Reviews conducted under (a)(ii) of this subsection shall be performed in as many selected counties as time and staffing permit. Reviews conducted as a result of mandatory recounts shall be performed between the time the unofficial returns are complete and the time the recount is to take place, if possible.

If any resident of this state believes that an aspect of a primary or election has been conducted inappropriately in a county, the resident may file a complaint with the secretary of state. The secretary shall consider such complaints in scheduling periodic reviews under this section.

A review conducted under this chapter shall not include any evaluation, finding, or recommendation regarding the validity of the outcome of a primary or election or the validity of any canvass of returns nor does the election review staff have any jurisdiction to make such an evaluation, finding, or recommendation under this title.

(3) The county auditor or the county canvassing board shall respond to the review report in writing, listing the steps that will be taken to correct any problems listed in the report. Within one year of issuance of the response provided by the county auditor or county canvassing board, the secretary of state shall verify that the county has taken the steps to correct the problems noted in the report.

## CHALLENGES

### **29A.08.810 Basis for challenging a voter's registration—Who may bring a challenge—Challenger duties.**

(1) Registration of a person as a voter is presumptive evidence of his or her right to vote. A challenge to the person's right to vote must be based on personal knowledge of one of the following:

(a) The challenged voter has been convicted of a felony and the voter's civil rights have not been restored;

(b) The challenged voter has been judicially declared ineligible to vote due to mental incompetency;

(c) The challenged voter does not live at the residential address provided, in which case the challenger must either:

(i) Provide the challenged voter's actual residence on the challenge form; or

(ii) Submit evidence that he or she exercised due diligence to verify that the challenged voter does not reside at the address provided and to attempt to contact the challenged voter to learn the challenged voter's actual residence, including that the challenger personally:

(A) Sent a letter with return service requested to the challenged voter's residential address provided, and to the challenged voter's mailing address, if provided;

(B) Visited the residential address provided and contacted persons at the address to determine whether the voter resides at the address and, if not, obtained and submitted with the challenge form a signed affidavit subject to the penalties of perjury from a person who owns or manages property, resides, or is employed at the address provided, that to his or her personal knowledge the challenged voter does not reside at the address as provided on the voter registration;

(C) Searched local telephone directories, including online directories, to determine whether the voter maintains a telephone listing at any address in the county;

(D) Searched county auditor property records to determine whether the challenged voter owns any property in the county; and

(E) Searched the statewide voter registration database to determine if the voter is registered at any other address in the state;

(d) The challenged voter will not be eighteen years of age by the next election; or

(e) The challenged voter is not a citizen of the United States.

(2) A person's right to vote may be challenged by another registered voter or the county prosecuting attorney.

(3) The challenger must file a signed affidavit subject to the penalties of perjury swearing that, to his or her personal knowledge and belief, having exercised due diligence to personally verify the evidence presented, the challenged voter either is not qualified to vote or does not reside at the address

given on his or her voter registration record based on one of the reasons allowed in subsection (1) of this section. The challenger must provide the factual basis for the challenge, including any information required by subsection (1)(c) of this section, in the signed affidavit. The challenge may not be based on unsupported allegations or allegations by anonymous third parties. All documents pertaining to the challenge are public records.

receive such notifications on an ongoing basis. [2006 c 320 § 1.]

**29A.08.840 County auditor duties—Dismissal of challenges—Notification—Hearings—Counting or cancellation of ballots.** (1) If the challenge is not in proper form or the factual basis for the challenge does not meet the legal grounds for a challenge, the county auditor may dismiss the challenge and notify the challenger of the reasons for the dismissal. A challenge is not in proper form if it is incomplete on its face or does not substantially comply with the form issued by the secretary of state.

If the challenge is based on an allegation under RCW 29A.08.810(1)(c) and the canvassing board sustains the challenge, the board shall permit the voter to correct his or her voter registration and any races and ballot measures on the challenged ballot that the voter would have been qualified to vote for had the registration been correct shall be counted.

**29A.16.050 Precincts—Restrictions on precinct boundaries—Designated by number.** (1) Every voting precinct must be wholly within a single congressional district, a single legislative district, a single district of a county legislative authority, and, if applicable, a single city.

(2) Every voting precinct shall be composed, as nearly as practicable, of contiguous and compact areas.

(3) Except as provided in this subsection, changes to the boundaries of any precinct shall follow visible, physical features delineated on the most current maps provided by the United States census bureau. A change need not follow such visible, physical features if (a) it is necessitated by an annexation or incorporation and the proposed precinct boundary is identical to an exterior boundary of the annexed or incorporated area which does not follow a visible, physical feature; or (b) doing so would substantially impair election administration in the involved area.

(4) After a change to precinct boundaries is adopted by the county legislative authority, if the change does not follow visible physical features, the county auditor shall send to the secretary of state an electronic or paper copy of the description, a map or maps of the changes, and a statement of the applicable exception under subsection (3) of this section. For

boundary changes made pursuant to subsection (3)(b) of this section, the auditor shall include a statement of the reasons why following visible, physical features would have substantially impaired election administration.

(5) Every voting precinct within each county shall be designated by number for the purpose of preparation of maps and the tabulation of population for apportionment purposes. These precincts may be identified with names or other numbers for other election purposes.

(6) After a change to precinct boundaries in a city or town, the county auditor shall send one copy of the map or maps delineating the new precinct boundaries within that city or town to the city or town clerk.

(7) Precinct maps are public records and shall be available for inspection by the public during normal office hours in the offices where they are kept. 29A.20.021 Qualifications for filing, appearance on ballot. (1) A person filing a declaration of candidacy for an office shall, at the time of filing, be a registered voter and possess the qualifications specified by law for persons who may be elected to the office.

(2) Excluding the office of precinct committee officer or a temporary elected position such as a charter review board member or freeholder, no person may file for more than one office.

(3) The name of a candidate for an office shall not appear on a ballot for that office unless, except as provided in RCW \*3.46.067 and 3.50.057, the candidate is, at the time the candidate's declaration of candidacy is filed, properly registered to vote in the geographic area represented by the office. For the purposes of this section, each geographic area in which registered voters may cast ballots for an office is represented by that office. If a person elected to an office must be nominated from a district or similar division of the geographic area represented by the office, the name of a candidate for the office shall not appear on a primary ballot for that office unless the candidate is, at the time the candidate's declaration of candidacy is filed, properly registered to vote in that district or division. The officer with whom declarations of candidacy must be filed under this title shall review each such declaration filed regarding compliance with this subsection.

(4) The requirements of voter registration and residence within the geographic area of a district do not apply to candidates for congressional office. Qualifications for the United States congress are specified in the United States Constitution. [2004 c 271 § 153.]

\*Reviser's note: RCW 3.46.067 was repealed by 2008 c 227 § 12, effective July 1, 2008.

29A.20.030 Local officers, beginning of terms—Organization of district boards of directors. The term of every city, town, and district officer elected to office on the first Tuesday following the first Monday in November of the odd-numbered years begins in accordance with RCW 29A.20.040. However, a person elected to less than a full term shall assume office as soon as the election returns have been certified and he or she is qualified in accordance with RCW 29A.04.133.

Each board of directors of every district shall be organized at the first meeting held after one or more newly elected directors take office. [2003 c 111 § 503; 1979 ex.s. c 126 § 14; 1965 c 123 § 6; 1965 c 9 § 29.13.050. Prior: 1963 c 200 § 8; 1959 c 86 § 1; prior: 1951 c 257 § 6. (i) 1949 c 161 § 9; Rem. Supp. 1949 § 5146-1. (ii) 1949 c 163 § 1; 1921 c 61 § 4; Rem. Supp. 1949 § 5146. Formerly RCW 29.13.050.]

Purpose—1979 ex.s. c 126: See RCW 29A.20.040(1).

29A.20.040 Local elected officials, commencement of term of office—Purpose. (1) The legislature finds that certain laws are in conflict governing the assumption of office of various local officials. The purpose of this section is to provide a common date for the assumption of office for all the elected officials of counties, cities, towns, and special purpose districts other than school districts where the ownership of property is not a prerequisite of voting. A person elected to the office of school director begins his or her term of office at the first official meeting of the board of directors after cer-

tification of the election results. It is also the purpose of this section to remove these conflicts and delete old statutory language concerning such elections which is no longer necessary.

(2) For elective offices of counties, cities, towns, and special purpose districts other than school districts where the ownership of property is not a prerequisite of voting, the term of incumbents ends and the term of successors begins after the successor is elected and qualified, and the term commences immediately after December 31st following the election, except as follows:

(a) Where the term of office varies from this standard according to statute; and

(b) If the election results have not been certified prior to January 1st after the election, in which event the time of commencement for the new term occurs when the successor becomes qualified in accordance with RCW 29A.04.133.

(3) For elective offices governed by this section, the oath of office must be taken as the last step of qualification as defined in RCW 29A.04.133 but may be taken either:

(a) Up to ten days prior to the scheduled date of assuming office; or

(b) At the last regular meeting of the governing body of the applicable county, city, town, or special district held before the winner is to assume office. [2003 c 111 § 504; 1999 c 298 § 3; 1980 c 35 § 7; 1979 ex.s. c 126 § 1. Formerly RCW 29.04.170.]

#### MINOR PARTY AND INDEPENDENT CANDIDATE NOMINATIONS

**29A.20.111 Definitions—"Convention" and "election jurisdiction."** A "convention" for the purposes of this chapter, is an organized assemblage of registered voters representing an independent candidate or candidates or a new or minor political party, organization, or principle. As used in this chapter, the term "election jurisdiction" shall mean the state or any political subdivision or jurisdiction of the state from which partisan officials are elected. This term shall include county commissioner districts or council districts for members of a county legislative authority, counties for county officials who are nominated and elected on a county-wide basis, legislative districts for members of the legislature, congressional districts for members of Congress, and the state for president and vice president, members of the United States senate, and state officials who are elected on a statewide basis. [2004 c 271 § 188.]

**29A.20.121 Nomination by convention or write-in—Dates—Special filing period.** (1) Any nomination of a candidate for partisan public office by other than a major political party may be made only: (a) In a convention held not earlier than the first Saturday in May and not later than the second Saturday in May or during any of the seven days immediately preceding the first day for filing declarations of candidacy as fixed in accordance with RCW 29A.28.041; (b) as provided by RCW 29A.60.021; or (c) as otherwise provided in this section. Minor political party and independent candidates may appear only on the general election ballot.

(2) Nominations of candidates for president and vice president of the United States other than by a major political party may be made either at a convention conducted under subsection (1) of this section, or at a similar convention taking place not earlier than the first Saturday in June and not later than the fourth Saturday in July. Conventions held during this time period may not nominate candidates for any public office other than president and vice president of the United States, except as provided in subsection (3) of this section.

(3) If a special filing period for a partisan office is opened under \*RCW 29A.24.211, candidates of minor political parties and independent candidates may file for office during that special filing period. The names of those candidates may not appear on the general election ballot unless they are nominated by convention held no later than five days after the close of the special filing period and a certificate of nomination is filed with the filing officer no later than three days after the convention. The requirements of RCW 29A.20.131 do not apply to such a convention.

(4) A minor political party may hold more than one convention but in no case shall any such party nominate more than one candidate for any one partisan public office or position. For the purpose of nominating candidates for the offices of president and vice president, United States senator, United States representative, or a statewide office, a minor party or independent candidate holding multiple conventions may add together the number of signatures of different individuals from each convention obtained in support of the candidate or candidates in order to obtain the number required by RCW 29A.20.141. For all other offices for which nominations are made, signatures of the requisite number of registered voters must be obtained at a single convention. [2006 c 344 § 4; 2004 c 271 § 110.]

\*Reviser's note: RCW 29A.24.211 was repealed by 2011 c 349 § 30.

Effective date—2006 c 344 §§ 1-16 and 18-40: See note following RCW 29A.04.311.

**29A.20.131 Convention—Notice.** Each minor party or independent candidate must publish a notice in a newspaper of general circulation within the county in which the party or the candidate intends to hold a convention. The notice must appear at least ten days before the convention is to be held, and shall state the date, time, and place of the convention. Additionally, it shall include the mailing address of the person or organization sponsoring the convention. [2004 c 271 § 189.]

**29A.20.141 Convention—Requirements for validity.** (1) To be valid, a convention must be attended by at least one hundred registered voters.

(2) In order to nominate candidates for the offices of president and vice president of the United States, United States senator, United States representative, or any statewide office, a nominating convention shall obtain and submit to the filing officer the signatures of at least one thousand registered voters of the state of Washington. In order to nominate candidates for any other office, a nominating convention shall obtain and submit to the filing officer the signatures of one hundred persons who are registered to vote in the juris-

diction of the office for which the nominations are made. [2004 c 271 § 111.]

**29A.20.151 Nominating petition—Requirements.** A nominating petition submitted under this chapter shall clearly identify the name of the minor party or independent candidate convention as it appears on the certificate of nomination as required by RCW 29A.20.161(3). The petition shall also contain a statement that the person signing the petition is a registered voter of the state of Washington and shall have a space for the voter to sign his or her name and to print his or her name and address. No person may sign more than one nominating petition under this chapter for an office for an election. [2004 c 271 § 112.]

**29A.20.161 Certificate of nomination—Requisites.** A certificate evidencing nominations made at a convention must:

- (1) Be in writing;

- (3) Identify the minor political party or the independent candidate on whose behalf the convention was held;
- (4) Be verified by the oath of the presiding officer and secretary;
- (5) Be accompanied by a nominating petition or petitions bearing the signatures and addresses of registered voters equal in number to that required by RCW 29A.20.141;
- (6) Contain proof of publication of the notice of calling the convention; and
- (7) Be submitted to the appropriate filing officer not later than one week following the adjournment of the convention at which the nominations were made. If the nominations are made only for offices whose jurisdiction is entirely within one county, the certificate and nominating petitions must be filed with the county auditor. If a minor party or independent candidate convention nominates any candidates for offices whose jurisdiction encompasses more than one county, all nominating petitions and the convention certificates must be filed with the secretary of state. [2004 c 271 § 154.]

**29A.20.171 Multiple certificates of nomination.** (1) If two or more valid certificates of nomination are filed purporting to nominate different candidates for the same position using the same party name, the filing officer must give effect to both certificates. If conflicting claims to the party name are not resolved either by mutual agreement or by a judicial determination of the right to the name, the candidates must be treated as independent candidates. Disputes over the right to the name must not be permitted to delay the printing of either ballots or a voters' pamphlet. Other candidates nominated by the same conventions may continue to use the partisan affiliation unless a court of competent jurisdiction directs otherwise.

(2) A person affected may petition the superior court of the county in which the filing officer is located for a judicial determination of the right to the name of a minor political

party, either before or after documents are filed with the filing officer. The court shall resolve the conflict between competing claims to the use of the same party name according to the following principles: (a) The prior established public use of the name during previous elections by a party composed of or led by the same individuals or individuals in documented succession; (b) prior established public use of the name earlier in the same election cycle; (c) the nomination of a more complete slate of candidates for a number of offices or in a number of different regions of the state; (d) documented affiliation with a national or statewide party organization with an established use of the name; (e) the first date of filing of a certificate of nomination; and (f) such other indicia of an established right to use of the name as the court may deem relevant. If more than one filing officer is involved, and one of them is the secretary of state, the petition must be filed in the superior court for Thurston county. Upon resolving the conflict between competing claims, the court may also address any ballot designation for the candidate who does not prevail. [2004 c 271 § 155.]

**29A.20.181 Presidential electors—Selection at convention.** A minor political party or independent candidate convention nominating candidates for the offices of president and vice president of the United States shall, not later than ten days after the adjournment of the convention, submit a list of presidential electors to the office of the secretary of state. The list shall contain the names and the mailing addresses of the persons selected and shall be verified by the presiding officer of the convention. [2004 c 271 § 156.]

**29A.20.191 Certificate of nomination—Checking signatures—Appeal of determination.** Upon the receipt of the certificate of nomination, the officer with whom it is filed shall check the certificate and canvass the signatures on the accompanying nominating petitions to determine if the requirements of RCW 29A.20.141 have been met. Once the determination has been made, the filing officer shall notify the presiding officer of the convention and any other persons requesting the notification, of his or her decision regarding the sufficiency of the certificate or the nominating petitions. Any appeal regarding the filing officer's determination must be filed with the superior court of the county in which the certificate or petitions were filed not later than five days from the date the determination is made, and shall be heard and finally disposed of by the court within five days of the filing. Nominating petitions shall not be available for public inspection or copying. [2004 c 271 § 157.]

**29A.20.201 Declarations of candidacy required, exceptions—Payment of fees.** Not later than the Friday immediately preceding the first day for candidates to file, the secretary of state shall notify the county auditors of the names and designations of all minor party and independent candidates who have filed valid convention certificates and nominating petitions with that office. Except for the offices of president and vice president, persons nominated under this chapter shall file declarations of candidacy as provided by RCW 29A.24.031 and 29A.24.070. The name of a candidate nominated at a convention shall not be printed upon the gen-

eral election ballot unless he or she pays the fee required by law to be paid by candidates for the same office to be nominated at a primary. [2004 c 271 § 113.]

#### GENERAL

**29A.24.010 Officials to designate position numbers, when—Effect.** Not less than thirty days before the first day for filing declarations of candidacy under RCW 29A.24.050 for legislative, judicial, county, city, town, or district office, where more than one position with the same name, district number, or title will be voted upon at the succeeding election, the filing officer shall designate the positions to be filled by number.

The positions so designated shall be dealt with as separate offices for all election purposes. With the exception of the office of justice of the supreme court, the position numbers shall be assigned, whenever possible, to reflect the position numbers that were used to designate the same positions at the last full-term election for those offices. [2003 c 111 § 601. Prior: 1990 c 59 § 79; 1965 c 52 § 1. Formerly RCW 29.15.130, 29.18.015.]

**29A.24.020 Designation of short terms, full terms, and unexpired terms—Filing declarations—Election to both short and full terms.** If at the same election there are short terms or full terms and unexpired terms of office to be filled, the filing officer shall distinguish them and designate the short term, the full term, and the unexpired term, as such, or by use of the words "short term," "unexpired two year term," or "four year term," as the case may be.

In filing the declaration of candidacy in such cases the candidate shall specify that the candidacy is for the short term, the full term, or the unexpired term. When both a short term and a full term for the same position are scheduled to be voted upon, or when a short term is created after the close of the filing period, a single declaration of candidacy accompanied by a single filing fee shall be construed as a filing for both the short term and the full term and the name of such candidate shall appear upon the ballot for the position sought with the designation "short term and full term." The candidate elected to both such terms shall be sworn into and assume office for the short term as soon as the election returns have been certified and shall again be sworn into office on the second Monday in January following the election to assume office for the full term. Votes cast for write-in candidates who have filed such declarations of candidacy and write-in votes for persons appointed by major political parties pursuant to RCW 29A.28.021 need only specify the name of the candidate in the appropriate location on the ballot in order to be counted. Write-in votes cast for any other candidate, in order to be counted, must designate the office sought and position number or political party, if the manner in which the write-in is done does not make the office or position clear.

No person may file as a write-in candidate where:

The declaration of candidacy shall be similar to that required by RCW 29A.24.031. No write-in candidate filing under this section may be included in any voter's pamphlet produced under chapter 29A.32 RCW unless that candidate qualifies to have his or her name printed on the general election ballot. The legislative authority of any jurisdiction producing a local voter's pamphlet under chapter 29A.32 RCW may provide, by ordinance, for the inclusion of write-in candidates in such pamphlets. [2004 c 271 § 117.]

**29A.24.311 Write-in voting—Candidates, declaration.** (*Effective January 1, 2012.*) Any person who desires to be a write-in candidate and have such votes counted at a primary or election may file a declaration of candidacy with the officer designated in RCW 29A.24.070 not later than the day ballots must be mailed according to RCW 29A.40.070. Declarations of candidacy for write-in candidates must be accompanied by a filing fee in the same manner as required of other candidates filing for the office as provided in RCW 29A.24.091.

Votes cast for write-in candidates who have filed such declarations of candidacy and write-in votes for persons appointed by major political parties pursuant to RCW 29A.28.021 need only specify the name of the candidate in the appropriate location on the ballot in order to be counted. Write-in votes cast for any other candidate, in order to be counted, must designate the office sought and position number or political party, if the manner in which the write-in is done does not make the office or position clear.

No person may file as a write-in candidate where:

(1) At a general election, the person attempting to file either filed as a write-in candidate for the same office at the

preceding primary or the person's name appeared on the ballot for the same office at the preceding primary;

(2) The person attempting to file as a write-in candidate has already filed a valid write-in declaration for that primary or election, unless one or the other of the two filings is for the office of precinct committeeperson;

(3) The name of the person attempting to file already appears on the ballot as a candidate for another office, unless one of the two offices for which he or she is a candidate is precinct committeeperson.

The declaration of candidacy shall be similar to that required by RCW 29A.24.031. No write-in candidate filing under this section may be included in any voter's pamphlet produced under chapter 29A.32 RCW unless that candidate qualifies to have his or her name printed on the general election ballot. The legislative authority of any jurisdiction producing a local voter's pamphlet under chapter 29A.32 RCW may provide, by ordinance, for the inclusion of write-in candidates in such pamphlets. If the vacancy is for any other office the state central committee of the major political party may select and certify a candidate to fill the vacancy. The certificate must set forth the cause of the vacancy, the name of the person nominated, the office for which the person is nominated, and other pertinent information required in an ordinary certificate of

nomination and be filed in the proper office no later than the first Friday after the last day allowed for candidates to withdraw, together with the candidate's fee applicable to that office and a declaration of candidacy. [2004 c 271 § 191.]

In making such correction, it shall not be necessary to reprint complete ballots if any other less expensive technique can be used and the resulting correction is reasonably clear.

If the vacancy occurs after the eleventh Tuesday prior to the state primary or general election and time does not exist in which to correct ballots (including absentee ballots), either in total or in part, then the votes cast or recorded for the person who has died or become disqualified shall be counted for the person who has been named to fill such vacancy.

When the secretary of state is the person with whom the appointment by the major or minor political party is filed, the secretary shall, in certifying candidates or nominations to the various county officers insert the name of the person appointed to fill a vacancy.

If the secretary of state has already sent forth the certificate when the appointment to fill a vacancy is filed, the secretary shall forthwith certify to the county auditors of the proper counties the name and place of residence of the person appointed to fill a vacancy, the office for which the person is a candidate or nominee, the party the person represents, and all other pertinent facts pertaining to the vacancy. **29A.32.032 Party preference.** The voters' pamphlet must also contain the political party preference or independent status where a candidate appearing on the ballot has expressed such a preference on his or her declaration of candidacy. [2005 c 2 § 11 (Initiative Measure No. 872, approved November 2, 2004).]

**Reviser's note:** The constitutionality of Initiative Measure No. 872 was upheld in *Washington State Grange v. Washington State Republican Party, et al.*, 552 U.S. . . . (2008).

**Short title—Intent—Contingent effective date—2005 c 2 (Initiative Measure No. 872):** See notes following RCW 29A.52.112.

**29A.32.036 Even year primary contents.** If the secretary of state prints and distributes a voters' pamphlet for a primary in an even-numbered year, it must contain:

(1) A description of the office of precinct committee officer and its duties;

(2) An explanation that, for partisan offices, only voters who choose to affiliate with a major political party may vote in that party's primary election, and that voters must limit their participation in a partisan primary to one political party; and

(3) An explanation that minor political party candidates and independent candidates will appear only on the general election ballot. [2004 c 271 § 122.]

**29A.32.040 Explanatory statements.** (1) Explanatory statements prepared by the attorney general under RCW 29A.32.070 (3) and (4) must be written in clear and concise language, avoiding legal and technical terms when possible, and filed with the secretary of state no later than the tenth day of August.

(2) When the explanatory statement for a measure initiated by petition is filed with the secretary of state, the secretary of state shall immediately provide the text of the explanatory statement to the person proposing the measure and any others who have made written request for notification of the exact language of the explanatory statement. When the explanatory statement for a measure referred to the ballot by the legislature is filed with the secretary of state, the secretary of state shall immediately provide the text of the explanatory statement to the presiding officer of the senate and the presiding officer of the house of representatives and any others who have made written request for notification of the exact language of the explanatory statement.

(3) A person dissatisfied with the explanatory statement may appeal to the superior court of Thurston County within five days of the filing date. A copy of the petition and a notice of the appeal must be served on the secretary of state and the attorney general. The court shall examine the measure, the explanatory statement, and objections, and may hear arguments. The court shall render its decision and certify to and file with the secretary of state an explanatory statement it determines will meet the requirements of this chapter.

The decision of the superior court is final, and its explanatory statement is the established explanatory statement. The appeal must be heard without costs to either party. [2009 c 415 § 3; 2003 c 111 § 804. Prior: 1999 c 260 § 3. Formerly RCW 29.81.230.]

**29A.32.050 Notice of constitutional amendments and state measures—Explanatory statement.** The attorney general shall, by the tenth day of August preceding each general election, prepare the explanatory statements required under RCW 29A.32.070 (3) and (4). Such statements shall be prepared in clear and concise language and shall avoid the use of legal and other technical terms insofar as possible. Any person dissatisfied with the explanatory statement so prepared may at any time within ten days from the filing thereof in the office of the secretary of state appeal to the

superior court of Thurston county by petition setting forth the proposed state measure, the explanatory statement prepared by the attorney general, and his or her objection thereto and praying for the amendment thereof. A copy of the petition and a notice of such appeal shall be served on the secretary of state and the attorney general. The court shall, upon filing of the petition, examine the proposed state measure, the explanatory statement, and the objections thereto and may hear argument thereon and shall, as soon as possible, render its decision and certify to and file with the secretary of state such explanatory statement as it determines will meet the requirement of RCW 29A.52.330, 29A.52.340, and this section. The decision of the superior court shall be final and its explanatory statement shall be the established explanatory statement. Such appeal shall be heard without costs to either party. [2009 c 415 § 4; 2003 c 111 § 805; 1967 c 96 § 3; 1965 c 9 § 29.27.076. Prior: 1961 c 176 § 3. Formerly RCW 29.27.076.]

**29A.32.060 Arguments.** Committees shall write and submit arguments advocating the approval or rejection of each statewide ballot issue and rebuttals of those arguments. The secretary of state, the presiding officer of the senate, and the presiding officer of the house of representatives shall appoint the initial two members of each committee. In making these committee appointments the secretary of state and presiding officers of the senate and house of representatives shall consider legislators, sponsors of initiatives and referendums, and other interested groups known to advocate or oppose the ballot measure.

The initial two members may select up to four additional members, and the committee shall elect a chairperson. The remaining committee member or members may fill vacancies through appointment.

After the committee submits its initial argument statements to the secretary of state, the secretary of state shall transmit the statements to the opposite committee. The opposite committee may then prepare rebuttal arguments. Rebuttals may not interject new points.

The voters' pamphlet may contain only argument statements prepared according to this section. Arguments may contain graphs and charts supported by factual statistical data and pictures or other illustrations. Cartoons or caricatures are not permitted. [2003 c 111 § 806. Prior: 1999 c 260 § 4. Formerly RCW 29.81.240.]

**29A.32.070 Format, layout, contents.** The secretary of state shall determine the format and layout of the voters' pamphlet published under RCW 29A.32.010. The secretary of state shall print the pamphlet in clear, readable type on a size, quality, and weight of paper that in the judgment of the secretary of state best serves the voters. The pamphlet must contain a table of contents. Measures and arguments must be printed in the order specified by RCW 29A.72.290.

The voters' pamphlet must provide the following information for each statewide issue on the ballot except measures for an advisory vote of the people whose requirements are provided in subsection (1) of this section:

(1) The legal identification of the measure by serial designation or number;

(2) The official ballot title of the measure;

(3) A statement prepared by the attorney general explaining the law as it presently exists;

(4) A statement prepared by the attorney general explaining the effect of the proposed measure if it becomes law;

(5) The fiscal impact statement prepared under RCW 29A.72.025;

(6) The total number of votes cast for and against the measure in the senate and house of representatives, if the measure has been passed by the legislature;

(7) An argument advocating the voters' approval of the measure together with any statement in rebuttal of the opposing argument;

(8) An argument advocating the voters' rejection of the measure together with any statement in rebuttal of the opposing argument;

(9) Each argument or rebuttal statement must be followed by the names of the committee members who submitted them, and may be followed by a telephone number that citizens may call to obtain information on the ballot measure;

(10) The full text of \*the measure;

(11) Two pages shall be provided in the general election voters' pamphlet for each measure for an advisory vote of the people under RCW 43.135.041 and shall consist of the serial number assigned by the secretary of state under RCW 29A.72.040, the short description formulated by the attorney general under RCW 29A.72.283, the tax increase's most up-to-date ten-year cost projection, including a year-by-year breakdown, by the office of financial management under RCW 43.135.031, and the names of the legislators, and their contact information, and how they voted on the increase upon final passage so they can provide information to, and answer questions from, the public. For the purposes of this subsection, "names of legislators, and their contact information" includes each legislator's position (senator or representative), first name, last name, party affiliation (for example, Democrat or Republican), city or town they live in, office phone number, and office e-mail address. [2009 c 415 § 5; prior: 2008 c 1 § 13 (Initiative Measure No. 960, approved November 6, 2007); 2003 c 111 § 807; prior: 2002 c 139 § 2; 1999 c 260 § 5. Formerly RCW 29.81.250.]

**Reviser's note:** \*(1) The word "each" was changed to "the" in 2008 c 1 § 13 (Initiative Measure No. 960) without enclosing "each" in double parentheses and underlining "the."

(2) RCW 29A.32.070 was amended by 2008 c 1 § 13 (Initiative Measure No. 960) without enclosing by double parentheses all material proposed for deletion and underlining all proposed new material, in amendatory sections. See RCW 29A.32.080.

**Findings—Intent—Construction—Severability—Subheadings and part headings not law—Short title—Effective date—2008 c 1 (Initiative Measure No. 960):** See notes following RCW 43.135.031.

**29A.32.080 Amendatory style.** Statewide ballot measures that amend existing law must be printed in the voters' pamphlet so that language proposed for deletion is enclosed by double parentheses and has a line through it. Proposed new language must be underlined. A statement explaining the deletion and addition of language must appear as follows: "Any language in double parentheses with a line through it is existing state law and will be taken out of the law if this measure is approved by voters. Any underlined language does not appear in current state law but will be added to the law if

this measure is approved by voters." [2003 c 111 § 808. Prior: 1999 c 260 § 6. Formerly RCW 29.81.260.]

**29A.32.090 Arguments—Rejection, dispute.** (1) If in the opinion of the secretary of state any argument or statement offered for inclusion in the voters' pamphlet in support of or opposition to a measure or candidate contains obscene matter or matter that is otherwise prohibited by law from distribution through the mail, the secretary may petition the superior court of Thurston county for a judicial determination that the argument or statement may be rejected for publication or edited to delete the matter. The court shall not enter such an order unless it concludes that the matter is obscene or otherwise prohibited for distribution through the mail.

(2) A candidate's statement submitted for inclusion in the voters' pamphlet shall not contain false or misleading statements about the candidate's opponent. A false or misleading statement shall be considered "libel or defamation per se" if the statement tends to expose the candidate to hatred, contempt, ridicule, or obloquy, or to deprive him or her of the benefit of public confidence or social intercourse, or to injure him or her in his or her business or occupation. If a candidate believes his or her opponent has libeled or defamed him or her, the candidate may commence an action under subsection (3) of this section.

(3)(a) A person who believes that he or she may be defamed by an argument or statement offered for inclusion in the voters' pamphlet in support of or opposition to a measure or candidate may petition the superior court of Thurston county for a judicial determination that the argument or statement may be rejected for publication or edited to delete the defamatory statement.

(b) The court shall not enter such an order unless it concludes that the statement is untrue and that the petitioner has a very substantial likelihood of prevailing in a defamation action.

(c) An action under this subsection (3) must be filed and served no later than the tenth day after the deadline for the submission of the argument or statement to the secretary of state.

(d) If the secretary of state notifies a person named or identified in an argument or statement of the contents of the argument or statement within three days after the deadline for submission to the secretary, then neither the state nor the secretary is liable for damages resulting from publication of the argument or statement unless the secretary publishes the argument or statement in violation of an order entered under this section. Nothing in this section creates a duty on the part of the secretary of state to identify, locate, or notify the person.

(4) Parties to a dispute under this section may agree to resolve the dispute by rephrasing the argument or statement, even if the deadline for submission to the secretary has elapsed, unless the secretary determines that the process of publication is too far advanced to permit the change. The secretary shall promptly provide any such revision to any committee entitled to submit a rebuttal argument. If that committee has not yet submitted its rebuttal, its deadline to submit a rebuttal is extended by five days. If it has submitted a rebuttal, it may revise it to address the change within five days of the filing of the revised argument with the secretary.

(5) In an action under this section the committee or candidate must be named as a defendant, and may be served with process by certified mail directed to the address contained in the secretary's records for that party. The secretary of state shall be a nominal party to an action brought under subsection (3) of this section, solely for the purpose of determining the content of the voters' pamphlet. The superior court shall give such an action priority on its calendar. [2009 c 222 § 3; 2003 c 111 § 809. Prior: 1999 c 260 § 8. Formerly RCW 29.81.280.]

**Intent—Findings—2009 c 222:** See note following RCW 42.17A.335.

**29A.32.100 Arguments—Public inspection.** (1) An argument or statement submitted to the secretary of state for publication in the voters' pamphlet is not available for public inspection or copying until:

(a) In the case of candidate statements, (i) all statements by all candidates who have filed for a particular office have been received, except those who informed the secretary that they will not submit statements, or (ii) the deadline for submission of statements has elapsed;

(b) In the case of arguments supporting or opposing a measure, (i) the arguments on both sides have been received, unless a committee was not appointed for one side, or (ii) the deadline for submission of arguments has elapsed; and

(c) In the case of rebuttal arguments, (i) the rebuttals on both sides have been received, unless a committee was not appointed for one side, or (ii) the deadline for submission of arguments has elapsed.

(2) Nothing in this section prohibits the secretary from releasing information under \*RCW 29A.32.090(2)(d). [2003 c 111 § 810. Prior: 1999 c 260 § 9. Formerly RCW 29.81.290.]

\*Reviser's note: RCW 29A.32.090 was amended by 2009 c 222 § 3, changing subsection (2)(d) to subsection (3)(d).

**29A.32.110 Photographs.** All photographs of candidates submitted for publication must conform to standards established by the secretary of state by rule. No photograph may reveal clothing or insignia suggesting the holding of a public office. [2003 c 111 § 811. Prior: 1999 c 260 § 10. Formerly RCW 29.81.300.]

**29A.32.121 Candidates' statements—Length.** (1) The maximum number of words for statements submitted by candidates is as follows: State representative, one hundred words; state senator, judge of the superior court, judge of the court of appeals, justice of the supreme court, and all state offices voted upon throughout the state, except that of governor, two hundred words; president and vice president, United States senator, United States representative, and governor, three hundred words.

(2) Arguments written by committees under RCW 29A.32.060 may not exceed two hundred fifty words in length.

(3) Rebuttal arguments written by committees may not exceed seventy-five words in length.

(4) The secretary of state shall allocate space in the pamphlet based on the number of candidates or nominees for each office. [2004 c 271 § 168.]

## LOCAL VOTERS' PAMPHLET

**29A.32.210 Authorization—Contents—Format.** At least ninety days before any primary or general election, or at least forty days before any special election held under RCW \*29A.04.320 or 29A.04.330, the legislative authority of any county or first-class or code city may adopt an ordinance authorizing the publication and distribution of a local voters' pamphlet. The pamphlet shall provide information on all measures within that jurisdiction and may, if specified in the ordinance, include information on candidates within that jurisdiction. If both a county and a first-class or code city within that county authorize a local voters' pamphlet for the same election, the pamphlet shall be produced jointly by the county and the first-class or code city. If no agreement can be reached between the county and first-class or code city, the county and first-class or code city may each produce a pamphlet. Any ordinance adopted authorizing a local voters' pamphlet may be for a specific primary, special election, or general election or for any future primaries or elections. The format of any local voters' pamphlet shall, whenever applicable, comply with the provisions of this chapter regarding the publication of the state candidates' and voters' pamphlets. [2003 c 111 § 813; 1984 c 106 § 3. Formerly RCW 29.81A.010.]

\*Reviser's note: RCW 29A.04.320 was repealed by 2004 c 271 § 193. Later enactment, see RCW 29A.04.321.

**29A.32.220 Notice of production—Local governments' decision to participate.** (1) Not later than ninety days before the publication and distribution of a local voters' pamphlet by a county, the county auditor shall notify each city, town, or special taxing district located wholly within that county that a pamphlet will be produced.

(2) If a voters' pamphlet is published by the county for a primary or general election, the pamphlet shall be published for the elective offices and ballot measures of the county and for the elective offices and ballot measures of each unit of local government located entirely within the county which will appear on the ballot at that primary or election. However, the offices and measures of a first-class or code city shall not be included in the pamphlet if the city publishes and distributes its own voters' pamphlet for the primary or election for its offices and measures. The offices and measures of any other town or city are not required to appear in the county's pamphlet if the town or city is obligated by ordinance or charter to publish and distribute a voters' pamphlet for the primary or election for its offices and measures and it does so.

If the required appearance in a county's voters' pamphlet of the offices or measures of a unit of local government would create undue financial hardship for the unit of government, the legislative authority of the unit may petition the legislative authority of the county to waive this requirement. The legislative authority of the county may provide such a waiver if it does so not later than sixty days before the publication of the pamphlet and it finds that the requirement would create such hardship.

(3) If a city, town, or district is located within more than one county, the respective county auditors may enter into an interlocal agreement to permit the distribution of each

county's local voters' pamphlet into those parts of the city, town, or district located outside of that county.

(4) If a first-class or code city authorizes the production and distribution of a local voters' pamphlet, the city clerk of that city shall notify any special taxing district located wholly within that city that a pamphlet will be produced. Notification shall be provided in the manner required or provided for in subsection (1) of this section.

(5) A unit of local government located within a county and the county may enter into an interlocal agreement for the publication of a voters' pamphlet for offices or measures not required by subsection (2) of this section to appear in a county's pamphlet. [2003 c 111 § 814; 1994 c 191 § 1; 1984 c 106 § 4. Formerly RCW 29.81A.020.]

**29A.32.230 Administrative rules.** The county auditor or, if applicable, the city clerk of a first-class or code city shall, in consultation with the participating jurisdictions, adopt and publish administrative rules necessary to facilitate the provisions of any ordinance authorizing production of a local voters' pamphlet. Any amendment to such a rule shall also be adopted and published. Copies of the rules shall identify the date they were adopted or last amended and shall be made available to any person upon request. One copy of the rules adopted by a county auditor and one copy of any amended rules shall be submitted to the county legislative authority. One copy of the rules adopted by a city clerk and one copy of any amended rules shall be submitted to the city legislative authority. These rules shall include but not be limited to the following:

(1) Deadlines for decisions by cities, towns, or special taxing districts on being included in the pamphlet;

(2) Limits on the length and deadlines for submission of arguments for and against each measure;

(3) The basis for rejection of any explanatory or candidates' statement or argument deemed to be libelous or otherwise inappropriate. Any statements by a candidate shall be limited to those about the candidate himself or herself;

(4) Limits on the length and deadlines for submission of candidates' statements;

(5) An appeal process in the case of the rejection of any statement or argument. [2003 c 111 § 815. Prior: 1984 c 106 § 5. Formerly RCW 29.81A.030.]

**29A.32.241 Contents.** The local voters' pamphlet shall include but not be limited to the following:

(1) Appearing on the cover, the words "official local voters' pamphlet," the name of the jurisdiction producing the pamphlet, and the date of the election or primary;

(2) A list of jurisdictions that have measures or candidates in the pamphlet;

(3) Information on how a person may register to vote and obtain a ballot;

(4) The text of each measure accompanied by an explanatory statement prepared by the prosecuting attorney for any county measure or by the attorney for the jurisdiction submitting the measure if other than a county measure. All explanatory statements for city, town, or district measures not approved by the attorney for the jurisdiction submitting the measure shall be reviewed and approved by the county prosecuting attorney or city attorney, when applicable, before inclusion in the pamphlet;

cuting attorney or city attorney, when applicable, before inclusion in the pamphlet;

(5) The arguments for and against each measure submitted by committees selected pursuant to RCW 29A.32.280; and

(6) For partisan primary elections, information on how to vote the applicable ballot format and an explanation that minor political party candidates and independent candidates will appear only on the general election ballot. [2011 c 10 § 29; 2004 c 271 § 123.]

**Notice to registered poll voters—Elections by mail—2011 c 10:** See note following RCW 29A.04.008.

**29A.32.250 Candidates, when included.** If the legislative authority of a county or first-class or code city provides for the inclusion of candidates in the local voters' pamphlet, the pamphlet shall include the statements from candidates and may also include those candidates' photographs. [2003 c 111 § 817. Prior: 1984 c 106 § 7. Formerly RCW 29.81A.050.]

**29A.32.260 Mailing.** As soon as practicable before the primary, special election, or general election, the county auditor, or if applicable, the city clerk of a first-class or code city, as appropriate, shall mail the local voters' pamphlet to every residence in each jurisdiction that has included information in the pamphlet. The county auditor or city clerk, as appropriate, may choose to mail the pamphlet to each registered voter in each jurisdiction that has included information in the pamphlet, if in his or her judgment, a more economical and effective distribution of the pamphlet would result. [2011 c 10 § 30; 2003 c 111 § 818. Prior: 1984 c 106 § 8. Formerly RCW 29.81A.060.]

**Notice to registered poll voters—Elections by mail—2011 c 10:** See note following RCW 29A.04.008.

**29A.32.270 Cost.** The cost of a local voters' pamphlet shall be considered an election cost to those local jurisdictions included in the pamphlet and shall be prorated in the manner provided in RCW 29A.04.410. [2003 c 111 § 819. Prior: 1984 c 106 § 9. Formerly RCW 29.81A.070.]

**29A.32.280 Arguments advocating approval or disapproval—Preparation by committees.** For each measure from a unit of local government that is included in a local voters' pamphlet, the legislative authority of that jurisdiction shall, not later than forty-five days before the publication of the pamphlet, formally appoint a committee to prepare arguments advocating voters' approval of the measure and shall formally appoint a committee to prepare arguments advocating voters' rejection of the measure. The authority shall appoint persons known to favor the measure to serve on the committee advocating approval and shall, whenever possible, appoint persons known to oppose the measure to serve on the committee advocating rejection. Each committee shall have not more than three members, however, a committee may seek the advice of any person or persons. If the legislative authority of a unit of local government fails to make such appointments by the prescribed deadline, the county auditor shall whenever possible make the appointments. [2003 c 111

§ 820. Prior: 1994 c 191 § 2; 1984 c 106 § 10. Formerly RCW 29.81A.080.]

The positions on a ballot to be assigned to ballot measures regarding local units of government shall be established by the secretary of state by rule.

(3) The political party or independent candidacy of each candidate for partisan office shall be indicated next to the name of the candidate on the primary and election ballot. A candidate shall file a written notice with the filing officer within three business days after the close of the filing period designating the political party to be indicated next to the candidate's name on the ballot if either: (a) The candidate has been nominated by two or more minor political parties or independent conventions; or (b) the candidate has both filed a declaration of candidacy declaring an affiliation with a major political party and been nominated by a minor political party or independent convention. If no primary is required for any nonpartisan office under RCW 29A.52.011 or 29A.52.220, or if any independent or minor party candidate files a declaration of candidacy, the names shall appear on the general election ballot in the order determined by lot. The secretary of state shall adopt rules governing the preparation of sample ballots in counties with a population of one million or more. The rules shall permit, among other alternatives, the preparation of more than one sample ballot by a county with a population of one million or more for a primary or election, each of which lists a portion of the offices and issues to be voted on in that county. The position of precinct committee officer shall be shown on the sample ballot for the primary, but the names of candidates for the individual positions need not be shown. [2004 c 271 § 131.]

**29A.36.161 Arrangement of instructions, measures, offices—Order of candidates.** (1) On the top of each ballot must be printed clear and concise instructions directing the voter how to mark the ballot, including write-in votes. On the ballot at the general election for any other nonpartisan office for which no primary was held, the names of the candidates shall be listed in the order determined under RCW 29A.36.131.

(2) On the ballot at the general election for the office of justice of the supreme court, judge of the court of appeals, judge of the superior court, judge of the district court, or state superintendent of public instruction, if a candidate in a contested primary receives a majority of all the votes cast for that office or position, only the name of that candidate may be printed under the title of the office for that position. [2004 c 271 § 170.]

**29A.36.180 Disqualified candidates in nonpartisan elections—Special procedures for conduct of election.** This section applies if a candidate for an elective office of a city, town, or special purpose district would, under this chapter, otherwise qualify to have his or her name printed on the general election ballot for the office, but the candidate has been declared to be unqualified to hold the office by a court of competent jurisdiction.

(1) In a case in which a primary is conducted for the office:

(a) If ballots for the general election for the office have not been ordered by the county auditor, the candidate who received the third greatest number of votes for the office at the primary shall qualify as a candidate for general election and that candidate's name shall be printed on the ballot for the office in lieu of the name of the disqualified candidate.

(b) If general election ballots for the office have been so ordered, votes cast for the disqualified candidate at the general election for the office shall not be counted for that office.

(2) In a case in which a primary is not conducted for the office:

(a) If ballots for the general election for the office have not been ordered by the county auditor, the name of the disqualified candidate shall not appear on the general election ballot for the office.

(b) If general election ballots for the office have been so ordered, votes cast for the disqualified candidate at the general election for the office shall not be counted for that office.

(3) If the disqualified candidate is the only candidate to have filed for the office during a regular or special filing period for the office, a void in candidacy for the office exists. [2003 c 111 § 918. Prior: 1992 c 181 § 1. Formerly RCW 29.30.086.]

**29A.36.191 Partisan candidates qualified for general election.** The name of a candidate for a partisan office for which a primary was conducted shall not be printed on the ballot for that office at the subsequent general election unless, at the preceding primary, the candidate receives a number of votes equal to at least one percent of the total number of votes cast for all candidates for that office and a plurality of the votes cast by voters affiliated with that party for candidates for that office affiliated with that party. [2004 c 271 § 133.]

**29A.36.201 Names qualified to appear on election ballot.** The names of the persons certified as nominees by the secretary of state or the county canvassing board shall be printed on the ballot at the ensuing election.

No name of any candidate whose nomination at a primary is required by law shall be placed upon the ballot at a general or special election unless it appears upon the certificate of either (1) the secretary of state, or (2) the county canvassing board, or (3) a minor party convention or the state or county central committee of a major political party to fill a vacancy on its ticket under RCW 29A.28.021.

Excluding the office of precinct committee officer or a temporary elected position such as a charter review board member or freeholder, a candidate's name shall not appear more than once upon a ballot for a position regularly nominated or elected at the same election. [2004 c 271 § 171.]

"Will the . . . . . (insert the name of the taxing district) be authorized to impose regular property tax levies of . . . . . (insert the maximum rate) or less per thousand dollars of

assessed valuation for each of . . . . . (insert the maximum number of years allowable) consecutive years?

**Purpose—1984 c 131 §§ 3-9:** "The purpose of sections 3 through 6 of this act is to clarify requirements necessary for voters to authorize certain local governments to impose regular property tax levies for a series of years. Sections 3 through 9 of this act only clarify the existing law to avoid credence being given to an erroneous opinion that has been rendered by the attorney general. As cogently expressed in Attorney General Opinion, Number 14, Addendum, opinions rendered by the attorney general are advisory only and are merely a "prediction of the outcome if the matter were to be litigated." Nevertheless, confusion has arisen from this erroneous opinion." [1984 c 131 § 2.]

A special absentee ballot may not be requested more than ninety days before the applicable state primary or general election. The special absentee ballot will list the offices and measures, if known, scheduled to appear on the state primary or general election ballot. The voter may use the special absentee ballot to write in the name of any eligible candidate for each office and vote on any measure.

(2) The county auditor shall include a listing of any candidates who have filed before the time of the application for offices that will appear on the ballot at that primary or election and a list of any issues that have been referred to the ballot before the time of the application.

(3) Write-in votes on special absentee ballots must be counted in the same manner provided by law for the counting of other write-in votes. The county auditor shall process and canvass the special absentee ballots provided under this section in the same manner as other ballots under this chapter and chapter 29A.60 RCW.

**29A.40.100 Observers.** County auditors must request that observers be appointed by the major political parties to be present during the processing of ballots at the counting center. County auditors have discretion to also request that observers be appointed by any campaigns or organizations. The absence of the observers will not prevent the processing of ballots if the county auditor has requested their presence. [2011 c 10 § 40; 2003 c 111 § 1010. Prior: 2001 c 241 § 9. **29A.40.110 Processing incoming ballots. (Effective until January 1, 2012.)** (1) The opening and subsequent processing of return envelopes for any primary or election may begin upon receipt. The tabulation of absentee ballots must not commence until after 8:00 p.m. on the day of the primary or election.

(2) All received return envelopes must be placed in secure locations from the time of delivery to the county auditor until their subsequent opening. After opening the return envelopes, the county canvassing board shall place all of the ballots in secure storage until processing. Ballots may be taken from the inner envelopes and all the normal procedural steps may be performed to prepare these ballots for tabulation.

(3) The canvassing board, or its designated representatives, shall examine the postmark on the return envelope and signature on the declaration before processing the ballot. The ballot must either be received no later than 8:00 p.m. on the day of the primary or election, or must be postmarked no later than the day of the primary or election. All personnel

assigned to verify signatures must receive training on state-wide standards for signature verification. Personnel shall verify that the voter's signature on the ballot declaration is the same as the signature of that voter in the registration files of the county. Verification may be conducted by an automated verification system approved by the secretary of state. A variation between the signature of the voter on the ballot declaration and the signature of that voter in the registration files due to the substitution of initials or the use of common nicknames is permitted so long as the surname and handwriting are clearly the same.

(4) If the postmark is missing or illegible, the date on the ballot declaration to which the voter has attested determines the validity, as to the time of voting, for that ballot. For overseas voters and service voters, the date on the declaration to which the voter has attested determines the validity, as to the time of voting, for that ballot. Any overseas voter or service voter may return the signed declaration and voted ballot by fax or e-mail by 8:00 p.m. on the day of the primary or election, and the county auditor must use established procedures to maintain the secrecy of the ballot. (1) Return postage is free if the ballot is mailed through the United States postal service, United States armed forces postal service, or the postal service of a United States foreign embassy;

(2) The date of the signature is considered the date of mailing;

(3) The envelope must be signed by election day;

(4) The signed declaration on the envelope is the equivalent of voter registration;

(5) A voter may fax a voted ballot and the accompanying envelope if the voter agrees to waive secrecy. The ballot will be counted if the original documents are received before certification of the election; and

**29A.40.160 Voting centers.** (1) Each county auditor shall open a voting center each primary, special election, and general election. The voting center shall be open during business hours during the voting period, which begins eighteen days before, and ends at 8:00 p.m. on the day of, the primary, special election, or general election.

(2) The voting center must provide voter registration materials, ballots, provisional ballots, disability access voting units, sample ballots, instructions on how to properly vote the ballot, a ballot drop box, and voters' pamphlets, if a voters' pamphlet has been published.

(3) The voting center must be accessible to persons with disabilities. Each state agency and entity of local government shall permit the use of any of its accessible facilities as voting centers when requested by a county auditor.

(4) The voting center must provide at least one voting unit certified by the secretary of state that provides access to individuals who are blind or visually impaired, enabling them to vote with privacy and independence.

(5) No person may interfere with a voter attempting to vote in a voting center. Interfering with a voter attempting to vote is a violation of RCW 29A.84.510.

(6) Before opening the voting center, the voting equipment shall be inspected to determine if it has been properly prepared for voting. If the voting equipment is capable of direct tabulation of each voter's choices, the county auditor shall verify that no votes have been registered for any issue or office, and that the device has been sealed with a unique numbered seal at the time of final preparation and logic and accuracy testing. A log must be made of all device numbers and seal numbers.

(7) The county auditor shall require any person desiring to vote at a voting center to either sign a ballot declaration or provide identification.

(a) The signature on the declaration must be compared to the signature on the voter registration record before the ballot may be counted. If the voter registered using a mark, or can no longer sign his or her name, the election officers shall require the voter to be identified by another registered voter.

(b) The identification must be valid photo identification, such as a driver's license, state identification card, student identification card, tribal identification card, or employer identification card. Any individual who desires to vote in person but cannot provide identification shall be issued a provisional ballot, which shall be accepted if the signature on the declaration matches the signature on the voter's registration record.

(8) Provisional ballots must be accompanied by a declaration and security envelope, as required by RCW 29A.40.091, and space for the voter's name, date of birth, current and former registered address, reason for the provisional ballot, and disposition of the provisional ballot. The voter shall vote and return the provisional ballot at the voting center. The voter must be provided information on how to ascertain whether the provisional ballot was counted and, if applicable, the reason why the vote was not counted.

(9) Any voter may take printed or written material into the voting device to assist in casting his or her vote. The voter shall not use this material to electioneer and shall remove it when he or she leaves the voting center.

(10) If any voter states that he or she is unable to cast his or her votes due to a disability, the voter may designate a person of his or her choice, or two election officers, to enter the voting booth and record the votes as he or she directs.

(11) No voter is entitled to vote more than once at a primary, special election, or general election. If a voter incorrectly marks a ballot, he or she may be issued a replacement ballot.

(12) A voter who has already returned a ballot but requests to vote at a voting center shall be issued a provisional ballot. The canvassing board shall not count the provisional ballot if it finds that the voter has also voted a regular ballot in that primary, special election, or general election.

(13) The county auditor must prevent overflow of each ballot drop box to allow a voter to deposit his or her ballot securely. Ballots must be removed from a ballot drop box by at least two people, with a record kept of the date and time ballots were removed, and the names of people removing them. Ballots from drop boxes must be returned to the counting center in secured transport containers. A copy of the record must be placed in the container, and one copy must be transported with the ballots to the counting center, where the seal number must be verified by the county auditor or a designated representative. All ballot drop boxes must be secured at 8:00 p.m. on the day of the primary, special election, or general election.

(14) Any voter who is inside or in line at the voting center at 8:00 p.m. on the day of the primary, special election, or general election must be allowed to vote.

(15) For each primary, special election, and general election, the county auditor may provide election services at locations in addition to the voting center. The county auditor has

discretion to establish which services will be provided at the additional locations, and which days and hours the locations will be open. [2011 c 10 § 43.]

(2) Whenever candidates for a partisan office are to be elected, the general election must be preceded by a primary conducted under this chapter. (3) For partisan office, if a candidate has expressed a party or independent preference on the declaration of candidacy, then that preference will be shown after the name of the candidate on the primary and general election ballots by appropriate abbreviation as set forth in rules of the secretary of state. A candidate may express no party or independent preference. Any party or independent preferences are shown for the information of voters only and may in no way limit the options available to voters. **Reviser's note:** \*(1) RCW 29A.36.170 was repealed by 2004 c 271 § 193 and was subsequently amended by 2005 c 2 § 6 (Initiative Measure No. 872). Later enactment, see RCW 29A.36.171.

(2) The constitutionality of Initiative Measure No. 872 was upheld in *Washington State Grange v. Washington State Republican Party, et al.*, 552 U.S. . . . (2008).

**Short title—2005 c 2 (Initiative Measure No. 872):** "This act may be known and cited as the People's Choice Initiative of 2004." [2005 c 2 § 1 (Initiative Measure No. 872, approved November 2, 2004).]

**Intent—2005 c 2 (Initiative Measure No. 872):** "The Washington Constitution and laws protect each voter's right to vote for any candidate for any office. The Washington State Supreme Court has upheld the blanket primary as protecting compelling state interests "allowing each voter to keep party identification, if any, secret; allowing the broadest possible participation in the primary election; and giving each voter a free choice among all candidates in the primary." *Heavey v. Chapman*, 93 Wn.2d 700, 705, 611 P.2d 1256 (1980). The Ninth Circuit Court of Appeals has threatened this system through a decision, that, if not overturned by the United States Supreme Court, may require change. In the event of a final court judgment invalidating the blanket primary, this People's Choice Initiative will become effective to implement a system that best protects the rights of voters to make such choices, increases voter participation, and advances compelling interests of the state of Washington." [2005 c 2 § 2 (Initiative Measure No. 872, approved November 2, 2004).]

**Contingent effective date—2005 c 2 (Initiative Measure No. 872):** "This act takes effect only if the Ninth Circuit Court of Appeals' decision in *Democratic Party of Washington State v. Reed*, 343 F.3d 1198 (9th Cir. 2003) holding the blanket primary election system in Washington state invalid becomes final and a Final Judgment is entered to that effect." [2005 c 2 § 18 (Initiative Measure No. 872, approved November 2, 2004).]

**Reviser's note:** On February 28, 2004, the United States Supreme Court refused to take the case on appeal; therefore the Ninth Circuit's decision stands.

**29A.52.116 Application of chapter—Exceptions.** Major political party candidates for all partisan elected offices, except for president and vice president, precinct committee officer, and offices exempted from the primary under \*RCW 29A.52.011, must be nominated at primaries held under this chapter. [2004 c 271 § 139.]

**\*Reviser's note:** Offices exempted from partisan primaries are found in RCW 29A.52.111.

**29A.52.121 General election laws govern primaries.** So far as applicable, the provisions of this title relating to conducting general elections govern the conduct of primaries. [2004 c 271 § 143.]

**29A.52.130 Blanket primary authorized.** Except as provided otherwise in chapter 29A.56 RCW, all properly registered voters may vote for their choice at any primary held under this title, for any candidate for each office, regardless of political affiliation and without a declaration of political faith or adherence on the part of the voter. [2003 c 111 § 1304. Prior: 1990 c 59 § 88; 1965 c 9 § 29.18.200; prior: 1935 c 26 § 5, part; No RRS. Formerly RCW 29.18.200.]

**Intent—Effective date—1990 c 59:** See notes following RCW 29A.04.013.

**29A.52.141 Instructions.** Instructions for voting a consolidated ballot or a physically separate ballot, whichever is applicable, must appear, at the very least, in:

- (1) Any primary voters' pamphlet prepared by the secretary of state or a local government if a partisan office will appear on the ballot;
- (2) Instructions that accompany any partisan primary ballot;
- (3) Any notice of a partisan primary published in compliance with \*RCW 29A.52.311;
- (4) A sample ballot prepared by a county auditor under RCW 29A.36.151 for a partisan primary;
- (5) The web site of the office of the secretary of state and any existing web site of a county auditor's office; and
- (6) Every polling place. [2004 c 271 § 141.]

**\*Reviser's note:** RCW 29A.52.311 was repealed by 2011 c 10 § 86.

**29A.52.151 Ballot format—Procedures.** (1) Under a consolidated ballot format:

- (a) A voter's affiliation with a major political party is inferred from either selecting only that party in the check-off box, or voting only for candidates of that political party in partisan races;
- (b) A vote cast for a major political party candidate will only be tabulated and reported if cast by a voter who affiliated with that same major political party;
- (c) A vote cast for a major political party candidate by a voter who affiliated with a different major political party may not be tabulated or reported;
- (d) A vote cast for a major political party candidate by a voter who affiliated with more than one major political party may not be tabulated or reported; and
- (e) A vote properly cast may not be affected by votes improperly cast for other races.

(2) Under a physically separate ballot format:

- (a) Only one party ballot and one nonpartisan ballot may be voted;
- (b) If more than one party ballot is voted, none of the ballots may be tabulated or reported;
- (c) A voter's affiliation with a major political party is inferred from the act of voting the party ballot for that major political party; and
- (d) Every eligible registered voter may vote a nonpartisan ballot. [2007 c 38 § 4; 2004 c 271 § 142.]

**29A.52.161 One vote.** Nothing in this chapter may be construed to mean that a voter may cast more than one vote for candidates for a given office. [2004 c 271 § 144.]

NONPARTISAN PRIMARIES

**29A.52.210 Local primaries.** All city and town primaries shall be nonpartisan. Primaries for special purpose districts, except those districts that require ownership of property within the district as a prerequisite to voting, shall be nonpartisan. City, town, and district primaries shall be held as provided in \*RCW 29A.04.310.

The purpose of this section is to establish the holding of a primary, subject to the exemptions in RCW 29A.52.220, as a uniform procedural requirement to the holding of city, town, and district elections. These provisions supersede any and all other statutes, whether general or special in nature, having different election requirements. [2003 c 111 § 1305. The county auditor shall, as soon as possible, notify all the candidates so affected that the office for which they filed will not appear on the primary ballot.

(2) No primary may be held for nonpartisan offices in any first-class city if the city:

- (a) Is a qualifying city that has been certified to participate in the pilot project authorized by RCW 29A.53.020; and

**29A.52.240 Special election to fill unexpired term.** Whenever it is necessary to hold a special election to fill an unexpired term of an elective office of any city, town, or district, the special election must be held in concert with the next general election that is to be held by the respective city, town, or district concerned for the purpose of electing officers to full terms. [2004 c 271 § 146.]

**29A.52.330 Constitutional amendments and state measures—Notice method.** Subject to the availability of funds appropriated specifically for that purpose, the secretary of state shall publish notice of the proposed constitutional amendments and other state measures that are to be submitted to the people at a state general election up to four times during the four weeks immediately preceding that election in every legal newspaper in the state. The notice must be published in one or more newspapers of general circulation and must contain, at a minimum, the last date to register online or through the mail, the last date to transfer or update an existing registration, the last date to register in person for first-time voters, information on where a person can register, the type of election, the date of the election, how a voter can obtain a ballot, a list of all jurisdictions involved in the election, including positions and short titles for ballot measures appearing on the ballot, and the times and dates of any public meetings associated with the election. The notice shall also include where additional information regarding the election may be obtained. This is the only notice required for a state, county, district, or municipal primary or special or general election. **29A.53.010 Finding—Intent. (Expires July 1, 2013.)**

(1) The legislature finds that it is in the public interest to examine the use of a voting system that requires all victorious candidates to be elected with a majority vote rather than a plurality of effective votes, and that allows voters to designate secondary and other preferences for potential tabulation if their first choice candidate does not receive a majority of the votes cast. The legislature recognizes that the system known as instant runoff voting achieves these purposes.

(2) The legislature wishes to examine whether voter interest and participation in elections will increase when instant runoff voting, a voting method that promotes additional voter choices and a more meaningful recognition of all voter selections, is used to elect nonpartisan candidates. The legislature declares that it is in the interest of participatory democracy for voters to be given the opportunity to vote for their first choice candidate while still making effective secondary choices among the remaining candidates.

(3) The legislature therefore intends to authorize a limited pilot project to study the effects of using instant runoff voting as a local option for nonpartisan offices in any qualifying city. [2005 c 153 § 1.]

**29A.53.020 Participant qualifications, procedures, report. (Expires July 1, 2013.)** The legislature intends to establish an instant runoff voting pilot project to be completed by willing state and local election administrators in full partnership and cooperation.

If the county auditor of a county containing any city that has demonstrated support for instant runoff voting, as provided by subsection (1)(c) of this section, provides written notification of pilot project participation to the secretary of state by January 1, 2007, the secretary of state shall conduct a pilot project to examine the use of instant runoff voting as a local option for nonpartisan offices in any qualifying city in that county. Following the timely receipt by the secretary of state of the written notification, the pilot project must begin by August 1, 2008, and conclude no later than July 1, 2013.

(1) For the purposes of this chapter, a qualifying city must:

(a) Be classified as a first-class city as defined by chapter 35.22 RCW;

(b) Have a population greater than one hundred forty thousand and less than two hundred thousand as of July 24, 2005, as determined by the office of financial management; and

(c) Have demonstrated support for instant runoff voting by approving a city charter amendment authorizing the city council to use instant runoff voting for the election of city officers.

(2)(a) Following the timely receipt by the secretary of state of a notification of participation from a county auditor, and in accordance with the provisions of this section, the secretary of state shall certify at least one city in that county to qualify and participate in the pilot project. Only a qualifying city or cities certified for participation by the secretary of state may participate in the pilot project.

(b) The county auditor of a county containing a qualifying and certified city who has submitted a timely notification of participation shall participate in the pilot project.

(3) Elections conducted under the instant runoff voting method for the pilot project must comply with this chapter and may be held only on the dates specified by RCW 29A.04.330(1).

(4) For the purpose of implementing this chapter, the secretary of state shall develop and adopt:

(a) Rules governing the conduct of instant runoff voting elections; and

(b) A pilot project timeline. The secretary of state may consult with appropriate local officials to develop this timeline. The timeline is subject to review and modification by the secretary of state, as necessary.

(5) All election equipment and related processes shall be certified by the secretary of state before an election may be conducted under the instant runoff voting method.

(6) The secretary of state shall submit a report of findings to the appropriate committees of the legislature by July 1, 2013, that includes, but is not limited to:

(a) An assessment of all elections conducted using the instant runoff voting method;

(b) Recommendations for statutory, rule, and local voting procedural modifications that would be required prior to implementing instant runoff voting as a permanent alternative election method for special and general elections;

(c) An inventory of available election equipment necessary for conducting elections under the instant runoff method, including costs associated with the equipment; and

(d) Any recommendations from any city legislative body or county auditor participating in this pilot project. [2005 c 153 § 2.]

**29A.53.030 Definitions. (Expires July 1, 2013.)** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Candidates who remain" means all candidates who have not been eliminated at a previous stage.

(2) "Choice" means an indication on a ballot of a voter's ranking of candidates for any single office according to the voter's preference.

(3) "Continuing ballot" means a ballot that is not exhausted.

(4) "Exhausted ballot" means a ballot on which all indicated choices have become votes for the candidates so designated or when the ballot contains only choices for eliminated candidates.

(5) "Instant runoff voting" means a system of voting in which voters may designate as many as three candidates for

the same office in order of preference by indicating a first choice, a second choice, and a third choice.

(6) "Last place candidate" means a candidate who has received the fewest votes among the candidates who remain at any stage. Two or more candidates simultaneously become last place candidates when their combined votes are equal to or fewer than all votes for the candidate with the third highest vote total.

(7) "Next choice" means the highest ranked choice for a remaining candidate that has not become a vote at a previous stage.

(8) "Remaining candidate" means a candidate who has not been eliminated.

(9) "Stage" or "stage in the counting" means a step in the counting process during which votes for all remaining candidates are tabulated for the purpose of determining whether a candidate has achieved a majority of the votes cast for a particular office, and, absent a majority, which candidate or candidates must be eliminated.

(10) "Vote" means a ballot choice that is counted toward election of a candidate. Except as provided by RCW 29A.53.050 and 29A.53.060, all first choices are votes. Lower ranked choices are potential votes that may, in accordance with the requirements of this chapter, be credited to and become votes for a candidate. [2005 c 153 § 3.]

**29A.53.040 Application of election laws. (Expires July 1, 2013.)** To the extent they are not inconsistent with this chapter, the laws governing elections apply to the pilot project on instant runoff voting authorized by this chapter. The authority of a city meeting the criteria of RCW 29A.53.020 and 29A.53.070 to participate in an election conducted under the instant runoff voting method expires on July 1, 2013. [2005 c 153 § 4.]

**29A.53.050 Tabulation of ballots—Counting stages. (Expires July 1, 2013.)** The following provisions, subject to the conditions of RCW 29A.53.060, govern how votes for candidates for each office shall be tabulated under the instant runoff voting method:

(1) All first choice votes cast for the office shall be tabulated in the first counting stage. If, following this first counting stage, a candidate receives a majority of the votes cast for the office, that candidate is deemed elected to the office and counting ends;

(2) If no candidate receives a majority of the votes cast for the office during the first counting stage, the second counting stage begins by eliminating the last place candidate for that office. On ballots that indicate a first choice preference for the eliminated candidate, the second choice preferences are counted as votes for the candidates so designated. If, following this second counting stage, a candidate receives a majority of the votes cast for the office, that candidate is deemed elected to the office and counting ends;

(3) If, following the second counting stage, no candidate receives a majority of the votes cast for the office, the third counting stage begins by eliminating the last place candidate for that office. On ballots that indicate a first choice preference for the eliminated candidate, the next choice preferences are counted as votes for the candidates so designated. If, fol-

lowing this third counting stage, a candidate receives a majority of votes cast for the office, that candidate is deemed elected to the office and counting ends;

(4) If, following the third counting stage, no candidate receives a majority of the votes cast for the office, the counting process provided by subsection (3) of this section continues in succession until either a candidate receives a majority of the votes cast for the office or all but one candidate has been eliminated. In accordance with the provisions of this subsection, a candidate who receives either a majority of the votes cast for the office or who is the sole remaining candidate shall be deemed elected to the office; and

(5) If at any stage in the counting process there are two or more last place candidates for the office, these candidates must be eliminated simultaneously. On ballots that indicate a first choice preference for the eliminated candidates, the next choice preferences shall be counted as votes for the candidates so designated. [2005 c 153 § 5.]

**29A.53.060 Voting conditions and limitations. (Expires July 1, 2013.)** (1)(a) Once a ballot is exhausted, it is disregarded and not subject to additional tabulation procedures.

(b) A ballot assigning the same ranking to more than one candidate for an office is exhausted when the duplicate ranking is reached. No vote may be recorded for any candidates designated with the same ranking on the same ballot.

(2) The county auditor may not count more than three choices for any one office from a ballot.

(3) If the total number of votes for all write-in candidates in each race during any counting stage is fewer than the last place candidate among the candidates appearing on the ballot, all write-in candidates must be eliminated for that counting stage and subsequent counting stages.

(4) If, following the conclusion of the counting stages, the tabulated ballots do not contain a sufficient number of effective second and lower choices for a candidate to receive a majority of the votes cast for any office, the candidate who either has the highest number of votes credited to him or her for that office, or who is the sole remaining candidate shall be deemed elected to the office.

(5) No votes may be counted for a candidate who has been eliminated. [2005 c 153 § 6.]

**29A.53.070 Local option authorized. (Expires July 1, 2013.)** (1) In accordance with the provisions of RCW 29A.53.020, the legislative body of a qualifying city may, for a specific election or elections, adopt instant runoff voting as the method for electing candidates for all nonpartisan city offices.

(2)(a) After adoption of instant runoff voting by the legislative body of a qualifying city for a specific election or elections as provided for by subsection (1) of this section, the city shall, before conducting an election using the instant runoff voting method, notify the county auditor and the secretary of state of its intent to hold such an election.

(b) If the county auditor notifies the city that existing election equipment of the county is insufficient for conducting an election under the instant runoff voting method, the city and the auditor shall negotiate an agreement for the pur-

chase of any new equipment specifically required for this election method. Nothing in this subsection precludes the auditor from canvassing the returns of an instant runoff voting election by hand.

(3) The date of any election conducted under the instant runoff voting method must be consistent with the timeline required by RCW 29A.53.020. [2005 c 153 § 7.]

**29A.53.080 Ballot specifications and directions to voters. (Expires July 1, 2013.)** Ballots for elections conducted under the instant runoff voting method should be clear and easily understood. Sample ballots illustrating voting procedures must be posted in or near voting booths and included within instruction packets for absentee ballots. Directions provided to voters must conform substantially to the following specifications:

"You may choose a maximum of three candidates for each office in order of preference. Indicate your first choice designation by marking the number "1" beside a candidate's name (or by marking in the column labeled "First Choice"). Indicate your second choice designation by marking the number "2" beside a candidate's name (or by marking in the column labeled "Second Choice"). Indicate your third choice designation by marking the number "3" beside a candidate's name (or by marking in the column labeled "Third Choice"). You are not required to choose more than one candidate for each office. Designating two or more candidates in order of preference will not affect your first choice designation. Do not mark the same designation number beside more than one candidate or put more than one mark in each column for the office on which you are voting. Do not skip designation numbers." [2005 c 153 § 8.]

**29A.53.090 Changes in voting devices and counting methods. (Expires July 1, 2013.)** Participating state and local election officials may provide for voting directions and the design, processing, and tabulation of instant runoff voting ballots used in the pilot project authorized by RCW 29A.53.020. State and local actions must be consistent with the provisions of this chapter.

Election officials should provide voters with a ballot that has a distinctive design, format, or layout for offices to which instant runoff voting applies. Ballot sections for contests that have fewer than three candidates for the same office, however, may differ from ballot sections for which the instant runoff voting method applies. [2005 c 153 § 9.]

**29A.53.900 Expiration date.** This chapter expires July 1, 2013. [2005 c 153 § 13.]

#### PRESIDENTIAL PRIMARY

**29A.56.010 Intent.** The people of the state of Washington declare that:

(1) The current presidential nominating caucus system in Washington state is unnecessarily restrictive of voter participation in that it discriminates against the elderly, the infirm, women, the disabled, evening workers, and others who are unable to attend caucuses and therefore unable to fully partic-

ipate in this most important quadrennial event that occurs in our democratic system of government.

(2) It is the intent of this chapter to make the presidential selection process more open and representative of the will of the people of our state.

(3) A presidential primary will afford the maximum opportunity for voter access at regular polling places during the daytime and evening hours convenient to the most people.

(4) This state's participation in the selection of presidential candidates shall be in accordance with the will of the people as expressed in a presidential preference primary.

(5) It is the intent of this chapter, to the maximum extent practicable, to continue to reserve to the political parties the right to conduct their delegate selection as prescribed by party rules insofar as it reflects the will of the people as expressed in a presidential primary election conducted every four years in the manner described by this chapter. [2003 c 111 § 1401; 1989 c 4 § 1 (Initiative Measure No. 99). Formerly RCW 29.19.010.]

## PRESIDENTIAL ELECTORS

**29A.56.300 States' agreement—Presidential election—National popular vote.** The agreement among the states to elect the president by national popular vote is hereby entered into and enacted into law with all jurisdictions legally joining therein, in the form substantially as follows:

### ARTICLE I - Membership

Any state of the United States and the District of Columbia may become a member of this agreement by enacting this agreement.

### ARTICLE II - Right of the People in Member States to Vote for President and Vice President

Each member state shall conduct a statewide popular election for president and vice president of the United States.

### ARTICLE III - Manner of Appointing Presidential Electors in Member States

Prior to the time set by law for the meeting and voting by the presidential electors, the chief election official of each

member state shall determine the number of votes for each presidential slate in each state of the United States and in the District of Columbia in which votes have been cast in a statewide popular election and shall add such votes together to produce a "national popular vote total" for each presidential slate.

The chief election official of each member state shall designate the presidential slate with the largest national popular vote total as the "national popular vote winner."

The presidential elector certifying official of each member state shall certify the appointment in that official's own state of the elector slate nominated in that state in association with the national popular vote winner.

At least six days before the day fixed by law for the meeting and voting by the presidential electors, each member state shall make a final determination of the number of popular votes cast in the state for each presidential slate and shall communicate an official statement of such determination within twenty-four hours to the chief election official of each other member state.

The chief election official of each member state shall treat as conclusive an official statement containing the number of popular votes in a state for each presidential slate made by the day established by federal law for making a state's final determination conclusive as to the counting of electoral votes by congress.

In event of a tie for the national popular vote winner, the presidential elector certifying official of each member state shall certify the appointment of the elector slate nominated in association with the presidential slate receiving the largest number of popular votes within that official's own state.

If, for any reason, the number of presidential electors nominated in a member state in association with the national popular vote winner is less than or greater than that state's number of electoral votes, the presidential candidate on the presidential slate that has been designated as the national popular vote winner shall have the power to nominate the presidential electors for that state and that state's presidential elector certifying official shall certify the appointment of such nominees.

The chief election official of each member state shall immediately release to the public all vote counts or statements of votes as they are determined or obtained.

This article shall govern the appointment of presidential electors in each member state in any year in which this agreement is, on July 20, in effect in states cumulatively possessing a majority of the electoral votes.

### ARTICLE IV - Other Provisions

This agreement shall take effect when states cumulatively possessing a majority of the electoral votes have enacted this agreement in substantially the same form and the enactments by such states have taken effect in each state.

Any member state may withdraw from this agreement, except that a withdrawal occurring six months or less before the end of a president's term shall not become effective until a president or vice president shall have been qualified to serve the next term.

The chief executive of each member state shall promptly notify the chief executive of all other states of when this

agreement has been enacted and has taken effect in that official's state, when the state has withdrawn from this agreement, and when this agreement takes effect generally.

This agreement shall terminate if the electoral college is abolished.

If any provision of this agreement is held invalid, the remaining provisions shall not be affected.

#### ARTICLE V - Definitions

For purposes of this agreement:

"Chief executive" shall mean the governor of a state of the United States or the mayor of the District of Columbia;

"Elector slate" shall mean a slate of candidates who have been nominated in a state for the position of presidential elector in association with a presidential slate;

"Chief election official" shall mean the state official or body that is authorized to certify the total number of popular votes for each presidential slate;

"Presidential elector" shall mean an elector for president and vice president of the United States;

"Presidential elector certifying official" shall mean the state official or body that is authorized to certify the appointment of the state's presidential electors;

"Presidential slate" shall mean a slate of two persons, the first of whom has been nominated as a candidate for president of the United States and the second of whom has been nominated as a candidate for vice president of the United States, or any legal successors to such persons, regardless of whether both names appear on the ballot presented to the voter in a particular state;

"State" shall mean a state of the United States and the District of Columbia; and

"Statewide popular election" shall mean a general election in which votes are cast for presidential slates by individual voters and counted on a statewide basis. [2009 c 264 § 2.]

**Intent—2009 c 264:** "It is the intent of the legislature to enter into the agreement among the states to elect the president by national popular vote. This agreement is a contract between the member states. As a contract, this agreement is governed by the legal principles applicable to contracts. As with a contract, in order for this agreement to have the force of law in a jurisdiction that wishes to enter into the agreement, it must be accepted in precisely the same terms that constitute the offer. Any material variance between the offer and acceptance precludes the formation of a contract. Therefore, the agreement among the states to elect the president by national popular vote must be enacted by Washington under identical terms as contained in the agreement and as enacted by Hawaii, Illinois, Maryland, and New Jersey, subject to only nonmaterial changes." [2009 c 264 § 1.]

**29A.56.310 Date of election—Number.** On the Tuesday after the first Monday of November in the year in which a president of the United States is to be elected, there shall be elected as many electors of president and vice president of the United States as there are senators and representatives in Congress allotted to this state. [2003 c 111 § 1424; 1965 c 9 § 29.71.010. Prior: 1891 c 148 § 1; RRS § 5138. Formerly RCW 29.71.010.]

**29A.56.320 Nomination—Pledge by electors—What names on ballots—How counted.** In the year in which a presidential election is held, each major political party and each minor political party or independent candidate convention held under chapter 29A.20 RCW that nominates candi-

dates for president and vice president of the United States shall nominate presidential electors for this state. The party or convention shall file with the secretary of state a certificate signed by the presiding officer of the convention at which the presidential electors were chosen, listing the names and addresses of the presidential electors. Each presidential elector shall execute and file with the secretary of state a pledge that, as an elector, he or she will vote for the candidates nominated by that party. The names of presidential electors shall not appear on the ballots. The votes cast for candidates for president and vice president of each political party shall be counted for the candidates for presidential electors of that political party; however, if the interstate compact entitled the "agreement among the states to elect the president by national popular vote," as set forth in RCW 29A.56.300, governs the appointment of the presidential electors for a presidential election as provided in clause 9 of Article III of that compact, then the final appointment of presidential electors for that presidential election shall be in accordance with that compact. [2009 c 264 § 3; 2003 c 111 § 1425. Prior: 1990 c 59 § 69; 1977 ex.s. c 238 § 1; 1965 c 9 § 29.71.020; prior: 1935 c 20 § 1; RRS § 5138-1. Formerly RCW 29.71.020.]

**Intent—Effective date—1990 c 59:** See notes following RCW 29A.04.013.

#### **29A.56.330 Counting and canvassing the returns.**

The votes for candidates for president and vice president must be canvassed under chapter 29A.60 RCW. The secretary of state shall prepare three lists of names of electors elected and affix the seal of the state. The lists must be signed by the governor and secretary of state and by the latter delivered to the college of electors at the hour of their meeting. [2003 c 111 § 1426; 1965 c 9 § 29.71.030. #### **29A.56.340 Meeting—Time—Procedure—Voting for nominee of other party, penalty.**

The electors of the president and vice president shall convene at the seat of government on the day fixed by federal statute, at the hour of twelve o'clock noon of that day. If there is any vacancy in the office of an elector occasioned by death, refusal to act, neglect to attend, or otherwise, the electors present shall immediately proceed to fill it by voice vote, and plurality of votes. When all of the electors have appeared and the vacancies have been filled they shall constitute the college of electors of the state of Washington, and shall proceed to perform the duties required of them by the Constitution and laws of the United States. Any elector who votes for a person or persons not nominated by the party of which he or she is an elector is subject to a civil penalty of up to one thousand dollars. meeting of the college of electors, and ten cents per mile for travel by the usually traveled route in going to and returning from the place where the electors meet. [2003 c 111 § 1428; 1965 c 9 § 29.71.050. Prior: 1891 c 148 § 4; RRS § 5141. Formerly RCW 29.71.050.]

**29A.56.360 Slate of presidential electors.** In a year in which the president and vice president of the United States are to be elected, the secretary of state shall include in the certification prepared under \*RCW 29A.52.320 the names of all candidates for president and vice president who, at least fifty days before the general election, have certified a slate of electors to the secretary of state under RCW 29A.56.320 and have been nominated either (1) by a major political party, as certified by the appropriate authority under party rules, or (2) by a minor party or as independent candidates under chapter 29A.20 RCW. Major or minor political parties or independent presidential candidates may substitute a different candidate for vice president for the one whose name appears on the party's certification or nominating petition at any time before forty-five days before the general election, by certifying the change to the secretary of state. Substitutions must not be permitted to delay the printing of either ballots or a voters' pamphlet. Substitutions are valid only if submitted under oath and signed by the same individual who originally certified the nomination, or his or her documented successor, and only if the substitute candidate consents in writing. [2003 c 111 § 1429. Prior: 2001 c 30 § 1. Formerly RCW 29.27.140.]

**29A.60.010 Conduct of elections—Canvass.** All elections, whether special or general, held under RCW \*29A.04.320 and 29A.04.330 must be conducted by the county auditor as ex officio county supervisor of elections and, except as provided in RCW 29A.60.240, the returns canvassed by the county canvassing board. [2003 c 111 § 1501; 1965 c 123 § 4; 1965 c 9 § 29.13.040. Prior: 1963 c 200 § 6; 1955 c 55 § 3; 1951 c 257 § 4; 1951 c 101 § 4; 1949 c 161 § 5; Rem. Supp. 1949 § 5153-1. Formerly RCW 29.13.040.]

\*Reviser's note: RCW 29A.04.320 was repealed by 2004 c 271 § 193. Later enactment, see RCW 29A.04.321.

**29A.60.021 Write-in voting—Declaration of candidacy—Counting of vote.** (1) For any office at any election or primary, any voter may write in on the ballot the name of any person for an office who has filed as a write-in candidate for the office in the manner provided by RCW 29A.24.311 and such vote shall be counted the same as if the name had been printed on the ballot and marked by the voter. No write-in vote made for any person who has not filed a declaration of candidacy pursuant to RCW 29A.24.311 is valid if that person filed for the same office, either as a regular candidate or a write-in candidate, at the preceding primary. Any abbreviation used to designate office or position will be accepted if the canvassing board can determine, to its satisfaction, the voter's intent.

(2) The number of write-in votes cast for each office must be recorded and reported with the canvass for the election.

(3) A write-in vote for an individual candidate for an office whose name appears on the ballot for that same office is a valid vote for that candidate as long as the candidate's name is clearly discernible, even if other requirements of RCW 29A.24.311 are not satisfied and even if the voter also marked a vote for that candidate such as to register an overvote. These votes need not be tabulated unless: (a) The difference between the number of votes cast for the candidate apparently qualified to appear on the general election ballot or elected and the candidate receiving the next highest number of votes is less than the sum of the total number of write-in votes cast for the office plus the overvotes and undervotes

recorded by the vote tabulating system; or (b) a manual recount is conducted for that office.

(4) Write-in votes cast for an individual candidate for an office whose name does not appear on the ballot need not be tallied unless the total number of write-in votes and undervotes recorded by the vote tabulation system for the office is greater than the number of votes cast for the candidate apparently qualified to appear on the general election ballot or elected.

(5) In the case of write-in votes for a statewide office or any office whose jurisdiction encompasses more than one county, write-in votes for an individual candidate must be tallied when the county auditor is notified by either the secretary of state or another county auditor in the multicounty jurisdiction that it appears that the write-in votes must be tabulated under the terms of this section. In all other cases, the county auditor determines when write-in votes must be tabulated. Any abstract of votes must be modified to reflect the tabulation and certified by the canvassing board. Tabulation of write-in votes may be performed simultaneously with a recount. [2005 c 243 § 12; 2004 c 271 § 147.]

**29A.60.040 Rejection of ballots or parts—Write-in votes.** A ballot is invalid and no votes on that ballot may be counted if it is found folded together with another ballot.

Those parts of a ballot are invalid and no votes may be counted for those issues or offices where more votes are cast for the office or issue than are permitted by law; write-in votes do not contain all of the information required under RCW 29A.60.021; or that issue or office is not marked with sufficient definiteness to determine the voter's choice or intention. No write-in vote may be rejected due to a variation in the form of the name if the canvassing board can determine the issue for or against which or the person and the office for which the voter intended to vote. **29A.60.050 Questions on validity of ballot—Rejection—Preservation and return.** Whenever the counting center personnel have a question about the validity of a ballot or the votes for an office or issue that they are unable to resolve, they shall prepare and sign a concise record of the facts in question or dispute. These ballots shall be delivered to the canvassing board for processing. A ballot is not considered rejected until the canvassing board has rejected the ballot individually, or the ballot was included in a batch or on a report of ballots that was rejected in its entirety by the canvassing board. All ballots shall be preserved in the same manner as valid ballots for that primary or election. [2011 c

Cumulative returns for state offices, judicial offices, the United States senate, and congress must be electronically transmitted to the secretary of state immediately. [2005 c 274 § 249; 2005 c 243 § 14; 2003 c 111 § 1507. Prior: 1990 c 59 § 60. Formerly RCW 29.54.105.]

**Reviser's note:** This section was amended by 2005 c 243 § 14 and by 2005 c 274 § 249, each without reference to the other. Both amendments are incorporated in the publication of this section under RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

- (1) Sample ballot formats together with a record of the format or formats assigned to each precinct;
- (2) All programming material related to the control of the vote tallying system for that primary or election; and

**29A.60.095 Electronic voting devices—Record maintenance.** (1) The electronic record produced and counted by electronic voting devices is the official record of each vote for election purposes. The paper record produced under RCW 29A.12.085 must be stored and maintained for use only in the following circumstances:

- (a) In the event of a manual recount;
- (b) By order of the county canvassing board;
- (c) By order of a court of competent jurisdiction; or

*Unauthorized removal of paper record from voting center: RCW 29A.84.545.*

**29A.60.100 Votes by stickers, printed labels, rejected.** Votes cast by stickers or printed labels are not valid for any purpose and shall be rejected. Votes cast by sticker or label shall not affect the validity of other offices or issues on the voter's ballot. [2003 c 111 § 1510. Prior: 1990 c 59 § 46; 1965 ex.s. c 101 § 16. Formerly RCW 29.51.175.]

**Intent—Effective date—1990 c 59:** See notes following RCW 29A.04.013.

**29A.60.110 Ballot containers, sealing, opening.** Immediately after their tabulation, all ballots counted at a ballot counting center must be sealed in containers that identify the primary or election and be retained for at least sixty days or according to federal law, whichever is longer.

In the presence of major party observers who are available, ballots may be removed from the sealed containers at the elections department and consolidated into one sealed container for storage purposes. The containers may only be opened by the canvassing board as part of the canvass, or to conduct recounts, or under \*RCW 29A.60.170(3), or by order of the superior court in a contest or election dispute. If the canvassing board opens a ballot container, it shall make a full record of the additional tabulation or examination made of the ballots. This record must be added to any other record of the canvassing process in that county. [2011 c 10 § 50; 2003 c 111 § 1511; 1999 c 158 § 14; 1990 c 59 § 59. Formerly RCW 29.54.075.]

**29A.60.120 Counting ballots—Official returns.** (1) All voted ballots must be manually inspected for damage, write-in votes, and incorrect or incomplete marks. If it is found that any ballot is damaged so that it cannot properly be counted by the vote tallying system, a true duplicate copy must be made of the damaged ballot in the presence of witnesses and substituted for the damaged ballot. All damaged ballots must be kept by the county auditor until sixty days after the primary or election or according to federal law, whichever is longer.

(2) The returns produced by the vote tallying system, to which have been added the counts of questioned ballots, and write-in votes, constitute the official returns of the primary or election in that county. [2011 c 10 § 51; 2003 c 111 § 1512;

1999 c 158 § 15; 1990 c 59 § 33; 1977 ex.s. c 361 § 74. Formerly RCW 29.54.085, 29.34.167.]

Additional notes found at [www.leg.wa.gov](http://www.leg.wa.gov)

**29A.60.125 Damaged ballots.** If inspection of the ballot reveals a physically damaged ballot or ballot that may be otherwise unreadable or uncountable by the tabulating system, the county auditor may refer the ballot to the county canvassing board or duplicate the ballot if so authorized by the county canvassing board. The voter's original ballot may not be altered. A ballot may be duplicated only if the intent of the voter's marks on the ballot is clear and the electronic voting equipment might not otherwise properly tally the ballot to reflect the intent of the voter. Ballots must be duplicated by teams of two or more people working together. When duplicating ballots, the county auditor shall take the following steps to create and maintain an audit trail of the action taken:

(1) Each original ballot and duplicate ballot must be assigned the same unique control number, with the number being marked upon the face of each ballot, to ensure that each duplicate ballot may be tied back to the original ballot;

(2) A log must be kept of the ballots duplicated, which must at least include:

(a) The control number of each original ballot and the corresponding duplicate ballot;

(b) The initials of at least two people who participated in the duplication of each ballot; and

(c) The total number of ballots duplicated.

Original and duplicate ballots must be sealed in secure storage at all times, except during duplication, inspection by the canvassing board, or tabulation. [2005 c 243 § 10.]

**29A.60.130 Certificate not withheld for informality in returns.** No certificate shall be withheld on account of any defect or informality in the returns of any election, if it can with reasonable certainty be ascertained from such return what office is intended, and who is entitled to such certificate, nor shall any commission be withheld by the governor on account of any defect or informality of any return made to the office of the secretary of state. [2003 c 111 § 1513. Prior: 1965 c 9 § 29.27.120; prior: Code 1881 § 3102; 1865 p 41 § 13; RRS § 5347. Formerly RCW 29.27.120.]

**29A.60.140 Canvassing board—Membership—Authority—Delegation of authority—Rule making.** (1) Members of the county canvassing board are the county auditor, who is the chair, the county prosecuting attorney, and the chair of the county legislative body. If a member of the board is not available to carry out the duties of the board, then the auditor may designate a deputy auditor, the prosecutor may designate a deputy prosecuting attorney, and the chair of the county legislative body may designate another member of the county legislative body or, in a county with a population over one million, an employee of the legislative body who reports directly to the chair. An "employee of the legislative body" means an individual who serves in any of the following positions: Chief of staff; legal counsel; clerk of the council; pol-

icy staff director; and any successor positions to these positions should these original positions be changed. Any such designation may be made on an election-by-election basis or may be on a permanent basis until revoked by the designating authority. Any such designation must be in writing, and if for a specific election, must be filed with the county auditor not later than the day before the first day duties are to be undertaken by the canvassing board. If the designation is permanent until revoked by the designating authority, then the designation must be on file in the county auditor's office no later than the day before the first day the designee is to undertake the duties of the canvassing board. Members of the county canvassing board designated by the county auditor, county prosecuting attorney, or chair of the county legislative body shall complete training as provided in RCW 29A.04.540 and shall take an oath of office similar to that taken by county auditors and deputy auditors in the performance of their duties.

(2) The county canvassing board may adopt rules that delegate in writing to the county auditor or the county auditor's staff the performance of any task assigned by law to the canvassing board.

(3) The county canvassing board may not delegate the responsibility of certifying the returns of a primary or election, of determining the validity of challenged ballots, or of determining the validity of provisional ballots referred to the board by the county auditor.

(4) The county canvassing board shall adopt administrative rules to facilitate and govern the canvassing process in that jurisdiction.

(5) Meetings of the county canvassing board are public meetings under chapter 42.30 RCW. All rules adopted by the county canvassing board must be adopted in a public meeting under chapter 42.30 RCW, and once adopted must be available to the public to review and copy under chapter 42.56 RCW. [2008 c 308 § 1; 2005 c 274 § 250; 2003 c 111 § 1514.]

**Part headings not law—Effective date—2005 c 274:** See RCW 42.56.901 and 42.56.902.

**29A.60.150 Procedure when member a candidate.** The members of the county canvassing board may not include individuals who are candidates for an office to be voted upon at the primary or election. If no individual is available to serve on the canvassing board who is not a candidate at the primary or election the individual who is a candidate must not make decisions regarding the determination of a voter's intent with respect to a vote cast for that specific office; the decision must be made by the other two members of the board. If the two disagree, the vote must not be counted unless the number of those votes could affect the result of the primary or election, in which case the secretary of state or a designee shall make the decision on those votes. This section does not restrict participation in decisions as to the acceptance or rejection of entire ballots, unless the office in question is the only one for which the voter cast a vote. (2) Saturdays, Sundays, and legal holidays are not counted for purposes of this section.

(3) In order to protect the secrecy of a ballot, the county auditor may use discretion to decide when to process absentee ballots and canvass the votes.

The auditor shall send the voter a change-of-name form under RCW 29A.08.440 and direct the voter to complete the form.

The random check will be limited to one office or issue on the ballots in the precincts or batches that are selected for the check. The selection of the precincts or batches to be checked must be selected according to procedures established by the county canvassing board and the check must be completed no later than forty-eight hours after election day. For purposes of this audit, the results recorded on paper must be tabulated as follows: On one-fourth of the devices selected for audit, the paper records must be tabulated manually; on the remaining devices, the paper records may be tabulated by a mechanical device determined by the

Any group of five or more registered voters may file a written application for a recount of the votes or a portion of the votes cast upon any question or issue. They shall designate one of the members of the group as chair and shall indicate the voting residence of each member of the group.

An application for a recount of the votes cast for an office or on a ballot measure must be filed with the officer with whom filings are made for the jurisdiction.

An application for a recount must specify whether the recount will be done manually or by the vote tally system. A recount done by the vote tally system must use programming that recounts and reports only the office or ballot measure in question. The county shall also provide for a test of the logic and accuracy of that program.

An application for a recount must be filed within three business days after the county canvassing board or secretary of state has declared the official results of the primary or election for the office or issue for which the recount is requested.

This chapter applies to the recounting of votes cast by paper ballots and to the recounting of votes recorded on ballots counted by a vote tally system. [2004 c 271 § 177.]

This chapter applies to the recounting of votes cast by paper ballots and to the recounting of votes recorded on ballots counted by a vote tally system. [2011 c 349 § 23; 2004 c 271 § 177.]

**Effective date—2011 c 349:** See note following RCW 29A.04.255.

**29A.64.021 Mandatory.** (1) If the official canvass of all of the returns for any office at any primary or election reveals that the difference in the number of votes cast for a candidate apparently nominated or elected to any office and the number of votes cast for the closest apparently defeated opponent is less than two thousand votes and also less than one-half of one percent of the total number of votes cast for both candidates, the county canvassing board shall conduct a recount of all votes cast on that position.

(a) Whenever such a difference occurs in the number of votes cast for candidates for a position the declaration of candidacy for which was filed with the secretary of state, the secretary of state shall, within three business days of the day that the returns of the primary or election are first certified by the canvassing boards of those counties, direct those boards to recount all votes cast on the position.

(b)(i) For statewide elections, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than one thousand votes and also less than one-fourth of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually or as provided in subsection (3) of this section.

(ii) For elections not included in (b)(i) of this subsection, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than one hundred fifty votes and also less than one-fourth of one percent of the total number of votes cast for both candi-

dates, the votes shall be recounted manually or as provided in subsection (3) of this section.

(2) A mandatory recount shall be conducted in the manner provided by RCW 29A.64.030, 29A.64.041, and 29A.64.061. No cost of a mandatory recount may be charged to any candidate.

(3) The apparent winner and closest apparently defeated opponent for an office for which a manual recount is required under subsection (1)(b) of this section may select an alternative method of conducting the recount. To select such an alternative, the two candidates shall agree to the alternative in a signed, written statement filed with the election official for the office. The recount shall be conducted using the alternative method if: It is suited to the balloting system that was used for casting the votes for the office; it involves the use of a vote tallying system that is approved for use in this state by the secretary of state; and the vote tallying system is readily available in each county required to conduct the recount. If more than one balloting system was used in casting votes for the office, an alternative to a manual recount may be selected for each system. [2005 c 243 § 19; 2004 c 271 § 178.]

**29A.64.030 Deposit of fees—Notice—Public proceeding. (Effective until January 1, 2012.)** An application for a recount shall state the office for which a recount is requested and whether the request is for all or only a portion of the votes cast in that jurisdiction of that office. The person filing an application for a manual recount shall, at the same time, deposit with the county canvassing board or secretary of state, in cash or by certified check, a sum equal to twenty-five cents for each ballot cast in the jurisdiction or portion of the jurisdiction for which the recount is requested as security for the payment of any costs of conducting the recount. If the application is for a machine recount, the deposit must be equal to fifteen cents for each ballot. These charges shall be determined by the county canvassing board or boards under RCW 29A.64.081.

The county canvassing board shall determine the date, time, and place or places at which the recount will be conducted. Not less than two days before the date of the recount, the county auditor shall mail a notice of the time and place of the recount to the applicant or affected parties and, if the recount involves an office, to any person for whom votes were cast for that office. The county auditor shall also notify the affected parties by either telephone, fax, e-mail, or other electronic means at the time of mailing. At least three attempts must be made over a two-day period to notify the affected parties or until the affected parties have received the notification. Each attempt to notify affected parties must request a return response indicating that the notice has been received. Each person entitled to receive notice of the recount may attend, witness the recount, and be accompanied by counsel.

Proceedings of the canvassing board are public under chapter 42.30 RCW. Subject to reasonable and equitable guidelines adopted by the canvassing board, all interested persons may attend and witness a recount. [2005 c 243 § 20; 2003 c 111 § 1603. **29A.64.041 Procedure—Request to stop—Observers.** (1) At the time and place established for a recount, the canvassing board or its duly authorized representatives, in the presence of all witnesses who may be in attendance, shall open the sealed containers containing the ballots to be recounted, and shall recount the votes for the offices or issues for which the recount has been ordered. Ballots shall be handled only by the members of the canvassing board or their duly authorized representatives.

The canvassing board shall not permit the tabulation of votes for any nomination, election, or issue other than the ones for which a recount was applied for or required.

(2) At any time before the ballots from all of the precincts listed in the application for the recount have been recounted, the applicant may file with the board a written request to stop the recount.

(3) The recount may be observed by persons representing the candidates affected by the recount or the persons representing both sides of an issue that is being recounted. Witnesses shall be permitted to observe the ballots and the process of tabulating the votes, but they shall not be permitted to handle the ballots. The observers may not make a record of the names, addresses, or other information on the ballots, declarations, or lists of voters unless authorized by the supe-

rior court. The secretary of state or county auditor may limit the number of observers to not less than two on each side if, in his or her opinion, a greater number would cause undue delay or disruption of the recount process. [2011 c 10 § 63; 2004 c 271 § 179.]

**Notice to registered poll voters—Elections by mail—2011 c 10:** See note following RCW 29A.04.008.

**29A.64.050 Partial recount requiring complete recount.** When a partial recount of votes cast for an office or issue changes the result of the election, the canvassing board or the secretary of state, if the office or issue is being recounted at his or her direction, shall order a complete recount of all ballots cast for the office or issue for the jurisdiction in question.

This recount will be conducted in a manner consistent with \*RCW 29A.64.020. [2003 c 111 § 1605. Prior: 2001 c 225 § 7. Formerly RCW 29.64.035.]

**\*Reviser's note:** RCW 29A.64.020 was repealed by 2004 c 271 § 193. Later enactment, see RCW 29A.64.021.

**29A.64.061 Amended abstracts.** Upon completion of the canvass of a recount, the canvassing board shall prepare and certify an amended abstract showing the votes cast in each precinct for which the recount was conducted. Copies of the amended abstracts must be transmitted to the same officers who received the abstract on which the recount was based.

If the nomination, election, or issue for which the recount was conducted was submitted only to the voters of a county, the canvassing board shall file the amended abstract with the original results of that election or primary.

If the nomination, election, or issue for which a recount was conducted was submitted to the voters of more than one county, the secretary of state shall canvass the amended abstracts and shall file an amended abstract with the original results of that election. The secretary of state may require that the amended abstracts be certified by each canvassing board on a uniform date. An amended abstract certified under this section supersedes any prior abstract of the results for the same offices or issues at the same primary or election. [2005 c 243 § 21; 2004 c 271 § 180.]

**29A.64.070 Limitation.** After the original count, canvass, and certification of results, the votes cast in any single precinct may not be recounted and the results recertified more than twice. [2003 c 111 § 1607. Prior: 2001 c 225 § 9; 1991 c 90 § 3. Formerly RCW 29.64.051.]

**Finding, purpose—1991 c 90:** "The legislature finds that it is in the public interest to determine the winner of close contests for elective offices as expeditiously and as accurately as possible. It is the purpose of this act to provide procedures which promote the prompt and accurate recounting of votes for elective offices and which provide closure to the recount process." [1991 c 90 § 1.]

**29A.64.081 Expenses—Charges.** The canvassing board shall determine the expenses for conducting a recount of votes.

The cost of the recount shall be deducted from the amount deposited by the applicant for the recount at the time of filing the request for the recount, and the balance shall be

returned to the applicant. If the costs of the recount exceed the deposit, the applicant shall pay the difference. No charges may be deducted by the canvassing board from the deposit for a recount if the recount changes the result of the nomination or election for which the recount was ordered. [2004 c 271 § 181.]

**29A.64.090 Statewide measures—When mandatory—Cost at state expense.** When the official canvass of returns of any election reveals that the difference in the number of votes cast for the approval of a statewide measure and the number of votes cast for the rejection of such measure is less than two thousand votes and also less than one-half of one percent of the total number of votes cast on such measure, the secretary of state shall direct that a recount of all votes cast on such measure be made on such measure, in the manner provided by \*RCW 29A.64.040 and 29A.64.060, and the cost of such recount will be at state expense. [2003 c 111 § 1609. Prior: 2001 c 225 § 11; 1973 c 82 § 1. Formerly RCW 29.64.080.]

**\*Reviser's note:** RCW 29A.64.040 and 29A.64.060 were repealed by 2004 c 271 § 193. Later enactment, see RCW 29A.64.041 and 29A.64.061.

**29A.64.100 Statewide measures—Funds for additional expenses.** Each county auditor shall file with the secretary of state a statement listing only the additional expenses incurred whenever a mandatory recount of the votes cast on a state measure is made as provided in RCW 29A.64.090. The secretary of state shall include in his or her biennial budget request a provision for sufficient funds to carry out the provisions of this section. Payments hereunder shall be from appropriations specifically provided for such purpose by law. [2003 c 111 § 1610; 1977 ex.s. c 144 § 5; 1973 c 82 § 2. Formerly RCW 29.64.090.]

**29A.72.020 Review of proposed initiatives—Certificate required.** Upon receipt of a proposed initiative measure, and before giving it a serial number, the secretary of state shall submit a copy thereof to the office of the code reviser and give notice to the sponsor of such transmittal. Upon receipt of the measure, the assistant code reviser to whom it has been assigned may confer with the sponsor and shall within seven working days from its receipt, review the proposal and recommend to the sponsor such revision or alteration of the measure as may be deemed necessary and appropriate. The recommendations of the code reviser's office are advisory only, and the sponsor may accept or reject them in whole or in part. The code reviser shall issue a certificate of review certifying that he or she has reviewed the measure and that any recommendations have been communicated to the sponsor. Within fifteen working days after notification of submittal of the proposed measure to the code reviser's office, the sponsor, if he or she desires to proceed with sponsorship, shall file the measure together with the certificate of review with the secretary of state for assignment of a serial number, and the secretary of state shall then submit to the code reviser's office a certified copy of the measure filed. Upon submission of the proposal to the secretary of state for assignment of a serial number, the secretary of state shall refuse to make such assignment unless the proposal is accompanied by a certificate of review. **Legislative finding—1973 c 122:** "The legislature finds that the initiative process reserving to the people the power to propose bills, laws and to enact or reject the same at the polls, independent of the legislature, is finding increased popularity with citizens of our state. The exercise of this power concomitant with the power of the legislature requires coordination to avoid the duplication and confusion of laws. This legislation is enacted especially to facilitate the operation of the initiative process." [1973 c 122 § 1.]

**29A.72.025 Fiscal impact statements.** The office of financial management, in consultation with the secretary of state, the attorney general, and any other appropriate state or local agency, shall prepare a fiscal impact statement for each of the following state ballot measures: (1) An initiative to the people that is certified to the ballot; (2) an initiative to the legislature that will appear on the ballot; (3) an alternative measure appearing on the ballot that the legislature proposes to an initiative to the legislature; (4) a referendum bill referred to voters by the legislature; and (5) a referendum measure appearing on the ballot. Fiscal impact statements must be written in clear and concise language, avoid legal and technical terms when possible, and be filed with the secretary of state no later than the tenth day of August. Fiscal impact statements may include easily understood graphics.

A fiscal impact statement must describe any projected increase or decrease in revenues, costs, expenditures, or indebtedness that the state or local governments will experience if the ballot measure were approved by state voters. Where appropriate, a fiscal impact statement may include both estimated dollar amounts and a description placing the estimated dollar amounts into context. A fiscal impact statement must include both a summary of not to exceed one hundred words and a more detailed statement that includes the assumptions that were made to develop the fiscal impacts.

Fiscal impact statements must be available online from the secretary of state’s web site and included in the state voters’ pamphlet. Additional information may be posted on the web site of the office of financial management. [2009 c 415 § 7; 2004 c 266 § 4. Prior: 2002 c 139 § 1. Formerly RCW 29.79.075.]

The secretary of state may limit the number of observers to not less than two on each side, if in his or her opinion, a greater number would cause undue delay or disruption of the verification process. No petition will be rejected on the basis of any statistical method employed, and no petition will be accepted on the basis of any statistical method employed if such method indicates that the petition contains fewer than the requisite number of signatures of legal voters. If the secretary of state finds the same name signed to more than one petition, he or she shall reject all but the first such valid signature. For an initiative to the legislature, the secretary of state shall transmit a certified copy of the proposed measure to the legislature at the opening of its session and, as soon as the signatures on the petition have been verified and canvassed, the secretary of state shall send to the legislature a certificate of the facts relating to the filing, verification, and canvass of the petition. Such application and all proceedings had thereunder shall take precedence over other cases and shall be speedily heard and determined.

### WASHINGTON STATE REDISTRICTING COMMISSION

#### REDISTRICTING PLAN

A PLAN Relating to the portion of the plan for the redistricting of congressional districts.

BE IT APPROVED BY THE REDISTRICTING COMMISSION OF THE STATE OF WASHINGTON:

Sec. 1. It is the intent of the commission to redistrict the congressional districts of the state of Washington in accordance with the Constitution and laws of the United States and the state of Washington.

Sec. 2. The definitions set forth in RCW 44.05.020 apply throughout this plan, unless the context requires otherwise.

Sec. 3. In every case the population of the congressional districts described by this plan has been ascertained on the basis of the total number of persons found inhabiting such areas as of April 1, 2000, in accordance with the 2000 federal decennial census data submitted pursuant to P.L. 94-171.

Sec. 4. (a) Any area not specifically included within the boundaries of any of the districts as described in this plan and that is completely surrounded by a particular district, shall be a part of that district. Any such area not completely surrounded by a particular district shall be a part of the district having the smallest number of inhabitants and having territory contiguous to such area.

(b) Any area described in this plan as specifically embraced in two or more noninclusive districts shall be a part of the adjacent district having the smallest number of inhabitants and shall not be a part of the other district or districts.

(c) Any area specifically mentioned as embraced within a district but separated from such district by one or more other districts, shall be assigned as though it had not been included in any district specifically described.

(d) The 2000 United States federal decennial census data submitted pursuant to P.L. 94-171 shall be used for determining the number of inhabitants under this plan.

Sec. 5. For purposes of this plan, districts shall be described in terms of:

(1) Official United States census bureau tracts, block groups, or blocks established by the United States bureau of the census in the 2000 federal decennial census;

(2) Counties, municipalities, or other political subdivisions as they existed on January 1, 2000;

(3) Any natural or artificial boundaries or monuments including but not limited to rivers, streams, or lakes as they existed on January 1, 2000;

(4) Roads, streets, or highways as they existed on January 1, 2000.

Sec. 6. Pursuant to the most recent certificate of entitlement from the Clerk of the U.S. House of Representatives as required by 2 U.S.C. section 2a, the territory of the state shall be divided into nine congressional districts. The congressional districts described by this plan shall be those recorded electronically as "JOINTSUB-C 01", maintained in computer files designated as FINAL-CONG-2001, which are public records of the commission. As soon as practicable after approval and submission of this plan to the legislature, the commission shall publish "JOINTSUB-C 01".

Sec. 7. This commission intends that this plan supersede the district boundaries established by chapter 29.69B RCW.

Sec. 8. If any provision of this plan or its application to any person or circumstance is held invalid, the remainder of the plan or its application to other persons or circumstances is not affected.

**29A.84.280 Paid petition solicitors—Finding.** The legislature finds that paying a worker, whose task it is to secure the signatures of voters on initiative or referendum petitions, on the basis of the number of signatures the worker secures on the petitions encourages the introduction of fraud in the signature gathering process. Such payments also threaten the integrity of the initiative and referendum process by providing an incentive for misrepresenting the nature or effect of a ballot measure in securing petition signatures for the measure.
