In accordance with RCW 29A.04.570, the State Election Certification and Training Program conducted a comprehensive review of election procedures in Kitsap County during the 2008 Presidential Primary Election.

The RCW also requires a follow-up contact to verify the County Auditor's Office has taken the steps necessary to correct the changes recommended in the review report.

I am please to acknowledge that all recommendations made during the Kitsap County Election Review have been addressed satisfactorily.

I commend the Elections Department for their obvious dedication to the election process and their desire to improve an already good operation.
