I am pleased to present the 2021 General Election Voters’ Pamphlet. We offer this comprehensive guide as a reference to help you find information about the candidates and measures that appear on your ballot.

This general election you will have the opportunity to vote for local officials and measures that could have a significant impact on your community. Yet in order to make your voice heard, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 25, and we encourage you to check your registration information today at VoteWA.gov. After Oct. 25, you must visit your local elections office or voting center during regular business hours and until 8 p.m. on Election Day to register to vote or update your registration and receive a ballot.

Once you have completed your ballot, be sure to sign the return envelope. This is important, as election officials verify your signature matches the one on your voter registration file before they can count your ballot. Then, send your ballot via U.S. mail — no postage needed. Remember, all ballots must be postmarked by Nov. 2 in order to be counted. The U.S. Postal Service recommends that you mail a week before Election Day. You can also return your ballot using an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. the day of the election. Check VoteWA.gov to locate a ballot drop box.

By voting, you are ensuring your voice is heard. Make an impact in your community and our state by voting this fall.

Sincerely,

Kim Wyman
Secretary of State

## How do I register to vote?
**Online:** Register at [VoteWA.gov](http://VoteWA.gov)

**By mail:** Request a paper form be mailed to you or print your own at [sos.wa.gov/elections](http://sos.wa.gov/elections)

No internet access? Call 1 (800) 448-4881.

**In person:** Visit a county elections office (listed at the end of this pamphlet).

## Registration deadlines

By mail or online: Your application must be received no later than October 25.

**In person:** Visit a local voting center no later than 8 p.m. on November 2.

**By November 2:** Visit a local voting center in person.

## What if I’m not 18 yet?

**If you are 16 or 17, become a Future Voter!**

Sign up online at [VoteWA.gov](http://VoteWA.gov) with your Washington state driver’s license or ID. Or you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You’ll be automatically registered to vote when you qualify.

Every January on Temperance and Good Citizenship Day, high school students 16 and older have the opportunity to complete a voter registration form in class.
How do I vote and return my ballot?

1. If you’re registered to vote, there is no need to request a ballot. Your ballot will be mailed October 15 to the address you provide in your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2. Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

3. Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by November 2. Don’t let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

   Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on November 2. Find drop box locations at VoteWA.gov.

   If you cannot personally return your ballot, let only people you trust deliver it for you.

4. Check the status of your ballot on VoteWA.gov to see if it has been received by your county elections office.

   Election staff will contact you before your ballot is processed if:
   - Yoursignature is missing
   - Your signature doesn’t match your voter registration record

**ELECTIONS ARE SECURE AND ACCURATE**

Tabulation equipment is certified by the Washington Secretary of State and the federal Election Assistance Commission. The system is never connected to the internet.

**Logic and Accuracy**

- Before each election, a public logic and accuracy test is conducted to ensure that voting equipment is ready for use and properly prepared to count ballots.
- The logic and accuracy test is verified by independent observers and the Office of Secretary of State.

**Post-Election Audit**

- Post-election audits are conducted prior to the certification of each election.
- The office to be audited is selected by political party and nonpartisan observers.
- Batches to be audited are randomly selected.
- The audit compares the vote totals from the tabulation system to a hand count of physical ballots.

To learn more or to view a logic and accuracy test or a post-election audit, please contact the elections department at: (509) 545-3538 or email elections@co.franklin.wa.us

Statement
Moving to Franklin County from Idaho in the late 50’s as part of the Columbia Basin Project, my family as most were WWII Vets looking to make something out of mostly nothing, just sand. The values that I learned from my parents and those pioneers, set a foundational belief in me of our Constitution and God given rights that these and others before them had fought for. I believe in these rights and will stand to protect and preserve them at all cost.

Coming out of Retirement and being appointed by the Commissioners to the position of Assessor. I immediately went to work to establish a set of Core Values for the Office, establishing guidelines for Ethics, Fairness, Honesty and Integrity, built on Caring, Courtesy and Respect. Focusing on never being satisfied with the status quo and continually setting high measurable goals that we hold our selves accountable to.

I will strive to earn your trust, confidence, respect and support, while never compromising my Constitutional Oath and Value’s. I will continue to upgrade and develop the Assessor’s office into one that is adequately staffed, highly trained and equipped to meet the responsibilities of serving the residents of Franklin County.

Community Service
Served as church leader in local congregation; many years working with church youth groups; served as Scoutmaster; Chairman of White Bluffs District, Boy Scouts of America; Pasco Youth Football board of directors.

Statement
Education is vital to our success both as a community and as a country. For the past 8 years I have served on the Pasco school board, working together with district leadership to determine the best educational vision and priorities for the success of our children. This past year has been especially challenging, but we are moving forward again. I am committed to taking the lessons we have learned from this experience and building on them to make our education system even better.

I believe we need a strong public education system that serves all of our children – one that will prepare them to make good decisions. Our students not only need education in reading, writing, math and science, but civics and social studies as well. This will require board members, district administration and the community working together to make sure our education system in Pasco is effective.

I am asking for your support to return me to the board. It is my goal to continue to work on needed improvements while highlighting and building on the many good things that are happening in our school district.

Statement
I’m Steve Simmons. Raised in Kennewick our family has lived in Pasco for 13 years. Next year all four of our children will attend school in the Pasco School District, one of which is a special needs student. I have a vested interest in the educational success of our district. I attended trade schools to become an electrician and believe in educational pathways such as apprenticeships, technical career training, and college. This past year has highlighted the need for elected officials who represent us using facts, ethics, principles, and morals. I’m tired of standing on the sidelines while our children’s future is decided for us. Ideology, trends, and virtue signaling tend to be more important than the bottom line - to provide basic education and guide career pathways according to the interests and desires of each of our children and their unique personalities, traits, and talents. As an elected school board member I pledge to be knowledgeable on the issues and use unbiased opinions, mature judgment, and my conscience in making rational decisions towards accomplishing the goals and upholding the laws of our district for the benefit of all faculty, parents, and students. Education

Community Service
Franklin County Civil Service Commission; DECA Volunteer Judge Chiawana High School.

Statement
I believe our students need to return to in-person education as much as possible but this time with local control by parents and students over school choices and school funding.

Students were not given a choice in Pasco last year whereas other districts were. The Washington Achievement Council reported high school students failing to earn grades up 42% over last year.

In 2020, the CDC compared 2019 and reports mental health related visits to the E.R. increased 24% in ages 5-11 and 31% ages 12-17.

Greater numbers of families and students are leaving public schools which means lower enrollment, less funding, less for students. It’s time for local driven choices by parents and students to fund and drive their future and its time school boards to clear the way for trades and higher educational opportunities.

On-line education may be a better choice for some students but far too many of these decisions are being made for you while you foot the bill. Shouldn’t it be your choice, your school? As your next School Board member I believe it is. I’m Michelle Andres and I ask for your vote. Thank you.
