**King County Elections**

## Dear King County Voters,

This is an exciting year. New voter registrations are pouring in and there is an almost contagious energy about the elections process. **It's important that we get it right.**

There is a new primary that changes how we vote and we're doing all we can to dispel any confusion about the new ballot and to remind people of the importance of their vote. Not everyone likes the changes in the new primary, but most are convinced that the right to vote is more important than the details of how the election works.

So we begin this new chapter in Washington's history – a new primary where voters are asked to choose a party preference and only vote for candidates of that party along with the nonpartisan contests and ballot measures. The General Election remains unchanged.

There are three important points to remember so your vote will count –  
**It's as simple as 1-2-3:**

- 1. Choose a party** – mark your preference at the start of your ballot;
- 2. Vote for candidates within that party** – the ballot is color-coded and labeled to help you locate candidates of your party choice; and
- 3. Complete the ballot** – vote in the nonpartisan contests and on ballot measures – even if you choose not to select a party.

Throughout the voters' pamphlet we've included information about how the new primary works and reminders to follow the simple three step instructions. The pamphlet is organized to match the layout of the new ballot with sections of candidate statements and photos, followed by information on the nonpartisan contests and ballot measures.

Regardless of what you think about the new primary, your vote is too important for it not to count. If you have questions or need assistance, please call King County Elections at (206) 296-VOTE or visit us on the Web at [www.metrokc.gov/elections](http://www.metrokc.gov/elections).

**Please vote – it is our best demonstration of democracy.**

## To Your Most Asked Questions

### Q&A on the New Primary

#### 1. How does the new primary change how I vote?

The new system requires you to select a party preference if you want to vote for candidates running for partisan offices. For the first time, you may vote only for the candidates in one political party in the primary. Your privacy will be protected; no record of your political party selection will be kept.

You will cast your votes by following three easy steps:

1. Choose a party by making your selection at the top of the ballot.
2. Vote for candidates in that party (each party has its own section on the ballot).
3. Complete the ballot by voting in the nonpartisan contests and on ballot measures, even if you choose not to select a party.

#### 2. What will the ballot look like?

The single ballot provides a place to indicate your party preference (Democratic, Republican or Libertarian). It then presents the partisan contests in three sections, one for each party. Nonpartisan contests and ballot measures, available to all voters, are on the back of the ballot.

New ballot instructions are provided. The ballot is color coded to assist voters in making their party selection and then locating the part of the ballot dedicated to that party.

#### 3. Is there a change in the General Election?

No. The changes apply to the Primary Election only.

#### 4. How do the changes affect nonpartisan offices like judges and issues on the ballot?

Your opportunity to vote for candidates for nonpartisan offices and on ballot measures is not affected by this new law.

#### 5. Why has the Primary changed?

As a result of lawsuits filed by the Democratic, Republican and Libertarian parties, federal courts found Washington's blanket primary to be unconstitutional. Following this ruling, the Washington State Legislature adopted a new primary law that provided for two distinct types of primaries. Governor Gary Locke vetoed one of the models and signed the other — the "Montana primary" — into law, an action the Supreme Court upheld.

#### 6. Will my party choice be public?

No. Voters will indicate their party preference on the ballot, and no record is maintained that links that choice back to the voter.

#### 7. What happens if I don't choose a party?

If you do not choose a party, your votes in the partisan section of the ballot (e.g., Governor, senators, representatives, etc.) will not be counted. However, you can still vote in the nonpartisan

contests (Judges, Superintendent of Public Instruction) and ballot measures (levies and bonds) listed at the end of the ballot — and that means your vote will be counted.

#### 8. If I choose a party, but vote for a candidate in another party, will my ballot be tossed out and not counted?

No. If a vote in a particular partisan race differs from the party preference you selected, your vote in that particular partisan race will not be counted. All of the partisan votes you cast that match your party preference will be counted (one vote per office).

#### 9. Is voting Libertarian like voting Independent? If I choose Libertarian, can I cross back and forth between the major parties?

No, the Libertarian party is one of three parties designated as major parties in state law. They achieved major party status by having a candidate for statewide office receive more than 5% of the total vote in the 2000 election. Just as with the Democratic and Republican parties, voters who select the Libertarian party as a preference may only cast votes for Libertarian candidates on the partisan section of the primary ballot.

#### 10. What about the Green Party or other parties, do they appear on the primary ballot?

No. Minor party candidates are nominated by convention and nominating petitions. Once qualified, minor party candidates are placed directly on the General Election ballot and do not appear on primary ballots.

#### 11. What happens if I make a mistake when marking my ballot?

The best way to avoid mistakes is to read through the instructions, look through your ballot, and then choose a party — and then vote for candidates in that party only. If you are filling out your ballot at home, there is an easy process to follow to correct mistakes. Instructions for doing so are printed at the top of the ballot. You may also contact King County Elections to request a new ballot. If you are voting in a polling booth and make a mistake, ask the poll workers for a new ballot. They will destroy the spoiled one.

#### 12. Who do I contact with concerns about the new system?

The blanket primary was found by the courts to be unconstitutional. This opinion has been appealed and was ultimately upheld by the U.S. Supreme Court. The Washington State Legislature adopted the new primary that will be in place this September.

If you wish to discuss changes to the new primary, you should contact your state legislators through the legislative information center at 1-800-562-6000.

# WHATCOM COUNTY OFFICIAL LOCAL VOTERS' PAMPHLET

Primary - September 19, 2006

*We the People* of the United States  
insure domestic Tranquility, provide for the common defence, promote the  
and our Posterity, do ordain and establish this Constitution for the United States of America.

*Article. 1.*

*Section. 1. All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives.*

*Section. 2. The House of Representatives shall be composed of Members chosen every second Year by the People of the several States, and the Electors in each State shall have the Qualifications requisite for Electors of the most numerous Branch of the State Legislature.*

*No Person shall be a Representative who shall not have attained to the Age of twenty five Years, seven Years, and seven Days, and who shall not, when elected, be an Inhabitant of that State in which he shall be chosen.*

*Representatives and direct Taxes shall be apportioned among the several States which may be admitted or shall exist within the United States, according to their respective Numbers, which shall be determined by adding to the whole Number of free Persons, including all bound Persons for the Term of Years, and the actual Enumeration shall be the Basis for the Distribution.*

Dear Whatcom County Voters:

In the November 2005 General Election, Whatcom County voters approved an amendment to the Whatcom County Charter that adds a duty on the Auditor to publish and distribute a Local Voters' Pamphlet for primary and general elections.

We are very excited that this is the first Local Voters' Pamphlet in Whatcom County's history! Inside you will find candidate's photos and statements as well as statements on a ballot issue. Please review the Local Voters' Pamphlet for details regarding voting in the primary, registering to vote, change of address, drop site locations and other important information.

For the first time in Whatcom County we will be using a consolidated ballot for the Primary Election. Court decisions require a "pick-a-party" primary. The system requires you to select a party ballot if you wish to vote for candidates in a partisan office. You can only vote for the candidates of the one political party you select for the primary. Your privacy will be protected; the political party you choose for the primary will *not* go on record. Your opportunity to vote for candidates for non-partisan offices is not affected. Remember, this change applies **only** to the primary election.

If you have not received your ballot fifteen (15) days prior to the election, please call the Elections Division of the Whatcom County Auditor's Office at 360-676-6742 to have a replacement ballot mailed to you. Please help us ensure that you receive your ballot by notifying Elections if your mailing address has recently changed. Feel free to call if you have any questions about the voting process and/or your ballot.

**AN IMPORTANT REMINDER:** To ensure your vote will be counted, your ballot needs to be postmarked no later than Election Day. If you prefer, you may drop your ballot off at the curbside Ballot Drop Box, 311 Grand Ave, near the Courthouse Rotunda, Bellingham, WA or at the Whatcom County Auditor's Office, 311 Grand Ave., Suite 103, Bellingham, beginning 20 days prior to the election. The curbside Ballot Drop Box and the Drop Box at the Auditor's Office will close at 8:00 p.m. on Election Day. Please refer to the Local Voters' Pamphlet for drop site locations open on Election Day only.

I would like to praise Whatcom County voters for their approval of a Local Voters' Pamphlet. Knowledge empowers you to make informed choices that ultimately shape the future governing of our community, state, and nation.

Sincerely,

Shirley Forslof  
Whatcom County Auditor

## Marking Your Ballot - Make Your Vote Count

**STEP 1: Mark Your Ballot.** Use a blue or black pen or a #2 pencil to connect the arrow by your choice with one single dark line. Do NOT use a sharpie or similar type felt pen.

- Make no identifying marks on your ballot or on the secrecy envelope.
- Voted ballots are read electronically so any extra marks on the ballot will delay processing.

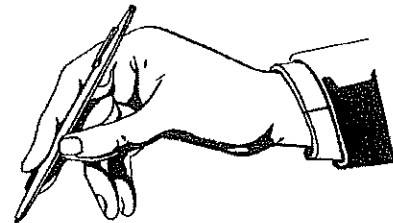

**STEP 2: Keep It Secret.** Place the voted ballot in the white secrecy envelope and seal it.

**STEP 3: Mailing Envelope.** Place the white secrecy envelope inside the lavender return envelope.

**STEP 4: Sign The Oath.** Read and sign the affidavit on the back of the lavender envelope.

- The lavender envelope must be signed by you in order for your ballot to be counted.
- Ballot signatures are matched with your voter registration.
- If a medical or other circumstance has altered the appearance of your signature, you can have two people witness your signature (or mark) on your ballot envelope.

**STEP 5: Protect Your Privacy.** Seal the envelope so the privacy flap covers your signature as indicated on the envelope.

**STEP 6: Mail Your Ballot.** Affix a first-class postage stamp before you deposit your ballot in the mail.

- To assure your vote will be counted, your ballot needs to be postmarked no later than Election Day or deposited at a drop site location by 8:00 p.m. on Election Day.

## Accessible Voting Unit

### **What is an Accessible Voting Unit?**

An accessible voting unit (AVU) is federally required. It is equipped with visual and audio technology that allows voters with impaired vision and/or physical disabilities to vote a secret ballot for the first time. The AVU is an accurate and secure way to vote.

### **Where will the AVU be located?**

The AVU will be located at the Whatcom County Auditor's Office, Whatcom County Courthouse, 311 Grand Ave., Suite 103, Bellingham, WA.

### **When can I vote using the AVU?**

You may vote beginning Wednesday, August 30, 2006. The AVU will be available to vote in the Auditor's Office Mon. – Fri., 10:00 a.m. – 3:30 p.m.

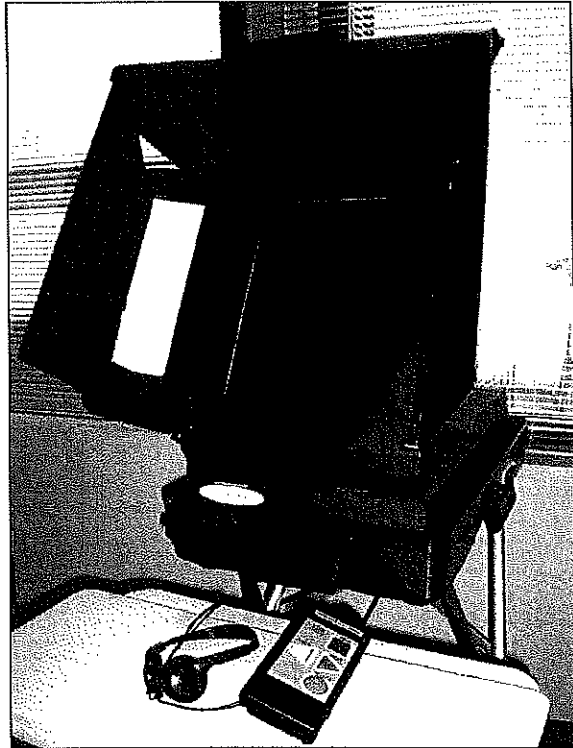

The AVU will be available on Election Day, Tuesday, September 19, 2006, from 7:00 a.m. – 8:00 p.m.

### **Is the AVU secure?**

Yes. The AVU stands alone and is not connected to the Internet or an intranet. When a vote is cast the ballot selections are encrypted and stored within the voting unit. The ballot order is scrambled to ensure the voter's anonymity and leaves no connection between the voter and his or her recorded vote.

### **How can I be sure my vote will be counted?**

The AVU displays a paper record of your selections before you cast your ballot. Your secret ballot is electronically stored and it cannot be traced back to you.

## Special Notice

### When Will Vote By Mail Ballots Be Mailed?

Vote by mail ballots are scheduled to be mailed starting August 30, 2006.

If you have not received your ballot by September 5, 2006, please contact the Whatcom County Elections Division at (360) 676-6742, Monday through Friday, 8:30 a.m. to 4:30 p.m.
