BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

INTENT

NEW SECTION. **Sec. 1.** In 2011, the people approved Initiative 1183 which got state government out of the liquor business. The legislature can sabotage the initiative next year unless the voters approve the same initiative again.

This measure restates the initiative's policies EXACTLY as the voters approved them in 2011. The people made a firm decision and refuse to go backwards. Olympia needs to respect our vote.

Sec. 2. RCW 66.24.620 and 2012 c 2 s 102 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

(1) The holder of a spirits distributor license or spirits retail license issued under this title may commence sale of spirits

upon issuance thereof, but in no event earlier than March 1, 2012, for distributors, or June 1, 2012, for retailers as required by Initiative 1183, approved by voters in 2011. The board must complete application processing by those dates of all complete applications for spirits licenses on file with the board on or before sixty days from December 8, 2011.

(2) The board must effect orderly closure of all state liquor stores no later than June 1, 2012, and must thereafter refrain from purchase, sale, or distribution of liquor, except for asset sales authorized by chapter 2, Laws of 2012 as required by Initiative 1183, approved by voters in 2011.

(3) The board must devote sufficient resources to planning and preparation for sale of all assets of state liquor stores and distribution centers, and all other assets of the state over which the board has power of disposition, including without limitation goodwill and location value associated with state liquor stores, with the objective of depleting all inventory of liquor by May 31, 2012, and closing all other asset sales no later than June 1, 2013 as required by Initiative 1183, approved by voters in 2011. The board, in furtherance of this subsection, may sell liquor to spirits licensees.

(4) (a) Disposition of any state liquor store or distribution center assets remaining after June 1, 2013, must be managed by the department of revenue.

(b) The board must obtain the maximum reasonable value for all asset sales made under this section.

(c) The board must sell by auction open to the public the right at each state-owned store location of a spirits retail licensee to operate a liquor store upon the premises. Such right must be freely alienable and subject to all state and local zoning and land use requirements applicable to the property. Acquisition of the operating rights must be a precondition to, but does not establish eligibility for, a spirits retail license at the location of a state store and does not confer any privilege conferred by a spirits retail license. Holding the rights does not require the holder of

the right to operate a liquor-licensed business or apply for a liquor license.

(5) All sales proceeds under this section, net of direct sales expenses and other transition costs authorized by this section, must be deposited into the liquor revolving fund as required by Initiative 1183, approved by voters in 2011.

(6) (a) The board must complete the orderly transition from the current state-controlled system to the private licensee system of spirits retailing and distribution as required under this chapter by June 1, 2012.

(b) The transition must include, without limitation, a provision for applying operating and asset sale revenues of the board to just and reasonable measures to avert harm to interests of tribes, military buyers, and nonemployee liquor store operators under then existing contracts for supply by the board of distilled spirits, taking into account present value of issuance of a spirits retail license to the holder of such interest. The provision may extend beyond the time for completion of transition to a spirits licensee system.

(c) Purchases by the federal government from any licensee of the board of spirits for resale through commissaries at military installations are exempt from sales tax based on selling price levied by RCW 82.08.150.

Sec. 3. RCW 66.24.630 and 2012 2nd sp.s. c 6 s 401 are each amended to read as follows:

(1) There is a spirits retail license to: Sell spirits in original containers to consumers for consumption off the licensed premises and to permit holders; sell spirits in original containers to retailers licensed to sell spirits for consumption on the premises, for resale at their licensed premises according to the terms of their licenses, although no single sale may exceed twenty-four liters, unless the sale is by a licensee that was a contract liquor store manager of a contract liquor store at the location of its spirits retail licensed premises from which it makes such sales;

and export spirits.

(2) For the purposes of this title, a spirits retail license is a retail license, and a sale by a spirits retailer is a retail sale only if not for resale. Nothing in this title authorizes sales by on-sale licensees to other retail licensees. The board must establish by rule an obligation of on-sale spirits retailers to:

(a) Maintain a schedule by stock-keeping unit of all their purchases of spirits from spirits retail licensees, indicating the identity of the seller and the quantities purchased; and

(b) Provide, not more frequently than quarterly, a report for each scheduled item containing the identity of the purchasing on-premise licensee and the quantities of that scheduled item purchased since any preceding report to:

(i) A distributor authorized by the distiller to distribute a scheduled item in the on-sale licensee's geographic area; or

(ii) A distiller acting as distributor of the scheduled item in the area.

(3)(a) Except as otherwise provided in (c) of this subsection, the board may issue spirits retail licenses only for premises comprising at least ten thousand square feet of fully enclosed retail space within a single structure, including storerooms and other interior auxiliary areas but excluding covered or fenced exterior areas, whether or not attached to the structure, and only to applicants that the board determines will maintain systems for inventory management, employee training, employee supervision, and physical security of the product substantially as effective as those of stores currently operated by the board with respect to preventing sales to or pilferage by underage or inebriated persons.

(b) License issuances and renewals are subject to RCW 66.24.010 and the regulations promulgated thereunder, including without limitation rights of cities, towns, county legislative authorities, the public, churches, schools, and public institutions to object to or prevent issuance of local liquor licenses. However, existing grocery premises licensed to sell beer and/or wine are deemed to be premises "now licensed" under RCW 66.24.010(9)(a) for the purpose of

processing applications for spirits retail licenses.

(c) The board may not deny a spirits retail license to an otherwise qualified contract liquor store at its contract location or to the holder of former state liquor store operating rights sold at auction under RCW 66.24.620 on the grounds of location, nature, or size of the premises to be licensed. The board may not deny a spirits retail license to applicants that are not contract liquor stores or operating rights holders on the grounds of the size of the premises to be licensed, if such applicant is otherwise qualified and the board determines that:

(i) There is no retail spirits license holder in the trade area that the applicant proposes to serve;

(ii) The applicant meets, or upon licensure will meet, the operational requirements established by the board by rule; and

(iii) The licensee has not committed more than one public safety violation within the three years preceding application.

(d) A retailer authorized to sell spirits for consumption on or off the licensed premises may accept delivery of spirits at its licensed premises or at one or more warehouse facilities registered with the board, which facilities may also warehouse and distribute nonliquor items, and from which the retailer may deliver to its own licensed premises and, pursuant to sales permitted under subsection (1) of this section:

(i) To other retailer premises licensed to sell spirits for consumption on the licensed premises;

(ii) To other registered facilities; or

(iii) To lawful purchasers outside the state. The facilities may be registered and utilized by associations, cooperatives, or comparable groups of retailers, including at least one retailer licensed to sell spirits.

(4) (a) Except as otherwise provided in (b) of this subsection, each spirits retail licensee must pay to the board, for deposit into the liquor revolving fund, a license issuance fee equivalent to seventeen percent of all spirits sales revenues under the license, exclusive of taxes collected by the licensee and of sales of items

on which a license fee payable under this section has otherwise been incurred. The board must establish rules setting forth the timing of such payments and reporting of sales dollar volume by the licensee, with payments required quarterly in arrears. The first payment is due October 1, 2012.

(b) This subsection (4) does not apply to craft distilleries.

(5) In addition to the payment required under subsection (4) of this section, each licensee must pay an annual license renewal fee of one hundred sixty-six dollars as required by Initiative 1183, approved by voters in 2011. The board must periodically review and adjust the renewal fee as may be required to maintain it as comparable to annual license renewal fees for licenses to sell beer and wine not for consumption on the licensed premises. If required by law at the time, any increase of the annual renewal fee becomes effective only upon ratification by the legislature.

(6) As a condition to receiving and renewing a retail spirits license the licensee must provide training as prescribed by the board by rule for individuals who sell spirits or who manage others who sell spirits regarding compliance with laws and regulations regarding sale of spirits, including without limitation the prohibitions against sale of spirits to individuals who are underage or visibly intoxicated. The training must be provided before the individual first engages in the sale of spirits and must be renewed at least every five years. The licensee must maintain records documenting the nature and frequency of the training provided. An employee training program is presumptively sufficient if it incorporates a "responsible vendor program" promulgated by the board.

(7) The maximum penalties prescribed by the board in WAC 314-29-020 through 314-29-040 relating to fines and suspensions are doubled for violations relating to the sale of spirits by retail spirits licensees.

(8)(a) The board must promulgate regulations concerning the adoption and administration of a compliance training program for spirits retail licensees, to be known as a "responsible vendor

program," to reduce underage drinking, encourage licensees to adopt specific best practices to prevent sales to minors, and provide licensees with an incentive to give their employees ongoing training in responsible alcohol sales and service.

(b) Licensees who join the responsible vendor program under this section and maintain all of the program's requirements are not subject to the doubling of penalties provided in this section for a single violation in any period of twelve calendar months.

(c) The responsible vendor program must be free, voluntary, and self-monitoring.

(d) To participate in the responsible vendor program, licensees must submit an application form to the board. If the application establishes that the licensee meets the qualifications to join the program, the board must send the licensee a membership certificate.

(e) A licensee participating in the responsible vendor program must at a minimum:

(i) Provide ongoing training to employees;

(ii) Accept only certain forms of identification for alcohol sales;

(iii) Adopt policies on alcohol sales and checking identification;

(iv) Post specific signs in the business; and

(v) Keep records verifying compliance with the program's requirements.

Sec. 4. RCW 66.24.360 and 2012 c 2 s 104 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

(1) There is a grocery store license to sell wine and/or beer, including without limitation strong beer at retail in original containers, not to be consumed upon the premises where sold.

(2) There is a wine retailer reseller endorsement of a grocery store license, to sell wine at retail in original containers to retailers licensed to sell wine for consumption on the premises, for resale at their licensed premises according to the terms of the

license. However, no single sale may exceed twenty-four liters, unless the sale is made by a licensee that was a contract liquor store manager of a contract-operated liquor store at the location from which such sales are made. For the purposes of this title, a grocery store license is a retail license, and a sale by a grocery store licensee with a reseller endorsement is a retail sale only if not for resale.

(3) Licensees obtaining a written endorsement from the board may also sell malt liquor in kegs or other containers capable of holding less than five and one-half gallons of liquid.

(4) The annual fee for the grocery store license is one hundred fifty dollars for each store.

(5) The annual fee for the wine retailer reseller endorsement is one hundred sixty-six dollars for each store as required by Initiative 1183, approved by voters in 2011.

(6) The board must issue a restricted grocery store license authorizing the licensee to sell beer and only table wine, if the board finds upon issuance or renewal of the license that the sale of strong beer or fortified wine would be against the public interest. In determining the public interest, the board must consider at least the following factors:

(a) The likelihood that the applicant will sell strong beer or fortified wine to persons who are intoxicated;

(b) Law enforcement problems in the vicinity of the applicant's establishment that may arise from persons purchasing strong beer or fortified wine at the establishment; and

(c) Whether the sale of strong beer or fortified wine would be detrimental to or inconsistent with a government-operated or funded alcohol treatment or detoxification program in the area.

If the board receives no evidence or objection that the sale of strong beer or fortified wine would be against the public interest, it must issue or renew the license without restriction, as applicable. The burden of establishing that the sale of strong beer or fortified wine by the licensee would be against the public interest is on those persons objecting.

(7) Licensees holding a grocery store license must maintain a minimum three thousand dollar inventory of food products for human consumption, not including pop, beer, strong beer, or wine.

(8) A grocery store licensee with a wine retailer reseller endorsement may accept delivery of wine at its licensed premises or at one or more warehouse facilities registered with the board, which facilities may also warehouse and distribute nonliquor items, and from which it may deliver to its own licensed premises and, pursuant to sales permitted by this title, to other licensed premises, to other registered facilities, or to lawful purchasers outside the state. Facilities may be registered and utilized by associations, cooperatives, or comparable groups of grocery store licensees.

(9) Upon approval by the board, the grocery store licensee may also receive an endorsement to permit the international export of beer, strong beer, and wine.

(a) Any beer, strong beer, or wine sold under this endorsement must have been purchased from a licensed beer or wine distributor licensed to do business within the state of Washington.

(b) Any beer, strong beer, and wine sold under this endorsement must be intended for consumption outside the state of Washington and the United States and appropriate records must be maintained by the licensee.

(c) Any beer, strong beer, or wine sold under this endorsement must be sold at a price no less than the acquisition price paid by the holder of the license.

(d) The annual cost of this endorsement is five hundred dollars and is in addition to the license fees paid by the licensee for a grocery store license.

(10) A grocery store licensee holding a snack bar license under RCW 66.24.350 may receive an endorsement to allow the sale of confections containing more than one percent but not more than ten percent alcohol by weight to persons twenty-one years of age or older.

Sec. 5. RCW 66.24.055 and 2012 c 2 s 105 (Initiative Measure No. 1183, approved November 8, 2011) are each reenacted and amended to read as follows:

(1) There is a license for spirits distributors to (a) sell spirits purchased from manufacturers, distillers, or suppliers including, without limitation, licensed Washington distilleries, licensed spirits importers, other Washington spirits distributors, or suppliers of foreign spirits located outside of the United States, to spirits retailers including, without limitation, spirits retail licensees, special occasion license holders, interstate common carrier license holders, restaurant spirits retailer license holders, spirits, beer, and wine private club license holders, hotel license holders, sports entertainment facility license holders, and spirits, beer, and wine nightclub license holders, and to other spirits distributors; and (b) export the same from the state as required by Initiative 1183, approved by voters in 2011.

(2) By January 1, 2012, the board must issue spirits distributor licenses to all applicants who, upon December 8, 2011, have the right to purchase spirits from a spirits manufacturer, spirits distiller, or other spirits supplier for resale in the state, or are agents of such supplier authorized to sell to licensees in the state, unless the board determines that issuance of a license to such applicant is not in the public interest.

(3) (a) As limited by (b) of this subsection and subject to (c) of this subsection, each spirits distributor licensee must pay to the board for deposit into the liquor revolving fund, a license issuance fee calculated as required by Initiative 1183, approved by voters in 2011 as follows:

(i) In each of the first two years of licensure, as required by Initiative 1183, approved by voters in 2011, ten percent of the total revenue from all the licensee's sales of spirits made during the year for which the fee is due, respectively; and

(ii) In the third year of licensure and each year thereafter, as required by Initiative 1183, approved by voters in 2011, five percent of the total revenue from all the licensee's sales of

spirits made during the year for which the fee is due, respectively.

(b) The fee required under this subsection (3) is calculated only on sales of items which the licensee was the first spirits distributor in the state to have received:

(i) In the case of spirits manufactured in the state, from the distiller; or

(ii) In the case of spirits manufactured outside the state, from an authorized out-of-state supplier.

(c) By March 31, 2013, all persons holding spirits distributor licenses on or before March 31, 2013, must have paid collectively one hundred fifty million dollars or more in spirits distributor license fees. If the collective payment through March 31, 2013, totals less than one hundred fifty million dollars, the board must, according to rules adopted by the board for the purpose, collect by May 31, 2013, as additional spirits distributor license fees the difference between one hundred fifty million dollars and the actual receipts, allocated among persons holding spirits distributor licenses at any time on or before March 31, 2013, ratably according to their spirits sales made during calendar year 2012. Any amount by which such payments exceed one hundred fifty million dollars by March 31, 2013, must be credited to future license issuance fee obligations of spirits distributor licensees according to rules adopted by the board.

(d) A retail licensee selling for resale must pay a distributor license fee under the terms and conditions in this section on resales of spirits the licensee has purchased on which no other distributor license fee has been paid. The board must establish rules setting forth the frequency and timing of such payments and reporting of sales dollar volume by the licensee, with payments due quarterly in arrears.

(e) No spirits inventory may be subject to calculation of more than a single spirits distributor license issuance fee.

(4) In addition to the payment set forth in subsection (3) of this section, each spirits distributor licensee renewing its annual license must pay as required by Initiative 1183, approved by voters

in 2011 an annual license renewal fee of one thousand three hundred twenty dollars for each licensed location.

(5) There is no minimum facility size or capacity for spirits distributor licenses, and no limit on the number of such licenses issued to qualified applicants. License applicants must provide physical security of the product that is substantially as effective as the physical security of the distribution facilities currently operated by the board with respect to preventing pilferage. License issuances and renewals are subject to RCW 66.24.010 and the regulations promulgated thereunder, including without limitation rights of cities, towns, county legislative authorities, the public, churches, schools, and public institutions to object to or prevent issuance of local liquor licenses. However, existing distributor premises licensed to sell beer and/or wine are deemed to be premises "now licensed" under RCW 66.24.010(9)(a) for the purpose of processing applications for spirits distributor licenses.

Sec. 6. RCW 82.08.150 and 2012 c 2 s 106 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

(1) There is levied and collected a tax upon each retail sale of spirits in the original package at the rate of fifteen percent of the selling price.

(2) There is levied and collected a tax upon each sale of spirits in the original package at the rate of ten percent of the selling price on sales by a spirits distributor licensee or other licensee acting as a spirits distributor pursuant to Title 66 RCW to restaurant spirits retailers as required by Initiative 1183, approved by voters in 2011.

(3) There is levied and collected an additional tax upon each sale of spirits in the original package by a spirits distributor licensee or other licensee acting as a spirits distributor pursuant to Title 66 RCW to a restaurant spirits retailer and upon each retail sale of spirits in the original package by a licensee of the board at the rate of one dollar and seventy-two cents per liter.

(4) An additional tax is imposed equal to fourteen percent multiplied by the taxes payable under subsections (1), (2), and (3) of this section.

(5) An additional tax is imposed upon each sale of spirits in the original package by a spirits distributor licensee or other licensee acting as a spirits distributor pursuant to Title 66 RCW to a restaurant spirits retailer and upon each retail sale of spirits in the original package by a licensee of the board at the rate of seven cents per liter. All revenues collected during any month from this additional tax must be deposited in the state general fund by the twenty-fifth day of the following month.

(6) (a) An additional tax is imposed upon retail sale of spirits in the original package at the rate of three and four-tenths percent of the selling price.

(b) An additional tax is imposed upon retail sale of spirits in the original package to a restaurant spirits retailer at the rate of two and three-tenths percent of the selling price.

(c) An additional tax is imposed upon each sale of spirits in the original package by a spirits distributor licensee or other licensee acting as a spirits distributor pursuant to Title 66 RCW to a restaurant spirits retailer and upon each retail sale of spirits in the original package by a licensee of the board at the rate of forty-one cents per liter.

(d) All revenues collected during any month from additional taxes under this subsection must be deposited in the state general fund by the twenty-fifth day of the following month.

(7) (a) An additional tax is imposed upon each retail sale of spirits in the original package at the rate of one dollar and thirty-three cents per liter.

(b) All revenues collected during any month from additional taxes under this subsection must be deposited by the twenty-fifth day of the following month into the general fund.

(8) The tax imposed in RCW 82.08.020 does not apply to sales of spirits in the original package.

(9) The taxes imposed in this section must be paid by the buyer

to the seller, and each seller must collect from the buyer the full amount of the tax payable in respect to each taxable sale under this section. The taxes required by this section to be collected by the seller must be stated separately from the selling price, and for purposes of determining the tax due from the buyer to the seller, it is conclusively presumed that the selling price quoted in any price list does not include the taxes imposed by this section. Sellers must report and return all taxes imposed in this section in accordance with rules adopted by the department.

(10) As used in this section, the terms, "spirits" and "package" have the same meaning as provided in chapter 66.04 RCW.

Sec. 7. RCW 66.08.050 and 2012 c 2 s 106 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

The board, subject to the provisions of this title and the rules, must:

- (1) Determine the nature, form and capacity of all packages to be used for containing liquor kept for sale under this title;
- (2) Execute or cause to be executed, all contracts, papers, and documents in the name of the board, under such regulations as the board may fix;
- (3) Pay all customs, duties, excises, charges and obligations whatsoever relating to the business of the board;
- (4) Require bonds from all employees in the discretion of the board, and to determine the amount of fidelity bond of each such employee;
- (5) Perform services for the state lottery commission to such extent, and for such compensation, as may be mutually agreed upon between the board and the commission;
- (6) Accept and deposit into the general fund-local account and disburse, subject to appropriation, federal grants or other funds or donations from any source for the purpose of improving public awareness of the health risks associated with alcohol consumption by youth and the abuse of alcohol by adults in Washington state. The

board's alcohol awareness program must cooperate with federal and state agencies, interested organizations, and individuals to effect an active public beverage alcohol awareness program;

(7) Perform all other matters and things, whether similar to the foregoing or not, to carry out the provisions of this title, and has full power to do each and every act necessary to the conduct of its regulatory functions, including all supplies procurement, preparation and approval of forms, and every other undertaking necessary to perform its regulatory functions whatsoever, subject only to audit by the state auditor as required by Initiative 1183, approved by voters in 2011. However, the board has no authority to regulate the content of spoken language on licensed premises where wine and other liquors are served and where there is not a clear and present danger of disorderly conduct being provoked by such language or to restrict advertising of lawful prices.

Sec. 8. RCW 66.08.060 and 2012 c 2 s 108 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

The board has power to adopt any and all reasonable rules as to the kind, character, and location of advertising of liquor as required by Initiative 1183, approved by voters in 2011.

Sec. 9. RCW 66.20.010 and 2012 c 2 s 109 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

(1) Where the application is for a special permit by a physician or dentist, or by any person in charge of an institution

regularly conducted as a hospital or sanitorium for the care of persons in ill health, or as a home devoted exclusively to the care of aged people, a special liquor purchase permit, except that the governor may waive the requirement for a special liquor purchase permit under this subsection pursuant to an order issued under RCW 43.06.220(2);

Any such spirituous liquor must be purchased from a spirits retailer or distributor as required by Initiative 1183, approved by voters in 2011, and any such liquor is subject to the taxes imposed by RCW 66.24.290 and 66.24.210;

Sec. 10. RCW 66.20.160 and 2012 c 2 s 110 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

As used in RCW 66.20.160 through 66.20.210, inclusive, "licensee" means the holder of a retail liquor license issued by the board, and includes any employee or agent of the licensee as required by Initiative 1183, approved by voters in 2011.

Sec. 11. RCW 66.24.310 and 2012 c 2 s 111 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

Sec. 17. RCW 66.28.060 and 2012 c 2 s 117 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

Every distillery licensed under this title must make monthly reports to the board pursuant to the regulations as required by Initiative 1183, approved by voters in 2011.

(1) Except as provided in subsection (2) of this section, it is unlawful for any retail spirits, beer, or wine licensee to purchase spirits, beer, or wine, except from a duly licensed distributor, domestic winery, domestic brewer, or certificate of approval holder with a direct shipment endorsement.

(2) (a) A spirits, beer, or wine retailer may purchase spirits, beer, or wine:

(i) From a government agency that has lawfully seized liquor possessed by a licensed distributor or retailer;

(ii) From a board-authorized manufacturer or certificate holder authorized by this title to act as a distributor of liquor as required by Initiative 1183, approved by voters in 2011;

It is unlawful for a manufacturer of spirits, wine, or malt beverages holding a certificate of approval or the manufacturer's authorized representative, a distillery, brewery, or a domestic winery to discriminate in price in selling to any purchaser for resale in the state of Washington. Price differentials for sales of spirits or wine based upon competitive conditions, costs of servicing a purchaser's account, efficiencies in handling goods, or other bona fide business factors, to the extent the differentials are not unlawful under trade regulation laws applicable to goods of all kinds, do not violate this section as required by Initiative 1183, approved by voters in 2011.

Sec. 20. RCW 66.28.330 and 2012 c 2 s 120 (Initiative Measure No. 1183, approved November 8, 2011) are each reenacted and amended to read as follows:

(1) No price for spirits sold in the state by a distributor or other licensee acting as a distributor pursuant to this title may be below acquisition cost unless the item sold below acquisition cost has been stocked by the seller for a period of at least six months as required by Initiative 1183, approved by voters in 2011. The

seller may not restock the item for a period of one year following the first effective date of such below cost price.

(2) Spirits sold to retailers for resale for consumption on or off the licensed premises may be delivered to the retailer's licensed premises, to a location specified by the retailer and approved for deliveries by the board, or to a carrier engaged by either party to the transaction as required by Initiative 1183, approved by voters in 2011.

(3) In selling spirits to another retailer, to the extent consistent with the purposes of chapter 2, Laws of 2012, a spirits retail licensee must comply with all provisions of and regulations under this title applicable to wholesale distributors selling spirits to retailers as required by Initiative 1183, approved by voters in 2011.

(4) A distiller holding a license or certificate of compliance as a distiller under this title may act as distributor in the state of spirits of its own production or of foreign-produced spirits it is entitled to import. The distiller must, to the extent consistent with the purposes of chapter 2, Laws of 2012, comply with all provisions of and regulations under this title applicable to wholesale distributors selling spirits to retailers as required by Initiative 1183, approved by voters in 2011.

(5) With respect to any alleged violation of this title by sale of spirits at a discounted price, all defenses under applicable trade regulation laws are available, including without limitation good faith meeting of a competitor's lawful price and absence of harm to competition.

(6) Notwithstanding any other provision of law, no licensee may import, purchase, distribute, or accept delivery of any wine that is produced outside of the United States or any distilled spirits without the written consent of the brand owner or its authorized agent.

Sec. 21. RCW 66.28.180 and 2012 c 2 s 121 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

(b) Each price list must set forth:

(i) All brands, types, packages, and containers of beer offered for sale by the distributor; and

(ii) The wholesale prices thereof to retail licensees, including allowances, if any, for returned empty containers.

(c) No beer distributor may sell or offer to sell any package or container of beer to any retail licensee at a price differing from the price for such package or container as shown in the price list, according to rules adopted by the board.

(d) Quantity discounts of sales prices of beer are prohibited. No distributor's sale price of beer may be below the distributor's acquisition cost.

(e) Distributor prices below acquisition cost on a "close-out" item are allowed if the item to be discontinued has been listed for a period of at least six months, and upon the further condition that the distributor who offers such a close-out price may not restock the item for a period of one year following the first effective date of such close-out price.

(f) Any beer distributor as required by Initiative 1183, approved by voters in 2011 may sell beer at the distributor's listed prices to any annual or special occasion retail licensee upon presentation to the distributor at the time of purchase or delivery of an original or facsimile license or a special permit issued by the board to such licensee.

(g) Every annual or special occasion retail licensee, upon purchasing any beer from a distributor, must immediately cause such beer to be delivered to the licensed premises, and the licensee may

not thereafter permit such beer to be disposed of in any manner except as authorized by the license.

(h) Beer sold as provided in this section must be delivered by the distributor or an authorized employee either to the retailer's licensed premises or directly to the retailer at the distributor's licensed premises. When a brewery, microbrewery, or certificate of approval holder with a direct shipping endorsement is acting as a distributor of beer of its own production, a licensed retailer may contract with a common carrier to obtain the beer directly from the brewery, microbrewery, or certificate of approval holder with a direct shipping endorsement. A distributor's prices to retail licensees for beer must be the same at both such places of delivery. Wine sold to retailers must be delivered to the retailer's licensed premises, to a location specified by the retailer and approved for deliveries by the board, or to a carrier engaged by either party to the transaction as required by Initiative 1183, approved by voters in 2011.

(2) Beer suppliers' contracts and memoranda.

(a) Every domestic brewery, microbrewery, certificate of approval holder, and beer and/or wine importer offering beer for sale to distributors within the state and any beer distributor who sells to other beer distributors must maintain at its liquor-licensed location a beer price list and a copy of every written contract and a memorandum of every oral agreement which such brewery may have with any beer distributor for the supply of beer, which contracts or memoranda must contain:

(i) All advertising, sales and trade allowances, and incentive programs; and

(ii) All commissions, bonuses or gifts, and any and all other discounts or allowances.

(b) Whenever changed or modified, such revised contracts or memoranda must also be maintained at its liquor licensed location.

(c) Each price list must set forth all brands, types, packages, and containers of beer offered for sale by such supplier.

(d) Prices of a domestic brewery, microbrewery, or certificate

of approval holder for beer must be uniform prices to all distributors or retailers on a statewide basis less bona fide allowances for freight differentials. Quantity discounts of suppliers' prices for beer are prohibited. No price may be below the supplier's acquisition or production cost.

(e) A domestic brewery, microbrewery, certificate of approval holder, importer, or distributor acting as a supplier to another distributor must file with the board a list of all distributor licensees of the board to which it sells or offers to sell beer.

(f) No domestic brewery, microbrewery, or certificate of approval holder may sell or offer to sell any package or container of beer to any distributor at a price differing from the price list for such package or container as shown in the price list of the domestic brewery, microbrewery, or certificate of approval holder and then in effect, according to rules adopted by the board.

(3) In selling wine to another retailer, to the extent consistent with the purposes of chapter 2, Laws of 2012, a grocery store licensee with a reseller endorsement must comply with all provisions of and regulations under this title applicable to wholesale distributors selling wine to retailers as required by Initiative 1183, approved by voters in 2011.

(4) With respect to any alleged violation of this title by sale of wine at a discounted price, all defenses under applicable trade regulation laws are available including, without limitation, good faith meeting of a competitor's lawful price and absence of harm to competition as required by Initiative 1183, approved by voters in 2011.

Sec. 22. RCW 66.28.190 and 2012 c 2 s 122 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

(1) Any other provision of this title notwithstanding, persons licensed under this title to sell liquor for resale as required by Initiative 1183, approved by voters in 2011 may sell at wholesale nonliquor food and food ingredients on thirty-day credit terms to

persons licensed as retailers under this title, but complete and separate accounting records must be maintained on all sales of nonliquor food and food ingredients to ensure that such persons are in compliance with this title.

(2) For the purpose of this section, "nonliquor food and food ingredients" includes, without limitation, all food and food ingredients for human consumption as defined in RCW 82.08.0293 as it existed on July 1, 2004.

Sec. 23. RCW 66.28.340 and 2012 c 2 s 123 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

A retailer authorized to sell wine may accept delivery of wine at its licensed premises or at one or more warehouse facilities registered with the board, which facilities may also warehouse and distribute nonliquor items, and from which it may deliver to its own licensed premises and, pursuant to sales permitted by this title, to other licensed retailers, to other registered facilities, or to lawful purchasers outside the state; such facilities may be registered and utilized by associations, cooperatives, or comparable groups of retailers including at least one retailer licensed to sell wine. A restaurant retailer authorized to sell spirits may accept delivery of spirits at its licensed premises or at one or more warehouse facilities registered with the board, which facilities may also warehouse and distribute nonliquor items, from which it may deliver to its own licensed premises and, pursuant to sales permitted by this title, to other licensed retailers, to other registered facilities, or to lawful purchasers outside the state; such facilities may be registered and utilized by associations, cooperatives, or comparable groups of retailers including at least one restaurant retailer licensed to sell spirits. Sec. 24. RCW 66.28.280 and 2012 c 2 s 124 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

The legislature recognizes that the historical total prohibition on ownership of an interest in one tier by a person with an ownership interest in another tier, as well as the historical restriction on financial incentives and business relationships between tiers, is unduly restrictive. The legislature finds the provisions of RCW 66.28.285 through 66.28.320 appropriate for all varieties of liquor as required by Initiative 1183, approved by voters in 2011, because they do not impermissibly interfere with protecting the public interest and advancing public safety by preventing the use and consumption of alcohol by minors and other abusive consumption, and promoting the efficient collection of taxes by the state.

Sec. 25. RCW 66.04.021 and 2012 c 2 s 125 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

In this title as required by Initiative 1183, approved by voters in 2011, unless the context otherwise requires:

(1) "Retailer" except as expressly defined by RCW 66.28.285(5) with respect to its use in RCW 6.28.280 [66.28.280] through 66.28.315, means the holder of a license or permit issued by the board authorizing sale of liquor to consumers for consumption on and/or off the premises. With respect to retailer licenses, "on-sale" refers to the license privilege of selling for consumption upon the licensed premises.

(2) "Spirits distributor" means a person, other than a person who holds only a retail license, who buys spirits from a domestic distiller, manufacturer, supplier, spirits distributor, or spirits importer, or who acquires foreign-produced spirits from a source outside of the United States, for the purpose of reselling the same not in violation of this title, or who represents such distiller as agent.

(3) "Spirits importer" means a person who buys distilled spirits from a distiller outside the state of Washington and imports such spirits into the state for sale or export.

Sec. 26. RCW 43.19.19054 and 2012 c 2 s 201 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

The provisions of RCW 43.19.1905 do not apply to materials, supplies, and equipment purchased for resale to other than public agencies by state agencies, including educational institutions as required by Initiative 1183, approved by voters in 2011.

Sec. 27. RCW 66.08.020 and 2012 c 2 s 202 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

The administration of this title is vested in the liquor control board, constituted under this title as required by Initiative 1183, approved by voters in 2011.

Sec. 28. RCW 66.08.026 and 2012 c 2 s 203 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

The administrative expenses do not include as required by Initiative 1183, approved by voters in 2011 those amounts distributed pursuant to RCW 66.08.180, 66.08.190, 66.08.200, or 66.08.210. Agency commissions for contract liquor stores must be established by the liquor control board after consultation with and approval by the director of the office of financial management. All expenditures and payment of obligations authorized by this section are subject to the allotment requirements of chapter 43.88 RCW.

Sec. 29. RCW 66.08.030 and 2012 c 2 s 204 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

The power of the board to make regulations under chapter 34.05 RCW extends to as required by Initiative 1183, approved by voters in 2011:

(1) The legislature recognizes that both suppliers and wholesale distributors of malt beverages and spirits as required by Initiative 1183, approved by voters in 2011 are interested in the goal of best serving the public interest through the fair, efficient, and competitive distribution of such beverages. The legislature encourages them to achieve this goal by:

(a) Assuring the wholesale distributor's freedom to manage the business enterprise, including the wholesale distributor's right to independently establish its selling prices; and

(b) Assuring the supplier and the public of service from wholesale distributors who will devote their best competitive efforts and resources to sales and distribution of the supplier's products which the wholesale distributor has been granted the right to sell and distribute.

(2) This chapter governs the relationship between suppliers of malt beverages and spirits and their wholesale distributors to the

full extent consistent with the Constitution and laws of this state and of the United States.

Sec. 38. RCW 19.126.020 and 2012 c 2 s 213 (Initiative Measure No. 1183, approved November 8, 2011) are each reenacted and amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Agreement of distributorship" means any contract, agreement, commercial relationship, license, association, or any other arrangement, for a definite or indefinite period, between a supplier and distributor.

(2) "Authorized representative" has the same meaning as "authorized representative" as defined in RCW 66.04.010.

(3) "Brand" means any word, name, group of letters, symbol, or combination thereof, including the name of the distiller or brewer if the distiller's or brewer's name is also a significant part of the product name, adopted and used by a supplier to identify specific spirits or a specific malt beverage product and to distinguish that product from other spirits or malt beverages produced by that supplier or other suppliers.

(4) "Distributor" means any person, including but not limited to a component of a supplier's distribution system constituted as an independent business, importing or causing to be imported into this state, or purchasing or causing to be purchased within this state, any spirits or malt beverages for sale or resale to retailers licensed under the laws of this state, regardless of whether the business of such person is conducted under the terms of any agreement with a distiller or malt beverage manufacturer.

(5) "Importer" means any distributor importing spirits or beer into this state for sale to retailer accounts or for sale to other distributors designated as "subjobbers" for resale.

(6) "Malt beverage manufacturer" means every brewer, fermenter, processor, bottler, or packager of malt beverages located within or outside this state, or any other person, whether located within or

outside this state, who enters into an agreement of distributorship for the resale of malt beverages in this state with any wholesale distributor doing business in the state of Washington.

(7) "Person" means any natural person, corporation, partnership, trust, agency, or other entity, as well as any individual officers, directors, or other persons in active control of the activities of such entity.

(8) "Spirits manufacturer" means every distiller, processor, bottler, or packager of spirits located within or outside this state, or any other person, whether located within or outside this state, who enters into an agreement of distributorship for the resale of spirits in this state with any wholesale distributor doing business in the state of Washington as required by Initiative 1183, approved by voters in 2011.

(9) "Successor distributor" means any distributor who enters into an agreement, whether oral or written, to distribute a brand of spirits or malt beverages after the supplier with whom such agreement is made or the person from whom that supplier acquired the right to manufacture or distribute the brand has terminated, canceled, or failed to renew an agreement of distributorship, whether oral or written, with another distributor to distribute that same brand of spirits or malt beverages.

(10) "Supplier" means any spirits or malt beverage manufacturer or importer who enters into or is a party to any agreement of distributorship with a wholesale distributor. "Supplier" does not include: (a) Any distiller licensed under RCW 66.24.140 or 66.24.145 and producing less than sixty thousand proof gallons of spirits annually or any brewery or microbrewery licensed under RCW 66.24.240 and producing less than two hundred thousand barrels of malt liquor annually; (b) any brewer or manufacturer of malt liquor producing less than two hundred thousand barrels of malt liquor annually and holding a certificate of approval issued under RCW 66.24.270; or (c) any authorized representative of distillers or malt liquor manufacturers who holds an appointment from one or more distillers or malt liquor manufacturers which, in the aggregate, produce less

than two hundred thousand barrels of malt liquor or sixty thousand proof gallons of spirits.

(11) "Terminated distribution rights" means distribution rights with respect to a brand of malt beverages which are lost by a terminated distributor as a result of termination, cancellation, or nonrenewal of an agreement of distributorship for that brand.

(12) "Terminated distributor" means a distributor whose agreement of distributorship with respect to a brand of spirits or malt beverages, whether oral or written, has been terminated, canceled, or not renewed.

Sec. 39. RCW 19.126.040 and 2012 c 2 s 214 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

Wholesale distributors are entitled to the following protections which are deemed to be incorporated into every agreement of distributorship:

(1) Agreements between wholesale distributors and suppliers must be in writing;

(2) A supplier must give the wholesale distributor at least sixty days prior written notice of the supplier's intent to cancel or otherwise terminate the agreement, unless such termination is based on a reason set forth in RCW 19.126.030(5) or results from a supplier acquiring the right to manufacture or distribute a particular brand and electing to have that brand handled by a different distributor. The notice must state all the reasons for the intended termination or cancellation. Upon receipt of notice, the wholesale distributor has sixty days in which to rectify any claimed deficiency. If the deficiency is rectified within this sixty-day period, the proposed termination or cancellation is null and void and without legal effect;

(3) The wholesale distributor may sell or transfer its business, or any portion thereof, including the agreement, to successors in interest upon prior approval of the transfer by the supplier. No supplier may unreasonably withhold or delay its

approval of any transfer, including wholesaler's rights and obligations under the terms of the agreement, if the person or persons to be substituted meet reasonable standards imposed by the supplier;

(4) If an agreement of distributorship is terminated, canceled, or not renewed for any reason other than for cause, failure to live up to the terms and conditions of the agreement, or a reason set forth in RCW 19.126.030(5), the wholesale distributor is entitled to compensation from the successor distributor for the laid-in cost of inventory and for the fair market value of the terminated distribution rights. For purposes of this section, termination, cancellation, or nonrenewal of a distributor's right to distribute a particular brand constitutes termination, cancellation, or nonrenewal of an agreement of distributorship whether or not the distributor retains the right to continue distribution of other brands for the supplier. In the case of terminated distribution rights resulting from a supplier acquiring the right to manufacture or distribute a particular brand and electing to have that brand handled by a different distributor, the affected distribution rights will not transfer until such time as the compensation to be paid to the terminated distributor has been finally determined by agreement or arbitration;

(5) When a terminated distributor is entitled to compensation under subsection (4) of this section, a successor distributor must compensate the terminated distributor for the fair market value of the terminated distributor's rights to distribute the brand, less any amount paid to the terminated distributor by a supplier or other person with respect to the terminated distribution rights for the brand. If the terminated distributor's distribution rights to a brand of spirits as required by Initiative 1183, approved by voters in 2011 or malt beverages are divided among two or more successor distributors, each successor distributor must compensate the terminated distributor for the fair market value of the distribution rights assumed by that successor distributor, less any amount paid to the terminated distributor by a supplier or other person with

respect to the terminated distribution rights assumed by the successor distributor. A terminated distributor may not receive total compensation under this subsection that exceeds the fair market value of the terminated distributor's distribution rights with respect to the affected brand. Nothing in this section may be construed to require any supplier or other third person to make any payment to a terminated distributor;

(6) For purposes of this section, the "fair market value" of distribution rights as to a particular brand means the amount that a willing buyer would pay and a willing seller would accept for such distribution rights when neither is acting under compulsion and both have knowledge of all facts material to the transaction. "Fair market value" is determined as of the date on which the distribution rights are to be transferred in accordance with subsection (4) of this section;

(7) In the event the terminated distributor and the successor distributor do not agree on the fair market value of the affected distribution rights within thirty days after the terminated distributor is given notice of termination, the matter must be submitted to binding arbitration. Unless the parties agree otherwise, such arbitration must be conducted in accordance with the American arbitration association commercial arbitration rules with each party to bear its own costs and attorneys' fees;

(8) Unless the parties otherwise agree, or the arbitrator for good cause shown orders otherwise, an arbitration conducted pursuant to subsection (7) of this section must proceed as follows: (a) The notice of intent to arbitrate must be served within forty days after the terminated distributor receives notice of terminated distribution rights; (b) the arbitration must be conducted within ninety days after service of the notice of intent to arbitrate; and (c) the arbitrator or arbitrators must issue an order within thirty days after completion of the arbitration;

(9) In the event of a material change in the terms of an agreement of distribution, the revised agreement must be considered a new agreement for purposes of determining the law applicable to

the agreement after the date of the material change, whether or not the agreement of distribution is or purports to be a continuing agreement and without regard to the process by which the material change is effected.

Sec. 40. RCW 66.24.065 and 2012 c 2 s 302 (Initiative Measure No. 1183, approved November 8, 2011) are each amended to read as follows:

The distribution of spirits license fees under RCW 66.24.630 and 66.24.055 through the liquor revolving fund to border areas, counties, cities, towns, and the municipal research center must be made in a manner that provides that each category of recipients receive, in the aggregate, no less than it received from the liquor revolving fund during comparable periods prior to December 8, 2011. An additional distribution of ten million dollars per year from the spirits license fees must be provided to border areas, counties, cities, and towns through the liquor revolving fund for the purpose of enhancing public safety programs as required by Initiative 1183, approved by voters in 2011.
