Public Service Recognition Week is celebrated each year during the first full week of May. It is a time set aside for public employees and their families to honor the men and women who serve Washington as federal, state and local government employees.

Various state and local legislators and governmental leaders will be present to recognize the efforts of outstanding public employees.

The GESA carousel will be open for rides from 5:45 – 6:45pm. There will be entertainment, door prizes, and a bounce house for kids. Bring some lawn chairs and come join us!
