A message from Assistant Secretary of State Mark Neary

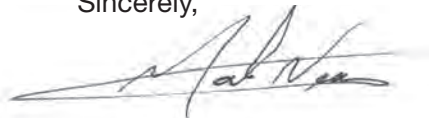

On behalf of the Office of the Secretary of State, I am pleased to present the 2020 General Election Voters' Pamphlet. We offer this comprehensive guide as a reference to help you find information on the candidates and statewide measures that appear on your ballot.

This general election gives you the opportunity to have a say in our government at the local, state, and national levels, and to choose who will serve as our nation's next president. In order to have your voice heard, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by October 26, and we encourage you to check your registration information today at **VoteWA.gov**. If you are reading this message after October 26 and you are not registered, have moved since the last time you voted, or did not receive a ballot, you can go to your local elections office or voting center during regular business hours through 8 p.m. on Election Day to register to vote and receive a ballot.

Once you have completed your ballot, you can send it via U.S. mail — no postage needed — but remember, all ballots must be postmarked by November 3. A late postmark could disqualify your ballot. The USPS recommends that you mail a week before Election Day. After that, we recommend using an official ballot drop box. Drop boxes are open until 8 p.m. on November 3.

We are committed to ensuring a safe and secure election for all Washingtonians, especially during this challenging time. Returning your ballot through the mail or at one of nearly 500 ballot drop boxes statewide can help you maintain proper social distancing and stay healthy. To locate a ballot drop box, visit **VoteWA.gov**. For more information about COVID-19, visit **coronavirus.wa.gov**.

Sincerely,

Mark Neary
Assistant Secretary of State

Explanatory Statement

Written by the Office of the Attorney General

The Law as it Presently Exists

School districts may choose to provide, or not to provide, sexual health education. Parents or legal guardians may have their children excused from any planned instruction in sexual health education.

If the school district offers sexual health education, it must be medically and scientifically accurate. It must also be age-appropriate and appropriate for students of any gender, race, disability status, or sexual orientation. It must include information about abstinence and other methods of preventing pregnancy and sexually transmitted diseases. It cannot consist only of information about abstinence.

A school may choose to provide comprehensive sexual health education using separate outside speakers or a prepared curriculum. Sexual health education must be consistent with guidelines developed by the state Department of Health and the Office of the Superintendent of Public Instruction. The Superintendent of Public Instruction and the state Department of Health must make these guidelines available on their web sites.

The Superintendent of Public Instruction, consulting with the state Department of Health, develops a list of sexual health education curricula that are consistent with state guidelines. State law encourages school districts that choose to offer sexual health education to review their program and choose a curriculum from the state list. School districts may choose or develop any other curriculum that complies with state law.

Any parent or legal guardian may review the curriculum offered in their school district.

The Effect of the Proposed Measure if Approved

The Legislature recently passed a bill that would change the law about sexual health education. If the voters approve Referendum 90, then the law would change as described below. If the voters reject Referendum 90, then the law will remain as summarized above.

Referendum 90 would require public schools to provide comprehensive age-appropriate sexual health education. Parents and legal guardians would continue to have the choice to exclude their students from sexual health education.

Comprehensive sexual health education would mean

age-appropriate instruction in human development and reproduction. Districts would use curriculum, instruction, and materials that are medically and scientifically accurate. The instruction must use language and strategies that avoid discrimination against any student. Comprehensive sexual health education must include information about affirmative consent and bystander training. This means teaching about a conscious and voluntary agreement to engage in sexual activity as a requirement before sexual activity.

The curriculum, instruction, and materials would vary by grade level. For students in kindergarten through grade three, it must be instruction in social-emotional learning that is consistent with standards and benchmarks established by the Office of the Superintendent of Public Instruction. For students in grades four through twelve, it must include information about six topics. These are:

- The physiological, psychological, and sociological developmental processes experienced by an individual;
- The development of intrapersonal and interpersonal skills to communicate, respectfully and effectively, to reduce health risks, and choose healthy behaviors and relationships that are based on mutual respect and affection, and are free from violence, coercion, and intimidation;
- Health care and prevention resources;
- The development of meaningful relationships and avoidance of exploitative relationships;
- Understanding the influences of family, peers, community, and the media throughout life on healthy sexual relationships; and
- Affirmative consent and recognizing and responding safely and effectively when violence, or a risk of violence, is or may be present with strategies that include bystander training.

The law would phase in over time. Public schools must provide comprehensive sexual health education in grades six through twelve beginning in the 2021-22 school year. They must begin doing so in all grades in the 2022-23 school year. Public school districts must provide comprehensive sexual health education at least once to students in kindergarten through grade three, once to students in grades four through five, twice to students in grades six through eight, and twice to students in grades nine through twelve.

The Office of the Superintendent of Public Instruction must keep training materials up to date. Public school districts may either choose a curriculum from the list

developed at the state level or choose other curriculum. A district choosing a curriculum that is not on the state list must make sure that it complies with state law and consult with the Office of the Superintendent of Public Instruction. The Office of the Superintendent of Public Instruction must provide technical assistance to public schools.

At the beginning of the 2021-22 school year, public schools must let parents and legal guardians know that they will provide comprehensive sexual health education. The district must provide access to all such course materials that it will use during the school year.

Public school districts must report to the Office of the Superintendent of Public Instruction the curricula used to provide comprehensive sexual health education. The report must describe how it aligns with state law requirements. The Office of the Superintendent of Public Instruction must summarize this information and report it to the Legislature.

Fiscal Impact Statement

FISCAL IMPACT SUMMARY

Engrossed Substitute Senate Bill 5395 was enacted in the 2020 legislative session, but has not gone into effect because the voters submitted petitions to refer the measure to the November 2020 general election ballot. If the voters approve the referendum, ESSB 5395 would go into effect. There would be no fiscal impact to state government in the 2019–21 biennium and ongoing. There would be a fiscal impact to local government (school districts), but the impact is indeterminate. There are no known state or local revenue impacts that would result from the passage of this measure.

SUMMARY

Referendum 90 places Engrossed Substitute Senate Bill 5395 (ESSB 5395) onto the 2020 general election ballot for approval or rejection by the voters.

Beginning September 1, 2021, ESSB 5395 would require every public school district to offer comprehensive sexual health education from a list of curricula provided on the Office of Superintendent of Public Instruction's (OSPI) website, or choose their own curricula using a tool provided by OSPI. Additionally, OSPI would be required to report to the Legislature data collected from school districts about the curricula they used to provide comprehensive sexual health education. Section 1(5)(a) of ESSB 5395 requires the Department of Health (DOH)

to consult with OSPI on the development of a list of comprehensive sexual health education curricula that are consistent with the 2005 guidelines for sexual health information and disease prevention and the Washington state health and physical education K–12 learning standards.

GENERAL ASSUMPTIONS

- If approved, the effective date of the referendum is December 3, 2020.
- The fiscal estimates use the state's fiscal year of July 1 through June 30. Fiscal year 2021 is July 1, 2020 to June 30, 2021.

REVENUE

The referendum has no known state or local revenue impact.

EXPENDITURES

A vote to approve the referendum would result in no costs for state government, specifically OSPI and DOH. School districts may incur costs, but those costs are indeterminate and are dependent upon local decisions regarding the adoption process and training for any new curriculum adopted.

State expenditures

Curricula. OSPI currently offers a list of curricula as part of its open education resources. There is no additional cost associated with maintaining sexual health education curricula.

Review Tools. OSPI currently offers a review tool for districts to use when selecting comprehensive sexual health education. The tool would require very little modification to be used as directed in the bill. There is no additional fiscal impact related to staff time to accomplish this work.

Data Collection. OSPI currently collects district-level data related to comprehensive sexual health education. No expenditure impact is anticipated as a result of this additional data collection requirement.

Reporting: OSPI is currently required to report on sexual health education to the Legislature. The time involved in reporting the results of the data reporting is already believed to be captured; therefore, no expenditure impact is expected.

School district expenditures

Curricula. School districts may use free sexual health education curricula that is available. Any curricula costs for districts not currently offering comprehensive sexual health education, or not using curricula that meets the standard in ESSB 5395, would be discretionary. Should districts choose curricula at

a cost, two federally-funded grant programs are available to provide financial assistance to districts for implementation. DOH administers the Personal Responsibility Education Program (PREP), and Planned Parenthood of the Great Northwest and Hawaiian Islands administers the Teen Pregnancy Prevention Program (TPPP). Both are funded by the U.S. Department of Health and Human Services Office of Adolescent Health.

Professional Development: ESSB 5395 does not require that districts send their teachers to training or provide any other professional development opportunities in comprehensive sexual health education. Any costs incurred by districts for professional development would be discretionary. To manage discretionary costs, districts could choose to send teachers to professional development opportunities offered by OSPI at no cost.

Districts could incur costs for travel and substitute teacher reimbursement.

Adoption of Curricula. Adoption costs are dependent upon local school district practices. It is assumed that districts changing their curricula will use current adoption processes and available financial resources, therefore, no additional costs will be incurred. However, districts may be impacted by changing their curriculum adoption schedule, substituting the adoption of sexual health education curricula in the place of currently planned curriculum updates. If they choose to add sexual health education curricula to their adoption process, this could result in additional costs for curriculum review, meetings, and public comment. There is no way to estimate statewide costs of the adoption processes; therefore, there is an indeterminate fiscal impact on districts.

Argument for

Approve Referendum 90 for Safe and Healthy Kids

Young people in every community deserve age-appropriate information and resources to make good decisions about sex and relationships, to enable them to protect their health, keep themselves safe, and build their futures. Right now, too many students are not receiving high-quality, medically-accurate sexual health education, putting them at immediate risk of harm.

Approving Referendum 90 will uphold a new Washington law requiring all public schools to teach age-appropriate, inclusive, comprehensive sex education. This starts with social and emotional learning for younger students and includes teaching older students about ways to prevent pregnancy and practice affirmative consent.

It will keep kids healthy

Studies show young people who receive quality sex education are less likely to partake in risky sexual behavior, experience unintended pregnancy, or get a sexually transmitted infection.

Sex education also serves as prevention for sexual abuse and rape

Young people need information and resources about healthy relationships to understand how to respect personal boundaries, ask for consent, and learn how to say and receive a “no.” Kids experiencing abuse urgently need to know how to get help. Children who are being sexually abused often don’t understand what is happening until someone provides them with the tools to communicate with a trusted adult.

This year, parents, educators, and medical professionals from across Washington worked together to pass a comprehensive sex education law. Let’s protect that law, and young people’s futures, by approving Referendum 90.

Rebuttal of argument against

Parents, teachers, and pediatricians know that in states with quality sex education, teens are talking about consent, waiting longer to have sex, avoiding getting pregnant, and keeping themselves safe. R90 gives parents the ability to opt children out if they’re uncomfortable with content, and every district must collaborate with communities on curriculum selection. R90 requires age appropriate education, meaning social and emotional learning for self-control and interpersonal skills in grades K-3. Approve R90.

Argument against

Reject Referendum 90. Overturn the K-12 comprehensive sex education mandate.

The legislature passed a bill mandating a new comprehensive sexual education (CSE) curriculum for all students K-12. Huge numbers of students are failing math, science, and English. Olympia should prioritize improving literacy and helping students graduate, not creating a new mandate.

Reject Referendum 90. Restore local control for parents and local school boards.

The new CSE bill means unelected, unaccountable bureaucrats, not local communities, will develop statewide sex education standards for all students. It requires school districts to adopt a sex education curriculum that meets those standards. Parents and their local elected representatives will have little input in determining how they want their kids to be taught.

Reject Referendum 90. Stop the early sexualization of our kids.

Kindergarteners need to learn social skills and elementary students should focus on fundamental learning. Materials that currently meet state standards include graphic sexual subject matter. These are decisions that should be left to parents and local communities.

Reject Referendum 90. A costly mandate at a time when school budgets are being cut.

State and local budgets are facing massive deficits which threaten funding for basic programs. Schools cannot afford to add an expensive new requirement or design their own sex education curriculum that meets state standards.

Trust parents and local communities to develop school curriculum collaboratively. *Protect Local Control. Reject Referendum 90.*

Rebuttal of argument for

Referendum 90 is a blatant power grab by Olympia bureaucrats to take away parental control and impose a comprehensive sexual education curriculum starting in kindergarten. Parents and local schools are already doing an excellent job at this now. HHS.gov reports that for the last 25 years of available data, Washington’s teenage birthrate *dropped 69%*. Erin’s Law, which passed in 2018, addresses sexual abuse, prevention and online safety. *Vote reject* to retain parental and local control.

Explanatory Statement

Written by the Office of the Attorney General

The Constitutional Provision as it Presently Exists

The Washington Constitution generally prohibits investing public money in the stock of private companies. This means that state and local governments are limited to investing public funds in fixed-income securities, such as government and corporate bonds and certificates of deposit.

The Constitution currently exempts several funds from this restriction. This exemption applies to any public pension or retirement fund, the industrial insurance trust fund, and money held in trust for the benefit of people with developmental disabilities. The exemption allows state and local governments to invest money held in those funds as authorized by law, including by investing in stock as authorized by the Legislature.

In 2019, the Legislature enacted a law providing for long-term care insurance. Under that law, employees will pay premiums for state-sponsored long-term care benefits through a payroll deduction, beginning January 1, 2022. Those premiums will be deposited into a new Long-Term Services and Supports Trust Account (Trust Account). Under current law, money held in the Trust Account could not be invested in stocks.

The Effect of the Proposed Amendment if Approved

This Amendment would add the Trust Account to the list of funds that are exempt from the prohibition against investing public money in private stocks. This would allow money in the Trust Account to be invested in stock if the Legislature authorizes that form of investment.

Argument for

Washingtonians Support ESJR 8212 – a fiscally responsible investment decision

In 2019, the Washington State Legislature passed The Long Term Care Trust Act to address the growing long-term care crisis. 70% of adults over the age of 65 will require some form of long-term care but 90% are not insured for long-term care. The Long Term Care Trust fund will help families access and afford these critical services with a benefit of up to \$36,500 indexed to inflation. The fund is available to Washingtonians once they need assistance with three or more regular daily activities such as eating, bathing, or help with medications and are vested by paying into the program.

Benefits will begin being paid out in 2025 and do not count as income for determining eligibility for Medicaid or other state safety-net programs.

Voting in favor of this ballot measure helps to ensure the Long Term Care Trust fund can pay benefits to eligible Washingtonians over the long-term. This ballot measure, ESJR 8212, will allow the Long Term Care Trust fund to be included on the list of public funds exempt from current constitutional investment restrictions. If voters approve this ballot measure, the Long Term Care Trust fund could be invested in the same way that pension funds and ABLE funds are currently invested by our state. The Trust is self-funded with an independent commission and the state actuary responsible for regular certification of the program's solvency.

Rebuttal of argument against

Support for ESJR 8212 is the fiscally responsible choice. With voter's approval, funds would be invested like the State pension and ABLE funds are currently invested, which allows for larger investment growth. Through each economic downturn the market has rebounded demonstrating the overall long term strength of the economy. Higher yield investment options are good for the people of Washington and critically important to Long Term Services and Supports programs in the future.

Argument against

In 1889, the wise founders of the state of Washington wanted to protect public funds from potential losses of risky investments so they established safeguards in our state Constitution prohibiting stock market investments of our public funds.

SJR 8212 will overturn that safeguard for our new Long-Term Care Services and Supports Trust Program, a multi-Billion-dollar program established this legislative session in preparation for the coming "Silver Tsunami" of elderly needing services. With so much money in play, we must not lose sight of the stock market's high risk along with the questionable bottom line ethics of some Wall Street brokers.

From 2000-03 the Dow Jones Industrial Average (DJIA) lost a third of its value. Around 2008-09 the DJIA lost half its value during the Great Recession. This year the DJIA fell over 37% in less than six weeks from February 12, 2020 to March 23, 2020. Who knows where it is going from here? The long-term economic impacts of COVID-19 are still unknown.

Your vote is about prudent fiscal management of our tax dollars. A better idea is to invest public money into federal, state and municipal bonds that support public works we all depend on in Washington. They're *safe*. Don't let Wall Street brokers gamble with our hard-earned tax dollars.

The Founders didn't trust the stock market then, and we shouldn't trust it now. Please vote *no* on SJR 8212.

Rebuttal of argument for

Your No vote will protect the long-term stability of the Trust Fund from being gambled on by Wall Street. SJR 8212's passage absolutely does not *guarantee* that long term care benefits will actually be paid out to eligible Washingtonians. Don't gamble with the people's hard-earned money. We can better safeguard our money *and* know that it is being invested in a responsibly prudent way by casting a strong *no* vote on SJR 8212.

The Electoral College is a process, not a place

When you vote for President and Vice President, you determine a group of people called electors (also known as a slate) to represent Washington state in the Electoral College. The electors gather December 14, 2020 to cast votes for President based on the state's election results.

Each major political party chooses their own electors through the caucus and convention process.

Washington has 12 presidential electors

Every state starts with two because every state has two U.S. Senators. Based on population, each state receives an additional elector for every Congressional District.

$$\begin{array}{r}
 2 \text{ U.S. Senators} \\
 +10 \text{ Congressional Districts} \\
 \hline
 =12 \text{ Total electors}
 \end{array}$$

The magic number

There are a total of 538 electoral votes in the nation. A presidential ticket needs at least 270 electoral votes nationwide to win. If no presidential ticket receives a majority of electoral votes, the U.S. House of Representatives elects the President and the U.S. Senate elects the Vice President.

How electoral votes are distributed

Washington state is one of 48 states that uses a "winner-take-all" system; the presidential ticket that wins the popular vote in the state is entitled to all 12 of Washington's electoral votes.

Federal Qualifications & Responsibilities

Except for the President and Vice President, all federal officials elected in Washington must be registered voters of the state. Only federal offices have age requirements above and beyond being a registered voter.

President & Vice President

The President must be at least 35 years old and a natural born U.S. citizen. Voters indirectly elect the President through the Electoral College. The President is elected to a four-year term and cannot serve more than two elected terms.

The chief duty of the President is to ensure the laws of the nation are faithfully executed. This duty is largely performed through appointments for thousands of federal positions, including secretaries of cabinet-level agencies and federal judges (subject to confirmation by the Senate). The President is the commander in chief of the U.S. armed forces, has the power to sign and veto (reject) laws passed by Congress, and makes treaties with foreign governments (with Senate approval).

The Vice President serves as the presiding officer of the Senate. The Vice President becomes President if the office is vacated.

The order of major political parties is determined by the number of votes cast in this state for the President of the United States at the last presidential election. In 2016, the Democratic Party received the highest number of votes in Washington state and must appear on the ballot first.

Independent and minor party candidates follow major parties in the order of their qualification with the Secretary of State. (RCW 29A.36.161)

Congress

The United States' Senate and House of Representatives have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws and budgets necessary for the operation of government.

United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

In 2020 there are no United States Senators up for election in Washington state. The next scheduled election will be 2022.

United States Representative

Representatives must be at least 25 years old and citizens of the U.S. for at least seven years. Representatives are not required to be registered voters of their district, but must be registered voters of the state. Representatives serve two-year terms.

The House of Representatives has 435 members, all of whom are up for election in even-numbered years. Each state has a different number of members based on population. After the 2010 Census, Washington was given a 10th Congressional District.

Statement

Former Vice President Joe Biden believes we are in a battle for the soul of this nation. The current president threatens everything we stand for by fanning the flames of hate groups, dividing Americans, and tearing the fabric of the country apart. The stakes in this election couldn't be higher, and nothing will change if we don't defeat the current president.

Joe's parents instilled in him that when you see an abuse of power, it's your obligation to stand up to combat it. That's motivated him his entire life - as Senator from Delaware for 36 years and President Obama's Vice President for 8 years.

Joe stood shoulder to shoulder with President Obama to pass the Affordable Care Act, expanding health care for 20 million people. He wrote and passed the Violence Against Women Act, when domestic violence was considered a family matter. He took on the NRA and won - twice - including passing the assault weapons ban. And, he started talking about climate change as a moral issue of our time far before it was a mainstream issue.

His vision for America is based on equal opportunity for all. Treating everyone with dignity. A middle class where everyone - regardless of race, gender, sexual orientation, or disability - comes along.

As president, Joe will expand on the historic progress of the Obama-Biden administration and rebuild a strong, inclusive middle class. He'll protect and build on Obamacare with a public option. He'll restore our standing in the world.

Joe has a proven ability to bring people together and to deliver for the middle class. At this defining moment in our nation's history, it's going to take Joe's strong leadership to unite America and move our country forward.

Statement

Four years ago, President Donald J. Trump ran on a promise to put America First, and he has kept that promise. President Trump fought the establishment to lower taxes for hardworking middle-class families, create better trade deals that stopped the offshoring of American jobs, and rebuild our military.

President Trump stands by his oath to defend and protect the American people. That's why, as your President, Donald J. Trump has stood up to the radical left that would defund our police, allow our cities to devolve into lawless zones, and make our families less safe.

Lawless zones like CHOP, CHAZ, or whatever the radical left wants to call them cannot be allowed to happen again, and President Trump stands committed to stopping them. These aren't peaceful gatherings of protestors. They are a hotbed of crime, promoting the wanton destruction of our homes, our businesses, and innocent lives.

That's why President Trump stands proudly with our law enforcement who, day in and day out, put their lives on the line to keep our families and our children safe from dangerous criminals. Our men and women in blue deserve a President that has their back, who will work with them to make sure criminals are brought to justice, and not someone that would side with rioters that burn our buildings and destroy our communities.

As your President, Donald J. Trump will continue to deliver on his promise to Make America Great Again, by holding China accountable for the virus they unleashed upon the world. We can and we will defeat the invisible enemy, so we can continue the economic prosperity that President Trump delivered when he was elected.

Vote to put America First and to Make America Great Again. Vote Donald J. Trump for President.

Statement

While 3,000 miles separate Olympia from Washington, DC, it sometimes feels that there is an even greater divide between Washingtonians and the politicians who claim to represent them. The Evergreen State shares a name with our nation's capital, but not the same refusal to try new ideas.

Perhaps that is why more people in Washington state voted Libertarian in 2016 than ever before.

Washingtonians have made it clear they won't wait for the federal government to act, and time and again, they have been ahead of the pace of career politicians. After all, Washington was the first state where death with dignity, marriage equality, and recreational cannabis were all legal at the same time.

Just like those in Washington state, Libertarians know it doesn't have to be this way.

We can reduce healthcare costs without putting government in charge of highly personal medical decisions and creating a one-size-fits-all system. We can prioritize our national security without being involved in unnecessary foreign

wars and stationing troops around the world in dozens of countries away from their families. We can protect our communities without sacrificing freedom through failed initiatives like civil asset forfeiture, no-knock raids, qualified immunity, and the War on Drugs. We can value necessary responsibility for workers and employers without endless barriers of entry to professions and new businesses. We can balance the budget without raising taxes. By ending excessive government overspending, we can also eliminate the federal income tax.

I'm running for President not just to present a new way of addressing important issues. I'm running because Washington state deserves a better way — solutions that create real change for real people.

Statement

Our Green Party presidential ticket is campaigning for real solutions to life-or-death issues. Real solutions can't wait!

COVID-19 Pandemic: The ever-growing sickness and death from COVID-19 in the US shows that the two governing parties are presiding over a failed state. Organized countries around the world have suppressed the virus. We will enact a comprehensive Test, Contact Trace, and Quarantine program to suppress community spread of the virus so we can safely re-open the economy and schools.

Police Brutality and Systemic Racism: We call for community control of the police through commissions selected by the community with the power to appoint police chiefs, set policies and budgets, and investigate and discipline police misconduct. We support reparations, including a massive federal investment in jobs, housing, schools, healthcare, and businesses in racially-oppressed communities that have been impoverished by generations of segregation, discrimination, and exploitation.

Economic Inequality: After 45 years of stagnant wages and growing inequality, working-class life expectancy is declining. We will enact an Economic Bill of Rights to end poverty and economic despair, including a job guarantee,

a guaranteed income above poverty, affordable housing, Medicare for All, free public education from pre-K through college, and doubling Social Security benefits for a secure retirement for every senior.

Climate Crisis: We will enact an emergency Green New Deal to achieve zero carbon emissions and 100% clean energy by 2030. We will ban fracking and new fossil fuel infrastructure.

Nuclear Arms Race: We will cut military spending by 75%, withdraw from the endless wars abroad, pledge no first use of nuclear weapons, and disarm to a minimum credible nuclear deterrent. On the basis of these tension-reducing peace initiatives, we will go to the other nuclear powers to negotiate complete and mutual nuclear disarmament.

Statement

The Socialist Workers Party demands the federal government immediately fund a massive public works program to provide jobs at union- scale wages for the millions thrown out of work. The COVID-19 virus has exposed the crisis of capitalism. Workers can build hospitals, housing, schools and day care centers and replace crumbling infrastructure.

The bosses divide working people by scapegoating immigrant workers who they exploit. My campaign demands amnesty for all undocumented workers in the U.S.

Workers Control of Production. Workers need to work! It is only at work that by acting together, we utilize our power and stand up to the bosses. Such resistance has taken place among Walmart workers, fruit packing workers in Yakima, machinists union shipyard workers on strike in Bath, Maine along with copper miners who struck in Arizona and Texas and among workers on the railroads – who all demand safe working conditions, control over line speed, pay raises and forty-hour work weeks.

Our campaign points to what is possible and needed. If workers wrested control of production, we could set up

workplace committees to combat the bosses' production of shoddy goods, expose their waste, as well as protect the environment.

Workers need our own party—a labor party – to fight to take political power out of the hands of the bosses and bankers and the Democrats and Republicans who represent them. We need to emulate what the workers and farmers of Cuba did when they made their revolution in 1959 - -establish a workers and farmers government. We call for arrest and prosecution of all cops who kill working people and we fight against women's oppression and defend a woman's right to choose abortion.

Statement

It is the honor of a lifetime to represent the hardworking families of Eastern Washington in Congress. I am proud to work every day helping people in our community – veterans who've served our country, entrepreneurs creating jobs and world-class products, farmers that feed the world, the vulnerable who need our assistance, and hardworking men and women trying to support their families and live their own version of the American Dream.

In the last two years, I have continued to deliver results for Eastern Washington. I have led in co-sponsoring 37 bills passed in the House, eight of which have been signed into law. These have included data security and privacy protections, modernizing the farm workforce, connecting small and medium-size farms to food banks, and more. I've fought to expand Fairchild Air Force Base, bring broadband to our rural areas, and protect our dams.

During the Coronavirus outbreak, I have supported crucial relief measures, such as the Paycheck Protection Program for small businesses, support for our critical rural hospitals, and relief for hardworking Americans who have been negatively impacted by no fault of their own.

Our economy may be struggling right now, but our fundamentals are strong. I have led in the fight to reduce the tax burden on American families, cut back excessive regulation, and rein in wasteful government spending. These are what will bring back the booming economy that we were celebrating at the beginning of the year, not government running every aspect of our lives. If we work together, we can give Americans hope and confidence again.

With God's grace, the support of my family, and help from all of you, I believe we can find common ground and work together to build a stronger, more unified Eastern Washington.

Statement

I cannot sit by and watch while the administration bungles the health care and economic crisis brought on by first, the denial of the COVID-19 threat, and then the poor federal response to the crisis – a lack of planning, organization, and coordination – all demonstrating an incredible lack of leadership at the top.

The President has not led in this crisis and the members of his party have not challenged his false statements, missteps, and unsteady behavior. This includes our current representative.

The struggle to check and defeat COVID-19 is on-going, leaving us with an uncertain future. Without leadership, repairing our economy will take years. The beginnings of civil unrest are signs of things to come as the President continues to stir the pot of fear and extreme partisanship. A dysfunctional and self-absorbed administration at a time of maximum peril is not helping us in the present or giving us much hope about the future.

If we are going to get out this crisis, the 5th District must have a leader in Congress that will speak up and work with local leaders and organizations to ensure we get the support we need. My interest is in representing you, not based on a party or political ideology, but grounded in the American ideal that we are stronger together. As Americans we have a duty to serve our country - that is why I am running for Congress.

During my career I have consistently demonstrated responsibility and accountability and have risen to leadership positions everywhere I have worked and served. I intend to do the same in Congress.

I care about you and your family's future. Together we are stronger. I ask for your vote.

How is my ballot counted?

1 Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on November 3, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked no later than Election Day! A late postmark could disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

2

Your signature is verified

The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure only one ballot is counted for you.

3

Envelopes and sleeves are separated

The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

Your ballot is reviewed and scanned

The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned.

5

Your ballot is counted

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted.

Statement

The people of Washington are resilient and deserve leadership that reflects their character. Jay Inslee's proven experience in difficult times and his successful economic vision are exactly what Washington needs as we rebuild our economy and help families and businesses recover from the pandemic.

The measure of our leaders is how they respond to unexpected crises. When Washington became ground zero in the country for COVID-19, Governor Jay Inslee met this health and economic crisis head-on, with bold action based on science and guided by public health experts.

The Ellensburg *Daily Record* praised Governor Inslee, writing, "In the moment when he has been tested the hardest, Inslee has stepped up, making the tough calls and providing the leadership needed to get this state through the COVID-19 crisis." The Chair of the University of Washington's Department of Global Health praised Inslee's leadership for "having saved countless lives."

Under Inslee's leadership, Washington recovered from the last great recession to become the country's #1 rated economy, and our state is poised to rebound more quickly thanks to the Governor's progressive policies. Our state has the nation's best Paid Family and Medical Leave, we have expanded health care coverage to 800,000 Washingtonians and created a long-term care benefit for seniors that puts us in a better position to address public health dangers and immediate economic hardship.

Inslee's Career Connect program provides on-site training and apprenticeships for thousands of students who have plans other than four-year college and his investments in forward-thinking renewable energy industries have prepared us to endure and recover from the economic pain so many are now living through.

Governor Inslee's steady leadership and pioneering vision make him exactly the governor we need now to guide us to a better, stronger and more just future for Washington.

Statement

As we navigate the unprecedented challenges that lie ahead, it’s critical we have state leaders with the experience, competence and civility to guide our government on the path to a more prosperous future for all.

As a lifelong Washingtonian and Democrat, I’ve served at every level of government and been committed to promoting values of a more fair and just economic system, a strong public education system, and a commitment to our environment to ensure generations to come will be able to enjoy the peerless natural beauty of our state. I will continue to champion these causes while fulfilling the other duties constitutionally assigned as Lieutenant Governor.

With your continued trust, this office can ensure we don’t roll back the progress we have worked so hard for in Washington State. We have an opportunity to build a state that is better than it was before and not sacrifice our most vulnerable in the name of progress.

I’ll build on my record of proven leadership and break barriers as Washington’s first openly gay statewide executive.

The Lieutenant Governor’s most important job is serving as Senate President. As the only candidate who has served in the Senate, I’m uniquely positioned to get results. I’ve used my position as Majority Floor Leader to establish the most generous paid family leave program in the country, close big business tax loopholes, expand voting rights, protect reproductive healthcare, build light rail, and pass critical COVID-relief.

While Congress is mired in gridlock and special interest money, here in Washington we’ve taken bold action, often with bipartisan support. As Lieutenant Governor, I’ll keep fighting for inclusive economic recovery, universal healthcare, and quality education accessible to all.

Statement

As Secretary of State, my most critical responsibility is to inspire public confidence in Washington's elections. We achieve that when access and security are balanced. That's why we created a secure statewide voter registration system to implement accessible same-day voter registration; established the first Elections Security Operations Center to respond to foreign interference and cybersecurity threats; and coordinated the efforts to develop robust state and county continuity of operations plans to respond in a pandemic.

Because Washington is a nationally recognized leader, we have been able to help other states innovate and secure their elections by expanding mail-in voting options during the coronavirus pandemic. I am proud to be the only candidate with elections experience – in fact, I've run over 120 elections in Washington.

This has helped earn the endorsements of all three former Secretaries of State and over 50 Democratic, Republican, and independent County Auditors and Elections Directors. They understand the complexities of this job and share my passion for accessible and secure elections, streamlined business services, open public records, and preserving state history.

I ask for your vote to continue this important work and maintain the nonpartisan integrity and citizen-oriented philosophies of this office.

Statement

Voting rights and election security are under attack across the country. In a time of persistent voter suppression and election interference, we need a Secretary of State who will boldly defend every vote and every voter.

I'm running for Secretary of State because I have 30 years of experience as a senior defense intelligence and national security analyst defending our country from attacks. I believe that this office needs a new type of leader to protect our election systems and voter information against current and emerging threats.

Currently, our national and state election officials are putting party before our democracy. Our state's top election official has not denounced threats to defund the US Postal Service or condemned dangerous attacks on voting by mail. These threats to election security must not go unchallenged. In contrast, as a legislator I've supported every effort to expand voting rights and have passed bipartisan laws to protect elections and election workers for all of us.

The needs of this office have changed. It's time for a new era in Washington state elections. I am prepared to face these challenges and lead through the uncertain times ahead. I'd be honored to earn your vote.

(Prefers Democratic Party)

Elected Experience

Washington State Representative; House Capital Budget Committee Member.

Other Professional Experience

Statement

Mike will be an independent treasurer who has *never accepted corporate campaign donations*. He will stop the longtime practice by treasurers of investing in the same corporations that fund their campaigns. Mike shares our Washington values; the incumbent treasurer supports Donald Trump for President.

A financial transparency champion, Mike led efforts to make the legislature's records open for public view. He passed laws to expose "dark money" in politics. He wrote the Corporate Crime Act that increases financial penalties by 100 times. The Treasurer's Office thanked Mike for working to pass laws that improved treasury investments.

Mike will put working families' and retirees' needs first. He will fight to return a billion dollars of Washingtonians' unclaimed money stuck in the treasury back into your hands. Mike opposes a personal income tax and successfully supported laws reducing property taxes.

Statement

I have had the honor of serving as the elected Washington State Auditor for the past four years. I am proud of being the first woman to hold this position. Prior to State Auditor, I served as Pierce County Executive and Pierce County Auditor. I have a proven and tested public record of leadership.

As State Auditor, it is a privilege to lead over 400 employees working across the state to provide fiscal and accountability audits of all local and state governments. We have increased the number of cybersecurity and performance audits, while conducting numerous investigations including uncovering the largest fraud on record.

My vision to "increase trust in government" means greater transparency and accountability of public money. To accomplish this goal, I have created a user-friendly, interactive website that gives you important information about each government that serves you. Having an independent, objective review of public dollars is the hallmark of my work at the State Auditor's Office.

I have been endorsed by many people and organizations, which are listed at my website: www.patmccarthyauditor.com. I am seeking re-election to this important job and ask for your support.

Other Professional Experience

I spent 11 years as a police officer and detective, 3 years of this as a law enforcement performance auditor. Previously, I ran a grocery department with approximately 50 employees and \$400-500k sales per week.

Community Service

I operate an animal rescue called Secondhand Hearts on our farm and also rescue horses from kill pens across Washington.

Statement

The State Auditor's Office deserves someone who will finally unlock its full potential to serve Washington. This position has a vital role in oversight of your public dollars, but it also has the power to perform auditing that can change the way government agencies spend that money more efficiently.

I am the candidate in this race that has the most hands on experience with government auditing and government process at the investigative level. I also have perspective on all types of Washington governments instead of those just within our major cities.

We need an auditor that combines all of this experience with a desire to bring *lean* business practices to the office and to make recommendations in Washington agencies that will create jobs and opportunities across all of our state. Wherever my department can find opportunities for us to spend money on products and materials made by Washington businesses, we will recommend these opportunities be prioritized by our state government.

This November, remember that your auditor should be less about their party and more about their boss: You.

Statement

Hilary Franz is proud to serve as Commissioner of Public Lands. She is relentless in creating bold, transformational change. As the leader of Washington’s wildfire fighting force, Hilary pushed for new strategies to reach fires quickly and keep them small. She then secured record-setting funding for our wildland firefighters.

Hilary is a defender of our public lands. When the federal government tried to open our waters to offshore drilling, Hilary refused to allow drilling equipment to cross our coastline. In the face of climate change, Hilary is prioritizing wind and solar power and making investments to save our forests.

Hilary leads by bridging divides and bringing people together. She’s earned high marks from leaders across the state, including from conservative leaders in rural Washington, who’ve praised her willingness to solve local issues, increase funding for schools, invest in rural economic development, and tackle our forest health crisis.

Hilary’s Washington roots run deep, from her grandparents’ cattle ranch in Pierce County to raising her three boys on a farm on Bainbridge Island. Statement

Our public lands have been ravaged by natural disasters including tree infestations and forest fires. They’ve also been damaged by a political disaster: state managers that have focused on serving special interest groups instead of providing for taxpayers, school districts, and outdoor recreational enthusiasts.

No more policy-by-press-conference, or angling for higher political office. It’s time for new leadership. Sue is running to bring that new leadership to DNR, the agency responsible for managing our state’s 3 million acres of trust land.

Informed by a lifetime of managing natural resources, Sue will work to ensure that Washington’s working forests continue to provide a steady, reliable stream of income for our public schools. We’ll do this by adopting proven forest management techniques that reduce disease and excess fuel loads in our forests, which accelerate devastating forest fires. Sue will use her experience as a UW and NOAA fisheries and habitat biologist to strike the right balance between protecting wildlife and protecting Washington’s forest economy.

Raised in rural Washington, Sue has a distinguished career in natural resource management, including service as a regulatory liaison for a major hydropower construction project. She has raised two adult children and survived breast cancer.

Statement

Our schools are facing a defining moment. Teachers aren't happy, families are stressed, students are struggling, and the opportunity gap is widening. The delivery of public education has changed dramatically, and we've been forced to adapt. Now is our chance to reimagine a better education system because *the status quo is no longer an option*.

To improve our school system, we need to: use technology to *innovate classrooms* and unlock possibilities for more *personalized learning*; provide school schedules that fit the needs of *working families* and teachers; and teach students key *life skills* like managing finances, living independently, and resolving conflicts.

With kids of my own in public schools, I support parental choice and local control. *The incumbent ignored parents and educators by championing a policy that teaches sexual positions to 4th graders!* Meanwhile, nearly half of Washington's students are failing to meet state standards in core subjects. I am endorsed by parents, teachers, and school board members across Washington because *I respect community input*.

I am running for Superintendent because I believe *our kids deserve better* and can achieve more. If elected, we will update our school system to meet the needs of families, teachers, and the future economy.

Mr. Kriedler and Mr. Welti would each be External Insurance Commissioner for 20% of the time if I am elected Insurance Commissioner. I would fill the roles of Ronald, Nancy and Nixon, and Mr. Kriedler would be assigned the role of Carter and Mr. Welti would be Gerald Ford.

As for Internally, I have found 168 Honorable Insurance Agents all of whom are more qualified then myself to each serve in 1 hour increments as Internal Insurance Commissioners of Washington state. That is how the Jeffersonian movement to Counterbalance and stabilize the Affordable Care Act.

As Washingtonians grapple with COVID-19, Sen. Schoesler supported emergency measures to keep people safe. Now, he is leading the charge on safely restarting our economy. Schoesler and Republican legislators crafted restart plans to get low-risk workers and small business owners back to their livelihoods.

As Senate Minority Leader, Sen. Schoesler pushed back against extreme Seattle sex-education policies that took local control away from schools. When he was Majority Leader, the percentage of the state budget going to education increased from 46% to 51%, college tuition was cut, and safety improvements have restarted on key highways. He remains focused on agriculture which reflects his background as a fifth-generation farmer in Ritzville. Mark has worked closely with counties, schools, hospitals, universities, and public safety officials to protect the services we depend on.

Sen. Schoesler is a proven compassionate, thoughtful, and effective leader in Olympia, and our district would be best served to retain him in his current leadership role.

Statement

We continue to face hardships across the nation and around the world. While some of us have fared better in Washington State than in other states, many of us are still struggling to make ends meet; many are afraid of what the future holds. We have felt the burden in our region; unemployed individuals; businesses that are shut down; businesses that are dealing with dramatically new ways of operating to keep their doors open. I lost work during April and May. As head of household, it was frightening!

I've faced many financial hardships. I know what it is to struggle. I know what it is to be the recipient of help, and I wouldn't be where I am today without it—a strong, successful woman ready to fight for others who need assistance. People and small businesses need help now more than ever before. Small businesses are the backbone of our community. I will fight for you to get a larger slice of the pie when it comes to state aid. I will fight for the unemployed and the essential workers. We're all in this together. Honor me with your vote; I'll fight to ensure no one gets left behind.

I have presided over therapeutic drug courts, developed innovative programs for children and families, and managed hundreds of trials, including felony criminal trials and complex civil litigation. I'm committed to ensuring victims are heard and supported.

As Washington's first Native American Justice, I'm proud of my record of accomplishments and appreciate my role as a voice for underrepresented communities. I've worked hard to earn the respect of my peers, those who appear in my courtroom, and voters looking for qualified, impartial, independent judges.

An award winning advocate for children and youth, I've worked to restore young lives rather than create a cycle of incarceration. We must invest in early intervention to deter criminal behavior, providing pathways for success for those who do commit crimes.

My thoughtful approach is reflected by "exceptionally well qualified" evaluations. I'm endorsed by my Supreme Court colleagues, judges statewide, as well as the State Labor Council, Washington Conservation Voters, the National Women's Political Caucus-WA, Women of Color in Politics, and more.

Statement

As Washington's Chief Justice, I am dedicated to upholding the rule of law in a fair and impartial manner. Courts are a critical branch of government, where every person—regardless of circumstance—must be treated fairly, with dignity, and free from bias.

In these challenging times, the fair administration of justice must withstand threats posed by the pandemic and increasing attempts to politicize courts. I work every day to maintain the independence and integrity of our courts, and I trust the people of Washington to elect judges who safeguard access to justice and respect the law.

As the only current Justice from Eastern Washington, I bring important perspectives to the Court. As a former constitutional law professor, I respect legal traditions. As a parent and former school board chair, I understand how court decisions impact Washington families.

My priorities this year include addressing the urgent and critical needs of the justice system during the pandemic: new protocols for remote court hearings, safe courthouse operations, and protection of public safety and the rights of the accused and incarcerated. I have always enjoyed broad, nonpartisan support, and I ask for your vote to continue serving you and upholding the rule of law.

Statement

I was born and raised in Clarkston, WA. While attending WSU, I came home almost every weekend to see my family. I chose to attend Creighton Law because I knew I needed to get out of my comfort zone and test myself. I loved Omaha but knew my heart was in Clarkston. After Law School I returned to the Valley, began practicing law, and never looked back. The Valley is my home. I am invested in doing everything I can to make it the best that I can. I value my role as an advocate. What better way to advocate for justice than to be the one making the decision? A judge's most important task is looking at the evidence and applying the law. That may seem obvious, but you would be surprised how many times essential elements are overlooked. I take great care and attention to detail in my filings so the court has a solid factual and legal basis to grant my clients their requested relief. I appreciated it when a Judge took the time to review all relevant facts and made a reasoned decision. I will apply this same discipline as your Superior Court Judge.

Statement

I was elected in 2011 to fill a vacancy and was re-elected in 2012 and 2016. I'm proud to be part of a team building positive relationships with Clarkston and Asotin, Lewiston and Nez Perce County, working together efficiently and effectively. Our board got the public's approval for the formation of the Public Facilities District to manage the Asotin County Family Aquatic Center, providing consistent funding with a voter approved local sales tax.

Working as a team with Clarkston and Asotin, we once again got overwhelming voter approval of a Public Safety Sales tax dedicated solely and irrevocably to the construction, maintenance and operation of a new jail facility. We are just at the beginning of an approximately 3-year construction process. With the extreme realities of the Pandemic and the resulting economic and social chaos, it is more important than ever to work with our state, federal and local partners to safely reopen our economy while protecting the health of our people. It's never been more important to have experienced leadership in place to help us bring Asotin County through this crisis. I promise to continue listening to you and to do my best. Thank You.

Statement

Asotin County is a great place to live and a cornerstone of the vibrant community we have here in the Lewiston-Clarkston Valley.

As a longtime resident of the valley who has lived on both sides of the Snake River, I know how important collaboration with our neighbors is to our shared livelihood. Most of us don't give a second thought to leaving the city limits or crossing the county line. Asotin County can be a good steward of our taxes and make wise investments in our future by thinking the same way.

Asotin County already provides top-notch services. We can better serve residents as well as facilitate growth among those looking to relocate by making it easier to access them. An improved online presence will remove any stumbling block to services, nurturing support among taxpayers and providing a good first impression for outsiders considering whether to make this community their home.

I pledge to listen, keep the county's strong foundation at heart, serve as a responsible caretaker of our tax dollars and make decisions for future generations.

Communication, community service and collaborative thinking are key to serving that mission in a way that benefits all residents of Asotin County.

Resolution No. 2020-6

A RESOLUTION of the Board of Directors of Asotin-Anatone School District No. 420, Asotin County, Washington, providing for the submission to the voters of the District at a special election to be held on November 3, 2020, in conjunction with the State General election to be held on the same date, of a proposition authorizing an excess tax levy to be made annually for four years commencing in 2021 for collection in 2022 of \$1,018,827, in 2022 for collection in 2023 of \$1,049,392, in 2023 for collection in 2024 of \$1,080,874, and in 2024 for collection in 2025 of \$1,113,300, for the District’s General Fund to pay essential expenses of educational programs and operation; designating the District’s Finance and Business Director and special counsel to receive notice of the ballot title from the Auditor of Asotin County, Washington; and providing for other matters properly related thereto.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF ASOTIN-ANATONE SCHOOL DISTRICT NO. 420, ASOTIN COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the “Board”) of Asotin-Anatone School District No. 420, Asotin County, Washington (the “District”), takes note of the following facts and makes the following findings and determinations:

(a) Calendar year 2021 is the last year of collection of the District’s current three-year General Fund educational programs and operation tax levy, which was authorized pursuant to Resolution No. 2017-10, adopted by the Board on November 27, 2017, and approved by the voters at a special election held and conducted within the District on February 13, 2018.

(b) With the expiration of the District’s current three-year General Fund educational programs and operation tax levy, it appears certain that the money in the District’s General Fund for the school years 2021-2022, 2022-2023, 2023-2024, 2024-2025 and 2025-2026 will be insufficient to permit the District to meet the educational needs of its students and pay essential expenses of educational programs and operation support not funded by the State of Washington (the “State”), all as more particularly set forth in Section 3 of this resolution, during such school years, and that it is necessary that a replacement excess tax levy of \$1,018,827 be made in 2021 for collection in 2022, \$1,049,392 be made in 2022 for collection in 2023, \$1,080,874 be made in 2023 for collection in 2024, and \$1,113,300 be made in 2024 for collection in 2025 for the District’s General Fund to provide the money required to meet those expenses.

(c) The District’s proposed four-year General Fund educational programs and operation tax levy authorized in this resolution provides for approximately the same educational programs and operation purposes as the District’s expiring three-year General Fund educational programs and operation tax levy.

(d) Pursuant to Article VII, Section 2(a) of the Washington Constitution and Revised Code of Washington (“RCW”) 84.52.053, the District may submit to its voters at a special election, for their approval or rejection, a proposition authorizing the District to levy annual excess property taxes for support of the District’s educational programs and operation expenses.

(e) The District has received approval of its educational programs and operation tax levy expenditure plan from the Office of the Superintendent of Public Instruction under RCW 28A.505.240 as required by RCW 84.52.053(4), a copy of which is on file with the District.

Section 2. Calling of Election. The Auditor of Asotin County, Washington, as *ex officio* Supervisor of Elections (the “Auditor”), is requested to call and conduct a special election in the manner provided by law to be held in the District on November 3, 2020, in conjunction with the State General election to be held on the same date, for the purpose of submitting to the District’s voters, for their approval or rejection, the proposition authorizing a replacement General Fund educational programs and operation tax levy on all of the taxable property within the District (the assessed value

of such representing 100% of true and fair value unless specifically provided otherwise by law) to be made annually for four years commencing in 2021 for collection in 2022 of \$1,018,827, the estimated dollar rate of tax levy required to produce such an amount being \$2.50 per \$1,000 of assessed value, in 2022 for collection in 2023 of \$1,049,392, the estimated dollar rate of tax levy required to produce such an amount being \$2.50 per \$1,000 of assessed value, in 2023 for collection in 2024 of \$1,080,874, the estimated dollar rate of tax levy required to produce such an amount being \$2.50 per \$1,000 of assessed value, and in 2024 for collection in 2025 of \$1,113,300, the estimated dollar rate of tax levy required to produce such an amount being \$2.50 per \$1,000 of assessed value, all in excess of the maximum tax levy specified by law for school districts without voter approval. The exact tax levy rate and amount to be collected may be adjusted based upon the actual assessed value of the taxable property within the District and the limitations imposed by law at the time of the levy.

Section 3. Use of Taxes. If the proposition authorized by this resolution is approved by the requisite number of voters, the District will be authorized to levy the excess property taxes up to the amounts provided in this resolution to meet the educational needs of its students and pay essential expenses of educational programs and operation support not funded by the State during the school years 2021-2022, 2022-2023, 2023-2024, 2024-2025 and 2025-2026, all as may be authorized by law and determined necessary by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and determined necessary and advisable by the Board.

Section 4. Form of Ballot Title. Pursuant to RCW 29A.36.071, the Asotin County Prosecuting Attorney is requested to prepare the concise description of the aforesaid proposition for the ballot title in substantially the following form:

A RESOLUTION of the Board of Directors of Asotin-Anatone School District No. 420, Asotin County, Washington, providing for the submission to the voters of the District at a special election to be held on November 3, 2020, in conjunction with the State General election to be held on the same date, of a proposition authorizing an excess tax levy to be made annually for five years commencing in 2020 for collection in the years 2021 through 2025 in the aggregate total amount of \$1,470,434 for the District's Capital Projects Fund to support the construction, modernization and remodeling of school facilities; designating the District's Finance and Business Director and special counsel to receive notice of the ballot title from the Auditor of Asotin County, Washington; and providing for other matters properly related thereto.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF ASOTIN-ANATONE SCHOOL DISTRICT NO. 420, ASOTIN COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Asotin-Anatone School District No. 420, Asotin County, Washington (the "District"), takes note of the following facts and makes the following findings and determinations:

(a) Calendar year 2020 is the last year of collection of the District's current two-year Capital Projects Fund tax levy, which was authorized pursuant to Resolution No. 2018-3, adopted by the Board on August 2, 2018, and approved by the voters at a special election held and conducted within the District on November 6, 2018.

(c) With the expiration of the District's current two-year Capital Projects Fund tax levy, it appears certain that the money in the District's Capital Projects Fund will be insufficient to permit the District to pay costs of the Projects, and that it is necessary that a replacement excess tax levy of \$276,963 be made in 2020 for collection in 2021, \$285,272 be made in 2021 for collection in 2022, \$293,830 be made in 2022 for collection in 2023, \$302,645 be made in 2023 for collection in 2024, and \$311,724 be made in 2024 for collection in 2025, for the District's Capital Projects Fund to provide the money required to pay those costs.

election to be held on the same date, for the purpose of submitting to the District's voters, for their approval or rejection, the proposition authorizing a replacement Capital Projects Fund excess property tax levy on all of the taxable property within the District (the assessed value of such representing 100% of true and fair value unless specifically provided otherwise by law) to be made annually for five years commencing in 2020 for collection in 2021 of \$276,963, the estimated dollar rate of tax levy required to produce such an amount being \$0.70 per \$1,000 of assessed value, in 2021 for collection in 2022 of \$285,272, the estimated dollar rate of tax levy required to produce such an amount being \$0.70 per \$1,000 of assessed value, in 2022 for collection in 2023 of \$293,830, the estimated dollar rate of tax levy required to produce such an amount being \$0.70 per \$1,000 of assessed value, in 2023 for collection in 2024 of \$302,645, the estimated dollar rate of tax levy required to produce such an amount being \$0.70 per \$1,000 of assessed value, and in 2024 for collection in 2025 of \$311,724, the estimated dollar rate of tax levy required to produce such an amount being \$0.70 per \$1,000 of assessed value, all in excess of the maximum tax levy allowed by law for school districts without voter approval. The exact tax levy rate may be adjusted based upon the actual assessed value of the taxable property within the District at the time of the levy.

Section 4. Use of Taxes. If the proposition authorized by this resolution is approved by the requisite number of voters, the District will be authorized to levy the excess property taxes provided in this resolution to pay costs of the Projects, all as may be authorized by law and determined necessary and advisable by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and determined necessary and advisable by the Board.

Section 5. Sufficiency of Taxes. If the excess property taxes authorized herein are more than sufficient to carry out the Projects, or should state or local circumstances require any alteration in the Projects, the District may apply such taxes to other capital purposes, or reduce or eliminate the excess property tax levies authorized herein, all as the Board may determine by resolution and as permitted by law.

If the Board determines that it has become impractical to accomplish the Projects or any portion thereof by reason of state or local circumstances, including changed conditions or needs, regulatory considerations, incompatible development or costs substantially in excess of those estimated, or for any other reason determined by the Board, the District will not be required to accomplish such Projects and may apply the excess property taxes authorized herein or any portion thereof to other capital purposes of the District, or reduce or eliminate the excess property taxes authorized herein, all as the Board may determine by resolution and as permitted by law. In the event that the excess property taxes, plus any other money of the District legally available therefor, are insufficient to accomplish all of the Projects, the District may use the available money for

paying the cost of that portion of the Projects that the Board determines most necessary and in the best interests of the District.

Notwithstanding anything in this resolution to the contrary, the excess property taxes authorized herein may be used only to support the construction, modernization or remodeling of school facilities or to implement the District's technology facilities plan.
