What if I’m not 18 yet?

If you are 16 or 17, become a Future Voter!
Sign up online at VoteWA.gov with your Washington state driver’s license or ID. Or you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You’ll be automatically registered to vote when you qualify.
Every January on Temperance and Good Citizenship Day, high school students 16 and older have the opportunity to complete a voter registration form in class.
Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

If you cannot personally return your ballot, let only people you trust deliver it for you.

Check the status of your ballot on VoteWA.gov to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:
- Your signature is missing
- Your signature doesn’t match your voter registration record

View election results online
After 8 p.m. on election night, tallied results from each county are posted at sos.wa.gov/elections.

Results are updated as counties report and unofficial until certification.

Your county receives your ballot
Deposit your ballot in an official drop box by 8 p.m. on November 2, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! Don’t let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Your signature is verified
We need your signature to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure only one ballot is counted for you.

Envelopes and sleeves are separated
The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

Your ballot is reviewed and scanned
The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

Your ballot is counted
After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted.
1. **Vote by mail**
Washington votes by mail every election. We were the second state in the nation to adopt vote by mail and the first to provide all postage paid. A ballot is mailed at least 18 days before each election, ensuring you have time to cast an informed ballot without waiting in line.

2. **Online voter registration**
We offer online voter registration. Register to vote or update your address at VoteWA.gov.

3. **Top 2 Primary**
Washington uses a Top 2 Primary system where the two candidates who receive the most votes in the August Primary Election advance to the November General Election, regardless of their party preference.

4. **No party affiliation**
Washington voters do not register by party affiliation. Vote for any candidate regardless of their party preference.

5. **Voters’ Pamphlet**
Only a few states produce a Voters’ Pamphlet like this one. The state pamphlet is mailed to every household before each General Election.

6. **Same day registration**
Citizens can register and vote a ballot until 8 p.m. on Election Day.
