

Greetings from the Governor

March 2016

I am pleased to invite city, county and state employees to participate in the 2016 “Well Fed, Well Read” food and children’s book drive, supporting the Thurston County Food Bank and the South Sound Reading Foundation.

During last year’s effort, employees from 29 agencies generously donated over \$24,000 worth of food and more than 7,300 new and used children’s books. I applaud our men and women in public service for their commitment to strengthening our communities, both in their daily work and in their personal contributions. Washington is truly home to compassionate and giving people.

Many of our families are still struggling to make ends meet, and I hope you will consider participating in this year’s “Well Fed, Well Read” drive. Together, we can make a meaningful difference for our neighbors in need.

Very truly yours,
