

Initiative Measure No. 1421

filed January 12, 2016

Bring Back Our \$30 Car Tabs

AN ACT Relating to limiting state and local taxes, fees, and other charges relating to vehicles; amending RCW 46.17.350, 46.17.355, 46.17.323, 46.17.005, 46.17.375, 36.120.050, 82.08.020, 82.44.065, 81.104.140, and 81.104.160; reenacting and amending RCW 81.100.060; adding a new section to chapter 46.17 RCW; adding a new section to chapter 82.44 RCW; adding a new section to chapter 81.112 RCW; creating new sections; and repealing RCW 46.17.015, 46.17.025, 46.17.365, 46.68.415, 82.44.035, 82.80.100, 82.80.130, and 82.80.140.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

POLICIES AND PURPOSES

NEW SECTION. **Sec. 1.** Voters have repeatedly approved \$30 tabs, yet politicians keep ignoring the voters' repeated, unambiguous mandate by imposing higher and higher vehicle taxes and fees. It's not fair and it must stop. Without this follow-up measure, "tab creep" will continue until vehicle charges are once again obscenely expensive, as they were prior to Initiative 695. This measure and each of its provisions limit state and local taxes, fees, and other charges relating to motor vehicles. This measure would limit annual motor vehicle license fees to \$30, except voter-approved charges, repeal and remove authority to impose certain vehicle taxes and charges; and base new vehicle taxes on purchase price rather than the dishonest, inaccurate, and artificially inflated manufacturer's suggested retail price (MRSP). Politicians promised "\$30 license tabs

are here to stay." Voters have repeatedly approved \$30 tabs. Politicians must learn to listen to the people.

**LIMITING CERTAIN CHARGES RELATING TO VEHICLES BY
CAPPING STATE AND LOCAL MOTOR VEHICLE FEES AT \$30 PER YEAR**

NEW SECTION. **Sec. 2.** A new section is added to chapter 46.17 RCW to read as follows:

(1) State and local motor vehicle license fees may not exceed \$30 per year for motor vehicles, regardless of year, value, make, or model. No vehicle owner is legally obligated to pay more than \$30 per year for the sum of state and local taxes and fees that make up the combined motor vehicle license fee paid at the time of licensing or renewal.

(2) In any jurisdiction, state or local, which imposes vehicle charges other than the vehicle registration fee in subsection (1) of this section, the state portion of the motor vehicle registration fee in RCW 46.17.350 and 46.17.355 must be reduced by the amount of any such charge in order to provide that the motor vehicle registration fee not exceed the limits under subsection (1) of this section.

(3) For the purposes of this section, "state and local motor vehicle license fees" means the general license tab fees paid annually for licensing motor vehicles, including but not limited to cars, sport utility vehicles, light trucks under RCW 46.17.355, motorcycles, and motor homes, and do not include voter-approved charges or voluntary fees like personalized license plates. This annual fee must be paid and collected annually and is due at the time of initial and renewal vehicle registration.

Sec. 3. RCW 46.17.350 and 2014 c 30 s 2 are each amended to read as follows:

(1) Before accepting an application for a vehicle registration, the department, county auditor or other agent, or subagent appointed

by the director shall require the applicant, unless specifically exempt, to pay the following vehicle license fee by vehicle type:

12 of this act to ensure an honest and accurate calculation of the tax.

Sec. 10. RCW 36.120.050 and 2008 c 122 s 16 are each amended to read as follows:

(1) A regional transportation investment district planning committee may, as part of a regional transportation investment plan, recommend the imposition or authorization of some or all of the following revenue sources, which a regional transportation investment district may impose or authorize upon approval of the voters as provided in this chapter:

(a) A regional sales and use tax, as specified in RCW 82.14.430, of up to 0.1 percent of the selling price, in the case of a sales tax, or value of the article used, in the case of a use tax, upon the occurrence of any taxable event in the regional transportation investment district;

~~(b) ((A local option vehicle license fee, as specified under RCW 82.80.100, of up to one hundred dollars per vehicle registered in the district. As used in this subsection, "vehicle" means motor vehicle as defined in RCW 46.04.320. Certain classes of vehicles, as defined under chapter 46.04 RCW, may be exempted from this fee;~~

~~(c))~~ A parking tax under RCW 82.80.030;

~~((d) A local motor vehicle excise tax under RCW 81.100.060;~~

~~(e))~~ (c) A local option fuel tax under RCW 82.80.120;

~~((f))~~ (d) An employer excise tax under RCW 81.100.030; and

~~((g))~~ (e) Vehicle tolls on new or reconstructed local or regional arterials or state routes within the boundaries of the district, if the following conditions are met:

(i) Consistent with RCW 47.56.820, the vehicle toll must first be authorized by the legislature if the toll is imposed on a state route;

(ii) Consistent with RCW 47.56.850, the vehicle toll, including any change in an existing toll rate, must first be reviewed and approved by the tolling authority designated in RCW 47.56.850 if the toll, or change in toll rate, would have a significant impact, as

determined by the tolling authority, on the operation of any state facility;

(iii) The regional transportation investment plan must identify the facilities that may be tolled; and

(iv) Unless otherwise specified by law, the department shall administer the collection of vehicle tolls on designated facilities, and the state transportation commission, or its successor, shall be the tolling authority, and shall act in accordance with RCW 47.56.850.

(2) Taxes, fees, and tolls may not be imposed or authorized without an affirmative vote of the majority of the voters within the boundaries of the district voting on a ballot proposition as set forth in RCW 36.120.070. Revenues from these taxes and fees may be used only to implement the plan as set forth in this chapter. A district may contract with the state department of revenue or other appropriate entities for administration and collection of any of the taxes or fees authorized in this section.

(3) Existing statewide motor vehicle fuel and special fuel taxes, at the distribution rates in effect on January 1, 2001, are not intended to be altered by this chapter.

BASE NEW VEHICLE TAXES ON PURCHASE PRICE (4) The valuation of motor vehicles for purposes of any new vehicle taxes imposed under this section must be based on purchase price as required by section 12 of this act to ensure an honest and accurate calculation of the tax.

Sec. 11. RCW 82.08.020 and 2014 c 140 s 12 are each amended to read as follows:

(1) There is levied and collected a tax equal to six and five-tenths percent of the selling price on each retail sale in this state of:

(a) Tangible personal property, unless the sale is specifically excluded from the RCW 82.04.050 definition of retail sale;

(b) Digital goods, digital codes, and digital automated services, if the sale is included within the RCW 82.04.050 definition of retail sale;

(c) Services, other than digital automated services, included within the RCW 82.04.050 definition of retail sale;

(d) Extended warranties to consumers; and

(e) Anything else, the sale of which is included within the RCW 82.04.050 definition of retail sale.

(2) There is levied and collected an additional tax on each retail car rental, regardless of whether the vehicle is licensed in this state, equal to five and nine-tenths percent of the selling price. The revenue collected under this subsection must be deposited in the multimodal transportation account created in RCW 47.66.070.

~~(3) ((Beginning July 1, 2003, there is levied and collected an additional tax of three tenths of one percent of the selling price on each retail sale of a motor vehicle in this state, other than retail car rentals taxed under subsection (2) of this section. The revenue collected under this subsection must be deposited in the multimodal transportation account created in RCW 47.66.070.~~

~~(4) For purposes of subsection (3) of this section, "motor vehicle" has the meaning provided in RCW 46.04.320, but does not include:~~

~~(a) Farm tractors or farm vehicles as defined in RCW 46.04.180 and 46.04.181, unless the farm tractor or farm vehicle is for use in the production of marijuana;~~

~~(b) Off-road vehicles as defined in RCW 46.04.365;~~

~~(c) Nonhighway vehicles as defined in RCW 46.09.310; and~~

~~(d) Snowmobiles as defined in RCW 46.04.546.~~

~~(5))~~ Beginning on December 8, 2005, 0.16 percent of the taxes collected under subsection (1) of this section must be dedicated to funding comprehensive performance audits required under RCW 43.09.470. The revenue identified in this subsection must be deposited in the performance audits of government account created in RCW 43.09.475.

~~((6))~~ (4) The taxes imposed under this chapter apply to successive retail sales of the same property.

~~((7))~~ (5) The rates provided in this section apply to taxes imposed under chapter 82.12 RCW as provided in RCW 82.12.020.

**BASE NEW VEHICLE TAXES ON PURCHASE PRICE, NOT THE DISHONEST,
INACCURATE, AND ARTIFICIALLY INFLATED MANUFACTURER'S SUGGESTED
RETAIL PRICE (MSRP)**

NEW SECTION. **Sec. 12.** A new section is added to chapter 82.44 RCW to read as follows:

BASE NEW VEHICLE TAXES ON PURCHASE PRICE (1) A motor vehicle excise tax must be calculated in an honest and accurate way so the burden on vehicle owners is not artificially inflated. For the purpose of determining new vehicle taxes otherwise authorized by law, any taxing district imposing new vehicle taxes must set a vehicle's taxable value by using the depreciation schedule based on purchase price set forth in this section. The taxable value equals the product of a percentage based on a vehicle's year of service, as provided in subsection (2) of this section, and the market value of the vehicle based on purchase price. This ensures an honest and accurate calculation of the tax and, combined with the appeal process in RCW 82.44.065, ensures that vehicle owners are taxed on the market value of their vehicle based on purchase price.

(2) For the purpose of determining the tax under this chapter, the value of a truck-type power or trailing unit, or motor vehicle, including a passenger vehicle, motorcycle, motor home, sport utility vehicle, or light duty truck is the market value of the vehicle, excluding applicable federal excise taxes, state and local sales or use taxes, transportation or shipping costs, or preparatory or delivery costs, multiplied by the following percentage based on year of service of the vehicle since its most recent sale. The year in which a purchase occurs must be considered a first year of service.

Year of Service

Percentage

1	100%
2	75%
3	60%
4	50%
5	40%
6	30%
7	20%
8	10%
9 and over	5%

(3) The reissuance of title and registration for a truck-type power or trailing unit or motor vehicle, including a passenger vehicle, motorcycle, motor home, sport utility vehicle, or light duty truck because of the installation of body or special equipment shall be treated as a sale, and the latest purchase price of the truck-type power or trailing unit or motor vehicle, including a passenger vehicle, motorcycle, motor home, sport utility vehicle, or light duty truck at that time, as determined by the department from such information as may be available, must be considered its base value.

(4) If the purchase price is unavailable or otherwise unascertainable or the reissuance of title and registration is the result of a gift or inheritance, the department must determine a value equivalent to the latest purchase price by using any information that may be available, including any guidebook, report, or compendium of recognized standing in the automotive industry or the selling price and year of sale of the vehicle. The department may use an appraisal by the county assessor. In valuing a vehicle for which the current value or selling price is not indicative of the value of similar vehicles of the same year and model, the department shall establish a value that more closely represents the average value of similar vehicles of the same year and model.

(5) For purposes of this chapter, the term "value" excludes value attributable to modifications of a motor vehicle and equipment

that are designed to facilitate the use or operation of the motor vehicle by a person with disabilities.

(6) For purposes of this section, "market value" means the latest purchase price.

Sec. 13. RCW 82.44.065 and 2010 c 161 s 912 each amended to read as follows:

If the department determines a value for a vehicle (~~equivalent to a manufacturer's base suggested retail price or the value of a truck or trailer under RCW 82.44.035~~) under section 12 of this act, any person who pays a state or locally imposed tax for that vehicle may appeal the valuation to the department under chapter 34.05 RCW. If the taxpayer is successful on appeal, the department shall refund the excess tax in the manner provided in RCW 82.44.120. Basing new vehicle taxes on purchase price ensures an honest and accurate calculation.

Sec. 14. RCW 81.104.140 and 2015 3rd sp.s. c 44 s 318 are each amended to read as follows:

(1) Agencies authorized to provide high capacity transportation service, including transit agencies and regional transit authorities, and regional transportation investment districts acting with the agreement of an agency, are hereby granted dedicated funding sources for such systems. These dedicated funding sources, as set forth in RCW 81.104.150, 81.104.160, 81.104.170, and 81.104.-- (section 321, chapter 44, Laws of 2015 3rd sp. sess.), are authorized only for agencies located in (a) each county with a population of two hundred ten thousand or more and (b) each county with a population of from one hundred twenty-five thousand to less than two hundred ten thousand except for those counties that do not border a county with a population as described under (a) of this subsection. In any county with a population of one million or more or in any county having a population of four hundred thousand or more bordering a county with a population of one million or more, these funding sources may be imposed only by a regional transit

authority or a regional transportation investment district. Regional transportation investment districts may, with the approval of the regional transit authority within its boundaries, impose the taxes authorized under this chapter, but only upon approval of the voters and to the extent that the maximum amount of taxes authorized under this chapter have not been imposed.

(2) Agencies planning to construct and operate a high capacity transportation system should also seek other funds, including federal, state, local, and private sector assistance.

(3) Funding sources should satisfy each of the following criteria to the greatest extent possible:

- (a) Acceptability;
- (b) Ease of administration;
- (c) Equity;
- (d) Implementation feasibility;
- (e) Revenue reliability; and
- (f) Revenue yield.

(4)(a) Agencies participating in regional high capacity transportation system development are authorized to levy and collect the following voter-approved local option funding sources:

(i) Employer tax as provided in RCW 81.104.150, other than by regional transportation investment districts;

(ii) (~~Special motor vehicle excise tax~~) Sales and use taxes upon retail car rentals as provided in RCW 81.104.160;

(iii) Regular property tax as provided in 81.104.--- (section 321, chapter 44, Laws of 2015 3rd sp. sess.); and

(iv) Sales and use tax as provided in RCW 81.104.170.

(b) Revenues from these taxes may be used only to support those purposes prescribed in subsection (10) of this section. Before the date of an election authorizing an agency to impose any of the taxes enumerated in this section and authorized in RCW 81.104.150, 81.104.160, 81.104.170, and 81.104.--- (section 321, chapter 44, Laws of 2015 3rd sp. sess.), the agency must comply with the process prescribed in RCW 81.104.100 (1) and (2) and 81.104.110. No construction on exclusive right-of-way may occur before the

requirements of RCW 81.104.100(3) are met.

(5) Except for the regular property tax authorized in 81.104.--- (section 321, chapter 44, Laws of 2015 3rd sp. sess.), the authorization in subsection (4) of this section may not adversely affect the funding authority of transit agencies not provided for in this chapter. Local option funds may be used to support implementation of interlocal agreements with respect to the establishment of regional high capacity transportation service. Except when a regional transit authority exists, local jurisdictions must retain control over moneys generated within their boundaries, although funds may be commingled with those generated in other areas for planning, construction, and operation of high capacity transportation systems as set forth in the agreements.

(6) Except for the regular property tax authorized in 81.104.--- (section 321, chapter 44, Laws of 2015 3rd sp. sess.), agencies planning to construct and operate high capacity transportation systems may contract with the state for collection and transference of voter-approved local option revenue.

(7) Dedicated high capacity transportation funding sources authorized in RCW 81.104.150, 81.104.160, 81.104.170, and 81.104.--- (section 321, chapter 44, Laws of 2015 3rd sp. sess.) are subject to voter approval by a simple majority. A single ballot proposition may seek approval for one or more of the authorized taxing sources. The ballot title must reference the document identified in subsection (8) of this section.

(8) Agencies must provide to the registered voters in the area a document describing the systems plan and the financing plan set forth in RCW 81.104.100. It must also describe the relationship of the system to regional issues such as development density at station locations and activity centers, and the interrelationship of the system to adopted land use and transportation demand management goals within the region. This document must be provided to the voters at least twenty days prior to the date of the election.

(9) For any election in which voter approval is sought for a high capacity transportation system plan and financing plan pursuant

to RCW 81.104.040, a local voter's pamphlet must be produced as provided in chapter 29A.32 RCW.

(10)(a) Agencies providing high capacity transportation service must retain responsibility for revenue encumbrance, disbursement, and bonding. Funds may be used for any purpose relating to planning, construction, and operation of high capacity transportation systems and commuter rail systems, personal rapid transit, busways, bus sets, and entrained and linked buses.

(b) A regional transit authority that (~~imposes a motor vehicle excise tax after the effective date of this section,~~) imposes a property tax(~~(7)~~) or increases a sales and use tax to more than nine-tenths of one percent must undertake a process in which the authority's board formally considers inclusion of the name, Scott White, in the naming convention associated with either the University of Washington or Roosevelt stations.

BASE NEW VEHICLE TAXES ON PURCHASE PRICE (11) The valuation of motor vehicles for purposes of any new vehicle taxes imposed under this section must be based on purchase price as required by section 12 of this act to ensure an honest and accurate calculation of the tax.

Sec. 15. RCW 81.104.160 and 2015 3rd sp.s. c 44 s 319 are each amended to read as follows:

(1) (~~Regional transit authorities that include a county with a population of more than one million five hundred thousand may submit an authorizing proposition to the voters, and if approved, may levy and collect an excise tax, at a rate approved by the voters, but not exceeding eight tenths of one percent on the value, under chapter 82.44 RCW, of every motor vehicle owned by a resident of the taxing district, solely for the purpose of providing high capacity transportation service. The maximum tax rate under this subsection does not include a motor vehicle excise tax approved before the effective date of this section if the tax will terminate on the date bond debt to which the tax is pledged is repaid. This tax does not apply to vehicles licensed under RCW 46.16A.455 except vehicles with~~

~~an unladen weight of six thousand pounds or less, RCW 46.16A.425 or 46.17.335(2). Notwithstanding any other provision of this subsection or chapter 82.44 RCW, a motor vehicle excise tax imposed by a regional transit authority before or after the effective date of this section must comply with chapter 82.44 RCW as it existed on January 1, 1996, until December 31st of the year in which the regional transit authority repays bond debt to which a motor vehicle excise tax was pledged before the effective date of this section. Motor vehicle taxes collected by regional transit authorities after December 31st of the year in which a regional transit authority repays bond debt to which a motor vehicle excise tax was pledged before the effective date of this section must comply with chapter 82.44 RCW as it existed on the date the tax was approved by voters.~~

~~(2))~~ An agency and high capacity transportation corridor area may impose a sales and use tax solely for the purpose of providing high capacity transportation service, in addition to the tax authorized by RCW 82.14.030, upon retail car rentals within the applicable jurisdiction that are taxable by the state under chapters 82.08 and 82.12 RCW. The rate of tax may not exceed 2.172 percent. ~~((The rate of tax imposed under this subsection must bear the same ratio of the 2.172 percent authorized that the rate imposed under subsection (1) of this section bears to the rate authorized under subsection (1) of this section.))~~ The base of the tax is the selling price in the case of a sales tax or the rental value of the vehicle used in the case of a use tax.

~~((3))~~ (2) Any motor vehicle excise tax ~~((previously))~~ imposed under ~~((the provisions of RCW 81.104.160(1) shall be repealed, terminated, and expire on December 5, 2002, except for a motor vehicle excise tax for which revenues have been contractually pledged to repay a bonded debt issued before December 5, 2002, as determined by *Pierce County et al. v. State*, 159 Wn.2d 16, 148 P.3d 1002 (2006). In the case of bonds that were previously issued, the motor vehicle excise tax must comply with chapter 82.44 RCW as it existed on January 1, 1996.~~

~~((4) If a regional transit authority imposes the tax authorized under subsection (1) of this section, the authority may not receive any state grant funds provided in an omnibus transportation appropriations act except transit coordination grants created in chapter 11, Laws of 2015 3rd sp. sess this section may not be imposed or collected as of the effective date of this section, or after the date on which the bonds have been fully retired or defeased under section 16 of this act, whichever occurs first.~~

NEW SECTION. **Sec. 16.** A new section is added to chapter 81.112 RCW to read as follows:

An authority must fully retire or defease any outstanding bonds issued under this chapter by the effective date of this section, if:

(1) The revenue collected prior to the effective date of this section from the motor vehicle excise tax imposed under RCW 81.104.160 has been pledged to the bonds; and

(2) The bonds, by virtue of the terms of the bond contract, covenants, or similar terms, may be retired or defeased early at the authority's discretion.

MISCELLANEOUS

NEW SECTION. **Sec. 17.** The provisions of this act are to be liberally construed to effectuate the intent, policies, and purposes of this act.

NEW SECTION. **Sec. 18.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.
