How to Obtain an Absentee Ballot:

Any registered voter who cannot vote in person may apply to the county auditor or department of elections for an absentee ballot. Any signed request with the necessary information will be honored. For your convenience, an application form is reproduced below. The addresses of the auditors or departments of elections are also listed below. In order to be certain that an absentee ballot request is authentic, the election laws require that the signature on the application be verified by comparison with the signature on the voter's permanent registration record. For this reason if a husband and wife both wish to vote by absentee ballot, both must sign the application form or separate, signed requests should be submitted. In order to be counted, an absentee ballot must be voted and postmarked no later than the day of the election. If you intend to vote an absentee ballot, make your request as soon as possible to allow sufficient time for an exchange of correspondence with the county auditor or department of elections. Absentee ballot requests may be presented in person at the office of the county auditor or department of elections up until the day of the election. No absentee ballots may be issued on the day of the election.

INTRODUCTION TO THE 1981 VOTERS PAMPHLET

On November 3, you will have the opportunity to vote on five state measures along with one state-wide office and many local measures and offices which will be on the general election ballot. This Voters Pamphlet is sent to all residents of the state of Washington to assist them in making their decisions on these important state ballot propositions.

This pamphlet contains the official ballot titles and explanatory statements for each measure as prepared by the Attorney General, the arguments and rebuttals "for" and "against" each state measure, and the complete text of each of these propositions. We have also included the full text of the enabling legislation for one of the constitutional amendments to give voters additional information on this measure.

As Secretary of State, I certify that the text of each proposed measure, ballot title, explanatory statement for and against, and rebuttal statement which appears in this pamphlet is a true and correct copy of the original document filed in my office.
