour. This means that state and higher education employees saved charities in their communities more than \$168,000 in paid staff time during 2013.

# Campaign Success: Typhoon Haiyan Relief Campaign

It is one of the worst storms in recorded history, killing thousands of people, leaving millions of homes destroyed and crumbling entire cities in its wake. For the victims of Typhoon Haiyan, the effects of the storm's devastation will be felt for years.

As the images of the wreckage and stalled relief efforts began to pour in, the volunteers and donors of the CFD felt compelled to act. Within days, a special campaign was created, featuring dozens of charities who were already on the ground assisting with relief efforts in the Philippines. A special message from Governor Inslee was sent to all state employees asking for help.

When the special campaign concluded, \$21,141 was donated to 38 different charities by more than 350 donors.

"It was a spectacular effort made by all," Program Manager Philip Kerrigan said. "We are very proud of the work done by all our volunteers and donors to bring much-needed relief to the region."

# Campaign Success: 2013 Golf for Veterans

The first-ever Golf for Veterans Tournament co-charied by the Washington State Combined Fund Drive and Department of Social and Health Services was a hit for the participants and charities.

More than 100 golfers stepped onto Whispering Firs Golf Course at McChord Field on a September Saturday morning with intentions of not only beating the competition, but also contributing to several wonderful charities that support veterans and their families.

Each hole was sponsored by a corporate partner of the CFD or a member charity, giving golfers an opportunity to connect with other organizations that have been affecting the lives of veterans and their families in positive ways.

The three charities that were chosen as the main beneficiaries of the \$7,500 raised at the event were the USO (#0376776), Wounded Warrior Project (#1478240) and RallyPoint/6 (#1481284).

Judging by its success, this swinging event will probably become an annual occasion. The CFD hopes to see returning participants along with some new faces next year. A BIG thank you to all of the supporting donors and individuals who helped make this special day run so smoothly. See you next year!

The CFD thanks the following corporate partners that helped make the 2013 Golf for Veterans Tournament a success:

# Campaign Success: 2013 Masquerade Ball

The second annual Masquerade Ball at the Capitol last October was a huge success.

The Office of the Secretary of State, the Combined Fund Drive and the Department of Archeology and Historical Preservation co-hosted the event, with Secretary of State Kim Wyman and State Historic Preservation Officer Allyson Brooks welcoming guests.

Around 600 guests made their way up the grand staircase to the Capitol Rotunda where the night kicked off with a belly dancer and drum line performance. Several other dance performances followed as people continued to make their rounds from floor to floor, checking out the various forms of entertainment.

The extensive hors d'oeuvre display kept people well fed while they mingled, enjoyed drinks and watched couples dance to music played throughout the building. The casino night was sensational with a selection of poker, blackjack and roulette. Charities lined the hallways with displays, information and giveaways in the spirit of donating through the Combined Fund Drive in mind.

Professional photographs were taken in the Reception Room and psychics were reading tarot cards in The Dome Deli.

The CFD raised more than \$6,000 from the event. We doubled our guest list from last year and hope to do the same for next year. Many thanks to all attendees, volunteers and performers!

Next year's Masquerade Ball is tentatively scheduled for:

October 18, 2014  
7pm to 11pm  
Capitol Rotunda

# Our Charities

The volunteers of the Combined Fund Drive work tirelessly to improve their communities through donations to charities throughout the world. For our member charities, the requirements are simple:

Be registered with the Internal Revenue Service as a charitable organization

Be registered as a charity with the Washington State Secretary of State

## Benefits for Charity

For some charities, the CFD is their primary source of funding. There are many reasons for a charity to be involved with the Combined Fund Drive. Here are just a few:

- IT'S FREE!
- CFD participation saves time and money, reducing administrative and development costs and providing more dollars to actual services.
- Charities can plan out their fiscal years better because they can project donations in advance.
- Participating in the CFD can provide access to thousands of potential donors.
