

APRIL 13-24, 2015

The Earth Day Challenge

Take the
Earth Day
Challenge
to make
Washington
greener!
Your support
benefits 35
environmental
nonprofits
working to
preserve our
planet.

3 WAYS TO PARTICIPATE

MAKE A ONE-TIME DONATION

Donate to any of the 35 organizations working to protect the environment or choose to support EarthShare Washington and your donation will be divided among the participating organizations. Go to bit.ly/uweearthday to choose.

TRACK YOUR CONSERVATION-RELATED VOLUNTEERING

Find a project or create your own. Each volunteer hour counts as a \$10 donation towards UW's goal. Visit bit.ly/uweearthday to get started!

"DO YOUR SHARE"

Post about the one thing you'll change this year to be a little greener, then share a picture or link a Vine video showing it. Inspire others! Vine & Twitter users, use [#EarthDayChallenge](https://twitter.com/EarthDayChallenge).

Earth Day Challenge is presented by
the UW Combined Fund Drive and EarthShare Washington.
