OFFICIAL PUBLICATION

Secretary of State

*Kim Wyman*

Welcome to your 2019 General Election Voters' Pamphlet. The local officials who will be elected in November will represent you on county, city, and town councils, school boards, port and fire commissions, and special purpose district boards. From the maintenance of the roads in your neighborhood, to the materials students use in your local schools, to the time it takes first responders to get to an emergency, local elected officials make decisions which affect your daily life. There are also 15 statewide ballot measures including one referendum on the ballot, and some judicial and legislative races for voters in those districts.

We designed this voters' pamphlet to provide you with information on the candidates and issues included on your ballot. Each race and issue are an opportunity for you to make your voice heard through your vote, so please be sure to thoughtfully consider your ballot.

You will find several pages inside this General Election Voters' Pamphlet designed to help you with voting and the election process. Should you have any questions, please contact your local elections office or the state's election division. There are some changes to election laws in Washington that may help you participate.

We encourage you to check your voter registration information today at [www.votewa.gov](http://www.votewa.gov). In the week before the election, if you are not registered, have moved since the last time you voted, or did not receive a ballot, you can go to your local elections office during regular business hours and until 8:00 p.m. on Election Day to register to vote and get a ballot.

Your ballot return envelope now comes with prepaid postage, so you can drop it into either a ballot drop box or any U.S. Mailbox. Make sure to drop it into a ballot drop box by 8:00 p.m. Election Day or if you use the mail, remember to get a postmark on or before Election Day, November 5, to have your ballot counted.

By voting, you are ensuring your voice is heard as you help choose our elected leaders. Make an impact in your community and our state by voting this fall!

Sincerely,

A handwritten signature in black ink that reads "Kim Wyman". The signature is fluid and cursive, with a long, sweeping underline.

The legislature passed Initiative Measure No. 1000 concerning affirmative action and remedying discrimination, and voters have filed a sufficient referendum petition on this act.

Initiative 1000 would allow the state to remedy discrimination for certain groups and to implement affirmative action, without the use of quotas or preferential treatment (as defined), in public education, employment, and contracting.

## Explanatory Statement

Written by the Office of the Attorney General

### The Law as it Presently Exists

Until 1998, Washington law allowed the use of affirmative action in public education, public contracting, and public employment, subject to constitutional limits on the use of affirmative action. In 1998, Washington voters approved Initiative 200 (I-200). I-200 prohibits state and local government from making decisions on the basis of race, sex, color, ethnicity, or national origin in public employment, public education, and public contracting.

I-200 provides several exceptions involving disparate treatment based on sex. It does not apply to lawful classifications that are based on sex and are necessary for sexual privacy; medical or psychological treatment; undercover law enforcement; or film, video, audio, or theatrical casting. I-200 also allows separate athletic teams for each sex.

I-200 permits state and local governments to participate in federal programs that require actions that I-200 would otherwise prohibit. This allows state and local agencies to receive federal funds when federal law requires certain measures based on race, sex, or other categories.

### The Effect of the Proposed Measure if Approved

The public vote on Referendum 88 will decide whether Initiative 1000 (I-1000) becomes law.

I-1000 would allow the state to remedy documented discrimination or underrepresentation of disadvantaged groups in public education, employment, and contracting. Whether a group is disadvantaged would be determined by a valid disparity study or proven in court.

I-1000 would also allow affirmative action to increase diversity in public education, public employment, and public contracting. I-1000 would define affirmative action as a policy that considers an individual's race, sex, ethnicity, national origin, age, sensory, mental or physical disability, or veteran or military status, when selecting qualified persons for opportunities in public education, public employment, and public contracting. Affirmative action would include, for example, recruitment, hiring, training, promotion, outreach, setting and achieving goals and timetables, and other measures to increase diversity. Affirmative action could not be used to impose quotas. In addition, race, sex, color, ethnicity, national origin, age, sexual orientation, sensory, mental or physical disability, and veteran or military status could not be used as the sole qualifying factor to select a less qualified person over a more qualified person.

I-1000 would not prohibit state and local government from taking actions needed to establish or maintain eligibility for federal programs. But before such actions could be taken, certain state government officials would have to determine that it was necessary to avoid a material loss of federal funds.

I-1000 would also establish a Governor's commission on diversity, equity, and inclusion. The commission would monitor and enforce agency compliance with I-1000. The commission could propose or oppose legislation. It would publish annual reports on the progress of agencies in achieving diversity, equity, and inclusion in public education, public employment, and public contracting. Various elected and appointed officials would serve on the commission.

## Fiscal Impact Statement

Written by the Office of Financial Management  
For more information visit [www.ofm.wa.gov/ballot](http://www.ofm.wa.gov/ballot)

### FISCAL IMPACT SUMMARY

Initiative 1000 was enacted in the 2019 legislative session, but has not gone into effect because the voters submitted petitions to refer the measure to the November 2019 general election ballot. If the voters approve the referendum, Initiative 1000 would go into effect and the total costs to the state in the 2019–21 biennium and ongoing would be \$1.5 million. There are no known state or local revenue impacts that would result from the passage of this measure.

### SUMMARY

Referendum 88 would place Initiative 1000 onto the ballot for approval or rejection by the voters.

Initiative 1000 permits the state to adopt policies that allow an individual's race, sex, ethnicity, national origin, age, the presence of any sensory, mental, or physical disability, and honorably discharged veteran or military status to be factors considered in the selection of qualified applicants for opportunities in public education, public employment, and public contracting. Initiative 1000 does not allow an individual's race, color, sex, ethnicity, national origin, age, sexual orientation, the presence of any sensory, mental or physical disability, and honorably discharged veteran or military status to be used as the sole qualifying factor to select a lesser qualified candidate over a more qualified candidate for a public education, public employment or public contracting opportunity.

Initiative 1000 creates the Governor's Commission on Diversity, Equity, and Inclusion (Commission). The Commission is responsible for planning, directing, monitoring and enforcing each state agency's

compliance with the initiative. The Commission is required to publish an annual report on the progress of all state agencies in achieving diversity, equity and inclusion in public education, public employment, and public contracting. The Governor appoints some commission members, who serve four-year terms. Other members are the directors or chairs of 25 state agencies, councils, or boards. The Commission also includes two state senators, one from each of the two largest caucuses, appointed by the president of the Senate, and two members of the state House of Representatives, appointed by the speaker of the House of Representatives. Legislative members serve two-year terms.

### GENERAL ASSUMPTIONS

- The effective date of the referendum if approved is December 5, 2019.
- Estimates use the state's fiscal year of July 1 through June 30. Fiscal year 2020 is July 1, 2019, to June 30, 2021.
- The Governor's Office of Diversity, Equity, and Inclusion will hold six meetings in Olympia, three meetings in Seattle, and three meetings in Eastern Washington.

### REVENUE

The referendum has no known state or local revenue impact.

### EXPENDITURES

A vote to approve the referendum would result in costs for state government for the creation of the Governor's Office of Diversity, Equity and Inclusion and for implementation of the policies allowed under Initiative 1000.

Costs related to creating an office and conducting commission activities are estimated to be \$582,000 for the 2019–21 biennium and ongoing. These include salaries and benefits for a full-time policy analyst and a part-time administrative assistant to staff the commission to make appointment recommendations to the Governor, plan monthly commission meetings and pay for meeting rental charges, legal services, and travel costs for commission staff.

Costs related to commission meetings for agencies required to participate in the commission and expected to pay their own travel costs are approximately \$3,000 per agency, when counting only the travel costs, and up to \$38,000 per agency when the cost of staff is included. This cost would be ongoing.

Costs related to reporting and compliance at state agencies and universities depend upon the level of tracking and reporting each agency now has in place.

For the institutions of higher education, expanding the current non-discrimination categories and protected classes will add program, tracking, and reporting work. For example, the University of Washington Business Diversity and Equity, which has responsibility for the university's equity policy, reports that it will need two additional program coordinators per year at a cost of approximately \$483,000 in the 2019–21 biennium. There are likely to be similar, yet-to-be-determined costs at the other state colleges and universities and state agencies related to programming, tracking and reporting each entity's progress on diversity, equity and inclusion goals.

## Argument for

Last year, nearly 400,000 voters petitioned lawmakers to support Initiative 1000, restoring fairness and opportunity to Washington's public employment, contracting, and education enrollment policies. Our State Legislature listened, and passed I-1000. With special interests paying to overturn this law, voters must approve I-1000.

### I-1000 Ensures a Level Playing Field with No Quotas

I-1000 simply restores rights consistent with 42 other U.S. states, ensuring fairness and opportunity for all people and small businesses. It allows outreach and recruitment to veterans, women, minorities, and others too often left behind in government hiring, contracting, and education. Under I-1000, quotas and preferential treatment are prohibited, and no one who is unqualified will be selected due to preferential treatment.

### Improved Opportunity for Veterans and People of All Abilities

I-1000 expands laws allowing consideration for Vietnam era and disabled veterans in government contracting and employment to include all honorably discharged veterans and military personnel, honoring the sacrifice of those delaying entry into the workforce—or returning injured or disabled.

### Build a Healthy Economy, Expand Small Business Opportunities

I-1000 ensures fairness and opportunities for small businesses competing for public contracts—helping local businesses grow local jobs. And, large employers need a diverse, skilled workforce, which is why Microsoft, Alaska Airlines, Vulcan, Amazon, and many other businesses all support I-1000, joining Labor organizations and civil rights groups like the ACLU and Urban League.

We urge all Washingtonians to approve I-1000 for fairness and equal opportunity.

---

### Rebuttal of argument against

Don't be fooled! I-1000 unifies us and creates opportunity for all! I-1000 prohibits government discrimination because of your age, gender, disability, race or veteran status without using quotas or preferences. It guarantees fairness and accountability. That's why nearly 400,000 Washington voters are standing against fear and division. We're taking action to help veterans, women, seniors, small businesses, and the disabled. Join the broad coalition of business, labor and community by approving I-1000!

## Argument against

### Referendum 88 Would Divide Us

Let's start where we all agree: There's too much division in our society today. We need solutions that bring us together. But Referendum 88 (also known as Initiative 1000) creates *more* division by allowing the government to inject race into college admissions and government employment. That's wrong. And it drives us further apart.

### R-88 Would Allow Government-Sponsored Discrimination

Referendum 88 allows the government to use different rules for different races in deciding who gets into state colleges and universities, who gets hired for jobs in state, county or city government, and who gets a government contract. By separating people this way, Referendum 88 drives a deeper wedge into our community and actually empowers those who would divide us.

As a community we must not let that happen.

### R-88 Would Damage Progress Already Made on Diversity

Referendum 88 would overturn a voter-approved state law that forbids discrimination and preferences based on race and gender. And the law has worked well. Our college campuses are more diverse now than before the current law was enacted.

### R-88 Lacks Accountability

Referendum 88 would create a massive government agency to enforce the use of race in government employment, college admissions and public contracting. Referendum 88 would be overseen by an unelected board that would *not* be accountable to voters. A board with sweeping authority to make decisions on preferences in academic admissions and government hiring. Send the Olympia politicians who support this a message: *Reject Referendum 88!*

---

### Rebuttal of argument for

*Referendum 88 (I-1000) uses quotas and harms Veterans.*

Since 1895, Washington has guaranteed honorably discharged and disabled veterans a preference in public employment. Referendum 88 eliminates that preference through a hidden loophole in Section 3. Racial quotas are implemented under Sections 8, 9, and 11, with a "disparity" study to count by race, goals to enroll and hire by race, and timetables enforced by bureaucrats. Quotas harm everyone, including our Veterans. Reject Referendum 88.

Initiative Measure No.

# 976

Initiative Measure No. 976 concerns motor vehicle taxes and fees.

This measure would repeal, reduce, or remove authority to impose certain vehicle taxes and fees; limit annual motor-vehicle-license fees to \$30, except voter-approved charges; and base vehicle taxes on Kelley Blue Book value.

Should this measure be enacted into law?

## Explanatory Statement

Written by the Office of the Attorney General

### The Law as it Presently Exists

#### A. Motor Vehicle Registration and License Fees

Owners of motor vehicles pay state and local license fees and excise taxes when they register vehicles and obtain license tabs each year. The total, combined amount depends on the type and weight of the vehicle, as well as where the vehicle is registered.

The base annual license fee ranges from \$30 to \$93 for most passenger vehicles, such as cars, motorcycles, and light-duty trucks. An additional fee is then added depending on the vehicle's weight. The vehicle weight fee can range from \$25 to \$65 for most passenger vehicles. Funds from the license and vehicle weight fee are used to pay for a variety of state transportation purposes, including road and highway repairs.

Owners of snowmobiles pay an annual license fee of \$50. The snowmobile license fee helps pay for snowmobile facilities and snowmobile safety, enforcement, and education programs throughout the state. Owners of commercial trailers pay \$34 for initial registration and \$30 for each annual renewal. These license fees also pay for state transportation purposes.

Additional taxes and fees may be added depending on the city and county where the vehicle is registered. These taxes and fees help pay for local transportation improvement projects, passenger-only ferries, and other transportation purposes. Some residents of King, Pierce, and Snohomish County also pay voter-approved, annual motor vehicle excise taxes (MVET) that help pay for mass transit projects run by Sound Transit. The MVET is calculated based on a vehicle valuation and depreciation schedule that is set in state law. The total rate of the current MVET is one and one tenths percent (1.1%) of the value of the vehicle as determined by the statutory formula. Future approved MVET's cannot exceed eight-tenths of one percent (0.8%) of the value of the vehicle.

Finally, other fees may be included in the total amount, such as for county filing and service fees, fees for special license plates, or fees for certain types of vehicles. For example, owners of electric vehicles currently pay a \$150 fee that goes toward paying for transportation feasibility studies and other transportation purposes. An additional \$75 transportation electrification fee will go into effect for electric vehicles on August 1, 2019. This fee will be used to support green transportation projects.

#### B. Taxes on Selling, Leasing, or Renting a Motor Vehicle

Each retail sale or lease of a motor vehicle is subject to an additional state excise tax known as the "motor vehicle sales/lease tax." This tax, which is in addition to general sales and use taxes, is set at three-tenths of one percent (0.3%) of the selling price of every motor vehicle in the state. Off-road vehicles, snowmobiles, and other non-highway vehicles are not subject to the tax. Farm tractors and vehicles are also not subject to the tax so long as the vehicles are not used for marijuana production. Funds from the motor vehicle sales/lease tax pay for transportation services in the state.

Regional transit authorities in King, Pierce, and Snohomish counties may also impose additional sales and use tax on car rentals. The rate of the tax may not exceed 2.172 percent (2.172%) of the selling price of the rental. Funds from this tax are used to provide mass transit services run by Sound Transit.

#### C. Sound Transit Funding

State law authorizes Sound Transit to collect multiple types of taxes from some King, Pierce, and Snohomish County residents to help pay for mass transportation projects. These taxes include the MVET and the additional sales and use tax on rental cars previously described, as well as a local property tax and a local sales and use tax on purchases made within the district. Sound Transit also uses federal grants, transit fares, interest earnings, and other revenue to pay for its transportation projects.

Since 1999, Sound Transit has issued and sold public bonds to finance its transportation projects. Sound Transit uses the revenue from the MVET and other taxes to pay the principal and interest on the bonds. It promised its bondholders that it would continue to collect the taxes until the bonds are retired. In 2006, the Washington Supreme Court held that state law could not change the terms of any existing Sound Transit bond contracts while the bonds are still outstanding. This means that Sound Transit must continue to use the tax rate and valuation formula that were in effect at the time the bond was issued, even if state law later changes the rate or formula, until the bonds are retired, defeased, or refinanced under different contract terms.

### The Effect of the Proposed Measure if Approved

This measure would reduce funding for state and local transportation projects by repealing, reducing, or removing state and local authority to impose certain vehicle taxes and fees. The measure would limit

annual state and local license fees for motor vehicles weighing 10,000 pounds or less to \$30, unless the fee is approved by voters. License fees, such as the motor vehicle weight fee and transportation benefit district fees, would be eliminated. The electric vehicle license fee would be lowered to \$30. The transportation electrification fee would remain the same. The license fee for snowmobiles and commercial trailers would be lowered to \$30. Other fees, such as service and filing fees, would remain the same. The measure would also eliminate the state motor vehicle sales/lease tax and eliminate authority to impose a local motor vehicle excise tax that supports passenger-only ferries.

Any regional transit authority, such as Sound Transit, that has issued bonds financed by a motor vehicle excise tax would be required to defease, refinance, or retire the bonds early, if the bond contracts allow such action. Once the bonds have been defeased, refinanced, or retired, the authority to impose the MVET and the additional sales and use tax on rental cars would be repealed automatically. If the regional transit authority is not able to completely defease, refinance, or retire the bonds by March 31, 2020, any existing voter-approved MVETs would remain unchanged, and the maximum rate of future voter-approved MVETs would be reduced from 0.8% to 0.2%.

The measure would also require that any future vehicle taxes, including voter-approved MVETs, be determined by using a vehicle's base model Kelley Blue Book value. The base value would not include any applicable federal excise taxes, state and local sales and use taxes, transportation or shipping costs, and preparatory and delivery costs. The measure would require the Department of Licensing to use a vehicle's base model Kelley Blue Book value for any appeal of the valuation of the vehicle.

## Fiscal Impact Statement

Written by the Office of Financial Management  
For more information visit [www.ofm.wa.gov/ballot](http://www.ofm.wa.gov/ballot)

### FISCAL IMPACT SUMMARY

Initiative 976 changes vehicle taxes and fees by lowering motor vehicle and light duty truck weight fees to \$30; eliminating the 0.3 percent sales tax on vehicle purchases; lowering electric vehicle and snowmobile fees; modifying and reducing Sound Transit motor vehicle excise tax provisions; and removing authority for transportation benefit districts to impose a vehicle fee. Total revenue loss to the state in the next six years is \$1,921,901,238. Total revenue loss to local governments in the next 6 years is \$2,317,121,034. The

departments of Licensing and Revenue have estimated implementation costs of \$2,846,800 in the 2019–21 biennium.

### General Assumptions

- Except as otherwise provided, the effective date of the initiative, if approved by voters, is December 5, 2019. Section 10 and 11 take effect on the date that the regional transit authority complies with section 12 of this act. Section 13 takes effect on April 1, 2020, if sections 10 and 11 have not taken effect by March 31, 2020.
- The provisions of the initiative apply prospectively, not retroactively.
- Fiscal estimates use the state's fiscal year of July 1 through June 30. Fiscal year 2020 is July 1, 2019, to June 30, 2020.
- State revenues are based on the June 2019 transportation revenue forecast.
- Local revenues are based on the most recent actual figures and are not forecasted.
- Transportation benefit districts (TBDs) have the authority to collect vehicle fees, and sales and use tax. This initiative repeals only the authority to collect vehicle fees, so TBDs could continue to collect sales and use tax.
- Section 5(1) erroneously states that the electric vehicle fee is \$130 total. RCW 46.17.323 includes two fees. \$100 in section (1) and \$50 in section (4)(a). The current electric vehicle fee is \$150 total. Calculations for the impact of the fee reduction are based on the correct fee. Chapter 287, Laws 2019 establishes the transportation electrification fee of \$75. I-976 would lower the \$100 in section (1) to \$30 and eliminate the \$50 in section (4)(a). It does not affect the new \$75 fee.

## REVENUE

### State Revenue

The initiative reduces license fees for vehicles under 10,000 lbs. to \$30. The additional 0.3 percent sales and use tax on motor vehicle sales is eliminated. The snowmobile license fee is reduced from \$50 to \$30. Commercial trailer fees are reduced from \$34 to \$30. The electric vehicle fee in Section 5(1) is reduced from \$100 to \$30. An additional electric vehicle fee in Section 5(4)(a) of \$50 is eliminated.

(See Table 1 on page 17.)

### Description of affected accounts

The Snowmobile Account funds administration, acquisition, development, operation and maintenance

of snowmobile facilities and the implementation of snowmobile safety, enforcement and education programs.

The State Patrol Highway Account funds activities of the Washington State Patrol, including traffic enforcement (and associated criminal investigations), commercial vehicle enforcement and ferry vessel and terminal security.

The Transportation Partnership Account funds projects and improvements from the 2005 Transportation Partnership Omnibus Transportation Appropriations Act.

The Rural Arterial Trust Account funds construction and improvement of county roads and bridges.

The Motor Vehicle Account is the main source of funds for highway construction, maintenance, ferries and support services. A portion of motor fuel tax revenues is distributed to cities and counties for road programs.

The Puget Sound Ferry Operations Account funds ferry operations and maintenance.

The Transportation Improvement Account funds administration of the Transportation Improvement Board and grants for local government transportation projects that address congestion.

The Multimodal Transportation Account funds all modes of transportation projects, including public transportation, rail and bicycle/pedestrian projects.

The Transportation 2003 Account funds debt service on bonds and Washington State Department of Transportation operating and capital highway programs.

**Local Revenue**

This initiative repeals local authority to impose a TBD vehicle fee. TBD vehicle fees are used by 62 municipalities across the state to fund local improvements such as road repair and maintenance, transit systems and sidewalks. In fiscal year 2018, TBDs using a vehicle fee across the state collected \$58,186,839. This revenue would be eliminated beginning on the effective date of this initiative.

Sections 10 and 11 would reduce the motor vehicle excise tax (MVET) that funds the Central Puget Sound Regional Transit Authority (RTA) commonly known as Sound Transit. MVET rates are reduced from .8% to .2% and will be calculated based on Kelley Blue Book vehicle value instead of the manufacturer’s suggested retail price.

This tax rate would be repealed when the RTA is able to refund, refinance or defease, or terminate, outstanding bonds that have been issued against this tax. It is unknown if this is possible. If the bonds are not able to be defeased, the MVET will remain unchanged to pay off the bonds previously issued that are pledged to the revenue source. If the bonds are able to be defeased, Sound Transit’s revenue would be reduced by \$328,000,000 per fiscal year based on 2018 revenue. For new bonds issued, the MVET will decrease from .8% to .2%.

This initiative repeals local authority to impose a passenger-only ferry tax. Currently there are no passenger-only ferry districts using the MVET authority to fund their ferries, although they would no longer have the option.

Tax/Fee	Fiscal year 2018 revenue impact
TBD Fee	(\$58,186,839)
RTA MVET	(\$328,000,000)
Passenger-only ferry MVET	0

**EXPENDITURES**

**State Government Expenditures**  
**Temporary higher administrative costs at Department of Licensing and Department of Revenue**

The Department of Licensing (DOL) would have temporary, higher administrative and computer costs to implement this initiative. If Sound Transit is able to defease or refinance its bonds and the MVET is reduced, DOL will issue refunds to customers who register their vehicles prior to their annual vehicle registration date. The DOL will also have costs for computer updates, temporary staffing costs for additional calls to their call center, and accounting services to issue refunds. Biennial administrative costs for the agency are \$2,740,900 in the 2019–21 biennium.

The Department of Revenue (DOR) will experience temporary, higher administrative costs to implement this initiative. The DOR will have costs for computer updates and administrative costs for rule making, accounting services to issue refunds and developing new forms. Biennial costs for the agency are \$105,900 for computer updates and administrative items in the 2019–21 biennium.

## Argument for

\$30 tabs now!

### Taxpayers are getting ripped off, politicians know it, refuse to fix it

Taxing a \$10,000 vehicle like it's \$25,000 is fraud. I-976 repeals the dishonest valuation schedule *politicians are currently using* to artificially inflate your taxes. No more price gouging!

I-976 limits license tabs to a flat, fair, and reasonable \$30 per year for your car, truck, motorcycle, motorhome, and other vehicles. We're paying sales taxes when we *buy*, gas taxes when we *use*, we shouldn't have to pay *dishonest triple taxes* just to *own* it. Working class folks, not just rich people, should be able to afford a newer vehicle.

### If politicians had any compassion for the average taxpayer, I-976 wouldn't be necessary

Washington is one of the highest taxed states in the nation. Dishonest vehicle taxes, skyrocketing property taxes, crushing sales taxes, massive gas taxes, obnoxious tolls, and costly fees on everything. Despite record revenues and \$3.5 billion tax surplus, Olympia imposed 11 new taxes costing \$27 billion. It's insane. Now they're demanding income taxes, carbon taxes, pay-per-mile taxes. Enough!

### If we can't get tax relief when there's a huge \$3.5 billion tax surplus...

...when can we? Besides, all the money taxpayers save will get pumped right back into our state's economy. Opponents' threats, lies, and scare tactics are absurd – I-976 only affects a tiny fraction of government spending.

### Stop getting ripped off – your vote for I-976 tells politicians you're taxed out

Politicians will *never* limit taxes – here's our only chance. Vote "Yes."

---

## Rebuttal of argument against

Triple taxing vehicles is indefensible. Taxing a \$10,000 vehicle like it's \$25,000 is fraud. Taxpayers are getting ripped off – *that's* the issue. Personally attacking Tim Eyman? Distraction. (the truth: "*Eyman risks \$500K of his own money to fund car tab initiative*"). The threats, lies, and scare tactics about I-976 are silly: massive \$3.5 billion tax surplus and record revenues can easily backfill affected programs. I-976 forces politicians to reexamine, prioritize. Reject dishonest taxes. Vote "Yes."

## Argument against

Tim Eyman's latest misguided, deceptive initiative would irresponsibly slash state and local transportation funding by more than \$4.2 billion over the next six years, undermining our ability to address critical safety and traffic problems. Vote *no* on 976!

### 976 Threatens Transportation Safety

Washington has over 160 bridges and overpasses in "poor" condition. 976 jeopardizes public safety, delaying projects to fix dilapidated bridges, overpasses, and tunnels that do not meet earthquake safety standards. The Washington State Troopers Association says, "We oppose this dangerous measure because it would stop thousands of needed road safety repair projects across the state, putting driver and pedestrian safety at greater risk."

### 976 Will Harm Your Local Community

This measure eliminates important local transportation funding in 62 cities throughout Washington. As a result, cities from Seattle to Spokane, from Anacortes to Zillah, would lose nearly \$60 million a year in funding needed for bus service, to repair potholes, upgrade safety, provide transit to seniors and people with disabilities, and reduce congestion.

### 976 Will Devastate Public Transit

Public transit connects people to jobs, education, health care, and each other. Many in our communities rely on public transportation as their primary way to get around. This measure would gut voter-approved light rail expansion and eliminate hundreds of thousands of bus trips each year for commuters, people with disabilities, teenage and elderly riders.

Public safety and transportation experts, business, labor and environmental groups all oppose Eyman's latest flawed and deceptive money-making scheme. Vote *no* on 976!

---

## Rebuttal of argument for

Eyman's 976 might sound good, but in reality *it slashes transit and transportation funding by billions*, harming our ability to maintain and improve our roads, bridges, ferries, buses and light rail. And 976 isn't fair. It will give huge tax breaks to owners of brand-new luxury cars, and almost nothing to someone who drives a 10-year-old Corolla – while leaving all of us stuck in traffic. Vote *no* on 976!

### Second Substitute House Bill 1087 (2SHB 1087)

Cash receipt assumptions would be based on variables for which the data is unavailable to the state. Variables include: the number of self-employed persons who will elect coverage; the number of individuals exempted from Unemployment Insurance who are not exempted from the premium; and the number of individuals who have long-term care insurance and may be exempted from the premium. Since cash receipts cannot be determined, the ten year analysis is "indeterminate."

Senate Joint Resolution No.

# 8200

The legislature has proposed a constitutional amendment concerning legislative powers in times of emergency.

This measure would add “catastrophic incidents” to the specified times of emergency that the legislature may take certain immediate actions to ensure continuity of state and local governmental operations.

Should this constitutional amendment be:

Approved

Rejected

**Explanatory Statement . . . . . 45**

**Arguments For and Against . . . . . 46**

The Secretary of State is not responsible for the content of statements or arguments (WAC 434-381-180).

## Explanatory Statement

Written by the Office of the Attorney General

### The Constitutional Provision as it Presently Exists

Article II, section 42 of the Washington State Constitution permits the legislature to adopt legislation governing certain immediate actions in times of emergency resulting from enemy attack. The authorized legislation includes measures to ensure continuity of state and local governmental operations and appointing public officers to ensure public duties continue to be carried out.

### The Effect of the Proposed Amendment if Approved

This measure would allow the legislature to adopt legislation governing continuity of state and local operations not just in case of “enemy attack,” but also in the event of “catastrophic incidents.”

## Fiscal Impact Statement

Not required by law

### Final Votes Cast by the Legislature

House: Yeas, 91; Nays, 7; Absent, 0; Excused, 0

## Why the 2020 Census matters

Every 10 years, as required by the United States Constitution, the U.S. Census Bureau takes a complete count of the country’s population. Every person living in the U.S. is expected to participate. The Census Bureau collects data for statistical purposes only and is required by law to protect your individual identity.

Having accurate, updated census information is vitally important. The information is used by Congress to distribute more than \$880 billion in federal health, education, and infrastructure funds to states, counties, and cities based on population. Census information is also used by Washington’s bipartisan redistricting commission to draw new, equally-populated legislative and congressional districts that reflect the population growth and shifts over the past decade.

The Census Bureau will begin collecting information in March 2020 and you can respond online, by mail, by phone, or with an in-person interview. You’ll be asked to complete a questionnaire with a few basic facts about the people in your household. It’s easy and confidential. Remember, everyone counts — so when you receive the official questionnaire, complete it for each person in your household.

## Argument for

### Our State Is Not Prepared for a Catastrophic Event

Following a catastrophic incident, it is critical for government to continue to function. The Washington State Constitution sets forth how governments will operate in the aftermath of an “enemy attack” but not in the case of other types of catastrophic incidents that may occur. The intent of this constitutional amendment is to ensure that state and local governments can properly function after any type of major disruption.

### Voting Yes Is One Critical Step to Get Ready for a Disaster

This constitutional amendment allows for governments to continue operations after a “catastrophic incident.” A catastrophic incident is defined to include natural disasters, terrorism attacks, and other events that result in extraordinary levels of mass casualties, damage or disruption severely affecting the population, infrastructure, environment, economy or government functions.

### We Never Know When a Disaster Will Strike, We Must Prepare Now

This amendment is essential for us to prepare for incidents such as the inevitable Cascadia earthquake, catastrophic wildfires or a catastrophic pandemic. The reality is that these events will occur at some point in the future, bringing about such damage and disruption severe enough to interfere with government operations. State and local governments need to be better prepared to continue to operate after these catastrophic events. This would allow us to take action to plan for those important steps now.

**Vote Yes on SJR 8200**

---

### Rebuttal of argument against

This measure lives up to the existing framework for protecting critical functions of state and local governments, enshrined in our state constitution nearly 60 years ago. The definition of “catastrophic incident” is clear and military and other federal agencies use it too. By voting yes, you are allowing government to continue after “extraordinary levels of mass casualties, damage, or disruption severely affecting the population, infrastructure, environment, economy, national morale, and/or government functions.”

## Argument against

### Weakens Constitutional Protections for Citizens and Grants More Power to Government

This measure changes the constitution of our state to allow the legislature to bypass current constitutional and statutory provisions over the state legislature and how it operates. Current provisions allow this exemption in the event of enemy attack. The changes being made with this proposal would allow this exemption in the case of “catastrophic incident”.

### Criteria Not Defined

This measure does not adequately define what constitutes a “catastrophic incident” nor does it define how widespread such an incident must be in order to trigger this provision. You would have to trust government to make these decisions with or *without* your input. We should demand a better proposal with clear definitions.

### Legislative Dictates

This would grant Legislative leaders from distant areas of the state free reign to change the location of the Capitol, appoint legislators and local government officials to represent you, and pass bills as they see fit with no legislative process requirements, leaving you with no recourse to stop anything they do nor how they do it.

### May Hurt You When You Need Help the Most

Passage of this measure will allow government to decide who will make the laws on your behalf and potentially concentrate power in fewer individuals further from you and your interests; and they will be able to do it at a time when you need the constitutional protections and assistance the most.

---

### Rebuttal of argument for

While it is important to prepare for disasters, the legislature needs to provide more specificity on *how* it would use this new authority *before* voters approve this authority. How large an area much be affected and what actions they would take should be better spelled out *prior* to voters extending any additional authority. Don't wait for disaster to strike to find out their intent – insist they tell you *before* you change the constitution.

# Mary Hall AUDITOR

You're probably hearing a lot about how elections are vulnerable to cyberattacks and foreign influence campaigns. I do too. I want to assure you: **your vote in Thurston County is secure.**

This is because:

- We use paper ballots in Washington State. This gives us a physical copy of your vote that we can refer back to.
- The machines we use to count your votes are physically separated from the internet. There is no way the election could be hacked over the internet.

In addition to securing your vote, Thurston County is working overtime to address the risk of a cyberattack to other parts of county government. Last year I spearheaded the creation of our Cybersecurity Task Force. We have reached out to the Department of Homeland Security to assess and improve all aspects of our cybersecurity standing.

The presidential election cycle in 2020 will be huge and I want you to know that we're doing everything we can to prepare. We'd be happy to give you a tour of our Ballot Processing Center so you can see first-hand.

But, back to this next election.

It seems ironic to me that turnout is lowest in local elections. Only 26 percent of voters returned a ballot in the August primary which was up 3.42% over 2017. While we're working hard to reverse that trend, remember local elections are the most consequential to your everyday life.

Do you feel like you're sitting in too much traffic? Are your children getting the education they deserve? Are we doing enough to address the housing and homelessness crisis? These aren't questions that are answered by the state legislature or Washington D.C. They're answered by your neighbors on your ballot.

One reason people say they don't vote is they feel like they don't have enough information to make an informed decision. **This is exactly why we send out this voters' pamphlet.** This pamphlet includes a written statement from each candidate and about each measure. If you want more information, there are organizations like the League of Women Voters who produce in-depth interviews that you can find on the internet. We publish the candidates' website. A simple Google search could also provide additional information.

I also suggest reaching out to your friends and neighbors. Simply posting questions on social media about a race can reveal an abundance of information.

Your vote is your voice in making sure that we answer our most pressing problems.

# Position Descriptions

**Port Commissioners:** Port districts provide maritime shipping facilities, airports, and other facilities and engage in economic development activities. Port districts are empowered to levy taxes and adopt and enforce regulations for moorage and toll facilities. The commissioners set objectives, policies, and overall port direction through comprehensive plans.

**City & Town Councils:** Thurston County has two types of city government: council-manager or mayor-council. Under both, the council is the legislative and policy making body.

**Council-Manager (Lacey, Olympia):** The city council appoints a city manager to oversee day-to-day affairs. The mayor presides over council meetings and serves as ceremonial head of the city.

Olympia: A candidate runs for and is elected mayor.

Lacey: The council selects one member to act as chair, with the title of mayor.

**Mayor-Council (Bucoda, Rainier, Tenino, Tumwater and Yelm):** The mayor is the chief executive or administrative officer and ceremonial head of the city. The mayor carries out the council's policies, administers day-to-day city affairs, and with some limitations appoints, supervises, and discharges subordinate officers. The mayor presides over council meetings and has a veto power over ordinances.

**School District Directors:** Five directors make a board whose responsibilities include: budget, policy development, curriculum approval, planning and communications for the school district.

**Fire District Commissioners:** Commissioners oversee districts that provide fire prevention services, fire suppression, emergency medical services and the protection of life and property in the county. With voter approval, they may issue bonds and make excess levies.

**Park and Recreation District Commissioners:** Park commissioners may acquire properties, make contracts, establish fees, make rules governing park properties, and manage and operate facilities. They may also impose property taxes, establish local improvement districts, and issue revenue bonds.

**Cemetery District Commissioners:** Commissioners acquire, improve, and operate cemeteries. They also set a budget and establish fees and rules for cemetery use.

If three or more candidates filed for office, they were in the Primary Election. The two candidates who received the most votes advanced to the General Election.

electjoedowning@gmail.com; www.re-electjoedowning.com

It is an honor and pleasure to serve as your Port Commissioner. When you elected me 4 years ago, our top priorities became environmentally safe operations, diversifying cargo, finding new business for port properties, and supporting local agriculture.

I'm pleased with the progress we've made. We restored acres of prime downtown land into usable property and started construction on new housing. We built a state-of-the-art fuel dock for environmentally safe fueling and to promote tourism. We attracted new cargoes: exporting dairy cows and importing organic corn at the Marine Terminal. There is

more to do.

It's a New Day at the Port of Olympia. As your Commissioner, we'll move forward with new initiatives that support entrepreneurship. We will maintain infrastructure to attract and keep talent in the region and sustain union and other living wage jobs. We'll focus on preserving and cleaning up our environment for future generations.

I'll apply my experiences as Commissioner, 6 years on the Port Advisory Committee, 10 years as a financial examiner, and 20 years private sector experience in manufacturing and production logistics to serving the needs of Port of Olympia and our community. Thank you for voting and for your support. – Joe Downing

*The Port loses money every year.* Port taxes have increased 27% since 2016. Let's stop using taxes to make up for losses and debt. \$6.5 million a year is too much to pay for poor decisions. We can turn the Port around with better transparency and more rigorous oversight.

Your Port Commission represents you as it supplies accountability for Port operations and plans for the future. You deserve a Commissioner who champions investment in community, promotes local family wage jobs, and prioritizes long-term public benefit over short-term profits for a few.

To build a sustainable and resilient economy, we must restore the function and health of Puget Sound waters, clean up industrial pollution, promote local food and farming, support clean energy, and confront the climate crisis with realism and fairness.

I grew up in the Pacific Northwest and raised our family in Olympia as an active member of the community. My expertise in effective public involvement developed through decades of work on Hanford cleanup. With a Ph.D. in world history from Johns Hopkins University, I know the importance of planning wisely for global change. It's your Port. It's your choice. Let's make it work for *you!*

I am Harald Jones, NTHS Graduate, Vietnam Veteran and retired Postmaster. I have resided in and watched Lacey grow from 1964 to the present. I have been a homeowner in Lacey for the past 40 years. I seek your support and vote to the City Council, Position 2 to put Lacey back on track. Promises were made over the recent years but Lacey has been suffering from increasing crime rates, reduced park activities and an attack of homelessness and drug culture.

Here are my primary concerns: *Safety* through Law

Enforcement to reduce theft, increase traffic enforcement of speeders and red light runners. *Homeless*, Mentally ill and drug addicted directed to services provided by existing government and community providers. *Parks* with access to full use including a dock at Long Lake Park. I support the replica Train Depot proposal as it represents a significant Historical value of Lacey's past history.

Since I am retired, my only job will be to serve you The Citizens of Lacey. I will be your voice representing your interests and concerns for our community. I would like to thank you in advance for your consideration and would be appreciative of your vote.

It is important that we engage and collaborate across our community to ensure an inclusive and healthy place for all Lacey residents.

We need to continue our efforts to provide affordable housing solutions and foster a regional approach to the challenges surrounding homelessness. I will continue to apply fiscally responsible solutions for managing our city so that businesses prosper, and the health and beauty of our

home is preserved for future generations.

I've been committed to serving our community for many years; advocating at the federal, state and local level regarding preventative measures and care for domestic violence, human and labor trafficking, and sexual assault survivors. I serve on the board of two local nonprofit organizations and volunteer in the effort to make our home a more perfect place to live, work and play.

It is an amazing honor to represent you on the city council. Thank you for your support and your vote.

As a lifetime resident and business owner, I love Lacey and desire to preserve the uniqueness that makes Lacey a wonderful place to live. Over many years I have witnessed this city blossom with growth while still maintaining a small-town community charm. And as wonderful this city may be, there is still leadership needed to protect it.

My priorities will be preserving the safety of our residents; being a strong steward of the public's money; keeping our taxes low; continuing the efforts Lacey has made in

support of our veterans in this community; and to work collaboratively with our city leaders, residents and non-profits to find solutions that will help solve our vagrancy problem.

These priorities are all attainable. With the firm leadership I will bring, Lacey will continue to thrive as the premier city in Thurston County. The Puget Sound area is one of the greatest desired destinations for our troops – they want to be here because of the quality of life this community offers. As your next City Council Member, I will strive to help preserve this sought-after quality of life for all of us. I would be honored to have your vote.

## Did you know Thurston County women were the first women to vote in Washington?

In 1870, because of a vague law, 15 women were able to vote in Grand Mound and Littlerock. The legislature outright banned women from voting the next year. Women in Washington fought until 1910 to gain the vote in Washington State.

The 19th Amendment, allowing women to vote nationwide, passed 99 years ago.

Olympia deserves a Mayor who is *practical, open-minded, optimistic, and collaborative*. Someone with strong leadership skills, a solid sense of community, and a record of achievement.

As political dysfunction spreads across our country from Washington, DC, these qualities are more important than ever in local government. *That's why I'm running for re-election in 2019 as Olympia's Mayor.*

*In the quarter century I've lived in Olympia, I've raised a family, owned a downtown business, supported high-achieving schools, and volunteered for non-profit*

*organizations. I've consistently worked for strong and fair law enforcement, excellent emergency services, and economic vitality for all. Communities can get discouraged sometimes by difficult challenges, but we must not lose sight of what makes Olympia great: strong neighborhoods, thriving businesses, a vibrant arts scene, and residents who work together with passion.*

After serving 6 years on council, I'm still energized by opportunities to bring together everyone in our city to *find solutions that make Olympia stronger, more inclusive, and economically vibrant*. I would be honored to receive your vote for Mayor in the August 6 primary and November 5 general elections. In my eight years on the Olympia City Council and seven years serving as your mayor pro-tem, it has been my honor to help guide our community as we face the challenges of growth and change. Olympia thrives at the intersection of commerce, healthcare, education, and creativity. We are a vibrant and optimistic community and we live in a beautiful setting with a bright future.

For decades, we have used piecemeal responses to major policy issues - putting on band-aids instead of finding real solutions. It's time for comprehensive

answers to complex problems. We can manage growth, address homelessness, and create a more compact city, while we preserve the character of our neighborhoods and affirm the dignity of all citizens. It is the role of the mayor to bridge divides and unite us in these efforts.

Olympians want quality public services, clean water, clean energy, living wages, and affordable homes. We want a municipal government that is responsive to our concerns and dedicated to collaborating with all members of the community.

As your mayor, I will steward the next phase of Olympia's evolution with progressive governance that meets the needs of our time.

## Why don't I see a party affiliation?

These races are nonpartisan. The candidates for each position may hold political views that align with one party or another, but it's not a partisan office. They may choose to share these views with the public, or they may not. That is entirely up to the candidates.

It has been an honor to serve as your councilmember for the last four years, and Mayor Pro Tem since January. In my first term, I've worked to address housing and homelessness, maintain our green spaces, and ensure we have safe and walkable neighborhoods for all Olympians to enjoy. I have the experience, balanced approach, and policy skills needed to help our community continue to move forward.

In addition to serving on Council, I work as a policy analyst representing community health centers in Washington state.

I am committed to building an Olympia that is inclusive and equitable for all. From leading the Home Fund Campaign, to organizing home care workers, to empowering at-risk youth, I have worked hard to improve the lives of people in our community. As Olympia grows, we must create more affordable housing, reduce our carbon impact, and foster a thriving downtown environment. I'm excited and ready to continue this work.

I am a first-generation college graduate and the daughter of working family parents. I've lived in Olympia since 2007 and earned my graduate degree in Public Administration from The Evergreen State College. In

Olympia is a beautiful city in an amazing natural setting where so many of our neighbors contribute to our community and try to be heard at City Hall.

My primary goal as your council member is to guarantee that all citizens have a seat at the political table of decision-making. Too often, citizens get the crumbs and private interests enjoy the whole meal. For 17 months, I worked with citizens to stop the Missing Middle ordinance (city sponsored gentrification) which is not affordable and hurts

neighborhoods.

Currently a nurse at the Olympia Free Clinic, I have been a leader on the front lines of community, school, church and other non-profit work for decades. Calling out the misuse of tax dollars in 2003, I gathered 3,000 signatures to stop a subsidized corporate conference center that needed nearly a million dollars annually of your tax monies. Families now enjoy the Children's Museum instead.

Educated also as a journalist, I am prepared to ask tough questions and listen well. If elected, we will make city decisions at the table together. Respectfully, I ask for your vote. Visit [pbooth.org](http://pbooth.org)

With over a decade of experience working on equity and the environment in Olympia, I am prepared to serve. As a single mother who once lived paycheck to paycheck, I worked hard to succeed. I now have a career in Puget Sound recovery and strong connections throughout the community.

Homelessness is a complex regional crisis. A lack of affordable housing is intersecting with inadequate treatment for physical health, mental health, and addiction. Olympia needs a crisis management plan. I support data-driven decisions that measure our progress. Our city is also becoming less affordable for low and middle income families. I support diverse housing so

everyone can find the home they need.

Olympia should be celebrated for how we care for the environment. From Puget Sound to climate change, I will make decisions based in science. As we plan for neighborhoods, parks, transportation, and sea level rise, I will weave environmental stewardship throughout the city.

I want people to see the Olympia City Council as a partner in solving our biggest problems. Local government should help people find shared interests and values. With my skills as a community organizer, I will find creative ways to engage people in solutions.

As a licensed clinical Psychologist with years of experience in serving our most vulnerable residents, I believe that my expertise will be most complimentary to our city council as I will bring a strong enhancement to understanding how to work in collaboration with the community. The measures we need to take to improve the health of our economy and the quality of life for our community members needs multiple solutions. We

must build pathways to keep residents in progressive movements towards a better quality of life and we

must address housing in a more ecological manner. As a professional consultant on racial and gender equity, I offer a new perspective and will advocate for the care of a more diverse Olympia. It is critical to expand the skill set of local government so that we may more broadly consider the impact of our policies and to increase our ability to more fully consider the needs of all our residents. As a parent, small business owner, and college Professor I am well equipped to build better solutions. I offer the commitment, values, and proven leadership that will be most effective on Olympia City Council and I ask for your vote.

The past four years have been exciting, challenging and I believe overwhelmingly positive. Tenino is certainly in a much better place in many ways than when I took office and we have several very promising initiatives in the pipeline that I would like to spend another term working on. I'm very excited to end my first term on the heels of a historic and unprecedented legislative session for Tenino, I believe that this shows we as a

City Government have come into our own and are now extremely effective. The last four years have been marked with success, stability and progress, I hope that we can all continue to work together to move Tenino to even greater heights and with your vote in November I will continue to work on your behalf to ensure that happens over the next four years.

These are my political priorities: Crime – Increase crime reporting; Infrastructure – Limit spending to essential infrastructure and emergency services, this also includes a social services infrastructure; City of Tumwater Legislative Protections – Increase protections for residents and not limit those protections to residential landlord tenant evictions and retaliation; Bonds – Support fewer bonds, both voted and not voted,

that place the City of Tumwater in further debt at the taxpayer's expense; 5G and Beyond – Disclosure of 5G to 10G documents, sales pitches, and plans that have already been approved or may effect City of Tumwater residents; Substances – Eliminate the City of Tumwater

from participating in and promoting addictive and inebriating substances such as beer and distilled liquor.

Obviously, the City of Tumwater is suffering from many – detrimental to our youth and health – statistics that need to be researched and complained about in a protected way.

I moved to Tumwater in 1996 and volunteered in my homeowners association, my neighborhood and in community service organizations before joining the council. I have a Master's degree in Business Administration and have worked for the Washington State Parks and Recreation Commission for the past 23 years.

I love Tumwater -- its people and neighborhoods, its businesses and institutions, its history and its future. I am running on my record

of service to our community and my experience as an elected leader who produces results. Together we have improved public safety, city streets and city parks. We have expanded our economic base, balanced the city budget and preserved our natural and cultural resources.

Now we are called to do even more. We must address the emerging issues of homelessness and housing affordability, and take steps to reduce our reliance on fossil fuels to fight climate change. I pledge to use my experience to develop solutions to these growing challenges.

Thank you for your past support. I ask for your vote to continue our work for an even better Tumwater!

My name is Michael Pavlich and I am running for Tumwater City Council Position No. 3. I am married to my inspiring wife Dawn and we have 2 adult daughters, and twins and a grandson in Tumwater schools.

I am honored to have served Tumwater as a firefighter for 37 years both as a volunteer for 5 years and as a professional firefighter starting in 1988. I was previously elected to serve as a Fire Commissioner for Fire District 15 in Thurston County. I have served on local Homeowners Associations Boards

and have experience in representing people with varied and sometimes conflicting needs.

I retired this year and found a need to continue to serve my community. I am proud to have worked beside the finest firefighters and police officers and I support them fully and I've seen first hand the other needs of Tumwater. We are all concerned about a healthy environment, traffic, affordable housing and livable wage jobs. I am up to the challenge of seeing all sides of the issues and working on solutions.

Thank you, Tumwater voters, for your support and your continued trust in my leadership as a member of the city council for the past twelve years.

What can you expect for the next four years? You can continue to count on a listening ear, a clear voice, and a strong commitment to the high value issues that directly impact our daily lives.

Some of those issues are: environmental health and protection of our breathable air, water resources, and natural habitats; city zoning requirements that encourage a balance of sustainable development,

affordable housing, and community open space; maintaining our high public safety and health standards of response and professionalism; keeping our promises for good roads, sidewalks, trails and walkable business districts; increasing regional partnerships that strengthen the lives of vulnerable seniors, struggling families with children, and discouraged and hopeful young students. And finally, as always, I will stand strong for Tumwater's commitment to Diversity and Inclusiveness.

I'm proud to represent you and be a member of a city administration, staff, and council that believes in "People, Excellence, Opportunity, Partnership, Learning and Environment." So, when your ballot arrives, vote for continued strong, courageous, compassionate leadership...*Re-Elect Joan Cathey on November 5th!*

Thank you for supporting me to represent you for the past 15 years in our accomplishments and in what we will continue to do.

We have added firefighters and police officers to maintain your safety and security. With your votes, we have dedicated dollars for parks, streets, and sidewalk maintenance and repair. Through partnerships with the Tumwater School District and the Housing Authority, we

added 12 low-income housing units across from Peter G. Schmidt Elementary School. I proudly report that five of these units are for homeless children and their families.

Lastly, we must address the needs of our salmon population in the Deschutes Estuary. We secured 5 million dollars to upgrade the Tumwater Falls Catchment Facility. Reopening in September of 2019, it will enhance and protect the salmon run. Another priority is building a state-of-the-art salmon hatchery at Pioneer Park in a partnership with Tumwater, the Squaxin Island Tribe, and Fish and Wildlife. It would bring 1.3 million more salmon into the lower Puget Sound. Saving this run would feed our diminishing orca population, and benefit our community with tourism and jobs.

I can't do this alone, but together we can make it happen. Please vote for me.

I bring experience and knowledge from my public service career, lifelong involvement in volunteerism, and my service on several City advisory committees.

My wife, Nancy and I love Tumwater. Since our arrival, I have successfully advocated for new City parks, help organize our neighborhood's National Night Out to improve neighborhood safety, dedicated thousands

of hours to Tumwater Youth Programs, Stream Team's habitat enhancement projects to protect our precious water resources, and cleaned up litter and homeless encampments. I'm especially proud that I was selected by my peers as Vice-Chair of the City's Parks and Recreation Commission.

With Tumwater's rich history and bright future, we need elected officials that will lead by example and are prepared to address critical issues in our City including, public safety, preventing drug use by our youth, housing affordability while managing growth responsibly, and preserving open spaces. I want to help return the brewery into a vibrant community asset. Together we can make a difference.

I'm asking you to vote for me, EJ Curry for Yelm City Council, Position 1. As a life-long resident of Yelm, I am committed and dedicated to serving you, the citizens of Yelm.

Yelm is facing many challenges and opportunities in our growing community. I know I can meet those challenges in a positive and proactive way. We need a livable community for everyone, parks with walking areas, ball fields, an

active senior center, and public and health safety. The city projects on which I am focusing are establishing a plan

for Boys and Girls Club and a Veteran's resource center, continuing to monitor that SR 510 Yelm Loop meets the projected completion date of 2023, as well as fixing the city streets and sidewalks.

EJ Curry represents the City of Yelm on the following committees: Yelm Public Safety Committee, Yelm Finance Committee, Thurston County Solid Waste, Yelm Senior Center, South East Thurston Fire Authority (Yelm and Rainier)

I ask you to re-elect me, EJ Curry, for Yelm City Council, Position 1. I will continue to work hard to serve in the best interest of the citizens of Yelm. It is an honor to serve you.

*We need someone who is sticking up for the little guy, and understands the consequences of City Hall's decisions on the average person.*

Water rates in Yelm are unacceptable. There's much work to be done on our treatment plant, which will keep our rates elevated for the time being. Let's get the repairs done, and then start figuring out how we get our rates down to

a reasonable level. *I will take a firm stand against any new or increased taxes or fees. We need to take care of priorities before committing resources to unnecessary*

projects.

Yelm is a great place to live, however, it is not always the best place to do business. Our local businesses need a break from our excessive B&O taxes. We have many ordinances on the books that open the door to abuse and harassment from the City against individuals *and* businesses. I will work with my colleagues to review the entire Yelm Municipal Code, identify problem ordinances, and propose to repeal or revise any ordinances that limit personal freedom and/or property rights.

*Freedom is the path to prosperity.* Government has its role in our society, but we must be vigilant to keep it limited.

Why do I want to run for city council? I don't. I have no interest in fame, power, and heaven forbid; a career in politics. This is precisely why I am perfect for the job at this time in Yelm's History.

I am a concerned businesswoman and artist that sees we need change, change in attitudes and vision... Not change from the pockets of the people to pay for higher taxes.

For 8 years I gave public service to Yelm by offering a full spectrum of entertainment and education for all

the community. From the get-go, I faced discrimination barriers that continually inhibited the theater from becoming its full potential of making Yelm a tourist destination for all types of people. Those barriers are useless and unproductive. To move into the future, we need to unite and embrace our differences so that we can utilize our best asset ...our people! What's good for our people is good for business!

Sometimes it takes an artist to see alternative solutions to problems because artists don't see in black and white but in Technicolor. My background and experience offers that different perspective and can help bring about this change.

### Molly Carmody

In the last four years I have worked hard to communicate with my constituents, bring transparency to Yelm, and improve the way that the city works. On the Finance Committee, I have saved Yelm hundreds of thousands of dollars by voting to switch banks, invest in higher-yield bonds, and clarify the budget process. I helped improve the budgeting process by encouraging department heads to submit their annual proposals

not just to the mayor, but to the council as well, for

transparency and clarity. I brought in a Fortune 100 company to help Yelm apply for grants and fix our outdated and crumbling sewer and water systems at a lower cost than if we had done it ourselves. I have voted to repair sidewalks and other infrastructure over aesthetic improvements to the parks because I feel that in order to have a vibrant community, infrastructure comes first. I serve on the Intercity Transit Authority, the Nisqually River Council, the Finance Committee, and the Economic and Community Development Council. I love Yelm and am proud to live here - I look forward to serving you for another four years.

## City of Yelm

City Council, Position No. 6 • Four Year Term • Vote for One

### Matthew McLellan

9310 Cullens Rd SE Yelm, WA 98597; 360.458.3101  
matthewrmclellan@outlook.com

I am a business owner who has lived in the Yelm area my entire life. As a 5th generation Yelmite I have a lot of pride in my hometown, my family's roots, and my Yelm education. As a professional financial advisor, I help my clients to build and maintain wealth. This experience in finance will directly benefit the city of Yelm through my proficiencies in budgeting, investing, and prioritizing funds. I volunteer in dozens of local organizations and that spirit of volunteerism is a defining

feature in my campaign. I believe that although Yelm will grow, we can ensure the city continues to feel small, by promoting small business, making neighborly efforts, and getting people involved in their community.

While I welcome growth, I expect the city to do it at a rate the community and infrastructure can realistically sustain. This means, transparency, balanced budgets, stable and affordable utilities, traffic mitigation, and job creation. I look to cultivate vibrancy in the sheer volume of things to do and people to see. Whether it's a YMCA, pool, or simply foot traffic from business to business, I will do everything in my power as a councilman to accomplish this.

### Joe DePinto

1201 E Yelm Ave Ste 400 PMB 247 Yelm, WA 98597; 360.888.8344  
joe@joedepinto.com

Yelm is my hometown, it's where I grew up, and I am proud to serve on City Council.

Recently, I bought my first home, married my wife Sarah, a teacher in Yelm, and plan to raise a family here. I want safe streets, affordable homes, more recreational opportunities, a decent education, and full-time employment for my family, friends, and neighbors. I offer my experience working with state

and local governments as my way of bettering the place we all call "home."

As Councilman, I am committed to the completion of the Yelm Bypass (State Route 510) that will reduce and improve traffic congestion. I ensure that public safety is adequately funded and motioned to add an additional officer to our police force - the first time in more than a decade. I support economic development in our local economy, oppose increases in taxes, fees, water and utility rates, and want efficient and accessible city government.

I have met and spoken with so many of you at your homes, on the phone, through social media, or in council meetings. Thank you again for your continued support! I'm Councilman Joe DePinto and this is *our* town!

## Centralia School District No. 401 - L

### School Board Director, Position No. 2 • Four Year Term • Vote for One

#### Beverly Clark

830 E St Centralia, WA 98531; 360.807.0221  
Rbeverly68@msn.com

As the mother of two children attending public school in Centralia, I am running for Centralia's School Board because I'm passionate about public education and committed to making our schools exceptional. I will work with teachers, parents, and community to ensure Centralia students receive the world-class education they deserve. I will make every effort to prepare our students for the workforce of the future and ensure they have the tools for

college or careers.

A quality education for our students depends on attracting and keeping quality teachers. The Board's budgetary decisions must reflect this priority. I will proactively solicit the opinions of parents and teachers

in making Board decisions, and will make the Board responsive to community needs and work to improve test scores and graduations rates while strengthening enrichment programs. The School Board's job is fostering an educational environment where students thrive.

Working with teachers, parents, administrators, and school employees we will promote investment in better learning environments and working conditions. I will use my voice to refocus our administration on what is truly important-our children, teaching, and learning.

I promise to strive for excellence, ask tough questions and demand thorough, transparent answers. I respectfully ask for your vote.

kamakazikid69@msn.com

Our children are the future. Achieving maximum vocational, academic and scholastic goals are crucial for success. Support for our teachers and staff is vital for our goals to be achieved. My experience as a former city councilman have given me tools and experience needed to be effective in creating a vision for our future. As a single father, a graduate of Centralia school system and resident of our community for 40 years I'm deeply

concerned .

### Alma Neuert

2508 Graf Rd Centralia, WA 98531; 360.999.3503  
almaneuert@gmail.com

Alma believes every child should be served adequately according to their abilities and needs. Every child in Centralia should be equipped with the tools and education which will result in a positive and bright professional future.

As every involved parent, Alma has been an advocate for her children; it takes children advocates to make the correct choices with the current resources, it takes courage to step

up and be resolute to win the best decisions for our children education.

Alma knows collaboration is an essential requirement to

accomplish a goal. If teachers are trusted to do what they are trained for, and all administrative staff support, as part of one team and with open communication, one can be sure everyone is accountable for the part they have been entrusted to complete and attain.

Alma understands there must be a long-term partnering vision, one focused on principles of communication, mutual benefit and with clearly defined goals, leading to support partnership results, where what's most important can be found: adequate high quality education for every Centralia School District child, as well as respectful treatment and encouraging acknowledgment of all those working towards that goal.

### Vickie Jackson

1024 McKinley Ln N Centralia, WA 98531; 360.269.7017  
vickie.jackson98531@gmail.com

I've lived in Centralia since 1998, and am the proud parent of two CHS graduates. While I've been an active community volunteer, and served in various leadership roles, my greatest investment has been volunteering over the past 20 years within the Centralia School District. It's been my privilege to work with students, staff, and administration, while advocating for quality education, creating inclusive cultures and environments, and inspiring our

future leaders to achieve their goals. These experiences, along with being a REALTOR®, have taught me to solve problems creatively, and to be able work in diverse situations in a collaborative manner.

I am confident about working with the Board and Administration, to continue to improve our students' education, in order to help them to be successful in life. I believe that I possess the knowledge and skills necessary to contribute to helping our District retain and attract quality educators. Most of all, I believe the relationships I've forged, within the Centralia community and the Centralia School District, allow me the ability to create positive solutions and results.

*I ask for your vote* so that I can work for our community to bring about the growth and improvements needed for Centralia's students.

### Mandi McDougall

PO Box 126 Galvin, WA 98544; 360.827.1609  
mandiraemcdougall@gmail.com

I am proud to call Centralia my hometown, and nothing makes me prouder than sending my children to the very schools I attended. The incredible teachers and opportunities afforded me in Centralia helped shape the person I am today. I have served our community for 10 years; Event coordinator for the Lighted Tractor Parade and Summerfest Parade, Centralia Downtown Association Board Member, Jupiter Arts Board

Member, Mothers of Preschoolers Coordinator, as well as owning and running a small business in our historic downtown.

As a school board member I will be committed to: More transparent and open communication between our district administration, school board, teachers and the families we serve; Serving the interests of all of our students, to increase their ability to have a successful educational experience; Financial transparency, and accountability over budgeting and resources; Creating opportunities for community cohesion with the school district and teaching staff.

I am seeking this office because I believe our community wants a voice – that I can help give – to their needs and concerns regarding our children’s education. I believe it is time for our board to be more representative of the families that our district serves and ask for your vote!

### Jami Lund

PO Box 1734 Centralia, WA 98531; 360.918.3990  
jami@jamilund.com

I will continue pulling for improved services our district provides to families including: Giving students more customized learning based upon their unique needs; Offering broader opportunities for students including college credit and vocational credentials; Preparing students for an increasingly computer-reliant world; Providing more time and attention for those learning English; Developing supplemental services for students

falling behind; Improving the school calendar and schedule to better serve students.

My experience as an educator gives insights into what we can accomplish, while my background as an education

policy analyst showed best practices of districts around the state.

I’m proud of my role in reducing partial school days, focusing on English Learners, establishing the community survey, increasing transparency and seeking financial literacy for students. I want to continue to help more students reach their potential and leave fewer students behind.

The district’s financial hardship--which I worked to avoid--makes it more important to find creative solutions to preserve effective services. I want to be part of your team to create the best possible schools. Working cooperatively with other district leaders and the community we can accomplish much more for students and families. ### Dan Teuteberg

6937 41st Ave NW Olympia, WA 98502; 920.379.1808  
dteuteberg@yahoo.com

My name is Dan Teuteberg. I am interested in being on the School Board for Griffin School. I am a husband to my wife Jamie, and a dad to my son Owen (4th grade) and my daughter Lucy (6th grade). We have called the Griffin community home for the past 8 years. I am an Associate Professor with Washington State University doing research in early learning systems, experiential education, and adult volunteer development.

I am interested in being on the Griffin School Board to ensure that all youth and families in the Griffin School District have access to a great education. I will work with the dedicated professionals at Griffin School to support initiative teaching methods to engage and empower youth to reach their fullest potential. I will also seek meaningful ways to increase family engagement in their child's education. I believe communication to a key component in reaching these goals.

I appreciate your support and your vote. Thank you!

I believe our children *always* come first. Every decision this school board makes in the areas of policy, curriculum, budget, and operational oversight have to put our children's best interest first. I am dedicated to making this district the best in the nation for scholastic achievement and educational innovation but it is more than education; it is building the foundation for a better future. We have the best faculty and staff who need to be fully supported in

order to build an environment of safety and excellence in all we do.

I am a father of three beautiful Griffin elementary

children and husband of a passionate elementary para-educator. I am currently serving in the Washington National Guard as chief of operations for an accredited adult learning institution responsible for twelve training programs taught across four states. I have spent the last twenty years serving in the Army, including a tour in Iraq. I have dedicated my life to serving our community, state, and nation. I wish to continue by serving as a director on the Griffin School Board. I understand education policy, measurement of institutional effectiveness, and financial management in times of fiscal constraints. *Education is my passion.*

I have served on the Griffin School Board for the past 8 years. As a former educator, I have a strong interest in helping Griffin School provide all students in our district the learning opportunities they need and deserve to be successful in the global community we live in today.

My husband Dennis and I have lived in the Steamboat Island area for almost 50 years. Our children, Marissa Karras Duerr and Peter

Karras, attended Griffin School. Now our grandchildren, Logan, Anna, and Mike are students there as well. I

definitely care about the quality of their education and that of all Griffin students.

These are critical times for public education both financially and philosophically. It is important that Griffin maintain high standards to preserve a quality education for all students. It is our responsibility, as a community, to stay informed and support the education our children. They are our future.

I am respectfully asking for your vote. I will advocate for all the needs of students in the district and listen thoughtfully to the concerns of families in our community. I look forward to serving you.

## Gretchen Maliska

6642 Prairie Ridge Dr NE Olympia, WA 98516; 360.250.9915  
gretchenmaliska@icloud.com

As a current School Board Director, Gretchen continues to be a strong community leader in education and active parent in North Thurston Public Schools. Since 2006, she has served students and community on Legislative Committees, Levy Campaigns, Boundary Committees, Strategic Planning and toward greater understanding for all.

As CTE Program Manager for the Olympia School District, she provides administrative oversight to 60 teachers, paraeducators and secretaries in career connected learning. Gretchen has served as an executive administrator at a K-8 private school, providing oversight on budget, funding,

enrollment, curriculum, and staff development.

Always an active parent, Gretchen has managed youth football, served on preschool boards, and organized school fundraising. Gretchen has also provided advocacy for children with special needs and is an active supporter of Activities, Athletics and Performing Arts as part of comprehensive public education.

Gretchen is dedicated to the success of students, families, staff and leadership. She is a thoughtful listener who is committed to open and honest discussion and input. She is grateful for the excellent education her children have received in the district and looks forward to continuing her work with district leaders and staff to ensure that every child has a quality public education.

1420 Marvin Rd NE STE C PMB 119 Lacey, WA 98516; 360.790.0564  
Jason.Noahr@gmail.com; www.electjasonnoahr.com

Jason Noahr is running for School Board to ensure students have equitable opportunities, to partner with parents and educators to guarantee students feel safe and welcome.

A lifelong Lacey resident and product of North Thurston schools, Jason chose a vocational pathway at the New Market Skill Center for a law enforcement career. He is a foster parent and uncle to 32 nieces and nephews which has given him a unique perspective on education; seeing the different experiences, challenges and successes students face.

As a State Trooper, Jason knows the importance for kids to feel safe at school. Feeling safe means students are in small classes with access to educators who support their social, emotional and educational needs by ensuring access to mental health supports, school nurses, guidance counselors and caring adults.

Jason's voice will help close the opportunity gap by ensuring students have equitable opportunities to achieve futures they want. He'll work with families and support groups prioritizing investments in special education, programs accommodating diverse student needs and supports in and out of the classroom. There isn't a one size fits all education system. Every student is different, and we must find the best learning path for each child.

Graeme is a long-time resident of Thurston County. He attended Lacey Elementary School and graduated from North Thurston High School in 1962. In 1966 he graduated from Western Washington State College with a degree in economics. Following college he spent four years in the Air Force. He's retired from the Washington State Employment Security Department where he last worked as the department's legislative liaison.

Following two years on the Lacey Planning Commission, Graeme spent thirteen years on the Lacey City Council, six of those as Mayor. While on the Council he was a

strong advocate of the collaborative relationship between the City and North Thurston Public Schools (NTPS). He co-chaired the successful 2012 levy and 2014 bond campaigns.

During his first term on the NTPS Board of Directors, he's been a strong supporter of district goals, in particular Preparedness for Post-Secondary Success, whether focused on an immediate job, technical/apprentice training, or higher education. That preparedness begins in pre-school and continues through graduation. He served as Board President during the 2018-2019 school year.

Graeme's married with a daughter, a granddaughter and an eight year-old great-grandson. Four generations at North Thurston Public Schools.

Families are the foundation of society. While academic learning traditionally occurs in schools, social and emotional learning happens primarily in the home. Because academic, social, and emotional learning is interconnected, I want parents to have resources to help children develop in these crucial areas, including free parenting classes, early literacy programs, and adult literacy programs. I believe these resources can be provided even in the wake of the McCleary

decision by partnering heavily with local non profit organizations and businesses.

For more information, please visit [schoolsforfamilies.org](http://schoolsforfamilies.org).

Las familias son la base de la sociedad. Mientras que el aprendizaje académico ocurre tradicionalmente en las escuelas, el aprendizaje social y emocional ocurren principalmente en el hogar. Debido a que el aprendizaje académico, social y emocional están interconectados, quiero que los padres tengan los recursos para ayudar a los niños a desarrollarse en estas áreas cruciales. Estos recursos incluyen, entre otros, clases gratuitas para padres, programas de alfabetización temprana y programas de alfabetización para adultos. Creo que estos recursos pueden proporcionarse incluso después de la decisión de McCleary al asociarse en gran medida con organizaciones y empresas locales sin fines de lucro.

Public education changes lives. I was able to lift my family out of poverty in one generation because of my public education.

My life is devoted to ensuring that every student receives an excellent education, every educator is supported, and every school district has ample resources. My career began as a teacher – first in elementary and later in a middle school math and science classroom.

I have worked as an education ombudsman - helping schools and families resolve issues. I am currently serving as a leader in educational policy at the Office of Superintendent of Public Instruction where I help create

and implement state and federal law and budgets. Most importantly of all, I am a parent of a son in Olympia School District.

I am running for the Olympia School Board because I want to use my extensive experience in education to strengthen supports for our students, invest in educator growth and development and help the school district focus on equity and closing the opportunity gap. I will focus on authentic family and community engagement and collaborative consensus building to implement the new strategic plan.

I would be honored to serve your family and our students and educators.

My name is Justin McKaughan and I'm running for position 2 of the Olympia School Board. I've volunteered at Madison Elementary the past 6 years and want to give back to the greater Olympia community the experience I've gained while working in the K-12 system. I want our kids to have the best learning opportunities possible, giving all kids access to the best teachers that are fairly compensated. I support fair

contracts for teachers and all organized labor in Olympia Schools.

During my 18 year career as a teacher in public schools,

I've been a Middle School Band Director, Elementary Teacher-Librarian, and a K-12 Technology Teacher Consultant. I've listened to students, families, and educators share their experiences. I currently serve on the Executive Board of the Tumwater Education Association.

As your school board member, I'll listen to what the community wants for their kids and schools. I want to bring your voice to the table when addressing policy and decisions. I see the role of a school board member as an advocate for students and families.

I want Olympia Schools to continue to provide the best educational experience for all students. Learn more at <https://sites.google.com/view/Justin4schools>

When you elected me in 2017 to fill a vacant seat, I promised to better engage the community in building a more equitable and flexible school system.

Since then, our school district centered the voices of students, families, and educators in creating our new strategic plan. We adopted goals focused on nurturing kind, brave, curious, and hopeful learners and problem solvers.

We've established community advisory committees so more people can contribute to decision-making.

We've created a common application for our district's options (alternative) programs to improve access. We've collaborated with families and students to lobby for school funding. We've supported sensible gun control legislation that was eventually approved by voters. We've publicly affirmed our support for our LGBTQ+ community and the Black Lives Matter at School movement.

I am ready to do more. I am ready to build more opportunities for engagement both in and out of meetings. I am ready to implement our ambitious strategic plan and build our district's first equity plan. I am ready to collaborate with other public officials to build a more sustainable future for Olympia School District's 10,000 students. I humbly ask for your vote and your partnership.

It has been my privilege to serve the students and community of Rainier School District since my appointment to the position of director in 2017. I place family, community and education as the cornerstones of a healthy society and I believe public education plays a fundamental role in the development of healthy and productive adults. I am committed to students receiving educational services that meet them where they are and encourage them to strive for

personal excellence in all that they do.

I believe transparency is one of the most important elements of public service. I encourage an open process where students, staff and the community can work collaboratively to form a shared understanding of our educational system as it is so that we can continue to set goals of where we would like it to be.

During my time on the board I have strove to provide a position that is balanced and based primarily on the needs of our students. With your support I plan to continue this endeavor in order to provide students the educational experiences needed to succeed in an ever changing world.

I have lived in Rochester for 27 years-previously from the State of California, mother of 3 children in which 2 of them have graduated from Rochester High School and my 3rd one still currently attending Rochester Middle School. Coming from California, once I had family I realized education and safety is the main priority for my children as it is for all parents. Children will lead the future and therefore they need quality teachers to help them along

their path. These teachers and influences need the right tools to succeed in helping these children.

As a board member, I will make sure to focus a large part of my attention to the parents so that they may be involved and such that they will be able to voice their opinions. Along with working with staff members and teachers so that they may achieve their goals regarding our district.

## Tenino School District No. 402

School Board Director, District No. 4 • Four Year Term • Vote for One

### Tamara (Tammy) Schroder

PO Box 485 Tenino, WA 98589; 360.239.2722  
schroder4T90schools@gmail.com

I am a lifelong Tenino resident with two children attending the Tenino School District. I am a current Tenino School Board Director.

In the past several years I have gained a detailed knowledge of the district, an understanding of my role as a board member, knowledge of the district budget and budgeting process, an ability to be objective and fair and an appreciation of the diverse needs of students, parents, staff, and the community.

We must compete in today's world; our kids need access to technology and current curriculum. The school

must support each child's interest in future jobs and/or secondary education goals, create ongoing opportunities for students to be exposed to their unique interests in education and extracurricular interests and have some fun experiences while they attend Tenino schools. We also must provide all of our employees with the tools and training they need to manage classrooms, continue to grow as professionals, engage students, parents, and our community.

Tenino School District is the heart of our community. The board has currently elected me to serve as Board President. I ask for your vote and for the opportunity to continue this important work.

Thank You.

I love Tenino Schools! We are growing and getting stronger each year. As a member of the Board of Directors, I will help ensure that our students succeed, our staff is supported, and our community is connected.

In order for our students to be productive citizens, we must provide opportunities for them to be challenged, tools for them to be effective and highly qualified staff

to guide them on their journey. Technology, the arts, athletics, special education, and career focused classes, along with core academic studies are all important and

need to be accessible to all students.

My 20 years experience in education will provide a different perspective. I see issues from multiple sides; that of a teacher, a parent, a taxpayer and a board member. I've taught everything from Kindergarten to Middle School Theatre and Driver's Ed. My husband and I have two children who attend Tenino High School. I'm a member of the Tenino Combined PTSA, Football and Band Boosters and an active member in the community.

Feel free to contact me if you have questions or would like to talk more about how we can make Tenino Schools even better. I'd appreciate your vote. Thank you.

Personal beliefs and goals

It is a goal of mine to make this one of the best districts in the state. We have great leadership at the top along with the best staff and teachers anyone can ask for. I want to continue to help Tenino School District make great strides in improving the learning environment of the students. I'm proud to be a part of this endeavor so that every student is challenged and has the

opportunity to excel above state standards. I hope to look at ways to streamline efficiency in all areas, to help

reduce inefficient tasks and added expenses while still meeting the goals of the district and maintaining the requirements of state rules and regulations. I want to continue to help improve the district health as a whole. I believe a great deal of work has gone into improving the district in recent years and I would like to continue that progress.

Personal Information:

I've been married to Shelly Bergin for 15 years. My daughter graduated from Tenino in 2014. Our son is in 7th grade and will graduate with the class of 2024. I look forward to being your voice.

### Casey Taylor

Taylor4Tumwater@gmail.com

I grew up in the Tumwater School District. The son of a high school educator, coach, and athletic director, I saw first hand the hard work and commitment necessary to be successful for our students. I attended Littlerock elementary, Peter G Elementary, Tumwater Middle School, and I am a proud alumni of Tumwater High school.

I graduated from Linfield College with a degree in business information systems and spent

two summers throughout college as a Tumwater School

District employee working in grounds and maintenance. My experience as a project manager has given me great insight into working with diverse groups all working towards the same goal, establishing clear deliverables and being held directly accountable for the dollars being spent.

I have have had children in TSD since 2007 and have planned to do so until 2033. As the District 2 board member I will work hard to bridge the gaps between students, educators, administration, the school board, and the community. Together we can continue to build on the quality and reputation we have worked so hard to build. Together we are the Tumwater School District.

I have 19.5 years teaching experience; 17.5 of those years teaching biology and chemistry, as well as a handful of electives, at Tumwater High School. In the fall of 2012, I left teaching to accept a position at The Office of Superintendent of Public Instruction as the Science Assessment Specialist, working on the High School Proficiency Exam (HSPE). While I was in the midst of training teachers how to score the HSPE

I was encouraged to apply for the position of Regional Science Administrator at Capital Region Educational Service District 113. I have been in my current role for four years. If elected I will promote increased opportunities for professional learning for teachers which leads to greater student engagement.

Educating children is a partnership between parents, teachers, and the school system that manages this endeavor. As in any partnership, the rights of individuals are coupled with responsibilities. Today, more than ever, teachers are being asked to go above and beyond for their students: to stand-in parent, to counsel, to protect them with their lives. Likewise, parents and students are facing greater challenges than ever before. We need to join together to find the ways and

means available to our students that will advance their emotional well-being, academic goals, and skills trade

training while teaching personal responsibility.

The quality of life Tumwater citizens enjoy is the result of an interwoven system of citizens, schools, faith communities, and businesses. I have served two terms as Treasurer on our local REALTOR board, work in the private sector financial field, and have been raising children in Tumwater schools for twenty-five years with ten to go. Strong schools are the foundation of every great community and I hope I can continue to serve as an ambassador of our parents, teachers, and students to the governing bodies that make decisions that impact every citizen and family in Tumwater.

I come from a family dedicated to public service. I am the proud daughter of a retired firefighter father and a retired detective mother. My husband and I are Washington State employees. Trained as an attorney, I currently work for WSDOT in the Office of Equal Opportunity, ensuring that businesses owned by historically marginalized communities have access to contract opportunities. I know the importance of making smart policy decisions and the impacts those decisions have on our future. As a former classroom teacher, I understand the day-to-day effort and

passion it takes to shape our kids' future. As the parent of a kindergartener, I am watching my daughter grow and learn thanks to the exemplary education received in our school district.

Since my appointment to the school board, I've listened to your concerns, built relationships, and collaborated with community members to ensure that we continue to provide a high-quality education to every student. I'll continue to fight for policies that support families and educators, serve students with diverse learning needs, and increase equity. No student should feel marginalized, and every student deserves a voice. Kids first, every day. I would be honored by your vote.

## Yelm Community Schools

School Board Director, District No. 2 • Four Year Term • Vote for One

### Donna R. Edwards

15743 127th Ln SE Yelm, WA 98597; 360.701.0324  
wsdareme@ywave.com

I am a lifelong resident of Yelm and 1974 valedictorian of YHS. Being on the School Board since 2000 has enabled me to give back to my community and our youth.

I worked hard to pass our bond to build two new schools and add advanced safety infrastructures in all of our schools. We joined the city in an initiative called *Graduate Yelm!* to promote graduation readiness for all of our students. We partnered

with SPSCC and CWU to provide one of our state's most comprehensive *College in the High School* programs. We will be offering adult college courses at our YHS

campus and an adult HS diploma program, *HS21+*. With *TOGETHER!* of Thurston County, we provide needed food, clothing, blankets and more to families of middle school students, plus mental and physical health needs for students.

I will ensure that *every student has a plan*, starting in kindergarten through their senior year, *to graduation and beyond*. Our students must have a path beyond graduation that fits their career choice – whether that is college, military, trade school, apprenticeship program, or any other career.

I will continue to help Yelm Community Schools be an exemplary district in *all* academic achievements.

I truly believe all children deserve great schools and a safe environment to learn which make a strong community. My vision for every Yelm student is to have a bright future and always believe that they are capable of anything. My goal as your elected school board member for District 2 will be to work as a team with my fellow board members, staff, parents, and students. As a Yelm resident for 35 years and small business owner for over 25, I am proud to be part

of a community that takes great pride in their schools. The military brought my family to Yelm in 1983, and I graduated from YHS in 1988. My husband and I have three children that have attended Yelm schools since elementary. I have served on Bond and Levy committees, volunteered in several of our schools in the district over the years, sat on an interview panel for an elementary principal position in our district, and participated in numerous PTO activities. My family is forever grateful to be honored with Friends of the School Award. I am asking for your vote in November 2019. Together we can build a future to be proud of.

CHARITY.ALEFF@GMAIL.COM

Hello citizens of the Yelm School District. My name is Charity Aleff, I am a Yelm resident of 21 years, and I have watched the same issues plague our district year after year. It is time that the school district evolves with the changing times.

I offer a new fresh passionate perspective. On top of being a mother, I have founded an organization to combat bullying and provide support for our students and parents who do not know what to do when faced with

some of these struggles. I have also been working directly with the district and my child's school to help make his experience better and would love to do the same for your children.

I want to be the voice for educators, and most importantly our children, to create a better school experience. I love this town and will do anything in my power to make sure our children have a wholesome enjoyable education.

I look forward to this new direction in my life and promise to be as passionate about your children as I am about my own. Thank you for your support. For Our Kids!

Students are a reflection of our community, and I want to continue to support our families by connecting community to resources. Student achievement is a priority, and I attend workshops and trainings with our teachers and administrators to ensure we are preparing students to achieve at exemplary levels. I feel strongly about providing programs that support our students in reaching their personal goals and help them think about what comes next.

I deeply believe that education is the doorway to

opportunity, and it is something that can't be taken away from you. I am proud our district is bringing innovative college and career opportunities to our community.

After serving in the Army, I continued my education and earned a bachelor's degree. Over the past 39 years in Yelm, my husband and I have raised our children and are enjoying our grandchildren. I have been committed to this community as a school board member since 1998, and have volunteered as a member of Yelm City Parks Board, PTAs, FFA Alumni, Thurston County Coalition Against Human Trafficking and currently co-chair Christmas in the Park. I believe in our community, schools and students. I would appreciate your vote.

My name is Sylvia Sonne Roberts. It has been my privilege to serve as your Lacey Fire District 3 Commissioner - position 2 for the last 5 years. These years have brought changes to our community. Perhaps, most notably the opportunities and challenges of population growth. One of those challenges is maintaining a rapid response time. In 2017, thanks to your support, a bond was passed to build and update Lacey Fire District's 3 facilities

and equipment. These projects will help to insure that the excellent level of service you have come to expect

including a rapid response time continues. These projects are now substantially underway. It has been my honor to represent you. I look forward to hopefully continuing to serve you in the future. Please cast your vote for Sylvia Sonne Roberts. Thank you.

Safety, honor and respect are three values I try to live by everyday. Lacey needs fresh ideas and leaders from all walks of life that have a steady hand, cool temperaments, and respect for colleagues and constituents. I believe I'm ready for the challenge.

As a non-commissioned officer in the Army I learned the value of community leadership, as both a leader and a servant. Every day

my team impacted the lives of thousands of military families by ensuring their safety and quality of life. This

is something I continue today through both volunteering and being a union shop steward which has made me a more rounded and prepared leader.

As your next Fire Commissioner I will work with the fire department to increase efficiency, response times and readiness for any disaster that may arise. I will work with my fellow fire commissioners to improve transparency with our constituents. Most importantly, I will give the people of this district a choice in when they are taxed by voting to put proposed taxes and controversial issues on the ballot. I will trust the judgment of the people I serve, which is why I ask for your vote in November.

Voters may only vote in the districts in which they live. All races in this election are nonpartisan.

Reelect an experienced leader dedicated to maximizing services within available funding. It has been my pleasure to serve you for over 40 years, first as a volunteer with 29 of those as Assistant Chief and now 5 years as Commissioner. My desire is to continue serving you as your Commissioner

I continue to work hard to assure excellent emergency services are provided while at the same time prudently managing your tax dollars. In recent years we have built a reserve fund that will carry us forward in lean times without needing to reduce services.

As your Commissioner, my goals are to assure excellent emergency services continue to be provided, ensure financial stability through sound fiscal management, continue to seek input from the communities we serve, and to plan for the future as we work with our neighbors to provide the absolute best services possible.

I am an experienced leader, manager and professional Civil Engineer. I have 31 years of experience in state government, including at the executive management level and 11 years in private practice.

I have served as Commissioner in District #9 since January 2009. This past year the voters in District #9 and District #5 approved a formal merger of the two districts, completing a process that began with an administrative merger of the districts in 2008. The district is well managed and has excellent professional and volunteer personnel serving the needs of district residents. I wish to help the district meet the future needs of all residents by continuing

as your Commissioner.

My fire service experience includes six years as a volunteer firefighter with three years as a lieutenant. I have served as a fire commissioner for over fourteen years in Districts #9 and #13, was Chairman of the Thurston County Fire Commissioners Association for one year, and have been a trustee of the Association for over 5 years.

I have 35 years of management experience with 25 years at a senior level and have been involved in numerous volunteer activities. I am married with three grown children and three grandchildren and have resided in District #9 since 2004. I appreciate your vote for me as Commissioner.

My Priority is with an efficient and expedient Fire and EMS Department.

I have been a member of Thurston County Fire District 12 for twenty-nine years and lived in the district for over forty years. I have been a volunteer firefighter, first responder, Officer and Commissioner. During my eleven years as commissioner I have contributed to the merge of Gibson Valley District 16 and the annexation of the City of Tenino. Last year we were just short of 1200 calls for the year and are

on track to exceed that this year. With the support of our Commissioners, Officers, Paid Firefighters and Volunteers we have given all who live and travel through our Fire District timely, trained and compassionate service. In the last year we have purchased a new brush truck with Wildland monies and are now ordering a new tender. All within our budget. With our growth we have been able to hire 6 paid firefighters.

My goal is to monitor spending, plan for growth, and honor the tax payer's money with a Fire Department that meets and exceeds expectations. Please honor me with your vote for Fire Commissioner position 2, Thurston County Fire District 12.

Hi, I'm John Millard and I'm asking for your vote as Commissioner, Fire District #12. I'm a team-player with a proven record of organizational improvement. As a member of the City of Tenino's Leadership Team, the City has become a modern, streamlined, highly respected organization.

A District 12 resident for 20 years, I seek this position to give a fresh voice to the County's youngest district. I'm a retired Army Officer, a Municipal Clerk, and a graduate of Concord Law School. If elected, I would seek three distinct improvements within District 12:

Proactive Fire Prevention Programs. An ounce of prevention is worth a pound of cure. Keeps insurance rates low, too. Public Education and Interaction. Knowledgeable citizens are better able to prevent fires. Adequate, Highly Trained Personnel. District #12, like most Fire Districts, relies on volunteers. Sustaining a volunteer organization is a continuous cycle that requires a trained and experienced full-time staff. The full-time staff then mentors volunteers and programs them for advanced training. Without adequate and highly trained personnel, the first two goals are unattainable.

With your support, District #12 can become Washington's "Center of Excellence" for Fire Prevention and Suppression. Please vote for me this November.

Risk a lot to save a lot, risk a little to save a little is something I learned as a Tenino firefighter . I believe that public safety is becoming a very big issue in Thurston County starting in the north end and spreading to our area. Tenino has been annexed into the Fire Protection District 12 and for the first time Tenino residents can have a voice on the board of fire commissioners. I would like to be that voice and make sure our 1st Responders have what they

need to be safe, so they can always protect you. Also, as a former vicechair of the EMS Council (TCOM911), member of FEMA and member of the City council I can be a bridge between the city council, the fire commission and you. I ask for your vote to be the Tenino voice on as Commissioner to Fire Protection District 12. Thank you.

*As a fire commissioner for Thurston County Fire Districts 16 and 12 for over 20 years, Clayton Whitehead has dealt with budgetary and policy issues that affect the districts. These issues include standard and special budgetary issues that deal with the operation of the districts and special supplemental financing. Keeping within the budgets for the two districts has always been the primary issue. Reserve funds for emergencies have been a second priority.*

*Standard operating procedures have been discussed and*

*modified as needed for both districts. These are currently being modernized and adopted on an as needed basis. The expanding needs of the district are the primary driving factor in any changes instituted.*

*With eyes on the future, plans are being proposed and considered to expand the district for the perceived future. Those plans will be instituted as soon as financially possible.*

*Keeping the fire district as a friend to the community is as important as the above considerations. We will work to keep that relationship wholesome as well.*

It has been a privilege to serve as your Fire Commissioner since my appointment in 2017 to fill the vacant position left by Mr. William Owen. I am seeking to continue serving the district in position 2 for a full term as one of your 3 current Fire Commissioners. I have been a resident of the area for 28 years, and serving as a Volunteer Firefighter/EMT in the Bald Hills and city of Yelm for the past 27 years. After retiring from the Army in 2006 I

have continued to work on JBLM as a Course Coordinator and teaching Soldier Medics Tactical Medicine. It would be an honor to continue providing District 17 with the same high quality EMS and Fire service you have come to expect.

I look forward to continuing to represent Fire Protection District 17 as the Fire Commissioner position #3.

My qualifications include: Over 20 years as an active volunteer fire fighter and EMT for Bald Hill/ Fire Protection District 17, Washington State Instructor 1 and 2, CPR Instructor, and EMT and EMT Instructor/Evaluator. I hold a Bachelor of Science in Nursing (R.N) and a master's degree in Health Care Administration.

My goals are to ensure the department stays on target by finding better ways to meet our district's needs. I will work to be a good steward of our budget and provide careful financial management to ensure quality services needed in our area. This includes training and education of our volunteers.

I believe in our community. I support and appreciate all our volunteers. I am committed to continuing the work and service our area needs to meet any and all emergency situations. I appreciate your support for this department. Thank you for your vote.

# Felony Convictions And Voting Rights

If you were convicted of a felony in Washington State, your right to vote is restored as long as you are not under the authority (in prison or on community custody) of the Department of Corrections (DOC). Once your right is restored, you must re-register to vote in order to receive a ballot.

If you have questions about your status with the DOC, you can call 800.430.9674.

“I had **incorrectly**, for all of my adult life until 2008, believed the biggest voting myth that exists- that ex-felons cannot vote.”

- **Two Chainz**, rapper, songwriter, media personality

Yes, you can!

## Restoring Your Right To Vote

If you were convicted of a felony in a Washington State court, your right to vote is automatically restored unless you are currently under the authority of the DOC (in prison or on community custody). If you have questions about whether you are on community custody, call the DOC at 800.430.9674.

If you were convicted of a felony in another state or in federal court, your right to vote is restored as long as you are not currently incarcerated for that felony.

Once your right to vote is restored, you must re-register in order to receive a ballot. You can re-register online with VoteWA, by mail, or in person.

You don't lose the right to vote for a misdemeanor conviction or a conviction in juvenile court.

Three times a year, the Secretary of State uses information provided by DOC and the state court system to screen the list of registered voters for ineligible felons. If you are registered to vote, but are ineligible because of a felony conviction, you will be sent a letter explaining that your registration will be cancelled in 30 days. The letter provides information on how to dispute the cancellation (RCW 29A.08.520).

## Introduction to County and Local Measures

The next pages contain the county and local measures certified to appear on the November 5, 2019 General Election ballot. Only voters residing in the districts are eligible to vote on these measures.

For each measure in the Local Voters' Pamphlet, the legislative authority of the jurisdiction placing the measure on the ballot is required to formally appoint committees to prepare statements advocating

the approval and rejection of the measure. If the jurisdiction is unable to make such appointments, the Thurston County Auditor advertises for such appointments.

The Auditor's Office encourages you to thoroughly review all statements and seek additional information from the jurisdictions, the appointed citizens' committees, and the local and regional media.

# Thurston County Emergency Communication Systems and Facilities

Proposition No. 1  
Sales and Use Tax

## Ballot Title

The Board of County Commissioners of Thurston County adopted Ordinance No. 15802 concerning sales and use tax for emergency communication systems and facilities. To finance costs associated with financing, design, acquisition, construction, equipping, operating, maintaining, remodeling, repairing, reequipping, and improvement of emergency communication systems and facilities; this proposition authorizes the imposition of an additional sales and use tax at the rate of one-tenth of one percent for emergency communication systems and facilities pursuant to Chapter 82.14.

Should this proposition be approved?

Yes

No

## Explanatory Statement

All law enforcement, fire service, and Medic One agencies in Thurston County use a consolidated 911 dispatch center, Thurston 911 Communications (TCOMM 911). TCOMM 911 is responsible for receiving all emergency 911 calls and dispatching the appropriate police, fire, or emergency medical assistance to emergencies reported. This proposition would authorize Thurston County to increase the sales and use tax by one-tenth of one percent for emergency communications, or one cent on a ten-dollar taxable purchase.

The increase is needed to replace TCOMM911's current 40-year-old analog radio system with a new digital emergency communications system. The digital system will increase coverage, provide more capacity and allow better communications between and among first responders and dispatchers. Every first responder relies on the system for their safety and the safety of the public.

Tax proceeds would be used for the sole purpose of funding the cost associated with financing, design, acquisition, construction, equipping, operating, maintaining, remodeling, repairing, reequipping, and improvement of the emergency communication systems and facilities provided by Thurston 911 Communications.

## For Statement

*Vote yes* – When you call 911 for help, operators take your information and dispatch medics, firefighters or law enforcement. Your emergency call is relayed to first responders by a complex system of mobile radios, towers and base stations to enable a quick and efficient response. Proposition 1 provides funding to upgrade the radio system to keep it working today and for future generations.

*Our safety today*- All Thurston County public safety agencies depend on the 911 system to answer your call for help. The current analog radio system, independent of the phone system, was installed in 1978 with the last upgrade occurring over 10 years ago. Parts for this system are no longer readily available. The current 40-year old analog system leaves areas of the county without radio coverage. Responders cannot easily radio neighboring counties or sometimes even with each other. We need a modern, digital radio system to make sure help can get to you when you need it and keep responders safe.

*Accountability* - Funds generated by Proposition 1 must be used on the 911 system. By law, these funds cannot be diverted for other services. A board of local elected officials provides oversight and accountability for costs. Two committees of police and fire commanders ensure the system meets responders' needs.

*Safer future* - An increase of 10 cents for every \$100 purchase provides a reliable and modern digital emergency radio system. The new system is expandable, accounts for changing technology and will save lives. Please vote yes.

# Thurston County Fire Protection District 12

Proposition No. 1

Authorizing Restoration of Previous Property Tax Levy

---

## Ballot Title

The Board of Fire Commissioners of Thurston County Fire Protection District 12 adopted Resolution No. 2019-03 concerning a proposition to restore the Fire District's regular property tax levy. This proposition would restore the regular property tax levy to an amount not to exceed \$1.50 per \$1,000 assessed valuation and setting the limit factor for calculating levy rates in 2020 through 2025 at 106% (but not to exceed a rate of \$1.50). Revenues are used for fire protection, prevention, emergency medical services, including maintenance, operation and replacement costs. The maximum permitted levy amount for 2025 would become the base for computing levy limits after this measure's expiration.

Should this proposition be approved?

Yes

No

---

## Explanatory Statement

The Board of Commissioners of Fire District #12, serving the citizens of Tenino, Gibson Valley and surrounding areas, is placing a multi-year lid lift proposition on the November 5, 2019 ballot. The District's current levy rate is inadequate to support continuing levels of service. Approval would allow the District to maintain current levels of emergency fire protection and prevention and emergency medical services, repair or replace aging vehicles, and support an operational reserve account as recommended by the state auditor.

Proposition No. 1 will authorize District restoration of the regular property tax levy to the maximum statutory rate of \$1.50 per \$1,000 of assessed value for collection in 2020 and set the limit factor for calculating annual levy rates at up to 106% for the next five years (2020-2025). The 2020 levy amount would become the base for computing levy limits and will be used to calculate subsequent levy limits.

Rejection of this proposition may necessitate cut-backs in services and increased response times.

---

## For Statement

Please vote yes on this proposition. During last two years with a successful merger of Fire District 16 and annexation of the city of Tenino into Fire District 12, our tax rate has dropped to \$1.19. Levy dollars pay for Firefighter/EMTs, fire engines, tools and supplies, training, safety equipment, maintenance, and support costs. Fire service expenses, labor costs, have increased faster than the 1% revenue growth limit imposed by state law. This will allow the district to keep up with these expenses.

Vote Yes for Improved Service. The proposed levy restoration provides sustained funding for Firefighter/EMTs to support round-the-clock staffing of our fire stations and hire 1 additional full-time position. Vote Yes for a Reasonable Tax Rate, this proposition will allow up to a 6% annual increase over the following 5 years, but never more than \$1.50 per thousand of assessed value. At this level, Fire District 12's tax rate will still be lower than the average of comparable fire districts in the area. As fire service costs have increased, other districts have begun assessing excess maintenance and operations levies above \$1.50 to cover the basic operating costs covered by our levy.

Our fire district is working hard to be efficient and keep costs down to avoid additional taxes. Vote Yes for Public Safety in our Community Maintaining a strong fire department will help assure emergency services are there when we need them to keep our community a safe and desirable place to live.

Support Thurston County Fire Dist. 12: Ross Demmel (ross.demmel@yahoo.com, 425.623.2717), Bill Bachmann, Bob Bacon.

## Thurston County Fire Protection District No. 17 (Bald Hills)

Proposition No. 1

Levy Lid Lift

### Ballot Title

The Board of Fire Commissioners of Thurston County Fire Protection District No. 17 adopted Resolution No. 19-07-01 concerning a proposition relating to the District's regular property tax levy. The proposition would keep the District's regular property tax levy for maintenance and operations in an amount not to exceed \$1.50 per \$1000 assessed valuation for collection in 2020 and would authorize setting the limit factor at 106% (but not to exceed a rate of \$1.50 per \$1000) for each of the five succeeding years; the 2025 levy limit will be used to calculate subsequent levy limits.

Should this proposition be approved?

Yes

No

### Explanatory Statement

Fire District #17, serving citizens of the Bald Hills and surrounding areas, is placing a multi-year lid lift proposition on the November 5, 2019 ballot. This proposition reauthorizes the District to remain at the regular property tax levy rate for maintenance and operations of \$1.50 per \$1,000 of assessed valuation for collection in 2020, coupled with annual increases of up to 6% in each of the five subsequent years. The proposition is presented to allow voters to override the limitation imposed by Initiative 747, which limits total property tax revenue to 101% of the previous year's revenue, regardless of the authorized dollar rate limitation of \$1.50. The 2025 levy amount will be used to calculate subsequent levy limits.

This proposition meets the requirements of RCW 84.55, that any revenue increase greater than 1% over the previous year be approved by voters.

Approval of this proposition would allow the District to maintain the current level of life protection services and facilities. Rejection of this proposition would necessitate cutbacks in services and increased response times.

### For Statement

Your *yes vote* will extend a previously approved levy and will safeguard the necessary funding to staff and maintain you Fire Protection District. Your volunteer firefighters and EMTs provide emergency medical response, structure and wildland fire suppression, downed power lines, and service calls to the Bald Hills Community. Over 31 volunteers are committed to keeping our District and over 4,100 citizens safe; they cannot do it without adequate funding.

*This Is Not A New Tax.*

A *yes vote* will authorize the current property tax rate to remain the same. The current levy lift was previously approved by voters in 2007, and again in 2013. This six-year reauthorization ensures that your volunteer firefighters and EMTs can be properly trained, as well as to procure and maintain the equipment necessary to provide high-quality services. Without this backing, our community would experience reductions in life-saving emergency service and increased response times. Your *yes vote* supports continued funding of this critical community service at the current rates.

Bald Hills Committee for Maintaining Emergency Services: William Owen (ableseptic@ywave.com, 360.894.1467), Jonathan Lu, Joseph Reed.

# Tanglewilde Parks and Recreation District No. 1

Proposition No. 1  
Property Tax Levy

## Ballot Title

Will the Tanglewilde Parks and Recreation District No. 1 be authorized to impose regular property tax levies of \$0.60 or less per thousand dollars of assessed valuation for each of the next six consecutive years?

Yes

No

## Explanatory Statement

The Tanglewilde Parks and Recreation District has placed a levy on the November 5th 2019 Election ballot that would authorize a six-year levy for the district at a rate not to exceed \$0.60 per thousand dollars of assessed property value. This levy would allow the district to collect approximately \$88593.60 per year for the next six years beginning in 2020. The district tax levy provides the funds for the maintenance and operation of the two parks and an outdoor pool facility within the Tanglewilde community. Using \$225,000 as an average home value in the district, the total tax levy at \$0.60 per thousand dollars of assessed property value would be \$135.

## For Statement

### *Employment*

The Tanglewilde parks and pool add value to our homes and provide recreation opportunities for residents and guests. In addition to be an integral part of the neighborhood, the maintenance of the parks and pool is an obligation held by all Tanglewilde homeowners.

### *Children*

Through this levy and fees collected from patrons of the pool, Tanglewilde Parks and Recreation provides a safe place for children in the area to play and to learn to swim. The pool offers swimming lessons, water aerobics, high school swim team prep, and many other forms of aquatics fun and training.

### *Employment Opportunities*

The Tanglewilde Parks and pool employ local residents. One of the Recreation district's core values is to serve the community. The pool staff works with a variety of organizations, from the Boy Scouts of America to each graduating 5th grade class at Lydia Hawk. This levy effort will help ensure the continuance of Tanglewilde parks and the pool for future homeowners and local residents for generations to come.

### *Possible closure*

Without this levy, it is highly likely the pool will not open next year. Tanglewilde has the only outdoor heated pool in the area, making it an asset to our neighborhood and the community. It is up to all the Tanglewilde residents to help keep it open to continue this community service and distinguish our neighborhood from others in the area.

Tanglewilde Interests (TI): Justin Malone (TI@jwaresolutions.com)

## Against Statement

As a Tanglewilde homeowner, I am opposed to levy. There are a lot of people using facilities that are not a Tanglewilde resident. I feel this is unfair and think a fee could be imposed for use that would fund the operational costs. And also ensure that nonresident's use is equitable to a tax that I would be paying

Richard Thompson (rqellc@outlook.com, 360.485.9792)

## Rebuttal of For Statement

No rebuttal was submitted

## Rebuttal of Against Statement

Levy does not fully cover costs of operating the pool. Not all residents use the pool facility; those who do pay an additional amount. All residents benefit from having well-maintained parks and pool in property values.

Opening our pool to non-residents allows us to keep it running. The rate for non-residents is reviewed each year so it is comparable to what Tanglewilde Residents are paying and is to market rates for pool memberships.

# How is my ballot counted?

1

## Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked no later than Election Day!

If your signature is missing or doesn't match, election staff will contact you before your ballot is processed.

2

## Your signature is verified

The signature on your ballot is compared to the signature on your voter registration record. If the signature matches, you are credited for voting to ensure only one ballot is counted for you.

3

## Envelopes are separated

The return envelope is opened and the security envelope containing your ballot is removed. The envelopes are separated to ensure the secrecy of your vote.

4

## Your ballot is reviewed and scanned

The security envelope is opened and election staff review your ballot to verify that it can be successfully scanned.

5

## Your ballot is counted

At 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted.

1

## Vote by mail

Washington votes by mail, no stamp needed. We were the second state in the nation to adopt vote by mail and the first to provide all postage paid. A ballot is mailed 18 days before each election, ensuring you have time to cast an informed ballot without waiting in line.

2

## Online voter registration

We offer online voter registration. Register to vote or update your address at [votewa.gov](http://votewa.gov)

3

## Top 2 Primary

Washington uses a Top 2 Primary system where the two candidates who receive the most votes advance to the General Election, regardless of their party preference.

4

## No party affiliation

Washington voters do not register by party affiliation. Vote for any candidate regardless of their party preference.

5

## Voters' Pamphlet

Only a few states produce a Voters' Pamphlet like this one. A pamphlet is mailed to every household before each General Election.

### **Military or overseas voter**

Register to vote anytime on or before Election Day. You may receive your ballot by mail, email, or fax. Spouses and dependents also away from home have the same voting rights.

### **New Washington resident**

Welcome! Register to vote online, by mail, in person, or when you get your new driver's license or ID at the Department of Licensing. You may not vote in more than one place, so cancel your previous voter registration.

### **College student**

Register to vote using either your home or school address, but you may not vote in more than one place. Your ballot can be mailed to you anywhere in the world; however, your residential address must remain in Washington.

### **Seasonal resident**

Vote in Washington even if you're away during an election. To ensure you receive your ballot, update your mailing address at [votewa.gov](http://votewa.gov) or with your county elections department. Your ballot can be mailed to you anywhere in the world; however, your residential address must remain in Washington. You may not vote in more than one place.

### **Convicted felon**

If you were convicted of a felony in Washington, your right to vote is restored when you are no longer under Department of Corrections supervision. You must register to vote in order to receive a ballot.

## Teachers: Classroom Activity

# Student Mock ELECTION

The Student Mock Election is a non-partisan, educational event that teaches kids to be informed voters. Over 180,000 students have voted in Washington’s Student Mock Election since 2004.

- Students vote on real ballot measures, on real candidates, and on real paper, just like they will when they turn 18.
- Participants learn about the unique vote-by-mail elections process used in our state.
- Non-partisan and free to all public, private, tribal, and homeschool K–12 students.
- No pre-registration needed.

### Free resources for educators:

- Teacher toolkit includes print-friendly Voters’ Pamphlet, lessons from Teaching Elections in Washington State curriculum book, posters, and coloring sheet.
- “I Voted” stickers for your students.

Visit [vote.wa.gov/mockelection](http://vote.wa.gov/mockelection) for more information.

**Referendum Measure No. 88**

AN ACT Relating to diversity, equity, and inclusion; amending RCW 49.60.400 and 43.43.015; adding a new section to chapter 43.06 RCW; and creating new sections.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

**PART I  
TITLE AND INTENT**

NEW SECTION. **Sec. 1.** This act may be known and cited as the Washington state diversity, equity, and inclusion act.

NEW SECTION. **Sec. 2.** The intent of the people in enacting this act is to guarantee every resident of Washington state equal opportunity and access to public education, public employment, and public contracting without discrimination based on their race, sex, color, ethnicity, national origin, age, sexual orientation, the presence of any sensory, mental, or physical disability, or honorably discharged veteran or military status. This is accomplished by: Restoring affirmative action into state law without the use of quotas or preferential treatment; defining the meaning of preferential treatment and its exceptions; and establishing a governor’s commission on diversity, equity, and inclusion.

**PART II  
PROHIBITION OF DISCRIMINATION AND  
PREFERENTIAL TREATMENT**

**Sec. 3.** RCW 49.60.400 and 2013 c 242 s 7 are each amended to read as follows:

(1) The state shall not discriminate against, or grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, ~~((or))~~ national origin, age, sexual orientation, the presence of any sensory, mental, or physical disability, or honorably discharged veteran or military status in the operation of public employment, public education, or public contracting.

(2) This section applies only to action taken after December 3, 1998.

(3) This section does not affect any law or governmental action that does not discriminate against, or grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, ~~((or))~~ national origin, age, sexual orientation, the presence of any sensory, mental, or physical disability, or honorably discharged veteran or military status.

(4) This section does not affect any otherwise lawful classification that:

(a) Is based on sex and is necessary for sexual privacy or medical or psychological treatment; or

(b) Is necessary for undercover law enforcement or for film, video, audio, or theatrical casting; or

(c) Provides for separate athletic teams for each sex.

(5) This section does not invalidate any court order or consent decree that is in force as of December 3, 1998.

(6) This section does not prohibit action that must be taken to establish or maintain eligibility for any federal program, if the director of the office of financial management, in consultation with the attorney general and the governor’s commission on diversity, equity, and inclusion, determines that ineligibility ~~((would))~~ will result in a material loss of federal funds to the state.

(7) Nothing in this section prohibits schools established under chapter 28A.715 RCW from:

(a) Implementing a policy of Indian preference in employment; or

(b) Prioritizing the admission of tribal members where capacity of the school’s programs or facilities is not as large as demand.

(8) Nothing in this section prohibits the state from remedying discrimination against, or underrepresentation of, disadvantaged groups as documented in a valid disparity study or proven in a court of law.

(9) Nothing in this section prohibits the state from implementing affirmative action laws, regulations, policies, or procedures such as participation goals or outreach efforts that do not utilize quotas and that do not constitute preferential treatment as defined in this section.

(10) Nothing in this section prohibits the state from implementing affirmative action laws, regulations, policies, or procedures which are not in violation of a state or federal statute, final regulation, or court order.

11 For the purposes of this section((:)):

(a) “State” includes, but is not necessarily limited to, the state itself, any city, county, public college or university, community college, school district, special district, or other political subdivision or governmental instrumentality of or within the state;

(b) “State agency” means the same as defined in RCW 42.56.010;

(c) “Affirmative action” means a policy in which an individual’s race, sex, ethnicity, national origin, age, the presence of any sensory, mental, or physical disability, and honorably discharged veteran or military status are factors considered in the selection of qualified women, honorably discharged military veterans, persons in protected age categories, persons with disabilities, and minorities for opportunities in public education, public employment, and public contracting. Affirmative action includes, but shall not be limited to, recruitment, hiring, training, promotion, outreach, setting and achieving goals and timetables, and other measures designed to increase Washington’s diversity in public education, public employment, and public contracting; and

(d) “Preferential treatment” means the act of using race, sex, color, ethnicity, national origin, age, sexual orientation, the presence of any sensory, mental, or physical disability,

and honorably discharged veteran or military status as the sole qualifying factor to select a lesser qualified candidate over a more qualified candidate for a public education, public employment, or public contracting opportunity.

~~((9))~~ (12) The remedies available for violations of this section shall be the same, regardless of the injured party's race, sex, color, ethnicity, or national origin, as are otherwise available for violations of Washington antidiscrimination law.

~~((10))~~ (13) This section shall be self-executing. If any part or parts of this section are found to be in conflict with federal law, the United States Constitution, or the Washington state Constitution, the section shall be implemented to the maximum extent that federal law, the United States Constitution, and the Washington state Constitution permit. Any provision held invalid shall be severable from the remaining portions of this section.

**Sec. 4.** RCW 43.43.015 and 1985 c 365 s 4 are each amended to read as follows:

For the purposes of this chapter, "affirmative action" means, in addition to and consistent with the definition in section 3 of this act, a policy or procedure by which racial minorities, women, persons in the protected age category, persons with disabilities, Vietnam-era veterans, honorably discharged military veterans, and ~~((disabled))~~ veterans with disabilities are provided with increased employment opportunities. It shall not mean any ~~((sort))~~ form of quota system.

### PART III

#### CREATION OF THE GOVERNOR'S COMMISSION ON DIVERSITY, EQUITY, AND INCLUSION

**NEW SECTION. Sec. 5.** A new section is added to chapter 43.06 RCW to read as follows:

(1) There is created the governor's commission on diversity, equity, and inclusion. The commission is responsible for planning, directing, monitoring, and enforcing each state agency's compliance with this act. The commission may propose and oppose legislation and shall publish an annual report on the progress of all state agencies in achieving diversity, equity, and inclusion in public education, public employment, and public contracting.

(2) The governor's commission on diversity, equity, and inclusion shall be staffed and funded within the governor's biennial budget. The executive commission members shall be appointed by the governor and serve four-year terms:

- (a) Lieutenant governor;
- (b) Attorney general;
- (c) Superintendent of public instruction;
- (d) Commissioner of the department of employment security;
- (e) Secretary of the department of transportation;
- (f) Director of the department of enterprise services;
- (g) Director of the office of minority and women's business enterprises;
- (h) Director of the department of commerce;
- (i) Director of the department of veterans affairs;
- (j) Executive director of the human rights commission;
- (k) Director of the office of financial management;
- (l) Director of the department of labor and industries;
- (m) Executive director of the governor's office of Indian affairs;
- (n) Executive director of the Washington state women's commission;

(o) Executive director of the commission on African-American affairs;

(p) Executive director of the commission on Asian Pacific American affairs;

(q) Executive director of the commission on Hispanic affairs;

(r) Chair of the governor's committee on disability issues and employment;

(s) Chair of the council of presidents;

(t) Chair of the board for community and technical colleges;

(u) Chair of the workforce training and education coordinating board;

(v) Executive director of the board of education;

(w) Chair of the board of Washington STEM;

(x) Chair, officer, or director of a state agency or nonprofit organization representing the legal immigrant and refugee community;

(y) Chair, officer, or director of a state agency or nonprofit organization representing the lesbian, gay, bisexual, transgender, and queer community;

(z) Any other agencies or community representatives the governor deems necessary to carry out the objectives of the commission.

(3) (a) The commission shall also consist of the following legislatively appointed members:

(i) Two state senators, one from each of the two largest caucuses, appointed by the president of the senate;

(ii) Two members of the state house of representatives, one from each of the two largest caucuses, appointed by the speaker of the house of representatives.

(b) Legislative members shall serve two-year terms, from the date of their appointment.

(4) Each commission member shall serve for the term of his or her appointment and until his or her successor is appointed. Any commission member listed in subsection (2) of this section, who serves by virtue of his or her office, shall be immediately replaced by his or her duly elected or appointed successor.

(5) A vacancy on the commission shall be filled within thirty days of the vacancy in the same manner as the original appointment.

### PART IV

#### MISCELLANEOUS

**NEW SECTION. Sec. 6.** Within three months following the effective date of this section, the office of program research and senate committee services shall prepare a joint memorandum and draft legislation to present to the appropriate committees of the legislature regarding any necessary changes to the Revised Code of Washington to bring nomenclature and processes in line with this act so as to fully effectuate and not interfere in any way with its intent. In preparing the memorandum and draft legislation, the office of program research and senate committee services shall consult with the sponsors of this initiative, the governor's committee on diversity, equity, and inclusion and the state human rights commission.

**NEW SECTION. Sec. 7.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION. Sec. 8.** For constitutional purposes, the subject of this act is "Diversity, Equity, and Inclusion."

### Initiative Measure No. 976

#### BRING BACK OUR \$30 CAR TABS

AN ACT Relating to limiting state and local taxes, fees, and other charges relating to vehicles; amending RCW 46.17.350, 46.17.355, 46.17.323, 82.08.020, 82.44.065, 81.104.140, and 81.104.160; adding a new section to chapter 46.17 RCW; adding a new section to chapter 82.44 RCW; adding a new section to chapter 81.112 RCW; creating new sections; repealing RCW 46.17.365, 46.68.415, 82.80.130, 82.80.140, 82.44.035, and 81.104.160; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

#### POLICIES AND PURPOSES

**NEW SECTION. Sec. 1.** Voters have repeatedly approved initiatives limiting vehicle costs, yet politicians keep ignoring the voters' repeated, unambiguous mandate by imposing higher and higher vehicle taxes and fees. It's not fair and it must stop. Without this follow-up ballot measure, vehicle costs will continue to skyrocket until vehicle charges are obscenely expensive, as they were prior to Initiative 695. This measure and each of its provisions limit state and local taxes, fees, and other charges relating to motor vehicles. This measure would limit annual motor vehicle license fees to \$30, except voter-approved charges, repeal and remove authority to impose certain vehicle taxes and charges; and base vehicle taxes on Kelley Blue Book rather than the dishonest, inaccurate, and artificially inflated manufacturer's suggested retail price (MSRP). Voters have repeatedly approved initiatives limiting vehicle costs. Politicians must learn to listen to the people.

#### LIMITING ANNUAL MOTOR-VEHICLE-LICENSE FEES TO \$30, EXCEPT VOTER-APPROVED CHARGES

**NEW SECTION. Sec. 2.** A new section is added to chapter 46.17 RCW to read as follows:

(1) State and local motor vehicle license fees may not exceed \$30 per year for motor vehicles, regardless of year, value, make, or model.

(2) For the purposes of this section, "state and local motor vehicle license fees" means the general license tab fees paid annually for licensing motor vehicles, including but not limited to cars, sport utility vehicles, light trucks under RCW 46.17.355, motorcycles, and motor homes, and do not include charges approved by voters after the effective date of this section. This annual fee must be paid and collected annually and is due at the time of initial and renewal vehicle registration.

**Sec. 3.** RCW 46.17.350 and 2014 c 30 s 2 are each amended to read as follows:

(1) Before accepting an application for a vehicle registration, the department, county auditor or other agent, or subagent appointed by the director shall require the applicant, unless specifically exempt, to pay the following vehicle license fee by vehicle type:

VEHICLE TYPE	INITIAL FEE	RENEWAL FEE	DISTRIB-UTED UNDER

(2) Schedule A applies to vehicles either used exclusively for hauling logs or that do not tow trailers. Schedule B applies to vehicles that tow trailers and are not covered under Schedule A.

(3) If the resultant gross weight is not listed in the table provided in subsection (1) of this section, it must be increased to the next higher weight.

(4) The license fees provided in subsection (1) of this section and the freight project fee provided in subsection ((6)) (7) of this section are in addition to the filing fee required under RCW 46.17.005 and any other fee or tax required by law.

(5) The license fees provided in subsection (1) of this section for light trucks weighing 10,000 pounds or less are limited to \$30.

(6) The license fee based on declared gross weight as provided in subsection (1) of this section must be distributed under RCW 46.68.035.

((6)) (7) For vehicle registrations that are due or become due on or after July 1, 2016, in addition to the license fee based on declared gross weight as provided in subsection (1) of this section, the department, county auditor or other agent, or subagent appointed by the director must require an applicant with a vehicle with a declared gross weight of more than 10,000 pounds, unless specifically exempt, to pay a freight project fee equal to fifteen percent of the license fee provided in subsection (1) of this section, rounded to the nearest whole dollar, which must be distributed under RCW 46.68.035.

((7)) (8) For vehicle registrations that are due or become due on or after July 1, 2022, in addition to the license fee based on declared gross weight as provided in subsection (1) of this section, the department, county auditor or other agent, or subagent appointed by the director must require an applicant with a vehicle with a declared gross weight of less than or equal to 12,000 pounds, unless specifically exempt, to pay an additional weight fee of ten dollars, which must be distributed under RCW 46.68.035.

**Sec. 5.** RCW 46.17.323 and 2015 3rd sp.s. c 44 s 203 are each amended to read as follows:

(1) Before accepting an application for an annual vehicle registration renewal for a vehicle that both (a) uses at least one method of propulsion that is capable of being reenergized by an external source of electricity and (b) is capable of traveling at least thirty miles using only battery power, the department, county auditor or other agent, or subagent appointed by the director must require the applicant to pay a ~~((one hundred dollar fee in addition to any other fees and taxes required by law))~~ \$30 fee. The ~~((one~~

~~hundred thirty dollar))~~ \$30 fee is due only at the time of annual registration renewal.

(2) This section only applies to a vehicle that is designed to have the capability to drive at a speed of more than thirty-five miles per hour.

~~(3)((a) The fee under this section is imposed to provide funds to mitigate the impact of vehicles on state roads and highways and for the purpose of evaluating the feasibility of transitioning from a revenue collection system based on fuel taxes to a road user assessment system, and is separate and distinct from other vehicle license fees. Proceeds from the fee must be used for highway purposes, and must be deposited in the motor vehicle fund created in RCW 46.68.070, subject to (b) of this subsection.~~

~~(b))~~ If in any year the amount of proceeds from the fee collected under this section exceeds one million dollars, the excess amount over one million dollars must be deposited as follows:

~~((i)) (a) Seventy percent to the motor vehicle fund created in RCW 46.68.070;~~

~~((iii)) (b) Fifteen percent to the transportation improvement account created in RCW 47.26.084; and~~

~~((iii)) (c) Fifteen percent to the rural arterial trust account created in RCW 36.79.020.~~

~~((4)(a) In addition to the fee established in subsection (1) of this section, before accepting an application for an annual vehicle registration renewal for a vehicle that both (i) uses at least one method of propulsion that is capable of being reenergized by an external source of electricity and (ii) is capable of traveling at least thirty miles using only battery power, the department, county auditor or other agent, or subagent appointed by the director must require the applicant to pay a fifty dollar fee.~~

~~(b) The fee required under (a) of this subsection must be distributed as follows:~~

~~(i) The first one million dollars raised by the fee must be deposited into the multimodal transportation account created in RCW 47.66.070; and~~

~~(ii) Any remaining amounts must be deposited into the motor vehicle fund created in RCW 46.68.070.~~

~~(5) This section applies to annual vehicle registration renewals until the effective date of enacted legislation that imposes a vehicle miles traveled fee or tax.)~~

## **REPEAL AND REMOVE AUTHORITY TO IMPOSE CERTAIN VEHICLE TAXES AND CHARGES**

**Sec. 6.** The following acts or parts of acts are each repealed:

(1) RCW 46.17.365 (Motor vehicle weight fee—Motor home vehicle weight fee) and 2015 3rd sp.s. c 44 s 202 & 2010 c 161 s 533;

(2) RCW 46.68.415 (Motor vehicle weight fee, motor home vehicle weight fee—Disposition) and 2010 c 161 s 813;

(3) RCW 82.80.130 (Passenger-only ferry service—Local option motor vehicle excise tax authorized) and 2010 c 161 s 916, 2006 c 318 s 4, & 2003 c 83 s 206; and

(4) RCW 82.80.140 (Vehicle fee—Transportation benefit

district—Exemptions) and 2015 3rd sp.s. c 44 s 310, 2010 c 161 s 917, 2007 c 329 s 2, & 2005 c 336 s 16.

**Sec. 7.** RCW 82.08.020 and 2014 c 140 s 12 are each amended to read as follows:

(1) There is levied and collected a tax equal to six and five-tenths percent of the selling price on each retail sale in this state of:

(a) Tangible personal property, unless the sale is specifically excluded from the RCW 82.04.050 definition of retail sale;

(b) Digital goods, digital codes, and digital automated services, if the sale is included within the RCW 82.04.050 definition of retail sale;

(c) Services, other than digital automated services, included within the RCW 82.04.050 definition of retail sale;

(d) Extended warranties to consumers; and

(e) Anything else, the sale of which is included within the RCW 82.04.050 definition of retail sale.

(2) There is levied and collected an additional tax on each retail car rental, regardless of whether the vehicle is licensed in this state, equal to five and nine-tenths percent of the selling price. The revenue collected under this subsection must be deposited in the multimodal transportation account created in RCW 47.66.070.

~~(3) ((Beginning July 1, 2003, there is levied and collected an additional tax of three-tenths of one percent of the selling price on each retail sale of a motor vehicle in this state, other than retail car rentals taxed under subsection (2) of this section. The revenue collected under this subsection must be deposited in the multimodal transportation account created in RCW 47.66.070.~~

~~(4) For purposes of subsection (3) of this section, “motor vehicle” has the meaning provided in RCW 46.04.320, but does not include:~~

~~(a) Farm tractors or farm vehicles as defined in RCW 46.04.180 and 46.04.181, unless the farm tractor or farm vehicle is for use in the production of marijuana;~~

~~(b) Off-road vehicles as defined in RCW 46.04.365;~~

~~(c) Nonhighway vehicles as defined in RCW 46.09.310; and~~

~~(d) Snowmobiles as defined in RCW 46.04.546.~~

~~(5)) Beginning on December 8, 2005, 0.16 percent of the taxes collected under subsection (1) of this section must be dedicated to funding comprehensive performance audits required under RCW 43.09.470. The revenue identified in this subsection must be deposited in the performance audits of government account created in RCW 43.09.475.~~

~~((6)) (4) The taxes imposed under this chapter apply to successive retail sales of the same property.~~

~~((7)) (5) The rates provided in this section apply to taxes imposed under chapter 82.12 RCW as provided in RCW 82.12.020.~~

#### **BASE VEHICLE TAXES USING KELLEY BLUE BOOK VALUE**

**NEW SECTION. Sec. 8.** A new section is added to chapter 82.44 RCW to read as follows:

(1) **BASE VEHICLE TAXES USING KELLEY BLUE BOOK VALUE.** Any motor vehicle excise tax must be calculated in an honest and accurate way so the burden on vehicle owners is not artificially inflated. For the purpose of determining a vehicle tax, a taxing district imposing a vehicle tax must set a vehicle’s taxable value at the vehicle’s base model Kelley Blue book value. This ensures an honest and accurate calculation of the tax and, combined with the appeal process in RCW 82.44.065, ensures that vehicle owners are taxed on their vehicle’s market value.

(2) For the purpose of determining a tax under this chapter, the value of a truck-type power or trailing unit, or motor vehicle, including a passenger vehicle, motorcycle, motor home, sport utility vehicle, or light duty truck is the base model Kelley Blue book value of the vehicle, excluding applicable federal excise taxes, state and local sales or use taxes, transportation or shipping costs, or preparatory or delivery costs.

**Sec. 9.** RCW 82.44.065 and 2010 c 161 s 912 each amended to read as follows:

If the department determines a value for a vehicle ~~((equivalent to a manufacturer’s base suggested retail price or the value of a truck or trailer under RCW 82.44.035))~~ under section 8 of this act, any person who pays a state or locally imposed tax for that vehicle may appeal the valuation to the department under chapter 34.05 RCW. If the taxpayer is successful on appeal, the department shall refund the excess tax in the manner provided in RCW 82.44.120. Using Kelley Blue Book value ensures an honest and accurate calculation.

**NEW SECTION. Sec. 10.** RCW 81.104.140 and 2015 3rd sp.s. c 44 s 318 are each amended to read as follows:

(1) Agencies authorized to provide high capacity transportation service, including transit agencies and regional transit authorities, and regional transportation investment districts acting with the agreement of an agency, are hereby granted dedicated funding sources for such systems. These dedicated funding sources, as set forth in RCW 81.104.150, 81.104.160, 81.104.170, and 81.104.175, are authorized only for agencies located in (a) each county with a population of two hundred ten thousand or more and (b) each county with a population of from one hundred twenty-five thousand to less than two hundred ten thousand except for those counties that do not border a county with a population as described under (a) of this subsection. In any county with a population of one million or more or in any county having a population of four hundred thousand or more bordering a county with a population of one million or more, these funding sources may be imposed only by a regional transit authority or a regional transportation investment district. Regional transportation investment districts may, with the approval of the regional transit authority within its boundaries, impose the taxes authorized under this chapter, but only upon approval of the voters and to the extent that the maximum amount of taxes authorized under this chapter have not been imposed.

(2) Agencies planning to construct and operate a high capacity transportation system should also seek other funds, including federal, state, local, and private sector assistance.

(3) Funding sources should satisfy each of the following criteria to the greatest extent possible:

- (a) Acceptability;
- (b) Ease of administration;
- (c) Equity;
- (d) Implementation feasibility;
- (e) Revenue reliability; and
- (f) Revenue yield.

(4)(a) Agencies participating in regional high capacity transportation system development are authorized to levy and collect the following voter-approved local option funding sources:

- (i) Employer tax as provided in RCW 81.104.150, other than by regional transportation investment districts;
- (ii) ~~(Special motor vehicle excise tax as provided in RCW 81.104.160;~~
- (iii) Regular property tax as provided in 81.104.175; and
- ~~((iv))~~ (iii) Sales and use tax as provided in RCW 81.104.170.

(b) Revenues from these taxes may be used only to support those purposes prescribed in subsection (10) of this section. Before the date of an election authorizing an agency to impose any of the taxes enumerated in this section and authorized in RCW 81.104.150, 81.104.160, 81.104.170, and 81.104.175, the agency must comply with the process prescribed in RCW 81.104.100 (1) and (2) and 81.104.110. No construction on exclusive right-of-way may occur before the requirements of RCW 81.104.100(3) are met.

(5) Except for the regular property tax authorized in 81.104.175, the authorization in subsection (4) of this section may not adversely affect the funding authority of transit agencies not provided for in this chapter. Local option funds may be used to support implementation of interlocal agreements with respect to the establishment of regional high capacity transportation service. Except when a regional transit authority exists, local jurisdictions must retain control over moneys generated within their boundaries, although funds may be commingled with those generated in other areas for planning, construction, and operation of high capacity transportation systems as set forth in the agreements.

(6) Except for the regular property tax authorized in 81.104.175, agencies planning to construct and operate high capacity transportation systems may contract with the state for collection and transference of voter-approved local option revenue.

(7) Dedicated high capacity transportation funding sources authorized in RCW 81.104.150, 81.104.160, 81.104.170, and 81.104.175 are subject to voter approval by a simple majority. A single ballot proposition may seek approval for one or more of the authorized taxing sources. The ballot title must reference the document identified in subsection (8) of this section.

(8) Agencies must provide to the registered voters in the area a document describing the systems plan and the financing plan set forth in RCW 81.104.100. It must also describe the relationship of the system to regional issues such as development density at station locations and activity centers, and the interrelationship of the system to adopted land use and transportation demand management goals within the region. This document must be provided to the voters at least twenty days prior to the date of the election.

(9) For any election in which voter approval is sought for a high capacity transportation system plan and financing plan pursuant to RCW 81.104.040, a local voter's pamphlet must be produced as provided in chapter 29A.32 RCW.

(10)(a) Agencies providing high capacity transportation service must retain responsibility for revenue encumbrance, disbursement, and bonding. Funds may be used for any purpose relating to planning, construction, and operation of high capacity transportation systems and commuter rail systems, personal rapid transit, busways, bus sets, and entrained and linked buses.

(b) A regional transit authority that ~~((imposes a motor vehicle excise tax after the effective date of this section,))~~ imposes a property tax(;) or increases a sales and use tax to more than nine-tenths of one percent must undertake a process in which the authority's board formally considers inclusion of the name, Scott White, in the naming convention associated with either the University of Washington or Roosevelt stations.

**NEW SECTION. Sec. 11.** The following acts or parts of acts are each repealed:

- (1) RCW 82.44.035 (Valuation of vehicles) and 2010 c 161 s 910 & 2006 c 318 s 1; and
- (2) RCW 81.104.160 (Motor vehicle excise tax for regional transit authorities---Sales and use tax on car rentals---Former motor vehicle excise tax repealed) and 2015 3rd sp.s. c 44 s 319, 2010 c 161 s 903, 2009 c 280 s 4, 2003 c 1 s 6 (Initiative Measure No. 776, approved November 5, 2002), & 1998 c 321 s 35 (Referendum Bill No. 49, approved November 3, 1998).

**NEW SECTION. Sec. 12.** A new section is added to chapter 81.112 RCW to read as follows:

In order to effectuate the policies, purposes, and intent of this act and to ensure that the motor vehicle excise taxes repealed by this act are no longer imposed or collected, an authority that imposes a motor vehicle excise tax under RCW 81.104.160 must fully retire, defease, or refinance any outstanding bonds issued under this chapter if:

(1) Any revenue collected prior to the effective date of this section from the motor vehicle excise tax imposed under RCW 81.104.160 has been pledged to such bonds; and

(2) The bonds, by virtue of the terms of the bond contract, covenants, or similar terms, may be retired or defeased early or refinanced.

**Sec. 13.** RCW 81.104.160 and 2015 3rd sp.s. c 44 s 319 are each amended to read as follows:

(1) Regional transit authorities that include a county with a population of more than one million five hundred thousand may submit an authorizing proposition to the voters, and if approved, may levy and collect an excise tax, at a rate approved by the voters, but not exceeding (~~eight-tenths~~) two-tenths of one percent on the value, under chapter 82.44 RCW, of every motor vehicle owned by a resident of the taxing district, solely for the purpose of providing high capacity transportation service. The maximum tax rate under this subsection does not include a motor vehicle excise tax approved before the effective date of this section if the tax will terminate on the date bond debt to which the tax is pledged is repaid. This tax does not apply to vehicles licensed under RCW 46.16A.455 except vehicles with an unladen weight of six thousand pounds or less, RCW 46.16A.425 or 46.17.335(2). Notwithstanding any other provision of this subsection or chapter 82.44 RCW, a motor vehicle excise tax imposed by a regional transit authority before or after the effective date of this section must comply with chapter 82.44 RCW as it existed on January 1, 1996, until December 31st of the year in which the regional transit authority repays bond debt to which a motor vehicle excise tax was pledged before the effective date of this section. Motor vehicle taxes collected by regional transit authorities after December 31st of the year in which a regional transit authority repays bond debt to which a motor vehicle excise tax was pledged before the effective date of this section must comply with chapter 82.44 RCW as it existed on the date the tax was approved by voters.

(2) An agency and high capacity transportation corridor area may impose a sales and use tax solely for the purpose of providing high capacity transportation service, in addition to the tax authorized by RCW 82.14.030, upon retail car rentals within the applicable jurisdiction that are taxable by the state under chapters 82.08 and 82.12 RCW. The rate of tax may not exceed 2.172 percent. The rate of tax imposed under this subsection must bear the same ratio of the 2.172 percent authorized that the rate imposed under subsection (1) of this section bears to the rate authorized under subsection (1) of this section. The base of the tax is the selling price in the case of a sales tax or the rental value of the vehicle used in the case of a use tax.

(3) Any motor vehicle excise tax previously imposed under the provisions of RCW 81.104.160(1) shall be repealed, terminated, and expire on December 5, 2002, except for a motor vehicle excise tax for which revenues have been contractually pledged to repay a bonded debt issued before December 5, 2002, as determined by *Pierce County et al. v. State*, 159 Wn.2d 16, 148 P.3d 1002 (2006). In the case of bonds that were previously issued, the motor vehicle excise tax must comply with chapter 82.44 RCW as it existed on January 1, 1996.

(4) If a regional transit authority imposes the tax authorized under subsection (1) of this section, the authority may not receive any state grant funds provided in an

omnibus transportation appropriations act except transit coordination grants created in chapter 11, Laws of 2015 3rd sp. sess.

NEW SECTION. **Sec. 14. CONSTRUCTION CLAUSE.** The provisions of this act are to be liberally construed to effectuate the intent, policies, and purposes of this act.

NEW SECTION. **Sec. 15. SEVERABILITY CLAUSE.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 16. EFFECTIVE DATE.** (1) Sections 10 and 11 of this act take effect on the date that the regional transit authority complies with section 12 of this act and retires, defeases, or refinances its outstanding bonds.

(2) Section 13 takes effect April 1, 2020, if sections 10 and 11 of this act have not taken effect by March 31, 2020.

(3) The regional transit authority must provide written notice of the effective dates of sections 10, 11, and 13 of this act to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the regional transit authority.

NEW SECTION. **Sec. 17. TITLE.** This act is known and may be cited as "Bring Back Our \$30 Car Tabs."

### Senate Joint Resolution No. 8200

BE IT RESOLVED, BY THE SENATE AND HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON, IN LEGISLATIVE SESSION ASSEMBLED:

THAT, At the next general election to be held in this state the secretary of state shall submit to the qualified voters of the state for their approval and ratification, or rejection, an amendment to Article II, section 42 of the Constitution of the state of Washington to read as follows:

Article II, section 42. The legislature, in order to insure continuity of state and local governmental operations in periods of emergency resulting from a catastrophic incident or enemy attack, shall have the power and the duty, immediately upon and after adoption of this amendment, to enact legislation providing for prompt and temporary succession to the powers and duties of public offices of whatever nature and whether filled by election or appointment, the incumbents and legal successors of which may become unavailable for carrying on the powers and duties of such offices; the legislature shall likewise enact such other measures as may be necessary and proper for insuring the continuity of governmental operations during such emergencies. Legislation enacted under the powers conferred by this amendment shall in all respects conform to the remainder of the Consti-

tution: *Provided*, That if, in the judgment of the legislature at the time of ~~((disaster))~~ the emergency, conformance to the provisions of the Constitution would be impracticable or would admit of undue delay, such legislation may depart during the period of emergency caused by a catastrophic incident or enemy attack only, from the following sections of the Constitution:

Article 14, Sections 1 and 2, Seat of Government;  
Article 2, Sections 8, 15 (Amendments 13 and 32), and 22, Membership, Quorum of Legislature and Passage of Bills;  
Article 3, Section 10 (Amendment 6), Succession to Governorship: *Provided*, That the legislature shall not depart from Section 10, Article III, as amended by Amendment 6, of the state Constitution relating to the Governor's office so long as any successor therein named is available and capable of assuming the powers and duties of such office as therein prescribed;

Article 3, Section 13, Vacancies in State Offices;  
Article 11, Section 6, Vacancies in County Offices;  
Article 11, Section 2, Seat of County Government;  
Article 3, Section 24, State Records.

BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of this constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state.

## Celebrate women of Washington

Washington has been *Ahead of the Curve* since it first granted women suffrage (the right to vote) in 1883. Later revoked, in 1910 our state became the fifth to include women's suffrage in its constitution — a decade ahead of the nation.

Legacy Washington is gearing up for the 2020 centennial of women's suffrage in the United States by highlighting the pioneering spirit of some larger-than-life women and little-known stories with big impacts on our state, the nation, and beyond. Washington women keep blazing trails in fields from science to bridge building.

Visit the *Ahead of the Curve* exhibit at the Washington State Capitol in Olympia, or read in-depth profiles of all the subjects online.
