In attendance: Jolyn Mason (UWCFD); Mike Morris (DSHS)

Action Items Follow-up

- If you have an organization or topic you'd like us to highlight, please let Jolyn know

Outreach & Learning

Jolyn reviewed the campaign collateral with Mike. She shared the training materials and briefly went through the training with him. Since DSHS is using a different theme, Jolyn will ask Bonnie for DSHS collateral materials.

We had our first training on 8/1 and it went well. Only 3 more to go!

Recognition Event

We will discuss this at our next meeting. Hopefully, more members will be present to help us plan.

- Suggested dates are March 10, 11 or 12. Jolyn will look for locations in the south end of Seattle.
- Themes – birthday theme/celebration of 35th anniversary
- To increase attendance, Mike suggested doing a drawing again for people who register early.

Other

- Jolyn asked Philip for a short video to be used as a kick off. He is going to see if he can get that put together for this year.
- Some folks have let Mike know that they've noticed training and volunteer request emails are crossing. Jolyn will talk to the state CFD office.
