I am pleased to present the 2021 General Election Voters’ Pamphlet. We offer this comprehensive guide as a reference to help you find information about the candidates and measures that appear on your ballot.

This general election you will have the opportunity to vote for local officials and measures that could have a significant impact on your community. Yet in order to make your voice heard, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 25, and we encourage you to check your registration information today at VoteWA.gov. After Oct. 25, you must visit your local elections office or voting center during regular business hours and until 8 p.m. on Election Day to register to vote or update your registration and receive a ballot.

Once you have completed your ballot, be sure to sign the return envelope. This is important, as election officials verify your signature matches the one on your voter registration file before they can count your ballot. Then, send your ballot via U.S. mail — no postage needed. Remember, all ballots must be postmarked by Nov. 2 in order to be counted. The U.S. Postal Service recommends that you mail a week before Election Day. You can also return your ballot using an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. the day of the election. Check VoteWA.gov to locate a ballot drop box.

By voting, you are ensuring your voice is heard. Make an impact in your community and our state by voting this fall.

Sincerely,

Kim Wyman
Secretary of State

If I’m a crime survivor, can I vote safely?

Keep your voting address confidential

If you are a survivor of domestic violence, sexual assault, trafficking, stalking, or an employee in criminal justice and target of felony harassment on the job, you may be able to enroll in the Address Confidentiality Program and register as a Protected Records Voter.

To become a Protected Records Voter:

- You must first meet with a Certified Advocate who can assist with threat assessment, safety planning, and the program application.

- The best time to enroll is when you move or are planning to move to a location that is unknown to the offender and undocumented in public record.

Sign in to VoteWA.gov to access your customized voting information.

VoteWA is a collaboration between the Office of the Secretary of State and all 39 Washington counties to create an advanced, centralized system for both voter registration and election management.
Your county receives your ballot
Deposit your ballot in an official drop box by 8 p.m. on November 2, Election Day, or return your ballot by mail — postage paid — but make sure it’s postmarked by Election Day! Don’t let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Your signature is verified
We need your signature to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure only one ballot is counted for you.

Envelopes and sleeves are separated
The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

Your ballot is reviewed and scanned
The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

Your ballot is counted
After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted.
What is different about voting in Washington?

1. **Vote by mail**
   Washington votes by mail every election. We were the second state in the nation to adopt vote by mail and the first to provide all postage paid. A ballot is mailed at least 18 days before each election, ensuring you have time to cast an informed ballot without waiting in line.

2. **Online voter registration**
   We offer online voter registration. Register to vote or update your address at VoteWA.gov.

3. **Top 2 Primary**
   Washington uses a Top 2 Primary system where the two candidates who receive the most votes in the August Primary Election advance to the November General Election, regardless of their party preference.

4. **No party affiliation**
   Washington voters do not register by party affiliation. Vote for any candidate regardless of their party preference.

5. **Voters' Pamphlet**
   Only a few states produce a Voters' Pamphlet like this one. The state pamphlet is mailed to every household before each General Election.

6. **Same day registration**
   Citizens can register and vote a ballot until 8 p.m. on Election Day.
