Washington State Elections  
& Cowlitz County

General Election  
November 2

2021

Official Publication

**WASHINGTON**  
Secretary of State

*Tom Wagner*

Ballots mailed out **October 15**

1 (800) 448-4881 | [sos.wa.gov](http://sos.wa.gov)

I am pleased to present the 2021 General Election Voters' Pamphlet. We offer this comprehensive guide as a reference to help you find information about the candidates and measures that appear on your ballot.

This general election you will have the opportunity to vote for local officials and measures that could have a significant impact on your community. Yet in order to make your voice heard, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 25, and we encourage you to check your registration information today at **VoteWA.gov**. After Oct. 25, you must visit your local elections office or voting center during regular business hours and until 8 p.m. on Election Day to register to vote or update your registration and receive a ballot.

Once you have completed your ballot, be sure to sign the return envelope. This is important, as election officials verify your signature matches the one on your voter registration file before they can count your ballot. Then, send your ballot via U.S. mail — no postage needed. Remember, all ballots must be postmarked by Nov. 2 in order to be counted. The U.S. Postal Service recommends that you mail a week before Election Day. You can also return your ballot using an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. the day of the election. Check **VoteWA.gov** to locate a ballot drop box.

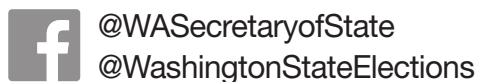

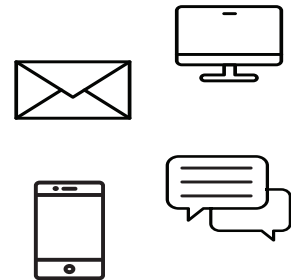

By voting, you are ensuring your voice is heard. Make an impact in your community and our state by voting this fall.

Sincerely,

Kim Wyman  
Secretary of State

### What does #TrustedInfo mean?

- #TrustedInfo aims to highlight state and local election officials as the credible, verified sources for election information.
- The nation's Secretaries of State, 40 of whom serve as their state's chief election official, along with other state and local election officials are continuously working to inform Americans about the elections process, including voter registration, state election laws, voting, and much more.

## Qualifications

You must be at least 18 years old, a U.S. citizen, a resident of Washington, and not under Department of Corrections supervision for a Washington felony conviction.

If you're 16 or 17 years old, you can sign up as a Future Voter and be automatically registered to vote when you qualify.

## How do I register to vote?

**Online:** Register at [VoteWA.gov](http://VoteWA.gov)

**By mail:** Request a paper form be mailed to you or print your own at [sos.wa.gov/elections](http://sos.wa.gov/elections)

No internet access? Call 1 (800) 448-4881.

**In person:** Visit a county elections office (listed at the end of this pamphlet).

## Registration deadlines

**By mail or online:** Your application must be received no later than October 25.

**In person:** Visit a local voting center no later than 8 p.m. on November 2.

Check your registration info at [VoteWA.gov](http://VoteWA.gov).

## Moved? Update your voting address

Contact a county elections office to request a ballot at your new address.

**By October 25:** Have your application received by mail or updated online.

Or

**By November 2:** Visit a local voting center in person.

## What if I'm not 18 yet?

**If you are 16 or 17, become a Future Voter!**

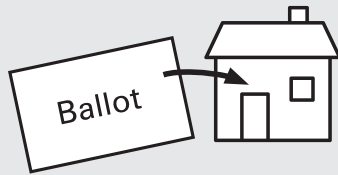

# # Future Voter

Sign up online at [VoteWA.gov](http://VoteWA.gov) with your Washington state driver's license or ID. Or you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You'll be automatically registered to vote when you qualify.

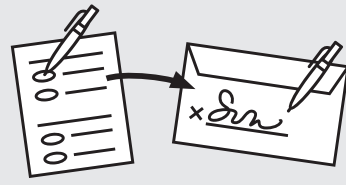

Every January on Temperance and Good Citizenship Day, high school students 16 and older have the opportunity to complete a voter registration form in class.

# How do I vote and return my ballot?

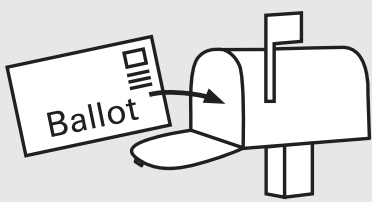

**1** If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed **October 15** to the address you provide in your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

**2** Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

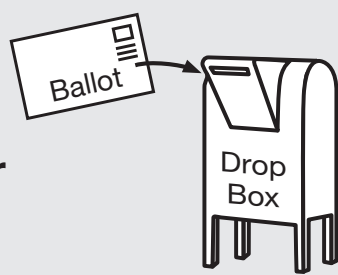

**3** Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 2**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 2**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

**4** Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

### View election results online

After 8 p.m. on election night, tallied results from each county are posted at **sos.wa.gov/elections**.

Results are updated as counties report and unofficial until certification.

When reviewing online or printed information, think about:

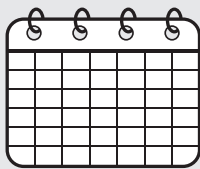

## Who made this, and who is it for?

Was it a company, or an individual person? Who is the intended audience?

## Why did they make it?

Think about the purpose. Is it to inform, entertain, or persuade?

## When was this made?

Is the information relevant today?

## What makes it believable?

Is there evidence from a reputable source or expert?

## How might other people read this message?

Consider how someone with a different background might interpret it.

## Ask the experts

Consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

**i** Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General's advisory vote description according to RCW 29A.72.283.

You are advising the Legislature if you do or do not favor a tax increase passed during the recent legislative session.

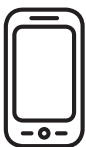

**Repeal** — means you **don't favor** the tax increase.

**Maintain** — means you **favor** the tax increase.

**Advisory votes are non-binding.  
The results will not change the law.**

# Judicial Qualifications & Responsibilities

Washington judges are nonpartisan. Judges must be registered Washington voters.

## Judges

Judicial candidates must be in good standing to practice law in Washington and are prohibited from statements that appear to commit them on legal issues that may come before them in court.

### State Supreme Court Justice

The Washington Supreme Court is the highest judiciary in the state. State Supreme Court justices hear appeals and decide cases from Courts of Appeals and other lower courts. Nine justices are elected statewide to serve six-year terms.

### Court of Appeals Judge

Court of Appeals judges hear appeals from Superior Courts. A total of 22 judges serve three divisions headquartered in Seattle, Tacoma, and Spokane. Court of Appeals judges serve six-year terms.

### Superior Court Judge

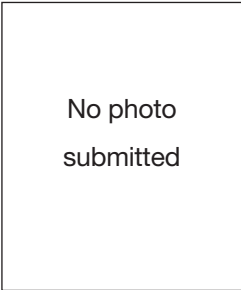

Superior Courts hear felony criminal cases, civil matters, divorces, juvenile cases, and appeals from the lower courts. Superior Courts are organized by county into 30 districts. Superior Court judges serve four-year terms.

# Auditor's letter

Dear Voters,

No matter who you are or where you stand on the many issues surrounding us, it is a difficult time. Elections are the mechanism in which we select our representatives, playing an important role in our democracy. The 2020 Presidential Election got a lot of attention and participation, receiving the highest voter turnout in Cowlitz County's history but don't underestimate the importance of this year's elections!

The candidates on the ballot this year are the closest government to you. Mayors, City Council members, Port Commissioners, Fire Commissioners, and School Board members will be making a lot of important decisions on your behalf. Issues that you care about, like local infrastructure decisions, police department budgeting, homelessness, and the quality of our local schools. All are impacted by the people on this year's ballot. This is your opportunity to shape your local community.

We designed this Pamphlet to provide you with information about races and measures appearing on your ballot. It contains statements submitted by the candidates themselves providing you an opportunity to get to know them. In addition, candidates have listed contact information so you can reach out to them and ask questions. Consider the choices in each race and issue carefully, this is your opportunity to make your voice heard through the power of your vote!

And finally, please pay attention when you sign the ballot return envelope. Every signature on every envelope is reviewed by elections staff trained in signature verification techniques by the Washington State Patrol. Since most voters have been registered to vote online, using their drivers' license or state ID card, it's most likely that your voter registration signature comes from the Department of Licensing. Take a moment and look at the signature on your Washington State drivers' license or ID. When signing your ballot envelope, keep that signature in mind.

If you think your signature has changed, updating it is easy. Simply return a paper voter registration form or contact us and we can assist you.

If you have any questions about our election process, please don't hesitate to contact my office at (360) 577-3005 or email us at [elections@co.cowlitz.wa.us](mailto:elections@co.cowlitz.wa.us).

Sincerely,  
Carolyn Fundingsland, Cowlitz County Auditor

We recommend dropping your ballot in one of our convenient drop box locations. If you choose to mail your ballot instead, ballots now come with prepaid postage, so no stamp is necessary. Don't be late! Mail early so that your ballot is postmarked by Election Day, November 2nd.

# Frequently asked questions

---

We wanted to answer some of the most common questions we receive from voters.

*How do I change my party affiliation?*

Washington State does not register by party. During primaries and general elections, you can vote for any candidate that you desire. The only time you declare a party is during a Presidential Primary, and that information is not connected to your voter registration.

*What do I do if I receive a ballot addressed to someone else?*

You should write 'Return to Sender' on the envelope and place it back in the mail. We will take care of the rest. Please let us know if you are getting mail for someone no longer at your address.

*I don't want to vote for any of the listed candidates. Can I write one in?*

Every voter has the right to write-in a candidate instead of voting for one printed on the ballot. These votes are tabulated and reported cumulatively in one bucket as write-in votes. These are considered valid votes. However, write-in votes for individual candidates are only hand tallied if the total number of write-in votes may be enough to make a difference in the outcome of the race. *RCW 29A.60.021*

## Getting registered to vote

---

### Registering to vote

Registering to vote is easy and can be done in just a few minutes. You can register by mail, online, or in person at the Elections Office. A Washington State driver's license or ID card is required to register online. If you have moved within the same county, you can complete a new registration form or contact the Elections Office by mail, email, or phone.

### Voter eligibility

The requirements for registering to vote are simple. You must be a United States citizen, a Washington State resident, at least 16 years old when you complete the registration application, 18 years old or older by Election Day, and have lived within the county 30 days prior to the election.

Since first elected in 2005, we have seen millions of dollars of capital investment, including: our bottle plant; additions to our North Port industrial park; expansion at the TEMCO grain facility; and East Port infrastructure development, with a significant increase in Port associated jobs.

In the environmental arena we supported several fish enhancement projects on the lower Kalama River and found a beneficial use for maintenance dredging spoils by using them for beach augmentation.

Recreation and tourism improvements include Rasmussen Park and support facilities; Haydu Park construction; new Port Office and Interpretive Center; McMenamins Harbour Lodge; Westin Amphitheatre; and renovation of the marina and the expanded visitor dock.

This summer we expect to begin construction of the new American Cruise Line pier and docking facility; followed by replacement of the outdated pedestrian rail overpass with a new ADA compliant structure to better connect the Port to the City of Kalama. Permitting and design continues for the new waterfront marketplace and we hope to be in construction next year. We are actively marketing the East Port for future development.

Thank you for supporting me and the Port of Kalama in our pursuit of responsible growth for our Port District and Kalama.

The Port of Kalama has adopted a mission to induce capital investment in an environmentally responsible manner, to create jobs and to enhance public recreational opportunities. I believe the Board has done a great job serving the people of Kalama by meeting these goals and I can help them continue to provide the tools to facilitate economic growth our area. Since I was appointed in February, I have learned about projects that will bring cruise passengers, restaurant goers, small incubator businesses and more to Kalama. I work with the board and staff to always look for ways to meet needs as efficiently as possible such as dredging the marina and utilizing the material to restore the Columbia River Shoreline and provide a more recreation friendly beach for our residents in a single project that saved money. We are constantly looking for ways to connect our riverfront with downtown Kalama and bring job creating businesses to our area by improving the pedestrian overpass and installing new wayfinding signs. I appreciate your vote and thank you for the opportunity to serve as your representative in the Port of Kalama.

**Jeff  
Wilson**

(Nonpartisan)

Commissioner Wilson has served the Port District since 2015 and currently as the Senator for the 19th District. Jeff has a proven track record of reducing property taxes and eliminating park fees with focus on transparency and accountability. Job creation and return on community investment will remain a priority. For over 50 years Jeff and his family have made Cowlitz County their home to live work and play!

Creating family wage jobs and responsible economic growth, while reducing taxpayer dependency, is a high standard he would like to continue to champion. Jeff has owned and operated successful businesses while balancing community support for giving back to the local community with service on many civic groups and participation in public projects.

Jeff is committed to serving the Port of Longview through responsible economic growth that provides a balance between Industry and environmental concerns.

The Port of Woodland is a major job developer for our community. It is also committed to enhance recreational opportunities and continue to support environmental and fiscal stewardship in its operations.

My entire career has been focused on marine transportation here on the Columbia-Snake River System. This includes experience working on tugs, in towboat operations and interface with local, state, and federal agencies and legislators. Currently I am Vice President of Marine Services at Shaver Transportation Company. I have held leadership roles in professional groups, which include: Pacific Northwest Waterways Association, Columbia River Steamship Operators, Grain Elevator and Processors Society and the Oregon Maritime Museum. I have also served on the Army Corps of Engineers Inland Waterway Users Board.

My professional experience has offered me an opportunity to develop working relationships with ports from Astoria to Lewiston. I have observed that when ports make well informed and carefully considered decisions, they benefit and enhance the communities they represent.

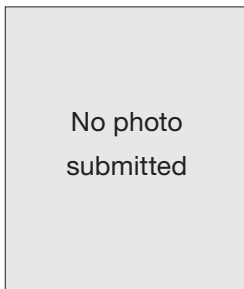

Woodland is my home. It would be an honor to serve our Woodland community by assisting with the mission of our Port.

Your support is appreciated.

Current Mayor of Kalama

Every aspect of Kalama looks bright. The police department, public works, library, and the city hall are firing on all cylinders. Combined with the other elements of the city, the port and the schools, the people of Kalama have all the advantages of a large first-class city with a feel of a close-knit family.

Kalama is one of the friendliest and most well-run small cities along the I-5 corridor. It is no wonder retirees, families, and businesses are eager to locate in our growing community. The quality of life we enjoy here in Kalama is not by accident. It is administered and executed by a superb team of city staff members with my full support and confidence to always give Kalama their best.

I've participated in community activities every year since moving here 16 years ago. Kalama's prosperous and thriving prospects convinced my daughter to recently buy property here. If you believe Kalama is going in the right direction, as I do, then the clear choice is a vote for my continued leadership as Mayor of Kalama. Thank you.

I have deep roots in this town. I am vested in the future of Kalama for all our families. I was raised in Kalama. I graduated from Kalama High School and Portland State University. After college I returned to raise my family here. Proudly, one son has returned after college to teach at Kalama High School, the other is currently in the Marine Corps. I believe my grandchildren will be raised here. Kalama is home to my family.

I want to nurture the relationship between the city and the other entities that make Kalama the best place to live, work and play. For twenty plus year my career has grown in restaurant management. My strength has been listening to people, employee retention, and budgeting successfully. As a former business owner, I understand the value of a balanced budget. Now I am a Management Consultant specializing in restaurant operations. I find solutions to complex problems.

I am ready to lead Kalama. A vote for me means we will have a partnership with other entities to assure Kalama's future. I ask for your vote as it will be an honor and privilege to serve as your mayor.

My commitment and service to Kalama runs deep. It's been an honor and privilege to serve you on the City Council for the last two years. In that time, I have provided sound, non-partisan leadership and fiscally responsible decisions: increased the low income utility rate discount; improved accessibility to council meetings; voted to remove \$40 tab fees and not increase property taxes. Co-chairing a citizen's advisory committee with Chief Herrera, I helped produce Kalama Police Department's first ever 5 Year Strategic Plan. I also chaired the CARES Committee that equitably distributed \$67,000 of federal relief funds to our businesses and residents. My background as a theology professor at the University of Portland compels me to always listen to a wide range of perspectives and, through compromise and consensus building, strive to make our community better for everyone. I also serve as a board member for Kalama's Chamber of Commerce. My vision for Kalama aims to preserve our small town identity by managing sustainable and fiscally responsible growth that benefits all of our community as well as protects our environment. I would love to hear from you at stanfill4kalama@gmail.com. Thank you for your consideration and, most important, please vote!

I am Sara Hutchinson, was raised here in Kalama and I've lived here most of my life with the exception of actively serving our country in the U.S. Army. My passion for putting things right [with due process, full transparency and without manipulation] is extremely strong. Due to being a small business owner and an active member of community service organizations (Lions Club, VFW, American Legion, Chamber of Commerce), I have been aware of what's been happening in our community for years. I believe I can help make a difference in the direction our small town has been taken. When I am faced with situations I'm unfamiliar with, I methodically find a solution through research and seeking outside guidance for the best end result. I'm able to relate to everyday citizens of our community on a broad spectrum of a socio-economical levels. My intention is to assist in updating and developing our small town respectfully, while keeping the citizens wishes and concerns intact. After all it is your town!

After four years I can say serving on the City Council has been about listening to the people, working for, and communicating with the people. Not just in two meetings a month, but every day while supporting the community. In this non-partisan position my knowledge and experience of over twenty-eight years of working collaboratively with individuals and different groups of people in healthcare management has been of value. The past four years it was that experience that guided me through the successful development and facilitating the volunteer Kalama branding process which produced for the first time in city's history the city's vision, mission statement, logo, and flag, designed and chosen by the people at no cost to the voters.

Two different Councils have voted me Mayor Pro Tem three times. I've represented the city on occasions when the Mayor wasn't available, which has been an honor. Serving on Council I've listened to the people, to make unbiased decisions. I'm a visionary in planning for the future; however, conservative in setting limits for today. Your vote for me means experience, and unbiased decisions will guide Kalama today and into the future. I would be honored to continue to work for you.

Born and raised in Kalama, four generations of my family still call Kalama home. I have watched this little city grow leaps and bounds over the years yet still keep that home town feel. I am running for Kalama City Council to be a part of this growth, to represent the citizens of our town and provide a voice for all citizens of Kalama. I want to be a part of the decision making process and insure that the city can continue to thrive and grow while maintaining the same small town atmosphere and sense of community we all enjoy as Kalama residents.

I have spent the last 19.5 years operating a Hydrogen plant right here in Kalama, 10.5 years in operations and maintenance and 9 years as Plant Manager. I am responsible for the safe and reliable operations of the facility and manage large operations and maintenance budgets to keep the facility running safe and reliable to insure that our customer's needs are met and or exceeded. I believe that this experience can apply directly to the council position in that the City is the asset and the citizens are the customers.

Kelso has served my family well. My wife, Patty and I raised our three children in a community that obviously values and provides resources to its youth. I have attempted to pass along what we have enjoyed through community service including as President of the Kelso Soccer Club and as the President of the Cowlitz County Soccer Referees. I now seek to further serve on your city council.

If elected, I will use my skill and experience to deliver boringly good government services. Most of my career has been as an environmental manager at a local manufacturer. I learned the value of clear expectations, thorough planning, timely investment, and decisive action. I know how to ask probing questions when appropriate and I understand the systems and utilities needed to serve a city. I also understand how to work with elected officials and regulatory staff at all levels of government, an understanding I now hope to use for the benefit of Kelso.

I believe in the American promise. I believe a government of, by, and for its people can deliver necessary, effective, and responsive services. I look forward to your vote.

I'm a family man with five children in our Kelso Public School District. I have a vested interest in making a safer community for them and others. I am concerned by areas in our community with high concentrations of sex offenders and my main goal is to bring that issue to light. Specifically, there should be a cap on the number of registered sex offenders living in the same house so landlords are not incentivised to house them from out of area into Kelso.

I've been heavily involved in volunteer efforts over the last five years to aid in charges and convictions brought upon sex offenders previously hidden in our community. I do not feel sitting on our hands as a city councilmember is the right thing to do when it comes to protecting our children. Three of the incumbents voted to block common sense legislation to stop this sort of thing and that is why I entered this race. I'm not afraid to advocate and vote for controversial subjects. Ignoring festering issues does not make them go away. Our leaders need to be proactive. An ounce of prevention is worth a pound of cure.

Kelso has many positive attributes: great parks, scenic walking paths, property for economic development, a great airport, reasonable housing prices, great schools, and great community spirit. Building on these attributes is what I have focused on and will continue to focus on.

As a City Councilor, I've supported Police Chief Kirk's request for crisis intervention resources and coordinated Kelso clean-ups. As a member of the board of Cowlitz Economic Development Council, I've supported local businesses by reviewing grant requests and delivering grant money. I've worked to reestablish the Kelso Business Association, and developed a Community Investment Network. As a member of the County park board, I've worked on parks and trail systems, and as a Trustee for Lower Columbia College, I've helped improve local education opportunities.

Kelso needs to build on its strengths and be prepared to welcome businesses and families as they choose to move to our Community. The City also needs to focus on maintaining its infrastructure, especially the streets, water and sewer systems. With my experience as a utilities manager and city Public Works Director I am prepared to work on these issues and minimize the cost to citizens.

Remember, *We Are Kelso!*

As a full time educator for the past 12 years, I have purposefully chosen to work in some of the lowest income schools in the country. I began my teaching career in rural South Dakota on the Pine Ridge Indian Reservation, when that county was the poorest and most impoverished place in the United States. I worked everyday for 6 years to provide my students with opportunities and skills to make it out of their desperate situations, but I soon realized that the problems were bigger than a lone classroom teacher could solve, so during summer breaks I began traveling to other areas of need throughout the country to train new teachers on working in low income communities in Los Angeles, Miami and Phoenix.

The problems I saw those communities facing are similar to what Kelso now faces; abandoned and derelict houses, crumbling infrastructure, houseless families or students, drug addiction, crime and a rising cost of living. For the last 5 years I have seen many of my students struggling with these same problems here in Kelso, and running for city council is my way of doing more to partner with community members to work towards solutions to these issues.

As your current City Councilperson, I have had the privilege of serving you for the past several years. Born and raised here, I continue to genuinely believe that we are a great city and that our potential knows no bounds provided we work together to confront the challenges each of us faces. As both a citizen and a former business owner, I understand Longview, I love it, and want every citizen to love it the way I do.

The last years have brought unusual and unexpected challenges and I continue to listen to you to find ways to confront them. As always, growth of family wage jobs can take us far to counteract our challenges. Restoring jobs and creating new ones means the growth of our tax base – and that means more police and firefighters, maintenance and repair of our infrastructure, and making headway in conquering homelessness, property crimes, and drug use.

When re-elected, I will continue to seek your council to make common sense decisions in the best interest of all of our citizens. I respectfully ask for your vote on November 2nd.

Wean**

(Nonpartisan)

I am running for city council to harness my life experience and leadership abilities to foster community, empower citizens, energize economic growth, find solutions to our challenges, and achieve shared prosperity.

Born and raised in Longview, like many young people I left. I lived and worked in vibrant, thriving communities in the U.S. and India, yet was awestruck returning home by the people, beauty, and incredible potential in our community.

I will partner with other councilmembers, city employees, and residents to bring business innovation and vitality to Longview. A local-first mentality where we attract fair-wage jobs that create career growth for our citizens. Together, we can work to have great schools, parks, public safety, library, arts, and a strong, inclusive community.

It is time to prioritize finding common ground, connecting community, and embracing action-oriented leadership to ensure our government is working for all.

I will embody people-first leadership, listening to all voices – across the spectrum of race, class, gender, and political affiliation.

I am a thoughtful, approachable, motivated citizen who has chosen Longview to invest my energy and passion. Say yes to new, purposeful leadership for a brighter future for Longview. Elect Angie Wean.

Tom is a Longview local, graduate of R.A. Long High School, and local attorney. Our community wants elected officials with extensive life experience who listen to their constituents. With a decade of combined public policy and legal experience, Tom is the serious candidate for a nonpartisan seat on City Council.

Our community faces serious challenges such as homelessness, small business growth, attracting competitive industrial and professional jobs, and affordable housing. Tom is dedicated to tackling these challenges with a “community first” approach, uniting community partners, business leaders, and citizens to find common-sense solutions.

Tom’s priority is to continue improving our quality of life in Longview. Tom is with us in saying yes to new opportunities for our community: practical solutions for homelessness, infrastructure, and job growth and retention.

Tom is with us in saying yes to preserving our parks, our streets, supporting the arts, and moving forward to a brighter, post-pandemic future. Tom is with us in saying yes to a shared vision of prosperity for our city.

As an attorney, Tom’s clients value him as a problem-solver. Tom will be our voice on City Council. Together, for Longview. Vote for Tom!

Woodland has grown considerably over the past 20 years. With growth comes new challenges, opportunities, and most importantly a diversity of people with different backgrounds, life experiences, and values. As a Woodland resident since 2015, I've seen the value of having a range of experiences and voices represented when we focus on finding common goals to solve pressing problems and leveraging our opportunities.

I ask for your vote so I can bring my collaborative, solutions-focused approach to work for you. I'm committed to listening to every Woodland resident, ensuring that the city will hear their concerns. I will bring the creativity and collaboration that is lacking in my opponent and much of the current council.

The City must bring people together to attract investments in transportation, infrastructure, and quality of place improvements that ensure that we are proactively planning to keep what makes Woodland so special while we grow and thrive.

I bring an honest, balanced approach with a commitment to doing the job right. I'm clearly motivated to serve, bringing my experience of working with people and systems to the interests of the city.

Keith Bellisle will bring a new, positive, and proactive voice to work for you.

Carol Rounds, running for Council Position #2. I reside at 576 Buckeye St. Woodland, WA 98674, where I have lived for 46 years. My three children graduated from Woodland High School. I worked 37 years at a local bank and retired as branch manager in 2014.

I am running for council position to help improve the quality of life for all Woodland citizens by making it a more business friendly place. I believe that this would help create more family wage jobs, and thus create more tax revenue without increasing taxes.

I believe I am the best candidate because I work well with people and have a common sense approach. My community service with Woodland Rotary, the Chamber of Commerce, CAP, United Way & YMCA adds to my qualifications for being on the Woodland City Council.

Below are my top 3 priorities: Encourage economic growth and good paying jobs; Create and/or stimulate solutions to traffic congestion; Be a good steward of your tax dollars.

I believe the area we should focus on the most is industrial development which provides family wage jobs and an increased tax base.

For the previous four years, I have done my best to serve the citizens of Woodland and will continue to do so if re-elected. I have consistently questioned and voted against raising taxes on our citizens and drafted a resolution attempting to protect our businesses when the state placed our citizen's livelihoods in jeopardy through state imposed forced closures. When a resolution was brought before the council that declared the city and our police department was practicing and/or condoning racial bias, I defended the city, police department and our citizens resulting in the resolution failing to pass. Being a city councilmember means that you stand up for what's right even when it isn't popular or the fun and easy thing to do. That's what I've done for the last four years and, if re-elected, will continue to do.

In 2018 she had the opportunity to travel to Yakima to attend the Students of Color Conference which had many great ideas to celebrate diversity in our communities.

Jenn agrees that Woodland would benefit from a more diverse police team to better match the community they serve. Woodland has wonderful community traditions such as Planter's Day and the Snowflake Bazaar. With nearly two decades' experience in public education, I am keenly aware of the many challenges our students and educators face in the classroom today.

My four children have benefited immensely from opportunities our Longview schools provide. As a result, I will advocate for balancing core classes with a full menu of electives catering to students' interests and goals.

On my watch the driving question will be: "What's in it for the student?" We see too many educational dollars disappearing down bureaucratic black holes. Instead, I will push those funds directly into the classrooms, labs, and shops, and onto the courts and fields.

Another goal is to strengthen the parent-student-teacher relationship by giving parents a stronger voice in their children's learning. I also stand firmly behind efforts to connect community with classroom through vocational, tech, and business programs.

After spending over half my military career overseas, I understand that our students aren't competing with Ridgefield or Woodland, but with Berlin and Beijing. We must do better preparing our students for success in the world awaiting them on the other side of their diploma.

Vote for a bright future for Longview's children. Vote Don Cox for Longview School Board Position 1.

The Longview School District should and can be the example as to what can be accomplished when every decision is first and foremost, what is best for our students. Our children's education should not be based on arbitrary metrics such as graduation rates but rather be focused on the skills and knowledge needed to be successful in today's society which will improve established metrics.

I am focused on ensuring the future of our schools considers the values of our community. National level expectations sometimes fail to meet the local priorities. As a parent and active community member Your priorities will be heard if I am elected. I attend school board meetings regularly and have identified opportunities to make our school system more successful.

As an independent auditor/consultant I identify opportunities for improvement and establish corrective actions to implement change. My career has been streamlining processes to drive greater successes. This is how I will approach my role if elected to the school board.

I ask for your vote because I know, better is possible. My experience/dedication to solving problems, identifying opportunities and working with others, achieving successful results drives me to improve our schools for the betterment of our children.

(Nonpartisan)

I, Melissa Richards am a mother in the Longview school district, and a strong opponent to the draconian anti-social measures that have become the norm for education.

Our children are being robbed of the experience that we all took for granted in our youth and instead are either being physically separated and monitored in ways that totally go against their natural development, or they are confined to home, watching video lectures on computers.

I believe in making masks optional for those students and families who feel more comfortable with them, and not forcing it on the rest of the student body. I believe in the clear science that shows us that children are for the overwhelming majority, not at risk from this virus.

I believe in an education that is based strongly in sound science, not political fads.

I believe the schools should serve the students, not the teacher's union.

I would love your vote, a vote for the betterment of our children's lives, a vote for normalcy in a world who seems to forget what normal is.

I moved to the Toutle Valley 12 years ago when I met my husband and his two sons. Both of my bonus sons have attended Toutle Lake since kindergarten. My oldest is a recent graduate, and our youngest will be a freshman next year. When I first moved here, I subbed in the schools and was part of the PTO. Currently, I teach in the Castle Rock School District. I have taught special education for nearly twenty years. Throughout my career, I have seen the good, the bad, and the ugly in education. Last spring, when life came to a screeching halt for the school year, teachers had to readjust everything. Virtual learning casted a huge spotlight on the inadequacies and challenges our community had in regards to access to high speed internet and effective curriculum. With education fundamentally changing forever, administrations and schools boards need to adjust as well. I believe it is time for a new energy to be brought to the Toutle Lake School Board. I love our community and its commitment to our students. As we navigate this new era of education, I have knowledge and experience that can be of use. Education is my passion.

The citizens of Kalama voted to fund the building of the replacement Kalama Elementary School and a new Middle School. The committees representing Kalama staff, Kalama community, administrative staff and school board gave input which was incorporated into the plans. I have been fortunate to serve on the Kalama School Board as this occurred. I currently serve on the Kalama Mascot committee, the Joint Entity Committee (representing schools, police, city of Kalama, Kalama Port and Kalama Fire) and the School Board Legislative Committee.

I thoroughly enjoyed working with the superintendent, school administrators and district staff that supported the board during the previous four years. I hope to serve on the board as Kalama moves toward full-time in person school for all students during the next four years. Working with the other school board members and administrators to provide an education to prepare Kalama students to succeed in further training or schooling to become responsible citizens of Kalama and our country.

Married for 35 years to a retired Boeing Engineer. Mother of four. Resident of Kalama for three years, resident of Washington State for thirty five.

I have three grandchildren in Kalama schools, so I am very interested in quality education. My task will be to listen to concerned parents, and let their concerns guide me, so that I may hold relevant discussions with other board members for any decision making process. Transparency is important: parents should be encouraged to become involved in their children's education.

I am truly concerned about the needs of the children of our community and I also want to hold fast to traditional values which have been proven to be positively effective throughout time in molding and shaping confident individuals for the future.

Our schools need to focus on helping children build skills that will enable them to function as contributing members of society. STEM and communication skills are critical.

Topics like sex education and social justice are far better handled in the home where parents can pass on their own values. Also, families should be the ones deciding if their children wear masks to school or not.

Thanks for your consideration.

It would be an honor to continue serving on the Woodland School Board, especially considering all the district has provided for our children in the past 12 years. My husband and I have lived in Woodland for 14 years, raising three children, all of who currently attend WPS. We are proud to call Woodland our home!

My consistent involvement in our schools reflects how passionate I regard quality education in our district.

Like many of you, this past school year was full of many challenges for our family. As we look to a new school year, Woodland's Academic and Student Well-Being Recovery Plan is critical as we work to improve student achievement and recover from learning loss during the pandemic. Additionally, our student's social and emotional well-being must be a high priority.

I will continue to listen, invest time in due diligence, learn from others and make fiscally responsible decisions based on the needs of all students. I will be engaged and prioritize actively and respectfully listening to teachers, parents, and community members regarding questions and concerns.

I am honored to ask for your vote in re-election to WPS Board of Directors.

I am a parent, a Woodland community member and a Proud American. After months of researching and speaking to teachers, parents and community members, I realized a strong, courageous voice is necessary in securing the future, and I want to be that voice. Parents need to feel confident their kids are safe and protected at school. Schools are for teaching literacy, not indoctrination. I promise to be efficient, transparent, honest and open to all.

I oppose all forms of racial supremacy. I believe Critical Race Theory is dangerous and does not belong in schools. Instead, I will dedicate myself to promote teaching America's essential principles. Not only will I protect students from this racial segregation, I will stand up for our teachers also.

With my experience, knowledge and education, I am confident my teamwork will benefit our community, our children and the future of our schools. I want to be the strong, rational teammate that will speak Truth, while never backing down to pressure. My voice will encourage the proper education and skills needed for our children to grow and thrive to be positive, proud, productive members of society. Woodland schools will stay safe, supportive and welcoming for everyone.

For the past 17 years, my wife and I have loved calling Woodland our home. We have three daughters; our oldest graduated from Woodland in 2020, our middle daughter is 11 and the youngest is 9.

I have a passion to see our kids succeed. For years I have been able to volunteer with school activities and in the classrooms, while getting to coach girl's youth basketball. Because of this passion for kids, when District 5 director's position became vacated, I took that opportunity to apply to serve on the school board for the past year.

I graduated from WSU with a Bachelor's degree Personnel Psychology and Human Resource Management which helps me understand the importance of having great employees. I feel that I have a conservative stance on most issues and prefer to keep parents in charge of their children's education. I want education to focus on the core subjects and I am for parents having a choice (opt in/out) whenever there is a mandated curriculum.

Woodland Schools are very important to me and I would be honored to have your vote to continue to serve as District 5 Director and help our children succeed. Thank you.

For almost 25 years I have served the families of our community by working as an Intensive Care Unit nurse and an Emergency Department nurse, the last eight years of which were at Legacy Salmon Creek Hospital.

With Last years Covid event I chose to move from an active nursing role to an advisory role. This has allowed me much more time to help my kids with their academic studies which has given me a closer look at and more of an interest in the education process.

My wife and I are proud members of the Yale valley community where we've lived for nearly 15 years and raised our two kids who this year will be going into the fifth and seventh grades.

I believe it is imperative to get our kids back into the classroom and to get their schooling back on track.

Our teachers need to know that their hard work is valued and respected and we need to seek out and learn what the best practices are in education.

Our continuing goal should be doing our absolute best in preparing young minds for the work force and challenges ahead.

I'm proud to have served on the Kelso School Board for the last four years. During that time we have faced many challenges including increasing construction costs, hiring a new superintendent and a global health crisis. I believe that as a team, the school board, staff and community have turned these challenges into opportunities for growth and learning for our kids and ourselves. Kelso has built new schools that will serve for generations and online programs that allow for students to learn from anywhere. Our schools are the launchpad for our kids, as well as centers of community engagement. I would like to thank the Kelso community for allowing me to serve on the Kelso School Board for the past four years and for your unwavering support for our schools—especially through these unusual times.

Balancing safety while providing meaningful teaching and learning through changing guidelines during the current pandemic is certainly challenging; however, our children’s best interests have always been my focal point. As a parent of three children who attend Coweeman and KHS, I deeply care about our students’ educational opportunities while advocating for and expressing the will of Kelso’s parents and community members in reaching decisions and crafting board policies that directly impact students. If reelected, I will continue to solicit feedback from you before making decisions.

With a bachelor degree in Business and Accounting from Portland State University, over twenty-four years in healthcare management, prior experience with the Lower Columbia Mental Health Board and the Lower Columbia CAP Board, and current Kelso School District Board experience, I bring a unique perspective and approach to the Kelso leadership team.

My name is David Pietz and I am running for Fire Commissioner, Cowlitz County Fire Protection District #1, Position #2.

My wife Mary and I have been married for 42 years and have resided in the Clover Valley area for 30+ years. We have two grown children that have gone on to raise their own families. I formerly worked for a small sawmill near Camas, WA for close to 39 years. As you can see when I am dedicated to something, I'm in for the long haul!

I have held the Commissioner Position #2 since 1996. Since the voter approval of the levy in 2017 we have been fortunate enough to replace worn out and outdated equipment in order to help serve our community and keep our firefighters safe. The entire department thanks you. We are constantly looking for ways to upgrade our department, while always being fiscally prudent.

It has been my pleasure to serve on the Board and with your support, I look forward to serving another term for the community.

Born and raised in Cowlitz County, it is my desire to continue serving the community I love. With nearly 20 years of service in emergency response, and a graduate degree in Safety, Security and Emergency Management, I'm well prepared to serve Cowlitz 2 and its citizens. If elected, I will continue the long-standing tradition of leadership in our community, and build and maintain relationships with community partners, agencies, and citizens.

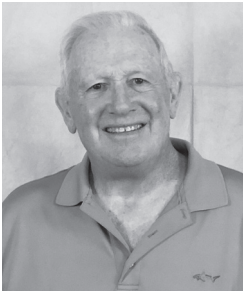

As a local emergency manager, I have successfully restored relationships and improved service programs. I've served on the Cowlitz EMS and Trauma Care Council, the Local Emergency Planning Committee, and the COVID Incident Management Team. Together, we provided transparency and advocated for Cowlitz County with a whole-community approach. I will bring this same commitment as Commissioner.

My experience and education in program management, budget development, grant administration, and leadership afford me the unique perspective to continue responsible stewardship of district business. Cowlitz 2 has undertaken many critical initiatives in recent years, including new fire stations, new apparatus, staffing enhancements, and leadership transitions. Together, we can continue this important work. My priority is to support and advise leadership, continue our mission and values, and ensure the district's continued success.

I joined Cowlitz 2 Fire in 1975 as a volunteer firefighter. My desire was to help neighbors with serious problems. As a forester I was knowledgeable in wildland fire fighting but structural firefighting was a learning process. I served as a volunteer until I became a commissioner for the district.

Public safety is my priority. Since becoming a commissioner the department has become active in smoke detector checking, child car seat instruction, backyard fire safety and medical help. The department has become nationally recognized in handling large disaster situations.

Public safety along with public outreach must remain our objective.

With your vote, I will “Strengthen and Empower” Cowlitz 2 Fire and Rescue.

I have been blessed with my wife of 34 years, and together, we have always provided support and solution options, that helped solve both, community and county issues.

I am a U.S. Veteran with 42 years of Department of Defense Service behind me.

As Operations Manager for the Largest Army Depot in the World, I had oversight of Safety, Security, Fire and Emergency Services. I worked closely with our fire department and emergency services teams to perform audits, improve processes and procedures, which empowered them to better protect our community, facilities and equipment. I collaborated with the Fire Chief and provided support, to ensure that the department had all the necessary resources they needed, to exceed their requirements. I taught them OSHA Confined Space Entry and Rescue classes, so they could safely perform rescues and prevent deaths in these areas.

In addition, as a private contractor, I’ve partnered with county and city fire agencies to create defensible spaces to prevent wildfires.

It will be my honor to serve as your Fire & Rescue Commissioner.

It has been an honor to serve the citizens of Cowlitz 2 Fire & Rescue over this last term as Fire Commissioner and I am asking voters to allow me to continue to serve you. We, at the Fire District, have been able to accomplish much to improve services to the community over the last few years including: two new fire stations, updated response vehicles, improved dedicated staffing levels and personal protective equipment for our responders, all while limiting the financial impact to our taxpayers.

Cowlitz 2 has a history of providing exceptional emergency services in a fiscally responsible manner and I will work to find ways to maintain and even improve that level of service while looking for innovative ways to limit the financial impact to our citizens. I believe that Cowlitz 2 should be a leader in the coordination and consolidation of emergency services throughout the County wherever practical.

Public input is important to me and I will continue to seek that input at every opportunity. With over 45 years of experience, I feel that I have the knowledge and insight to help lead the Fire District forward as we continue to plan for the future.

Dave Cloke is a professional union Firefighter/EMT who is running for the office of Cowlitz Fire Commissioner District #3. He is committed to ensuring our fire district has highly trained and professional volunteer firefighters.

Firefighter safety is one of Dave's top priorities. Safety is achieved by supplying personnel with the right personal protective equipment that fits properly and is up to NFPA standards.

Fiscal responsibility is a top priority. With costs going up on goods and services all around us, Dave will continually look at ways the district can spend tax payer dollars responsibly and efficiently without sacrificing fire and EMS response.

Dave has a Bachelor of Arts degree emphasizing in Political Science from Washington State University as well as a Certificate of Construction Management from the University of Washington.

In 2019 Dave was awarded a commendation for his role in a critical incident while working as deck hand on the City of Vancouver's Fireboat Discovery.

Dave lives in Toutle with his wife, Jill, and their two children. He enjoys camping and throwing the ball for their dog, Sug. Dave is also a substitute bus driver on his days off for the Toutle Lake School District.

I have lived in the Castle Rock area for 50+ years. I am a retired volunteer firefighter with Castle Rock Fire and Fire District #6 with a combined service of 30+ years. I served as Fire Commissioner for Fire District #6 for over 20 years and also was appointed by the governor to serve on the State Board for Volunteer Firefighters and Reserve Officers for 11 years. I have a lot of experience with the fire service and Castle Rock that I would like to use to help the district move forward.

I think that one of the larger challenges in the volunteer fire service now is the recruitment and retention of volunteer firefighters. I have worked at the state and local level on this issue and if elected would keep working on this.

I have been involved in budget writing for agencies in the past and hope to help keep the cost to taxpayers as low as possible while still increasing service.

These are just of the few challenges that I would like to work on and I recognize that there are more. Some that we know about and some that will be new.

Thank you for your support.

Thanks to the efforts of previous leaders, our district is well inventoried with quality equipment. Now is the time for a new, qualified community member to step up, and take on the yoke of leadership, invigorating the department with fresh ideas such as Safety Policies, Recruitment, Retention of Fire personnel, Paid training and raising the focus onto new priorities like Response Times, Maintenance, Community support, and Community outreach, improving an already great organization for both the community and the dedicated staff of volunteers.

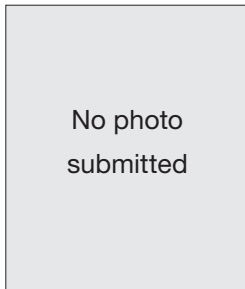

My goal in this position is to give a voice to all of our exceptional community members and fire service personnel, who sacrifice their most precious things, time and safety, in order to help another in need. Because, as we all know, there will be times when things can go wrong and we require assistance.

I have lived in the district for 27 years and was a heavy diesel mechanic and driver for over two decades. I spent 13 years as a fire service volunteer, with 12 years as an emergency medical technician.

Thank you for considering me for the position of Fire Protection District 7 Commissioner where I can serve my wonderful community.

*I'm a 30+ year resident of La Center, parent & land owner. I will make sure that the Fire District Purchases & Spends our tax dollars wisely to provide the best resources to protect your property and loved ones. Additionally I will be looking at the EMS provider for not meeting our contracted response times for our residents. Lack of staff on duty is not our problem; this has gone on since the contract was signed. As a commissioner we are responsible to see it is followed.*

*As a District #2 Commissioner I stopped a bad land purchase for the District. My research found it was on a Seismic Fault area that would liquefy the soil in the event of an earthquake. My actions stopped the deal and made others who owned the land upset.*

I was instrumental in agreeing on a vendor that Woodland & CCFD2 would use as we teamed up our resources and received a sizable discount on a single purchase of two Fire Apparatus that met the needs of our Rural Residents in Woodland and North Clark County.

As a current Fire Commissioner for Clark-Cowlitz Fire Rescue, I ensure that the residents receive the most efficient service possible using the resources provided by our citizens. As a resident of the Woodland area for over 50 years, I have seen the growth and changes to our communities firsthand. As your commissioner for the past 9 years, I have helped promote administrative efficiency through the mergers of Fire District 2 and Woodland into Clark-Cowlitz Fire Rescue. I have worked to ensure better emergency responses by re-opening the fire station in Charter Oak, construction of the replacement fire station in Woodland, and purchasing land for a new fire station in Ridgefield. I have supported the hiring of eight new career firefighter positions over the past 5 years to help manage the increase in fires and medical emergencies. Ongoing growth in our area will continue to provide challenges to the fire district. These challenges will be successfully met by careful analysis of the issues, deliberate decision making, and continued leveraging of our inter-agency partnerships.

With your support, I will work to ensure that our residents continue to receive the best service possible.

Cemeteries provide holy grounds where we bring respectful dignity to the mortal remains entrusted to our care. They should always be a peaceful environment in which loved ones may reflect, meditate and bring comfort to the grieving.

We are the guardians of the heritage of those who have gone before us and we owe recognition to those previous generations who have lived in faith that future generations will maintain, preserve and protect their final resting place for future generations to enjoy.

We are judged on how we act. Our shared core values sustain everything we do. Throughout changing times, our constant values guide us and consistency is important to preserve and maintain the natural beauty of Cowlitz County.

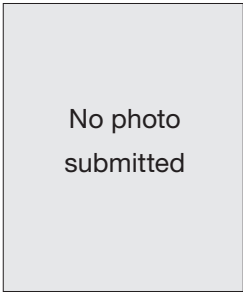

I am committed to make an effort, with the help of others in our community, to get all five of Cowlitz County District 2 Cemeteries on The National Register of Historic Places over the next 6 years.

As an active citizen of Cowlitz County, I make decisions that support and protect our heritage, the Constitution and laws of the United States and the State of Washington.

As a Cowlitz County native and 20-year resident of Woodland I want to be part of helping create opportunities for recreation and building community. I've spent my career as a teacher, school principal and assistant superintendent of schools. My work with young people, families and community groups, and service on a variety of non-profit boards has given me a broad range of experience in bringing people together to achieve common goals.

Woodland's growth will continue. I'm eager to work with other leaders to ensure that we have the recreational and community assets that we need to keep Woodland special.

City of Castle Rock

## Proposition 1

The Castle Rock City Council adopted Resolution No. 2021-07 concerning a proposition to fund public library services by special excess levy. The proposition authorizes the City of Castle Rock, Washington, to levy an excess property tax in the year of 2021 for collection in 2022 of \$0.30 per \$1,000 of full assessed value for a total assessment of \$61,190.08. The excess levy would fund maintenance and operations of the library.

Should this proposition be:

## Argument For

Castle Rock Property owners are asked to approve a one-year levy of 30 cents per \$1000 of assessed valuation to fund the Castle Rock Library for the year 2022. This levy replaces the levy amount that funded the library budget from 2010 to 2018.

The levy would cost the owner of a \$250,000 home \$75, which amounts to \$6.25 per month. Approval would provide library users continued access to free public Internet, historical publications, audio books, and e-books.

Castle Rock's library has over 21,000 volumes of fiction, non-fiction, children's books, DVD's, books on CD and reference materials. No additional fee is required for City taxpayers to hold a library card and anyone outside the city limits can obtain one for a nominal fee.

Children can hone their reading skills at the library and by participating in the summer reading program. Students can use the library as a study resource and job seekers can access job opportunities on the Internet and print their resumes for free. Free computer and business skills classes are available to anyone with a library card, via the library's website.

Not only is Castle Rock's library vital to the community, but healthy libraries are important to individuals and new businesses when they consider moving into an area. Studies have shown that library access helps to educate voters, encourages employment, and discourages crime and substance abuse.

City of Woodland

## Proposition 1

### Adoption of the Council/Manager Form of Government within the City of Woodland

Shall the City of Woodland adopt the Council/Manager form of government and abandon the Council/Mayor form of government? The adoption of the Council/Manager form of government would not affect the City's eligibility to be governed under Title 35A of the Revised Code of Washington.

For Adoption of the Council/Manager Form of Government

Against Adoption of the Council/Manager Form of Government

## Explanatory Statement

The City of Woodland is currently a non-charter code city organized under the Mayor-Council form of government as provided in RCW Ch. 35A.12. An elected mayor is the chief administrative officer of the city. Approval of the ballot measure will change Woodland's form of government to a non-charter Council-Manager organization as provided by RCW Ch. 35A.13. As such, the elected council will select a professional manager to be the chief administrative officer of the city. The Council selects a mayor from among the council to serve as the council chair and as the ceremonial head of the city.

## Argument For

*Put the Power on Those You Elect*

The City of Woodland currently has a Strong Mayor form of Government. This form of government puts a lot of responsibility and control on one person who has been elected by the community, regardless of qualifications. This is a tremendous amount of power and control for one individual.

I took office in 2016 and hired, with approval of your city council, a city administrator to help run daily operations. Since 2016, this new position has brought a higher-level of professionalism and reduced risk to the taxpayers of Woodland. This decision to hire a professional manager is a highlight of my time in office. Without the expertise or knowledge of this subject matter expert, our city would not be faced in the positive direction it is traveling.

With the elimination of a strong mayor format, it puts the responsibility of daily operations on a professional manager who seeks advice from city council. A seven-member board of community members elected by you, the people. The mayor will then become a ceremonial figure head and no longer the CEO of our multi-million-dollar budget. The City Manager form of government puts the power and control of the city in the hands of city council. City decisions are approved or denied by a majority vote of the council, not just the mayor.

*This change will cost taxpayers \$0! We currently have professional management in place and the only thing changing is the title on the door!*

City of Woodland

Transportation Benefit District

## Proposition 2

### Sales and Use Tax for Transportation Improvements

The City of Woodland Transportation Benefit District Board adopted Resolution No. 739 concerning a sales and use tax to fund transportation improvements. This proposition would authorize the establishment of a sales and use tax of two-tenths of one percent (0.2%) to be collected from all taxable retail sales and uses within the district in accordance with RCW 82.14.0455 for a term of ten (10) years for the purpose of paying costs of transportation improvements identified in the City’s Transportation programs.

Shall this proposition be approved?

Yes

No

## Explanatory Statement

The Woodland City Council adopted Ordinance No. 1363 creating a Transportation Benefit District (TBD) pursuant to Chapter 36.73 of the Revised Code of Washington. The purpose of a TBD is to fund transportation projects.

The Woodland Transportation Benefit District adopted Resolution 739 requesting approval of an increase of the tax on retail sales within the District.

If approved by voters, the measure will allow for a two-tenths of one percent [0.2%] increase in the local sales tax for ten years. The funds collected are intended for resurfacing of streets and for projects identified in the City’s 6-year Transportation Improvement Plan.

## Argument For

*Transportation Benefit District, Where Everyone Pays Their Fair share*

The city residents of Woodland have been tasked with the financial heavy lifting of maintaining our roadways. *That financial burden is placed on those residents living inside the city limits only.* The City of Woodland hosts a number of residents that live outside the city that do not contribute to the overall health of our roadway system. The funding of the Transportation Benefit District (TBD) will be an account of dedicated dollars that will be funded by all residents, visitors, and those that call Woodland home, but live in Clark and Cowlitz Counties. An estimated revenue of \$300,000 will be collected annually and can only be spent on roadway projects and system. Roadway projects include traffic congestion improvements, paving, sidewalks, pedestrian safety improvement, and general maintenance and repairs of our aged infrastructure. The TBD revenue can also be used as matching funds towards local and state grants, stretching dollars collected further.

A yes vote on funding the TBD will spread the financial responsibility of our roadway system to all that use it. What does that mean to Woodland shoppers? An additional \$.02 will be added to every \$10 spent on taxable goods. All that visit and call Woodland home will finally be paying their fair share!

Will Finn

View a list of your elected officials

Contact your county elections office

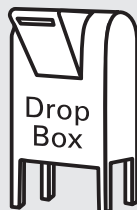

View your online Voter Guide

Fill out or print a replacement ballot

Find an official ballot drop box

Check the status of your ballot

Sign in to **VoteWA.gov** to access your customized voting information.

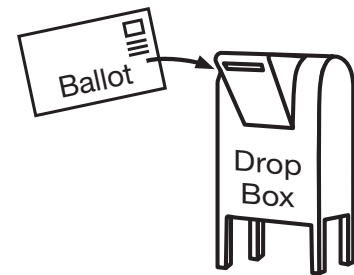

VoteWA is a collaboration between the Office of the Secretary of State and all 39 Washington counties to create an advanced, centralized system for both voter registration and election management.

## How is my ballot counted?

1

### Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on November 2, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

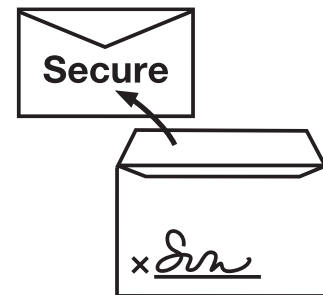

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

2

### Your signature is verified

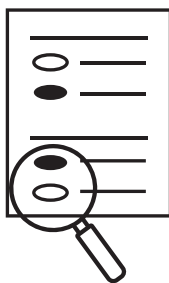

We need your signature to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure **only one** ballot is counted for you.

3

### Envelopes and sleeves are separated

The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

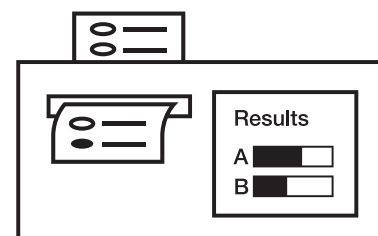

### Your ballot is reviewed and scanned

The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5

### Your ballot is counted

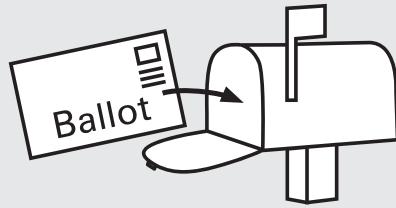

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted.

1

## Vote by mail

Washington votes by mail every election. We were the second state in the nation to adopt vote by mail and the first to provide all postage paid. A ballot is mailed at least 18 days before each election, ensuring you have time to cast an informed ballot without waiting in line.

2

## Online voter registration

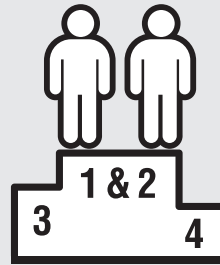

We offer online voter registration. Register to vote or update your address at **VoteWA.gov**

3

## Top 2 Primary

Washington uses a Top 2 Primary system where the two candidates who receive the most votes in the August Primary Election advance to the November General Election, regardless of their party preference.

4

## No party affiliation

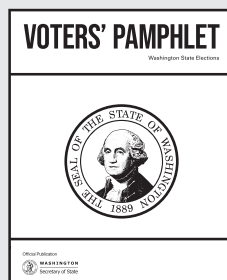

Washington voters do not register by party affiliation. Vote for any candidate regardless of their party preference.

5

## Voters' Pamphlet

Only a few states produce a Voters' Pamphlet like this one. The state pamphlet is mailed to every household before each General Election.

6

## Same day registration

Citizens can register and vote a ballot until 8 p.m. on Election Day.

**Mark your calendar for these upcoming dates:**

**Oct. 25, 2021** – Deadline to register online or for mailed voter registration to be received.

**Oct. 26, 2021** – USPS recommends mailing your ballot a week before Election Day.

**Nov. 2, 2021** – Deadline to vote, register, or update information in person at a voting center by 8 p.m.

**Nov. 2, 2021** – Election Day. Deadline for ballot to be postmarked. Ballot drop boxes are open until 8 p.m.

---

**Jan. 14, 2022** –  
Temperance and Good Citizenship Day

**Feb. 8, 2022** –  
Special Election, only in some counties.

**April 26, 2022** –  
Special Election, only in some counties.

**August 2, 2022** – Primary Election

**November 8, 2022** – General Election

## Teachers: Classroom Activity

The Student Mock Election is a non-partisan, educational event that teaches kids to be informed voters. Over 303,000 students have voted in Washington's annual Student Mock Election since 2004.

- Students vote on real ballot measures and on real candidates, just like they will when they turn 18.
- Participants learn about the unique vote-by-mail elections process used in our state.
- Non-partisan and free to all public, private, tribal, and homeschool K–12 students.

### Free resources for educators:

- Teacher toolkit includes print-friendly Voters' Pamphlet, lessons from Teaching Elections in Washington State curriculum book, posters, and coloring sheet.
