

Identity Theft: Protecting Your Business & Your Customers

FREE Webinar for Small Business Organizations
and their members

*Presented by the Federal Trade Commission &
Internal Revenue Service*

Tuesday, June 25, 2013
11:00 am—noon Pacific
Noon—1:00 pm Mountain
10:00—11:00 am Alaska

Speakers from the FTC and IRS will discuss:

- how businesses can avoid being victims of ID theft
- how businesses can protect themselves and their customers
- who to contact/what to do if they suspect they are a victim of ID theft
- ways IRS and FTC are combating ID theft
- where to find ID theft resources on the FTC and IRS websites

Keeping Customers' Information Safe

Hear how to identify data security risks for small businesses that can result in ID thieves getting customer information, and get advice from the Federal Trade Commission on how to protect sensitive information.

Identity Theft & Taxes

Identity theft is growing, and the IRS has taken numerous steps to combat it and protect taxpayers. Learn what to look for and how to report tax related ID theft issues, and where to find information and resources on the IRS website.
