

**2020 Combined Fund Drive Annual Report** 

### A MESSAGE FROM SECRETARY OF STATE KIM WYMAN

As co-chair of the Washington State Combined Fund Drive (CFD), I am honored to present the CFD's 2020 Annual Report.

2020 was a challenging year for all of us. Despite a global pandemic that changed our lives in ways we never imagined, our charity and nonprofit partners have continuously and tirelessly served our communities; and, with the CFD, our state and higher-education employees and retirees have selflessly supported these organizations and numerous other causes.

Due to COVID-19, we had to suspend many of the in-person fundraisers and events we have enjoyed over the years. Plus, with most of our employees working remotely, we needed to find different ways to

communicate the CFD's latest programs and initiatives, and to rally our colleagues' enthusiasm and support.

Our creative and motivated CFD team stepped up by launching several fun and unique virtual promotions, activities, and fundraisers to ensure our donors are engaged, informed, and primed to participate. The team's ceaseless energy and imagination helped inspire our fellow employees, retirees, and corporate partners to pledge \$5.1 million to the charities and nonprofits that rely on our help and generosity. After such a challenging year, and as we settle into a new one, I believe this is worth acknowledging and celebrating.

I am committed to advocating and advancing the CFD's mission and its enduring legacy. Thank you to all our wonderful donors and volunteers for your hard work and giving spirit. Words cannot adequately express our gratitude.

Sincerely,

KIM WYMAN Secretary of State

### **OUR** SPONSORS

### 2020 LEADERSHIP/CAMPAIGN KICKOFF BREAKFAST

Due to the pandemic, we postponed our annual Leadership Breakfast to the fall. As a result, we were able to combine the breakfast meeting with the start of the annual giving campaign and host a virtual Leadership Kickoff Breakfast.

Our event sponsor, TwinStar Credit Union, provided breakfast boxes to all volunteers to pick up and enjoy while watching the event. About 300 people watched our virtual event that featured a range of guest speakers including Secretary of State Kim Wyman, and representatives from Habitat for Humanity, Mike Tice Foundation, and TwinStar Credit Union.

Thank you to our sponsor and everyone that was able to join the Leadership Kickoff Breakfast!

#### 2020 FIRST WEEK TO GIVE

Our partnership with Washington State Employees Credit Union resulted in another amazing year during the CFD's First Week to Give. Donors raised more than \$70,357 to member charities during the first week of the annual giving campaign and logged 797 volunteer hours, saving charities more than \$21,500 in labor costs.

WSECU provided a \$5 Starbucks card to any donor who either started a new donation or increased their current donation by \$5 or more. Donors could also qualify by submitting 1 hour of volunteer time during that week.

Thank you to our sponsor WSECU and everyone who participated in the First Week to Give!

### FINANCIAL PICTURE EXPENSES

Like most nonprofits, the CFD has expenses that administer the program statewide. The program has two different classifications of expenses: operating and fundraising. These expenses are from January 2020 through December 2020.

#### **Operating Expenses**

Below are the operating costs for 2020

Employee Salaries \$166,541.54 Employee Benefits \$67,327.95

The CFD is composed of four FTEs\* and part of the salary and benefits of the Community Programs Deputy Director of the Office of the Secretary of State. (\*In 2020, the CFD was not fully staffed).

Purchased Services Contracts \$206,365.74

These contracts help administer the program:

- University of Washington
- Department of Social and Health Services
- software licenses

General Supplies	\$3,325.10
Communications (telephone)	\$1,479.42
Rent and Utilities	\$5,697.81
Data Processing	\$5,266.00
Shipping and Postage	\$1,129.72
Employee Development Training	\$742.70
Travel / Meals with Meeting	\$674.59
Equipment and Software	\$455.57
OSOS Fiscal Services	\$36,000.00
Other Goods and Services	\$1,810.54

The Office of the Secretary of State supports the CFD by providing fiscal and IT processing services. These services are noted through a monthly fee.

TOTAL OPERATIONAL EXPENSES \$496,776.68

#### **Fundraising Expenses**

Below are fundraising costs of 2020 associated with marketing material and fundraising expenses:

Printing and Reproduction \$3,080.37 Marketing and Advertising \$174.66

The CFD develops publications and purchases items to raise awareness for the giving campaign such as posters, rack cards, balloons, pens, etc.

Fundraising Event Costs

\$18.425.28

The CFD conducts fundraisers to help lower administrative fees.

Reimbursements to Agencies \$22,154.97

CFD volunteers are eligible to receive reimbursements through the standard statewide reimbursement process.

Examples may include:

- Chili cookoff supplies
- Purchases for golf tournaments
- Silent-auction purchases

CFD volunteers must request reimbursement from their respective agency first. Many agencies wait until the end of the giving campaign to send reimbursement requests to the CFD.

### **CFD** NON-SPECIFIED FUND

In addition to promoting and raising funds for thousands of charities, the CFD works to raise money for the CFD Non-Specified Fund through promotions and events. Donors can choose to give through payroll contributions and fundraising events for the CFD Non-Specified Fund. Any administrative costs associated with running the CFD are deducted from the CFD Non-Specified Fund first. Any remaining costs are charged to our member charities through a quarterly administrative fee.

2020 CFD Non-Specified Fund Contribution \$238,690.34

2020 CFD Non-Specified Fund Interest from the Bank \$14,279.17

Total CFD Non-Specified Fund Income \$252,969.51

### FINANCIAL BOTTOM LINE

Why do we say "average charge to charity"?

The CFD splits its remaining costs among member charities that receive funds from specified payroll contribution income. The costs are administered as a percentage of the whole. The more a charity receives in specified contributions, the higher the charge when disbursing to their organization. Charities not receiving funding are not charged an administrative fee.
