I am pleased to present the 2021 General Election Voters’ Pamphlet. We offer this comprehensive guide as a reference to help you find information about the candidates and measures that appear on your ballot.

This general election you will have the opportunity to vote for local officials and measures that could have a significant impact on your community. Yet in order to make your voice heard, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 25, and we encourage you to check your registration information today at VoteWA.gov. After Oct. 25, you must visit your local elections office or voting center during regular business hours and until 8 p.m. on Election Day to register to vote or update your registration and receive a ballot.

Once you have completed your ballot, be sure to sign the return envelope. This is important, as election officials verify your signature matches the one on your voter registration file before they can count your ballot. Then, send your ballot via U.S. mail — no postage needed. Remember, all ballots must be postmarked by Nov. 2 in order to be counted. The U.S. Postal Service recommends that you mail a week before Election Day. You can also return your ballot using an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. the day of the election. Check VoteWA.gov to locate a ballot drop box.

By voting, you are ensuring your voice is heard. Make an impact in your community and our state by voting this fall.

Sincerely,

Kim Wyman
Secretary of State

1. If you’re registered to vote, there is no need to request a ballot. Your ballot will be mailed **October 15** to the address you provide in your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2. Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

3. Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 2**. Don’t let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

   Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 2**. Find drop box locations at **VoteWA.gov**.

   If you cannot personally return your ballot, let only people you trust deliver it for you.

4. Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

   **View election results online**
   After 8 p.m. on election night, tallied results from each county are posted at **sos.wa.gov/elections**. Results are updated as counties report and unofficial until certification.

   Election staff will contact you before your ballot is processed if:
   - Your signature is missing
   - Your signature doesn’t match your voter registration record
When reviewing online or printed information, think about:

- **Who made this, and who is it for?**
  - Was it a company, or an individual person? Who is the intended audience?

- **Why did they make it?**
  - Think about the purpose. Is it to inform, entertain, or persuade?

- **When was this made?**
  - Is the information relevant today?

- **What makes it believable?**
  - Is there evidence from a reputable source or expert?

- **How might other people read this message?**
  - Consider how someone with a different background might interpret it.

- **Ask the experts**
  - Consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

Welcome to the 2021 General Election Voters’ Pamphlet. It contains statements by candidates and information about local issues on the November 2nd General Election ballot.

We encourage everyone to participate in elections because there are many issues and important state and local races that affect your lives. Your vote is important in deciding the direction our communities take going forward. Key dates for you to remember:

- Ballots will be mailed by October 15. If you don’t receive your ballot in the mail, contact the Auditor’s Office to receive a replacement. Please return ballots as soon as possible.
- Mailed ballots must be postmarked no later than November 2nd to be counted.
- Drop box ballots must be deposited no later than November 2nd at 8pm to be counted. Drop box locations in Skamania County can be found in this voters’ pamphlet and on our website.
- If you need information on deadlines for registering to vote, instructions on how to correct mistakes on your ballot or other questions that may arise, please contact our elections department at 509-427-3730.

Even though Skamania County is a vote-by-mail county, we do have “Accessible Voting Units” (AVU’s) at the Auditor’s Office. You can vote on an AVU between the hours of 7:30 am and 5:30 pm Monday through Thursday, and on Election Day (November 2nd) from 7:30 am until 8:00 pm. We are glad to assist in any way possible.

For results on election night, the Auditor’s Office will be open until approximately 8:30 pm and someone will be available to answer questions. Results will also be posted on the Auditor’s website at www.skamaniacounty.org/elections as soon as they are available.

Please take the time to review this pamphlet and the great information it provides on candidates, levies, ballot drop locations and other useful material. We encourage you to take this opportunity to vote and help shape our community.

Returning your ballot
You must sign and date your return envelope in order for your ballot to be counted!

• Sign on the signature line below the "Voter’s Declaration"

• Do NOT sign someone else’s name, even if you have power of attorney.

• Voting over the phone by having someone else fill out and sign your ballot is against the law. Voters can call us at 509-427-3730 to learn about the options for voting while they are out of town.

• Drop boxes are available if you don’t want your signature to go through the mail. A complete list of ballot deposit locations in Skamania County can be found in this pamphlet on page 25.

Military and overseas voters
As a military or overseas voter you have several options for registering to vote, receiving your ballot and returning it. If you are a military spouse or dependant, and you are away from home because of the military service, you also qualify as a military voter.

Military and overseas voters are exempt from the regular voter registration deadlines. The last day to register and request a ballot is Election Day. Even if you are not registered, you may still vote and send in a ballot because your signature on the declaration attests to your eligibility and constitutes registration. If you register close to Election Day, or for some other reason did not receive your ballot, please request one as soon as possible to ensure enough time to return your ballot. Specify whether you would like to receive your ballot by mail, email or fax.

Voters registered as military and overseas citizens may return ballots by mail, email or fax.

Statement  Public schools are the foundation of democracy, where children gain critical thinking skills, practice civil discussion and debate, learn to respect difference, and achieve their academic potential; thus, public education is an investment in the future. I know that public schools change lives because I come from a working-class Northwest family, attended Evergreen Public Schools, and graduated from public universities. Access to public education prepared me to serve my community, and is why I am committed to addressing the needs of all children, regardless of income, family status, racial, ethnic, or linguistic background, or ability.

I've been honored to serve on the Washougal School Board. During my tenure, we have weathered a strike, financial challenges, and have carefully deliberated ongoing decision-making around Covid-19. Despite the challenges, we've provided pandemic services, successfully raised graduation rates from 83% to 88%, increased Career-Technical Education programs, boosted dual credits and certifications from a few dozen in 2015 to hundreds in 2020, and begun serving homemade, healthy meals. We continue to seek excellence through transitional Kindergarten, a dual language program, the Washougal Learning Academy, implementing dyslexia screening and strengthening our reading programs, and a commitment to serve all Washougal students. Statement  I’m running for School Board to improve student outcomes and provide better communication between the district and families. I love our community. I’m a proud parent raising our children here and teaching them the values of living in a small community.

As your School Board Member, I’ll make certain that parents’ voices are heard and that our rights as parents are never overlooked, ensuring they know when school board meetings are scheduled and what’s on the agenda. Ever since the pandemic started, impactful decisions were made behind closed doors, without parental input; that’s wrong. Parents deserve to be heard with a seat at the table. If elected, I’ll be your voice to carry that message forward, loud and clear.

As a parent, I’ve been engaged in Washougal Public Schools and youth activities in our community because I know how valuable these programs are for children. Young people need adult mentors with integrity. I’m proud to contribute my resources to make a difference.

As responsible citizens and parents, we must remove politics from our classrooms. Schools must get back to basics; teaching kids how to think, not what to think, so they have a great start at succeeding in life.

**Statement** Our Washougal schools, like our world, have gone through an extremely difficult period. We must emerge stronger and more ready to face the challenges yet to come. I am able to call on my more than fifty years of experience in education as a student, teacher (Grades K through Graduate School), administrator and volunteer to help the Washougal School Board meet those challenges.

This service is a culmination of my life’s work in education. I believe that schools must guide the learning of every individual child, regardless of the label society puts on them. I believe the task of schools is not to teach children what to think, but how to think.

When my wife Barbara and I retired 20+ years ago and built our forever home in Washougal, we decided to devote our time to our community. It’s been very rewarding to be actively contributing to this wonderful city of ours.

I value and support all the adults - school employees, volunteers and parents - who work every day to make Washougal schools the best places they can be for our young learners. I humbly ask for your vote, and to join me in support of our schools.

**Statement** As the mom of two children in the Washougal School District, I’m running for the school board to make a difference for our kids! Students and parents in our district need a loud, clear voice; I’ll be that voice! We must improve the quality of our education to meet the needs of every student. I have a great deal of passion and motivation to create an effective and positive learning environment for all our students.

It’s critical that a plan be put in place to close the gap in education that was created when our schools were closed. If we continue the current path, many of our children will continue to struggle and be left behind. Priority must be placed on providing an exceptional education for students of all levels and capabilities from high achievers to those who have special needs rather than on including controversial Critical Race Theory or political subject matter. The focus must be on providing a solid core education for our children!

As your school board member, I’m fully committed to partnering with our educators to deliver the best education opportunities for our children. We must get back to the business of delivering high quality education!

Statement The WSSD does a fine job preparing students for college. It’s time to broaden their opportunities. I have a particular interest in supporting vocational and career experiences through internships, mentoring relationships, apprenticeship programs, and job shadowing. Let’s offer ample opportunities for our students to explore their interests, skills, and talents in order to give added purpose to their learning. Let’s highlight the spectrum of job opportunities in our county, from tech to forestry to healthcare, business and industrial trades to other possibilities that advance career employment and post-high school education.

Statement I attended K-12 here in White Salmon and my mother worked as a third and fourth grade teacher at Whitson from 1990-2020 so I have a good understanding of the rewards and challenges in education. Statement: I have been a resident of Stevenson for five years after retiring from a 32 year career with the lake Havasu City Fire Department in Arizona. My career choice was inspired by my role as a volunteer firefighter in Somers, New York in 1969. Shortly after becoming a Stevenson resident, I joined the volunteer fire department. I understand the challenges of providing year round 24/7 emergency services and the importance of having well trained volunteers. Your tax dollars must go a long way in providing the needed fire station and equipment necessary to offer a high level of service.

Donnie Renfro

**Statement**
Thanks to the efforts of previous leaders, our district is well inventoried with quality equipment. Now is the time for a new, qualified community member to step up, and take on the yoke of leadership, invigorating the department with fresh ideas such as Safety Policies, Recruitment, Retention of Fire personnel, Paid training and raising the focus onto new priorities like Response Times, Maintenance, Community support, and Community outreach, improving an already great organization for both the community and the dedicated staff of volunteers.

My goal in this position is to give a voice to all of our exceptional community members and fire service personnel, who sacrifice their most precious things, time and safety, in order to help another in need. Because, as we all know, there will be times when things can go wrong and we require assistance.

I have lived in the district for 27 years and was a heavy diesel mechanic and driver for over two decades. I spent 13 years as a fire service volunteer, with 12 years as an emergency medical technician.

Thank you for considering me for the position of Fire Protection District 7 Commissioner where I can serve my wonderful community.

Statement  As the pandemic ends we’re in a position to benefit from a changing economy and recent sale of our Public Development Authority. I’ve regularly attended council meetings for the last three years and served as a volunteer and advisor to the city on financial and administrative issues. There are challenges ahead and my experience is key to seizing these opportunities. I love North Bonneville and will lead in a way that weighs multiple perspectives fairly, while being friendly and approachable. It would be a privilege serving North Bonneville on Council Seat 5. Sign in to VoteWA.gov to access your customized voting information.

VoteWA is a collaboration between the Office of the Secretary of State and all 39 Washington counties to create an advanced, centralized system for both voter registration and election management.
How is my ballot counted?

1. **Your county receives your ballot**
   Deposit your ballot in an official drop box by 8 p.m. on November 2, Election Day, or return your ballot by mail — postage paid — but make sure it’s postmarked by Election Day! Don’t let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

2. **Your signature is verified**
   We need your signature to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure only one ballot is counted for you.

3. **Envelopes and sleeves are separated**
   The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4. **Your ballot is reviewed and scanned**
   The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5. **Your ballot is counted**
   After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted.
1. **Vote by mail**
   Washington votes by mail every election. We were the second state in the nation to adopt vote by mail and the first to provide all postage paid. A ballot is mailed at least 18 days before each election, ensuring you have time to cast an informed ballot without waiting in line.

2. **Online voter registration**
   We offer online voter registration. Register to vote or update your address at VoteWA.gov.

3. **Top 2 Primary**
   Washington uses a Top 2 Primary system where the two candidates who receive the most votes in the August Primary Election advance to the November General Election, regardless of their party preference.

4. **No party affiliation**
   Washington voters do not register by party affiliation. Vote for any candidate regardless of their party preference.

5. **Voters’ Pamphlet**
   Only a few states produce a Voters’ Pamphlet like this one. The state pamphlet is mailed to every household before each General Election.

6. **Same day registration**
   Citizens can register and vote a ballot until 8 p.m. on Election Day.
Mark your calendar for these upcoming dates:

**Oct. 25, 2021** — Deadline to register online or for mailed voter registration to be received.

**Oct. 26, 2021** — USPS recommends mailing your ballot a week before Election Day.

**Nov. 2, 2021** — Deadline to vote, register, or update information in person at a voting center by 8 p.m.

**Nov. 2, 2021** — Election Day. Deadline for ballot to be postmarked. Ballot drop boxes are open until 8 p.m.

**Jan. 14, 2022** — Temperance and Good Citizenship Day

**Feb. 8, 2022** — Special Election, only in some counties.

**April 26, 2022** — Special Election, only in some counties.

**August 2, 2022** — Primary Election

**November 8, 2022** — General Election
