WAC 434-262-031 Rejection of ballots or parts of ballots. (1)

The disposition of provisional ballots is governed by WAC 434-262-032. The county canvassing board must reject any ballot cast by a voter who was not qualified to vote, or for other reasons required by law or administrative rule. A log must be kept of all voted ballots rejected, and must be included in the minutes of each county canvassing board meeting.

(2) Ballots or parts of ballots shall be rejected by the canvassing board in the following instances:

(a) Where a voter has already voted one ballot;

(b) Where two voted ballots are returned together:

(i) If the two ballots are returned with only one valid signature on the ballot declaration, the races and measures voted the same on both ballots may be counted once.

(ii) If the two ballots are returned with two valid signatures on the ballot declaration, both ballots may be counted in their entirety;

(c) Where a ballot or parts of a ballot are marked in such a way that it is not possible to determine the voter's intent consistent with WAC 434-261-086;

(d) Where the voter has voted for candidates or issues for whom he or she is not entitled to vote;

(e) Where the voter has overvoted;

(f) Where the voter validly transferred out of the county;

(g) Where the ballot was created for a prior election.

AMENDATORY SECTION (Amending WSR 11-24-064, filed 12/6/11, effective 1/6/12)

WAC 434-262-032 Provisional ballots—Disposition. Upon receipt of the provisional ballot, including provisional ballots from other counties or states, the county auditor must investigate the circumstances surrounding the provisional ballot prior to certification of the primary or election. A voted ballot received from an unregistered voter, other than a service or overseas voter, is considered a provisional ballot. A provisional ballot cannot be counted unless the voter's name, signature and the date of birth, if available, matches a voter registration record. Once the provisional ballot has been investigated, disposition of the ballot is as follows:

(1) If there is no record of the voter ever having been registered, the voter must be offered the opportunity to register and the provisional ballot is not counted.

(2) If the voter was previously registered and later canceled and the auditor determines that the cancellation was in error, the voter's registration must be immediately restored and the provisional ballot counted.

(3) If the voter was previously registered and later canceled and the auditor determines that the cancellation was not in error, the voter must be offered the opportunity to reregister and the provisional ballot is not counted.

(4) If the voter is a registered voter but has voted a ballot other than the one which the voter would have received for his or her precinct, the auditor must ensure that only those votes for the positions and measures for which the voter was eligible to vote are counted.

(5) If the voter is a registered voter in another county, the auditor shall forward the ballot and a corresponding voter guide, or other means by which the ballot can be interpreted, to the elections official for the jurisdiction in which the voter is registered. The ballot must be forwarded within seven calendar days after a primary or special election and fourteen calendar days after a general election, and as soon as possible if past that date.

(6) If the voter voted a regular ballot and a provisional ballot, the provisional ballot is not counted if the regular ballot has already been counted. The regular ballot is not counted if the provisional ballot has already been counted.

(7) If the voter voted a provisional ballot because he or she failed to produce identification at a voting center, the ballot is counted if the signature on the envelope matches the signature in the voter registration record.

(8) If the voter voted a provisional ballot because the voter is provisionally registered and the voter's registration record is still flagged as requiring verification of identity, the provisional ballot is not counted.

(9) Provisional ballots voted for reasons not covered by this section or state statute must be determined by the county canvassing board.
