Washington State Elections

General Election  
November 8

2022

Official Publication

**WASHINGTON**  
Secretary of State

Ballots mailed out by **October 21**

1 (800) 448-4881 | [sos.wa.gov](http://sos.wa.gov)

On behalf of the Office of the Secretary of State, thank you for participating in our democratic process. I am pleased to present the 2022 General Election Voters’ Pamphlet to help you make informed decisions as you exercise your right to vote. This guide includes information about voting, and the candidates and measures that appear on your ballot.

Before you can participate, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 31, and we encourage you to review your registration information today at **VoteWA.gov**. After Oct. 31, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 8, to register to vote or update your registration and receive a ballot.

After you have voted your ballot, be sure to sign the return envelope. Your signature is important because election officials check that your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage needed — remember that ballots must be postmarked by Nov. 8 in order to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Check **VoteWA.gov** to locate a ballot drop box or see the status of your ballot.

By voting, you are making your voice heard.

Sincerely,

Trova O’Heffernan  
Assistant Secretary of State

**If you are 16 or 17, become a Future Voter!**

# # Future Voter

Sign up online at [VoteWA.gov](http://VoteWA.gov) with your Washington state driver's license, permit or ID. Or, you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You'll be automatically registered to vote when you qualify.

Every January on Temperance and Good Citizenship Day, high school students 16 and older have the opportunity to complete a voter registration form in class.

# How do I vote and return my ballot?

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 21** to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 8**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 8**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

## View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

## Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races, beginning this year.

For more information about new district boundaries or the redistricting process, visit [www.redistricting.wa.gov](http://www.redistricting.wa.gov).

## How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

**i** Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General's advisory vote description according to RCW 29A.72.283.

## Engrossed Substitute House Bill 2076

The legislature imposed, without a vote of the people, premiums on “transportation network companies” to provide workers compensation to their drivers, costing an indeterminate amount in its first ten years, for government spending.

This tax increase should be:

- Repealed
- Maintained

## Ten-Year Projection

Provided by the Office of Financial Management  
For more information visit [www.ofm.wa.gov/ballot](http://www.ofm.wa.gov/ballot)

Engrossed Substitute House Bill 2076 (ESHB 2076)
Narrative Explanation (required for Indeterminate Cash Receipts)
<p>Section 1 requires transportation network companies (TNCs) to remit \$0.15 of every passenger fare quarterly to the newly created Driver Resource Center Fund beginning July 1, 2024. How much is collected will change each January 1 because remittance will be adjusted each year based on inflation. In addition, the Department of Labor &amp; Industries has no way to predict how many passenger fares will be remitted or how many TNCs will be subject to interest and penalties due to failing to remit payments by the deadlines. For these reasons, fiscal impact associated with section 1 is indeterminate.</p> <p>Section 11 of the bill directs L&amp;I to assess premiums for TNC drivers only for hours while the driver is engaged in passenger platform time and dispatch platform time effective January 1, 2023. These premiums would be used for potential future claims and would be deposited in the Accident and Medical Aid Accounts. L&amp;I anticipates that there would be additional claims filed by these workers and L&amp;I would receive additional premiums for this coverage. However, there is not sufficient data on these workers to determine the volume of additional claims or the level of additional premiums. This section of the bill is indeterminate.</p>

# Federal Qualifications & Responsibilities

Except for the President and Vice President, all federal officials elected in Washington must be residents of the state. Only federal offices have age requirements above and beyond being a registered voter.

## Congress

The United States' Senate and House of Representatives have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws and budgets necessary for the operation of government.

### United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

### United States Representative

Representatives must be at least 25 years old and citizens of the U.S. for at least seven years. Representatives are not required to be registered voters of their district, but must reside in the state. Representatives serve two-year terms.

The House of Representatives has 435 members, all of whom are up for election in even-numbered years. Each state has a different number of members based on population. After the 2010 Census, Washington was given a 10th Congressional District.

**Statement**

These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

No prior elected experience, but an extensive background building coalitions and working with members from both parties to enact legislation reforming the Veterans Administration and improving veterans' health care.

**Other Professional Experience**

Triage nurse, full-time caregiver, President and Co-Founder of "Hope Unseen," veteran's advocate, mother of three growing boys.

**Education**

**Community Service**

KADLEC Foundation Board, Elizabeth Dole Foundation, National Chamber for Hiring our Heroes, Veterans Airlift Command, Camp Corral, Smart Women Smart Money, Policy Vet Board

**Statement**

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

### Statement

I am proud to represent and stand up for working people across our district. As your Congresswoman, I've worked to raise wages and lower costs; ensure College for All and cancel student debt; fight for our reproductive freedoms; and take on the urgent crisis of climate change.

As Congressional Progressive Caucus Chair, I introduced legislation for Medicare for All, tuition-free college, housing as a human right, expanded collective bargaining, \$15 minimum wage, humane immigration reform, a wealth tax on the wealthiest 1%, and pandemic relief directly to workers and businesses. I've introduced numerous bills to get money out of politics and to ensure ethics in Congress and our Supreme Court.

I played a critical role in ensuring stimulus checks in the American Rescue Plan and in passing historic investments to fund our roads and bridges, get lead out of water, and create a network of electric vehicle charging stations. My bill with Senator Murray, Survivors Access to Supportive Care Act, was signed into law, as was my bill to eliminate forced arbitration for sexual assault and harassment.

As your Congresswoman, I've held nearly 100 town halls to hear from you and fight for priorities like affordable housing and child care. I have helped hundreds of constituents – including veterans and seniors – save more than \$6 million dollars in federal benefits.

I'm proud to represent a district rich in innovation, diversity, and compassion. I've never taken corporate PAC money because I fight for working people, not the wealthy and well-connected. I came to America alone at 16 years old, and have lived in Seattle for 30 years. I would be deeply honored to have your vote.

**Statement**

I am running for Congress because someone needs to represent normal, everyday, hardworking Americans. I am a hard worker and have always provided for my family in the greater Seattle area. I am frustrated with the current situation. Our moral compass has been displaced. Common sense has been exchanged for political correctness. Many have preached unity and diversity but fostered division.

I am a normal American who thinks families are the foundation of a strong community. I believe that parents have a right to know what their children are being taught. Schools should celebrate real diversity, not Progressive ideology, should encourage critical thinking over indoctrination, and should show how America is a force for good in the world.

I am a normal American who thinks that the price of basic goods is just too high. We have seen the cost of gas, groceries and medications eat away at our incomes. The costs have gone up because the ideologues have decided what you should drive, what you should eat, how you should live.

I am a normal American who thinks freedom matters. We should be free to say what we want, free to hold unpopular opinions without fear of losing our jobs or be attacked, free to choose what we listen to, what we read, and when or where we pray. Some want to take away our freedoms in the name of safety and diversity.

I am a normal American who desires to represent people that want to raise their kids, work hard, have money left at the end of every paycheck, and who know they can be friends with people who don't look like them or pray like them.

**Statement**

Our district is a tremendously diverse and hard-working community, one that I have been proud to call home my entire life. I grew up in the city of SeaTac, and my wife Sara and I raised our two children here, where they both attended public schools and are now at UW and WSU.

As our nation faces unprecedented challenges, I am focused on strengthening the middle class, ensuring equality of opportunity for all, and investing in our future. We must provide a progressive path forward where everyone can thrive. Working class families, like the union one I grew up in, do not have the same opportunities as previous generations. This must change. We must grow from the middle out, increase economic opportunities, protect unions, make higher education more affordable and accessible, and provide good paying jobs.

All people, no matter their background, should have access to quality, affordable healthcare. Our healthcare system needs to be restructured to create a path to a single-payer plan like Medicare for All. As the Chairman of the House Armed Services Committee, I have also prioritized making sure that all of our service members and their families, no matter who they are, receive the support they need and have earned.

I work hard to make sure every person in our district has access to the best this country has to offer; not only because it's the right thing to do, but because this is also my home—it's personal to me.

It is a true privilege to serve our community and I would be honored to have your vote.

**Statement**

Career politicians are the biggest problem in government today, promising they'll fix your problems and then, when elected, they ignore you until they need your vote again. The 9th District deserves more than a longtime incumbent and tired promises. When we lose our voice, we can also lose our opportunity at the American Dream.

We elect representatives to maintain a safe environment for our families and children, to protect our borders, our economy, and our constitutional rights. When politicians have been in office for over 2 decades, like the current congressman, they can get out of touch with their constituents' struggles and fail to give them that voice.

The policies we've seen coming from Washington DC have made it harder for families to put food on the table, and gas in the car. Out of touch career politicians and their actions continue to cause record high inflation and foster increased homelessness, and crime. That makes our communities unsafe, our borders unsecure, and puts our jobs at risk.

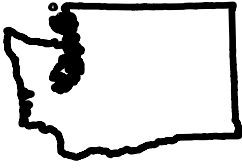

Your representative should be doing everything possible to lower consumer prices and increase public safety. Right now, many Americans can't pay their grocery bills and see empty store shelves, while non-citizens flooding our southern border receive taxpayer funded items like baby formula, and cell phones, and then are released into our communities without proper vetting.

I'm a husband and a father of five and I see these problems firsthand every day. When elected, I'll fight to protect parent's rights, restore the dollar and slow inflation, unleash domestic energy to lower gas prices, and to protect your rights, neighborhoods, schools, and jobs.

It's time for bold leadership that listens to you and fights for you in Congress. It's time for change in the 9th Congressional District. It's time to bring back the American Dream.

**Statement**

As your current Secretary of State, my top priority is to ensure our elections are secure and accessible to every eligible voter. I am proud of my career in public service working alongside Democrats, Republicans, and Independents advocating for all Washingtonians.

My mom, an Asian immigrant, raised me to work hard, value education, and serve others. That is why I have worn the uniform for more than 30 years and served 15 years in the state Senate.

With bipartisan support from state lawmakers, I am leading work that safeguards our election systems from cybersecurity threats, confronts malicious disinformation, and engages underrepresented communities. These commitments are why I am endorsed by numerous County Auditors who conduct elections, labor and business, voting rights advocates, and prominent state and federal leaders.

The Secretary of State must possess the highest standards of integrity and leadership and serve as a strong advocate for voting rights in Washington. As attacks on our democracy become more sophisticated, I am here to lead our state's elections through security challenges. Polarization has eroded trust in our government. The Secretary of State has the critical job of running trustworthy elections, as well as providing public records access, business registry, and library services. This demands experience. Partisanship has no place in the Secretary of State's office.

I've been Pierce County's nonpartisan Auditor for 12 years, leading a nationally recognized, award-winning office that has increased voter access, enhanced election security, and improved auditing procedures. I've provided oversight and statewide leadership in elections, increased access to public records, and streamlined business licensing. I hold national and state certifications in election administration and am a certified public records officer.

I've worked closely with counties throughout the state. Together, we've created a national reputation for excellence. That's how I've earned the trust and endorsement of more than 30 Democratic, Republican, and Independent election administrators and County Auditors throughout Washington State.

My experience and leadership managing hundreds of elections in Washington's second largest county has prepared me to serve as your Secretary of State. I will protect our democratic republic by making our elections more secure, transparent, and accessible. I ask for your vote.

Government's chief job is protection of liberties. These are being flagrantly violated. The Governor's recent State of Emergency had no end date and no criteria for ending it. Our children's property rights are being violated by the Growth Management Act. To provide our children affordable housing we need more land made available for construction. Jeanette believes restoring safety in our communities needs to be a higher priority. She believes we need to restore respect for the role of parents concerning their children. The State legislature passed a bill requiring all public school personnel to learn oppression-victim identity principles so they can be taught to students. Our children will be taught that their racial identity will determine their lot in life. Parents should have a greater choice.

**Statement**

Serving as your senator is deeply meaningful. I would be honored to have your support so I can continue to work on your priorities: safe and affordable communities, protecting access to abortion, safeguarding our environment, and improving our children's schools.

During my last campaign, I knocked on over 13,000 doors to listen to our community's concerns. I promised I would prioritize high quality early education, reducing gun violence, and fighting climate change. In my first term, state funding for early childhood education increased 700%. We've passed bills reducing gun violence including banning guns at childcare centers and restricting high-capacity magazines. Washington led the nation addressing climate change by passing clean energy requirements and salmon and orca recovery legislation.

I passed legislation to help with housing affordability and supported funding to address the homeless crisis. As a father I understand the need to ensure our neighborhoods are safe and welcoming by reducing crime while promoting police accountability.

Endorsements include 32nd District Democratic Representatives Cindy Ryu and Lauren Davis; Mayors of Shoreline, Lynnwood, Edmonds, and Mountlake Terrace; Snohomish County Democrats; Alliance for Gun Responsibility; Unions including Boeing machinists, firefighters, teachers, nurses, and health care workers. Patricia Weber M.D. Received my BS and MD at the University of Kentucky, training in Pediatrics. I subsequently moved to Washington State and have lived in Shoreline for more than 30 years raising my son here, as a single parent. I spent time throughout the country working as replacement MD for the Indian Health Service in poorly served communities. For 30 years I have worked at Fircrest RHC, a state residential facility for those with intellectual and other disabilities, a misunderstood and underserved population. I am a member of the 32 LD Democrats and served as PCO for 10 years.

**Statement**

I am a retired medical doctor and raised my son in Shoreline. I got involved in politics to protect the rights of women and help my neighbors. I have not felt our voices are sincerely represented in Olympia. We deserve better.

I am committed to all aspects of better and affordable medical care and, especially, mental health treatment for everyone. Washington state is rated 31st for access to mental health treatment, a deficit hurtful to children. Housing that working people can afford has practically disappeared from the market. We see new development but the promise of affordability has not followed. We demand better. As your Senator, I will act with integrity and fairness. I support workers as they organize for improved pay and working conditions. I stand with families and public school teachers to provide the services they need. I will protect our children from gun violence and bullying. The King County and 32nd District Democrats endorsed me because they know I will be a responsive legislator that prioritizes the needs of the community. I would appreciate your vote.

**Statement**

It is a privilege and honor to represent the people of the 33rd Legislative District as your state Senator. I am focused on improving the lives and the opportunities for my constituents and worked hard to pass the law to establish our state's successful Paid Family and Medical Leave Law.

Last session, I was thrilled to pass a major expansion of our state's registered apprenticeship program to non-traditional professions in health care, technology and education. I was also able to work on containing costs for prescription drugs, and passed the \$35 monthly co-pay cap for insulin, the drug people with diabetes must have to stay alive.

In Olympia, I was elected by the entire Senate to serve as Senate President Pro Tem, the presiding officer of Senate sessions when the Lieutenant Governor is unavailable. I also serve as Chair of the Labor, Commerce and Tribal Affairs, Vice Chair of the Rules Committee, and as a member of the Health Care Committee and the Ways and Means Committee. Those positions keep me busy during session, but I am never too busy to meet with constituents to hear your concerns.

**Statement**

Our current career politicians have no problems lying, destroying our economy, taxing us out of our homes and vehicles, supporting pro-crime policies, and policies that sexually groom our young children while at the same time labeling concerned parents as domestic terrorists.

This is *not* an election about political parties, but about voting out those who continually vote for harmful policies. Voting out career politicians, like the 26-year incumbent, will go a long way in turning around the mess they created.

If you are struggling to put or keep a roof over your head, struggling to put gas in your car, and food on the table, *vote them out*. If you feel that neither you nor your property are safe due to the pro-crime policies they created, *vote them out*. If you are appalled by the sexualization of our children and the disrespect of parental rights, *vote them out*.

Remember they supported lockdowns, the destruction of small businesses, the shutdown of education, and the Governor's unending "emergency powers," all while supporting criminals. If we keep voting the same, we'll get more of the same. Together, we can turn this mess around. It's time to vote them out! MarlizaForSenate@gmail.com

**Statement**

Since being elected as a State Senator four years ago, I have championed legislation to help working families thrive, to rebuild our social safety nets after decades of neglect, and to address climate change with transformative policies, including investments in green public transportation. But, there is still more work to be done.

We must act boldly and decisively to address our housing and homelessness crisis, and to enact data-informed policies to deter crime and support survivors. We must fully fund mental and behavioral health services to make comprehensive care readily available, and we must increase transit options in our district, upgrade our rapidly aging ferry fleet, and enact smart public health policy as we continue to deal with COVID-19.

As Washington's first Vietnamese-American State Senator, I will serve the diverse people of our district in an effort to create a better Washington for everyone. *Above all, I'm committed to putting people over politics so we get the results needed for a more prosperous future.*

**Statement**

I will present a few items, if you believe as I do on most of these things I humbly ask for your vote.

Policy decisions should not be based on who riots and tantrums the loudest. I remember when female genital mutilation was considered a bad thing, now it is gender reassignment. Women should be honored or their ability to bring forth life. I know from history that our country was founded on Judeo-Christian principles. People should be able to wish Happy (insert Holiday here) including Christmas without fear of reprisal. I firmly believe that all human life has worth and value. Why are so many of the people with Black Lives Matter signs so willing to have unborn Black Lives ended in the womb?

Our Bill of Rights is important... all of it. We should keep our children safe, parks are for kids to play not tent cities. People that have proven themselves to be dangerous should not be out and about repeatedly wreaking havoc. Taxes are necessary but should not be crushing.

This country may indeed not be perfect yet many people wish to come here, so at the very least it is better than many other places.

Organized for the Approve R-90 campaign to retain sexual health education for our students. Helped build the coalition supporting the Keep our Care Act protecting reproductive care access.

**Statement**

As a Librarian I know everyone has a story to tell. My story is when the police refused to test my rape kit, I passed legislation to make them test all 11,000 backlogged kits. We can change our failed approach to housing and homelessness, make our community safer, invest in excellent public education and childcare, expand transit options, reduce wealth inequality, achieve universal healthcare, and protect our environment.

I've been honored 15 times for my advocacy for youth involved in the foster care and juvenile criminal legal systems, for individuals with developmental disabilities and behavioral health challenges, as well as for my work on economic development and rebalancing the state's regressive tax code. I'm proud of the work we have accomplished together and hope to continue serving you as your next State Senator.

Looking ahead, we must do more to address the skyrocketing cost of living and other factors exacerbating economic inequality: increase access to affordable homes, change our tax code to tackle the racial wealth gap, and fully fund our schools and behavioral health services.

To achieve this, we need a highly experienced and capable policy leader or else we risk losing ground. I have a proven track record of delivering for our district, and with your continued support, we can make Washington a place where everyone can thrive.

I am proud to be endorsed by Senator Patty Murray, Rep. Pramila Jayapal, 36th District Democrats, Alliance for Gun Responsibility Victory Fund, Sierra Club & Washington Housing Alliance Action Fund.

**Statement**

Our state politics mirror the national scene where the right wing and the left wing have headed to the edges leaving the legislative process to partisan majorities and minorities pitted against each other. I've been a Democrat, Republican, and Independent. Overall, I've realized both parties need to move to the center so that practical, sensible solutions can be crafted that solve problems, rather than just fire up the partisan base. After a 5-year break, I rejoined the Democratic Party in 2021 to do just that - to represent the center because that other kind of politics is like a wrecking ball swinging rather than a thoughtfully balanced political fulcrum. I'm neither left wing nor right wing. I'm in what I call the bipartisan wing between the 40-yard lines. Neither progressive nor woke, I'm liberal and conservative. My focus will be what's best for the 36th, our state, and the next generation, not partisan ideologies. I envision empowering the center from both parties and caucusing with electeds at the center to legislate in Olympia. For 36 years the 36th has been my home. I've strengthened my community, run my businesses, and raised my family here. I respectfully ask for your vote.

It's been an incredible privilege to represent you and our diverse, vibrant community in the State Senate. Growing up in Delridge, raising my family in Rainier Beach, and working and volunteering in South Seattle and Skyway – I am deeply connected to our community and understand the challenges and opportunities we face.

These last few years have challenged us all. In the face of a global pandemic, national inflation, and righteous calls for systematic reforms in the wake of George Floyd's murder, as your State Senator, I was ready to stand up and fight for economic, racial, social and climate justice.

We made landmark investments in childcare, public schools, and transportation infrastructure by raising taxes on the wealthiest people and the biggest polluters in our state, while also providing tax relief to working families and more than 120,000 small businesses.

There's still more to do to ensure we have affordable housing, strong schools, a fair economy, and a transportation system that works for all. I would be honored to earn your vote, and hope you will join essential worker unions, Planned Parenthood, Alliance for Gun Responsibility, Washington Conservation Voters, and many more in supporting my re-election.

### Community Service

### Statement

My wife and I want our son to grow up in a city where every neighborhood is safe and clean. We want him to be able to take pride in his community. We want him to be able to afford to live here when he gets older. I love Seattle, but it will require new civic leadership for that to happen.

I am running to be a new voice. As a prosecutor, I believe strongly in individual accountability but cracking down on low-level crime is not the best way to make us safer. Instead, we need to proactively invest in people's stability. That starts with providing access to housing, mental health care, and drug treatment to everyone regardless of income.

At the state level, we must adequately invest in the development of affordable housing, loosen zoning restrictions, and provide financial assistance to people who are overburdened by rising rents. We need to incentivize students to go into behavioral health professions and fund mental health and drug treatment programs.

If we do that, we will end homelessness in this state and have clean, safe neighborhoods. That's what I will fight for as your state senator. I ask for your vote.

## How is my ballot counted?

1

### Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on November 8, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! Don't let a late postmark disqualify your ballot. The USPS recommends that you mail it back at least one week before Election Day.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

2

### Your signature is verified

Your signature is important and we need it to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure **only one** ballot is counted for you.

3

### Envelopes and sleeves are separated

The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

### Your ballot is reviewed and scanned

The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5

### Your ballot is counted

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted. Every county conducts a post-election audit.

## New Washington resident

Welcome! Register to vote online, by mail, in person, or when you get your new driver's license or ID at the Department of Licensing. You may not vote in more than one place, so cancel your previous voter registration.

## Military or overseas voter

Register to vote anytime on or before Election Day. You may receive your ballot by mail, email, or fax. Spouses and dependents also away from home have the same voting rights.

## College student

Register to vote using either your home or school address, but you may not vote in more than one place. Your ballot can be mailed to you anywhere in the world; however, your residential address must remain in Washington.

## Non-traditional address voter

Use any physical location you consider your residence such as a shelter, park, or marina. Your mailing address can be general delivery at a local post office, a PO Box, or an address of a trusted friend or relative. A federally recognized tribe may designate tribal government buildings to serve as residential or mailing addresses for voters living on tribal lands.

## Seasonal resident

Vote in Washington even if you're away during an election. To ensure you receive your ballot, update your mailing address at [VoteWA.gov](http://VoteWA.gov) or with a county elections office. Your ballot can be mailed to you anywhere in the world; however, your residential address must remain in Washington. You may not vote in more than one place.

## Person convicted of a felony

If you were convicted of a felony in Washington, your right to vote is restored when you are no longer serving a sentence of total confinement in prison. After your right to vote is restored, you must re-register to vote in order to receive a ballot.

Washington votes by mail every election. We were the second state in the nation to adopt vote by mail and the first to provide all postage paid. A ballot is mailed at least 18 days before each election, ensuring you have time to cast an informed ballot without waiting in line.

2

## Online voter registration

We offer online voter registration. Register to vote or update your address at **VoteWA.gov**

3

## Top 2 Primary

Washington uses a Top 2 Primary system where the two candidates who receive the most votes in the August Primary Election advance to the November General Election, regardless of their party preference.

4

## No party affiliation

Washington voters do not register by party affiliation. Vote for any candidate regardless of their party preference.

5

## Voters' Pamphlet

Only a few states produce a Voters' Pamphlet like this one. The state pamphlet is mailed to every household before each General Election.

6
