# 23 AND BE

2023 Annual Report

# A MESSAGE FROM SECRETARY OF STATE STEVE HOBBS

Dear fellow Washingtonians,

As co-chair of the Washington State Combined Fund Drive (CFD), I am honored to present the CFD's 2023 Annual Report.

As we enter our 40th year, it's wonderful to reflect on the impact CFD has had not only in our communities but nationwide as one of the most giving states in the nation. In 2023, more than 14,000 state employees and retirees donated nearly \$4.2 million to about 3,100 charities and nonprofits worldwide.

Our generous donors once again enjoyed many in-person activities, including Golf for Veterans and Well Fed, Well Read, which

rekindled our passion for connecting with the communities where we live and work to make real differences in people's lives. I look forward to more events and activities in 2024 and beyond.

A new year means new technology possibilities to enable the CFD donor management system to operate more efficiently, reduce administrative costs, and deliver faster and better service to our member charities and donors.

On behalf of the CFD staff and board members, we appreciate your patience and understanding. We thank you for your commitment to strengthening our communities and supporting our member charities.

I encourage you to read this annual report, learn more about the CFD, and join me in celebrating its inspirational mission and enduring legacy.

Sincerely,

STEVE HOBBS Secretary of State

R Hobbs

# **OUR SPONSORS**

# 2023 FIRST WEEK TO GIVE

We had yet another successful First Week to Give thanks to our partners at the Washington State Employees Credit Union. Donors raised more than \$55,638 for member charities during the first week of the annual giving campaign and logged 534 volunteer hours, saving charities more than \$16,980 in labor costs.

WSECU provided a \$5 Starbucks card to any donor who either started a new donation or increased their current donation by \$5 or more. Donors could also qualify by submitting 1 hour of volunteer time during that week.

# SEAHAWKS TICKET AUCTION

We called all our "12s" to participate in another year of our Seattle Seahawks Ticket Auction sponsored by WSECU. We raised \$2,130 in our first

round and \$3,260 in the second, bringing us to a grand total of \$5,390 in donations going toward the Combined Fund Drive's non-specified fund! Thank you to WSECU and everyone who participated in the First Week to Give and Seahawks Ticket Auction!

# **GIFT FROM PUGET SOUND ENERGY**

We would like to acknowledge Puget Sound Energy for their continued presence on our advisory council and thank them for their gift of \$2,500 in support of offsetting our administrative costs. Gifts toward our non-specified account help to minimize our administrative fees toward charities!

# 2023 LEADERSHIP/CAMPAIGN KICKOFF BREAKFAST

This year we celebrated another in-person Leadership Breakfast and Campaign Kickoff sponsored by TwinStar Credit Union. We had the pleasure of hearing from our keynote speaker, Alonda Williams, whose speech reminded us that in the midst of this age of new technology, in which we often find ourselves connecting with others through a screen, charitable giving remains a strong avenue for real human connection:

"For nonprofits, at the heart of the critical work that we do, it's about empathy. Donors, it's about empathy. It's about understanding compassion and whole heartedness. These are the attributes of what we do as non-profits and the attributes of charitable giving. They are the attributes of fundraising and those attributes transcend technology and the advancements we love."

Thank you to our sponsor and everyone that was able to join the Leadership Kickoff Breakfast!

# **2023 CFD CHARITY SWEEPSTAKES**

With the help of our sponsors at TwinStar Credit Union, we brought back our Charity Sweepstakes for its second year! This was open to any state employee or retiree who started a recurring payroll deduction of \$2 or more per month, or increased a current deduction by \$2 per month in the CFD system. Participants would then be entered into a raffle to be able to donate \$2,000 to a CFD-member charity of their choice! This promotion inspired a \$12,809.92 increase in monthly donations, which over a year comes out to more than \$153,719.04 in gifts!

# 23 and Be

Each year the CFD inspires giving by creating a theme for the upcoming campaign. This year, our theme was 23 AND BE! We encouraged our community to BE all sorts of things. BE bold. BE a volunteer. BE a donor. We even held our own spelling bee! The difference we made this year was un-bee-lievable! Thank you to everyone who embraced the fun.

# **OUR VOLUNTEERS**

The CFD relies heavily on volunteers. Volunteers each year track the number of hours they give to CFD member charities.

# **CFD NON-SPECIFIED FUND**

In addition to promoting and raising funds for thousands of charities, the CFD works to raise money for the CFD Non-Specified Fund through promotions and events. Donors can choose to give through payroll contributions and fundraising events for the CFD Non-Specified Fund. Any administrative costs associated with running the CFD are deducted from the CFD Non-Specified Fund first. Any remaining costs are charged to our member charities through a quarterly administrative fee.

2023 CFD Non-Specified Fund Contribution \$257,204.70

2023 CFD Non-Specified Fund Interest from the Bank \$27,602.08

Total CFD Non-Specified Fund Income \$284,806.78

# FINANCIAL BOTTOM LINE

Why do we say "average charge to charity"?

The CFD splits its remaining costs among member charities that receive funds from specified payroll contribution income. The costs are administered as a percentage of the whole. The more a charity receives in specified contributions, the higher the charge when disbursing to their organization. Charities not receving funding are not charged an administrative fee.
