Fundraising:

Getting Started the Right Way for Charities and Nonprofits

Learn why Philanthropy trumps transactions
Discover the importance of donor loyalty
Differentiate between good and bad fundraisers.

Dr. Stuart Grover, Chair Emeritus of Collins Group and Chair of the Secretary of State's Charity Advisory Council shares over 30 years of experience as a fundraising consultant.

This isn't a "how-to" for fundraising events, but delves deeper into the responsibilities and ethics of fundraising for charitable and nonprofit organizations.
