LET THE VOTERS DECIDE ON A 2/3 FOR TAXES CONSTITUTIONAL AMENDMENT

COMPLETE TEXT

AN ACT Relating to taxes and fees imposed by state government; amending RCW 29A.72.283, 29A.32.070, 43.135.031, 43.135.041, and 43.135.055; adding new sections to chapter 43.135 RCW; and creating new sections.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

INTENT

NEW SECTION. Sec. 1. The people intend by this act to affirm their support for the policies embodied in Initiative 960, approved by voters in 2007, Initiative 1053, approved by voters in 2010, and Initiative 1185, approved by voters in 2012. The people insist that tax increases receive either two-thirds legislative approval or voter approval and fee increases receive a simple majority vote. These important policies ensure that taxpayers will be protected and that taking more of the people’s money will always be an absolute last resort.

The people want the legislature to approve, and refer to voters for ratification, a constitutional amendment requiring either two-thirds legislative approval or majority voter approval for raising taxes as defined by and as required by Initiative 960, approved by voters in 2007, Initiative 1053, approved by voters in 2010, and Initiative 1185, approved by voters in 2012.

LET THE VOTERS DECIDE ON A CONSTITUTIONAL AMENDMENT REQUIRING EITHER A TWO-THIRDS VOTE OF THE LEGISLATURE OR MAJORITY VOTE OF THE PEOPLE TO RAISE TAXES AS DEFINED BY AND AS REQUIRED BY INITIATIVE 960, APPROVED BY VOTERS IN 2007, INITIATIVE 1053, APPROVED BY VOTERS IN 2010, AND INITIATIVE 1185, APPROVED BY VOTERS IN 2012
NEW SECTION. Sec. 2. A new section is added to chapter 43.135 RCW to read as follows:

(1) A measure for an advisory vote of the people for a constitutional amendment requiring two-thirds legislative approval or majority voter approval for raising taxes is required and must be placed on each general election ballot under this chapter.

(2) No later than the first of August, the attorney general will send written notice to the secretary of state of the legislature’s failure to let the people vote on a constitutional amendment requiring two-thirds legislative approval or majority voter approval for raising taxes as defined by and as required by Initiative 960, approved by voters in 2007, Initiative 1053, approved by voters in 2010, and Initiative 1185, approved by voters in 2012. Within five days of receiving such written notice from the attorney general, the secretary of state will assign a serial number for a measure for an advisory vote of the people and transmit one copy of the measure bearing its serial number to the attorney general as required by RCW 29A.72.040. Saturdays, Sundays, and legal holidays are not counted in calculating the time limits in this subsection.

(3) The requirements in this section only take effect if the legislature blocks the people from voting on a constitutional amendment requiring two-thirds legislative approval or majority voter approval for raising taxes as defined by and as required by Initiative 960, approved by voters in 2007, Initiative 1053, approved by voters in 2010, and Initiative 1185, approved by voters in 2012. If, prior to the effective date of this act, the legislature lets the people vote on a constitutional amendment requiring two-thirds legislative approval or majority voter approval for raising taxes as defined by and as required by Initiative 960, approved by voters in 2007, Initiative 1053, approved by voters in 2010, and Initiative 1185, approved by voters in 2012, then the requirements of this section do not take effect; an advisory vote is not necessary if the legislature stops blocking a binding vote.

Sec. 3. RCW 29A.72.283 and 2008 c 1 s 8 are each amended to read as follows:

Within five days of receipt of a measure for an advisory vote of the people from the secretary of state under RCW 29A.72.040 the attorney general shall formulate a short description (not exceeding thirty-three words and) not subject to appeal, of each tax increase and of each...
failure of the legislature to let the people vote on a constitutional amendment under section 2 of this act and shall transmit a certified copy of such short description meeting the requirements of this section to the secretary of state.

(a) The description for each tax increase must be formulated and displayed on the ballot substantially as follows:

“The legislature imposed, without a vote of the people, (identification of tax and description of increase), costing (most up-to-date ten-year cost projection, expressed in dollars and rounded to the nearest million) in its first ten years, for government spending. This tax increase should be:

Repealed . . . []
Maintained . . . [”

(b) The description for the failure of the legislature to let the people vote on a constitutional amendment under section 2 of this act must be formulated and displayed on the ballot substantially as follows:

“Do you support or oppose having the legislature refer to a vote of the people a constitutional amendment requiring two-thirds legislative approval or majority voter approval for raising taxes as defined by Initiative 1185, approved by voters in 2012?

Support . . . []
Oppose . . . [”

Saturdays, Sundays, and legal holidays are not counted in calculating the time limits in this section. ((The words “This tax increase should be: Repealed . . . [] Maintained . . . []” are not counted in the thirty-three word limit for a short description under this section.)

Sec. 4. RCW 29A.32.070 and 2009 c 415 s 5 are each amended to read as follows:

The secretary of state shall determine the format and layout of the voters' pamphlet published under RCW 29A.32.010. The secretary of state shall print the pamphlet in clear, readable type on a size, quality, and weight of paper that in the judgment of the secretary of state best serves the voters. The pamphlet must contain a table of contents. Measures and
arguments must be printed in the order specified by RCW 29A.72.290.

The voters' pamphlet must provide the following information for each
statewide issue on the ballot except measures for an advisory vote of the
people whose requirements are provided in subsections (11) and (12) of this
section:

(1) The legal identification of the measure by serial designation or
number;

(2) The official ballot title of the measure;

(3) A statement prepared by the attorney general explaining the law as
it presently exists;

(4) A statement prepared by the attorney general explaining the effect
of the proposed measure if it becomes law;

(5) The fiscal impact statement prepared under RCW 29A.72.025;

(6) The total number of votes cast for and against the measure in the
senate and house of representatives, if the measure has been passed by the
legislature;

(7) An argument advocating the voters' approval of the measure together
with any statement in rebuttal of the opposing argument;

(8) An argument advocating the voters' rejection of the measure
together with any statement in rebuttal of the opposing argument;

(9) Each argument or rebuttal statement must be followed by the names
of the committee members who submitted them, and may be followed by a
telephone number that citizens may call to obtain information on the ballot
measure;

(10) The full text of ((the)) each measure;

(11) Two pages (front and back of one page and front and back of a
second page) shall be provided in the general election voters' pamphlet for
each measure for an advisory vote of the people under RCW 43.135.041 and
shall consist of the serial number assigned by the secretary of state under
RCW 29A.72.040, the short description formulated by the attorney general
under RCW 29A.72.283, the tax increase's most up-to-date ten-year cost
projection, including a year-by-year breakdown, by the office of financial
management under RCW 43.135.031, and the names of the legislators, and
their contact information, and how they voted on the increase upon final
passage so they can provide information to, and answer questions from, the
public. For the purposes of this subsection, "names of legislators, and
their contact information" includes each legislator's position (senator or
representative), first name, last name, party affiliation (for example,
Democrat or Republican), city or town they live in, office phone number, and office e-mail address.

(12) The front of one page must be provided in the general election voters' pamphlet for each measure for an advisory vote of the people under section 2 of this act and must consist of the serial number assigned by the secretary of state under RCW 29A.72.040, the short description formulated by the attorney general under RCW 29A.72.283, and the following:

(i) “Over the past twenty years, the voters of Washington have, five times, overwhelmingly passed initiatives requiring either a two-thirds vote of the legislature or majority vote of the people to raise taxes. Despite this clear message from the people, not once in all that time did the legislature give the voters the opportunity to vote on a 2/3 for taxes constitutional amendment. Then, in 2013, the voters approved Initiative ... (initiative number assigned to this act) that specifically told the legislature that the people want the opportunity to vote on a 2/3 for taxes constitutional amendment mirroring voter-approved I-960/I-1053/I-1185. Even so, the Legislature this year again blocked the people from voting on it.

It is long overdue for the legislature to give the voters the chance to decide, once and for all, on a 2/3 for taxes constitutional amendment mirroring voter-approved I-960/I-1053/I-1185.”

(ii) If the governor signs into law a bill that raises taxes which did not receive a two-thirds vote in both the house of representatives and senate, then the following must appear immediately below the text in this subsection:

“During this year's legislative session, rather than listen to the people, the governor signed into law the following tax increases, each of which failed to receive the required two-thirds legislative approval:"

(iii) Immediately below the text in this subsection, the following information must be listed on the page:

(A) The bill number for the legislation signed into law by the governor that raises taxes but which did not receive a two-thirds vote in both the house of representatives and senate; and

(B) The most current ten-year cost projection by the office of financial management under RCW 43.135.031 for the legislation signed into law by the governor that raises taxes but which did not receive a two-thirds vote in both the house of representatives and senate.
Sec. 5. RCW 43.135.031 and 2008 c 1 s 2 are each amended to read as follows:

(1) For any bill introduced in either the house of representatives or the senate that raises taxes as defined by (RCW 43.135.035) subsection (7) or increases fees, the office of financial management must expeditiously determine its cost to the taxpayers in its first ten years of imposition, must promptly and without delay report the results of its analysis by public press release via e-mail to each member of the house of representatives, each member of the senate, the news media, and the public, and must post and maintain these releases on its web site. Any ten-year cost projection must include a year-by-year breakdown. For any bill containing more than one revenue source, a ten-year cost projection for each revenue source will be included along with the bill's total ten-year cost projection. The press release shall include the names of the legislators, and their contact information, who are sponsors and cosponsors of the bill so they can provide information to, and answer questions from, the public.

(2) Any time any legislative committee schedules a public hearing on a bill that raises taxes as defined by (RCW 43.135.035) subsection (7) or increases fees, the office of financial management must promptly and without delay report the results of its most up-to-date analysis of the bill required by subsection (1) of this section and the date, time, and location of the hearing by public press release via e-mail to each member of the house of representatives, each member of the senate, the news media, and the public, and must post and maintain these releases on its web site. (3) Each time a bill that raises taxes as defined by (RCW 43.135.035) subsection (7) or increases fees is approved by any legislative committee or by at least a simple majority in either the house of representatives or the senate, the office of financial management must expeditiously reexamine and redetermine its ten-year cost projection due to amendment or other changes during the legislative process, must promptly and without delay report the results of its most up-to-date analysis by public press release via e-mail to each member of the house of representatives, each member of the senate, the news media, and the public, and must post and maintain these releases on its web site. The press release required by this subsection must include all the information required by subsection (1) of this section and the names of the legislators, and their contact information, who are members of the legislative committee conducting the hearing so they can provide information to, and answer questions from, the public.
representatives, each member of the senate, the news media, and the public, and must post and maintain these releases on its web site. For any bill containing more than one revenue source, a ten-year cost projection for each revenue source will be included along with the bill's total ten-year cost projection. The press release shall include the names of the legislators, and their contact information, and how they voted on the bill so they can provide information to, and answer questions from, the public.

(4) For the purposes of this section, "names of legislators, and their contact information" includes each legislator's position (senator or representative), first name, last name, party affiliation (for example, Democrat or Republican), city or town they live in, office phone number, and office e-mail address.

(5) For the purposes of this section, "news media" means any member of the press or media organization, including newspapers, radio, and television, that signs up with the office of financial management to receive the public press releases by e-mail.

(7) For the purposes of this chapter, "raises taxes" means any action or combination of actions by the state legislature that increases state tax revenue deposited in any fund, budget, or account, regardless of whether the revenues are deposited into the general fund.

Sec. 6. RCW 43.135.041 and 2010 c 4 s 3 are each amended to read as follows:

(1)(a) After July 1, 2011, if legislative action raising taxes as defined by subsection (5) is blocked from a public vote or is not referred to the people by a referendum petition found to be sufficient under RCW 29A.72.250, a measure for an advisory vote of the people is required and shall be placed on the next general election ballot under this chapter (1, Laws of 2008).

(b) If legislative action raising taxes enacted after July 1, 2011, involves more than one revenue source, each tax being increased shall be subject to a separate measure for an advisory vote of the people under the requirements of this chapter (1, Laws of 2008).

(2) No later than the first of August, the attorney general will send written notice to the secretary of state of any tax increase that is...
subject to an advisory vote of the people, under the provisions and exceptions provided by this chapter ((1, Laws of 2008)). Within five days of receiving such written notice from the attorney general, the secretary of state will assign a serial number for a measure for an advisory vote of the people and transmit one copy of the measure bearing its serial number to the attorney general as required by RCW 29A.72.040, for any tax increase identified by the attorney general as needing an advisory vote of the people for that year's general election ballot. Saturdays, Sundays, and legal holidays are not counted in calculating the time limits in this subsection.

(3) For the purposes of this section, "blocked from a public vote" includes adding an emergency clause to a bill increasing taxes, bonding or contractually obligating taxes, or otherwise preventing a referendum on a bill increasing taxes.

(4) If legislative action raising taxes is referred to the people by the legislature or is included in an initiative to the people found to be sufficient under RCW 29A.72.250, then the tax increase is exempt from an advisory vote of the people under this chapter ((1, Laws of 2008)).

(5) For the purposes of this chapter, "raises taxes" means any action or combination of actions by the state legislature that increases state tax revenue deposited in any fund, budget, or account, regardless of whether the revenues are deposited into the general fund.

NEW SECTION. Sec. 7. A new section is added to chapter 43.135 RCW to read as follows:

Any action or combination of actions by the legislature that raises taxes may be taken only if approved by a two-thirds vote in both the house of representatives and the senate. Pursuant to the referendum power set forth in Article II, section 1(b) of the state Constitution, tax increases may be referred to the voters for their approval or rejection at an election.

(b) For the purposes of this chapter, "raises taxes" means any action or combination of actions by the state legislature that increases state tax revenue deposited in any fund, budget, or account, regardless of whether the revenues are deposited into the general fund.
