2022 Annual Report

A MESSAGE FROM SECRETARY OF STATE STEVE HOBBS

As co-chair of the Washington State Combined Fund Drive (CFD), I am honored to present the CFD's 2022 Annual Report.

2022 was yet another challenging year.
Despite an uncertain economy, high inflation, and our ongoing emergence from the COVID-19 pandemic, more than 15,000 state employees and retirees continually affirm why Washington is one of the most giving states in the nation. Last year, they donated nearly \$4.4 million to about 3,100 charities and nonprofits worldwide.

In addition, our generous donors once again enjoyed many in-person activities we had

to suspend since the beginning of the pandemic. Events such as Well Fed, Well Read and Golf for Veterans rekindled our passion for connecting with the communities where we live and work to make a difference in people's lives. I look forward to more of these events and activities in 2023 and beyond.

These successes aside, there is much to do to ensure our partner charities continue to receive the funding they rely on every day. Most critically, the CFD's donor management system has reached the end of its life cycle. We are exploring all possible avenues to upgrade our technology that will enable the CFD to operate more efficiently, reduce administrative costs, and deliver faster and better service to our member charities and donors.

On behalf of the CFD, we appreciate your patience and understanding, and we thank you for your commitment to strengthening our communities and supporting our member charities. I encourage you to read this annual report, learn more about the CFD, and join me in celebrating its inspirational mission and enduring legacy.

Sincerely,

STEVE HOBBS Secretary of State

WASHINGTON GIVES

With the help of our incredible volunteers and generous gifts from our donors, the Washington State Combined Fund Drive (CFD) has created a legacy of giving back. Since 1984, the CFD has engaged in extraordinary events, promotions, and causes that have made a tremendous impact on our lives.

We thank all who contributed, volunteered their time, and made these efforts possible in 2022.

2022

\$4.5 MILLION PLEDGED 15,018 DONORS

The CFD greatly appreciates the enthusiasm our donors have for this program! Our donors make it possible to hold fun and meaningful events across the state. We thank them for making a positive difference in our communities through the support of fundraisers and promotions.

OUR SPONSORS

2022 FIRST WEEK TO GIVE

Our partnership with Washington State Employees Credit Union resulted in another amazing year during the CFD's First Week to Give. Donors raised more than \$55,254 to member charities during the first week of the annual giving campaign and logged 2233 volunteer hours, saving charities more than \$66,878 in labor costs.

WSECU provided a \$5 Starbucks card to any donor who either started a new donation or increased their current donation by \$5 or more. Donors could also qualify by submitting 1 hour of volunteer time during that week.

SEAHAWKS TICKET AUCTION

Alongside our First Week to Give promotion, WSECU graciously sponsored another year of our Seattle Seahawks tickets. We raised \$2,660 in our first round and \$3,385 in the second, bringing us to a grand total of \$6,045 in donations going toward the Combined Fund Drive's non-specified fund!

Thank you to WSECU and everyone who participated in the First Week to Give and Seahawks Ticket Auction!

GIFT FROM PUGET SOUND ENERGY

We would like to acknowledge Puget Sound Energy for their continued presence on our advisory council and thank them for their gift of \$2,500 in support of offsetting our administrative costs. Gifts toward our non-specified account help to minimize our administrative fees toward charities!

2022 LEADERSHIP/CAMPAIGN KICKOFF BREAKFAST

This year we brought back our In-Person Leadership Breakfast and Campaign Kickoff sponsored by TwinStar Credit Union. We had the pleasure of hearing from public speaker, Erin Jones, whose speech perfectly encompassed the 2022 campaign spirit:

"I believe no one person or entity can make the kind of difference necessary in our communities. Together, our resources can have significantly greater impact on communities. Whether you give \$1 or \$100, your money is added to the money of hundreds of others', and that absolutely matters!"

Thank you to our sponsor and everyone that was able to join the Leadership Kickoff Breakfast!

2 IN '22 CHARITY SWEEPSTAKES

In the spirit of giving 2 in '22, we partnered with TwinStar to host a Charity Sweepstakes! This was open to any state employee or retiree who started a recurring payroll deduction of \$2 or more per month, or increased a current deduction by \$2 per month in the CFD system. Participants would then be entered into a raffle to be able to donate \$2,000 to a CFD-member charity of their choice! This promotion inspired a \$4,100 increase in monthly donations, which over a year comes out to more than \$49,100 in gifts!

CFD NON-SPECIFIED FUND

In addition to promoting and raising funds for thousands of charities, the CFD works to raise money for the CFD Non-Specified Fund through promotions and events. Donors can choose to give through payroll contributions and fundraising events for the CFD Non-Specified Fund.

Any administrative costs associated with running the CFD are deducted from the CFD Non-Specified Fund first. Any remaining costs are charged to our member charities through a quarterly administrative fee.

2022 CFD Non-Specified Fund Contribution \$197,116.24

2022 CFD Non-Specified Fund Interest from the Bank \$8,779.99

Total CFD Non-Specified Fund Income \$205,896.23

FINANCIAL BOTTOM LINE

Why do we say "average charge to charity"?

The CFD splits its remaining costs among member charities that receive funds from specified payroll contribution income. The costs are administered as a percentage of the whole. The more a charity receives in specified contributions, the higher the charge when disbursing to their organization. Charities not receiving funding are not charged an administrative fee.
