

2021 Combined Fund Drive Annual Report

Mission

Empower Washington public employees, retirees, and higher-education faculty to strengthen our communities through the funding and support of charities.

A MESSAGE FROM SECRETARY OF STATE STEVE HOBBS

As your Secretary of State, and co-chair of the Washington State Combined Fund Drive (CFD), I am honored to present the CFD's 2021 Annual Report.

2021 was a time of transition. Despite the pandemic, which continues to affect our lives in so many ways, last year brought a change in leadership, not only to the Office of the Secretary of State, but also the CFD. Since the day I assumed office in November I have witnessed firsthand the generosity and giving spirit of the more than 15,000 state and higher-education employees and retirees, as well as the energy and enthusiasm of our new CFD team.

Though we had to continually suspend in-person events and other activities we have enjoyed over the years, our amazing new team found creative and exciting ways to garner our colleagues' support and participation in CFD initiatives and promotions. These included several unique and interactive virtual fundraisers and programs that kept our donors informed and engaged. The team's ceaseless drive and imagination helped inspire our fellow employees and retirees to pledge more than \$5 million to charities, nonprofits, and causes around the world. After yet another challenging year, this is an accomplishment to commend and celebrate.

I want to thank all of our wonderful donors, volunteers, and corporate partners for their help, hard work, and dedication. I encourage you to read this annual report, learn more about the Combined Fund Drive, and join me in advancing the CFD's inspirational mission and enduring legacy.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve R Hobbs".

OUR SPONSORS

2021 LEADERSHIP/CAMPAIGN KICKOFF BREAKFAST

This year we hosted another Virtual Leadership Breakfast and Campaign Kickoff! Our event sponsor, Twin Star Credit Union, provided breakfast boxes to all volunteers to enjoy during the event and invited a special guest to host. Motivational speaker and former American

Ninja Warrior, Hoan Do, led our breakfast with an inspiring connection to the CFD:

"When my parent's escaped Vietnam after the war, it was a non-profit, who was part of the CFD, that helped my parents safely immigrate to the United States and start a new life for my brother and I. My family is forever grateful for the amazing staff and all the state employees who contribute their time, talents, and treasures to this incredible program."

Thank you to our sponsor and everyone that was able to join the Leadership Kickoff Breakfast!

2021 FIRST WEEK TO GIVE

Our partnership with Washington State Employees Credit Union resulted in another amazing year during the CFD's First Week to Give. Donors raised more than \$55,254 to member charities during the first week of the annual giving campaign and logged 951 volunteer hours, saving charities more than \$27,500 in labor costs.

WSECU provided a \$5 Starbucks card to any donor who either started a new donation or increased their current donation by \$5 or more. Donors could also qualify by submitting 1 hour of volunteer time during that week.

Thank you to our sponsor WSECU and everyone who participated in the First Week to Give!

CFD NON-SPECIFIED FUND

In addition to promoting and raising funds for thousands of charities, the CFD works to raise money for the CFD Non-Specified Fund through promotions and events. Donors can choose to give through payroll contributions and fundraising events for the CFD Non-Specified Fund.

Any administrative costs associated with running the CFD are deducted from the CFD Non-Specified Fund first. Any remaining costs are charged to our member charities through a quarterly administrative fee.

2021 CFD Non-Specified Fund Contribution \$257,462.35

2021 CFD Non-Specified Fund Interest from the Bank \$5,743.05

Total CFD Non-Specified Fund Income
\$263,629.06

FINANCIAL BOTTOM LINE

Why do we say "average charge to charity"?

The CFD splits its remaining costs among member charities that receive funds from specified payroll contribution income. The costs are administered as a percentage of the whole. The more a charity receives in specified contributions, the higher the charge when disbursing to their organization. Charities not receiving funding are not charged an administrative fee.
