I am pleased to present the 2021 General Election Voters’ Pamphlet. We offer this comprehensive guide as a reference to help you find information about the candidates and measures that appear on your ballot.

This general election you will have the opportunity to vote for local officials and measures that could have a significant impact on your community. Yet in order to make your voice heard, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 25, and we encourage you to check your registration information today at VoteWA.gov. After Oct. 25, you must visit your local elections office or voting center during regular business hours and until 8 p.m. on Election Day to register to vote or update your registration and receive a ballot.

Once you have completed your ballot, be sure to sign the return envelope. This is important, as election officials verify your signature matches the one on your voter registration file before they can count your ballot. Then, send your ballot via U.S. mail — no postage needed. Remember, all ballots must be postmarked by Nov. 2 in order to be counted. The U.S. Postal Service recommends that you mail a week before Election Day. You can also return your ballot using an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. the day of the election. Check VoteWA.gov to locate a ballot drop box.

By voting, you are ensuring your voice is heard. Make an impact in your community and our state by voting this fall.

Sincerely,

Kim Wyman
Secretary of State

1. If you’re registered to vote, there is no need to request a ballot. Your ballot will be mailed **October 15** to the address you provide in your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2. Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

3. Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 2**. Don’t let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

   Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 2**. Find drop box locations at [VoteWA.gov](https://VoteWA.gov).

   ! If you cannot personally return your ballot, let only people you trust deliver it for you.

   Election staff will contact you before your ballot is processed if:
   - Your signature is missing
   - Your signature doesn’t match your voter registration record

   **View election results online**
   After 8 p.m. on election night, tallied results from each county are posted at [sos.wa.gov/elections](https://sos.wa.gov/elections).
   Results are updated as counties report and unofficial until certification.
How do I know if something is true?

When reviewing online or printed information, think about:

**Who made this, and who is it for?**
Was it a company, or an individual person? Who is the intended audience?

**Why did they make it?**
Think about the purpose. Is it to inform, entertain, or persuade?

**When was this made?**
Is the information relevant today?

**What makes it believable?**
Is there evidence from a reputable source or expert?

**How might other people read this message?**
Consider how someone with a different background might interpret it.

**Ask the experts**
Consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.
Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General’s advisory vote description according to RCW 29A.72.283.

You are advising the Legislature if you do or do not favor a tax increase passed during the recent legislative session.

**Repeal** — means you *don’t favor* the tax increase.

**Maintain** — means you *favor* the tax increase.

Advisory votes are non-binding. The results will not change the law.

Elected Experience
I have served as the mayor of Metaline Falls since 2008. In these years we’ve seen a shrinking “main street” and a “greying” population, but remain a town proud of its beauty and its resources. In Metaline Falls we are blessed that the ugliness of “politics” does not hinder the work that the Council and the Mayor do for the community. I am thankful for the non-partisan aspect of the position, serving all of you equally.

Statement
It has been my honor to serve as your Diamond Lake Water and Sewer Board Commissioner for the past three plus years.

Growing up in rural Minnesota, I spent a lot of time on the lakes and rivers and it is where my appreciation and admiration for lake life developed. I attended Gustavus Adolphus College earning a degree in Business Administration. After graduation, I served time in the United States Army. I spent a short time as a buyer in the aerospace industry until I transitioned to the apparel industry where I joined Koret of California and worked for 42 years until I retired.

In 1980, my wife, Gail and I purchased our lake home as a summer residence. Unfortunately, our original home burned down but, on the positive side, we then built our forever home and moved permanently to the lake in 2005. Today I enjoy spending time on the lake with my family and friends, snow skiing and golf. I leave the fishing to the osprey and eagles.

During the time I have served on the board, several improvements have been made. Such as the purchase of a new excavator and trailer and we have hired a third maintenance person which allows us fix problems more quickly and efficiently. Most importantly, we have applied our water rights in drilling a third well to ensure an adequate and sustained water supply.

The current board members and I have worked hard to put together a very special and dedicated team to assist and efficiently meet the needs of our community.

I would like to continue serving the Diamond Lake community and would greatly appreciate your vote.

Proposition No. 1

The Pend Oreille Cemetery District 2 Board of Commissioners voted to dissolve the Cemetery District because it was no longer financially feasible for the Cemetery District to operate the Cemetery. The approval of the Dissolution of the Pend Oreille Cemetery District, will return the Cemetery to the Town of Metaline for the stability of the Cemetery and consolidation of Cemetery paperwork and documents.

Should this proposition be approved:

[ ] Approved?
[ ] Rejected?

Explanatory Statement

No explanatory statement was submitted.

Argument For

Property taxes will go down, as Cemetery District 2 will no longer be collected
All administration will go thru the clerk’s office at Metaline Town hall
Town of Metaline owns the cemetery and already budgets and oversees all day to day operations of the Cemetery (So nothing will change)
Board of Commissioners of Cemetery District 2 will remain as a Beautification Committee and will oversee the Cemetery

Argument Against

Loss of revenue from the property taxes

Sign in to VoteWA.gov to access your customized voting information.

VoteWA is a collaboration between the Office of the Secretary of State and all 39 Washington counties to create an advanced, centralized system for both voter registration and election management.
How is my ballot counted?

1. Your county receives your ballot
   Deposit your ballot in an official drop box by 8 p.m. on November 2, Election Day, or return your ballot by mail — postage paid — but make sure it’s postmarked by Election Day! Don’t let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

2. Your signature is verified
   We need your signature to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure only one ballot is counted for you.

3. Envelopes and sleeves are separated
   The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4. Your ballot is reviewed and scanned
   The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5. Your ballot is counted
   After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted.
