

WASHINGTON  
STATE | **CFD**

# **APPLE CUP**

## **CHALLENGE**

## **DAWGS AND COUGS COME TOGETHER TO MAKE A DIFFERENCE**

The Apple Cup has been a tradition since 1900.

This year, the CFD is making our state's big game about more than competition.

From November 15-23, donors and fans from around the state can come together in support of our state schools and give to either school foundation through the Apple Cup Challenge.

For more information on this promotion, visit:
