Washington State Elections

**General Election

**2022**

Official Publication

**WASHINGTON**  
Secretary of State

Ballots mailed out by **October 21**

1 (800) 448-4881 | [sos.wa.gov](https://sos.wa.gov)

On behalf of the Office of the Secretary of State, thank you for participating in our democratic process. I am pleased to present the 2022 General Election Voters’ Pamphlet to help you make informed decisions as you exercise your right to vote. This guide includes information about voting, and the candidates and measures that appear on your ballot.

Before you can participate, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 31, and we encourage you to review your registration information today at **VoteWA.gov**. After Oct. 31, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 8, to register to vote or update your registration and receive a ballot.

After you have voted your ballot, be sure to sign the return envelope. Your signature is important because election officials check that your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage needed — remember that ballots must be postmarked by Nov. 8 in order to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Check **VoteWA.gov** to locate a ballot drop box or see the status of your ballot.

By voting, you are making your voice heard.

Sincerely,

Trova O’Heffernan  
Assistant Secretary of State

# # Future # Voter

Sign up online at [VoteWA.gov](http://VoteWA.gov) with your Washington state driver's license, permit or ID. Or, you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You'll be automatically registered to vote when you qualify.

# How do I vote and return my ballot?

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 21** to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 8**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 8**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

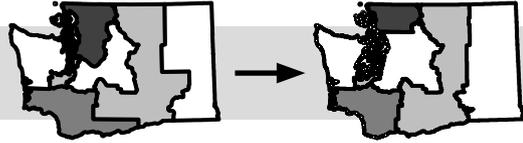

- Your signature is missing
- Your signature doesn't match your voter registration record

## View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

## Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races, beginning this year.

For more information about new district boundaries or the redistricting process, visit [www.redistricting.wa.gov](http://www.redistricting.wa.gov).

## How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

**i** Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General's advisory vote description according to RCW 29A.72.283.

## Engrossed Substitute House Bill 2076

The legislature imposed, without a vote of the people, premiums on “transportation network companies” to provide workers compensation to their drivers, costing an indeterminate amount in its first ten years, for government spending.

This tax increase should be:

- Repealed
- Maintained

## Ten-Year Projection

Provided by the Office of Financial Management  
For more information visit [www.ofm.wa.gov/ballot](http://www.ofm.wa.gov/ballot)

Engrossed Substitute House Bill 2076 (ESHB 2076)
Narrative Explanation (required for Indeterminate Cash Receipts)
<p>Section 1 requires transportation network companies (TNCs) to remit \$0.15 of every passenger fare quarterly to the newly created Driver Resource Center Fund beginning July 1, 2024. How much is collected will change each January 1 because remittance will be adjusted each year based on inflation. In addition, the Department of Labor &amp; Industries has no way to predict how many passenger fares will be remitted or how many TNCs will be subject to interest and penalties due to failing to remit payments by the deadlines. For these reasons, fiscal impact associated with section 1 is indeterminate.</p> <p>Section 11 of the bill directs L&amp;I to assess premiums for TNC drivers only for hours while the driver is engaged in passenger platform time and dispatch platform time effective January 1, 2023. These premiums would be used for potential future claims and would be deposited in the Accident and Medical Aid Accounts. L&amp;I anticipates that there would be additional claims filed by these workers and L&amp;I would receive additional premiums for this coverage. However, there is not sufficient data on these workers to determine the volume of additional claims or the level of additional premiums. This section of the bill is indeterminate.</p>

# Federal Qualifications & Responsibilities

Except for the President and Vice President, all federal officials elected in Washington must be residents of the state. Only federal offices have age requirements above and beyond being a registered voter.

## Congress

The United States' Senate and House of Representatives have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws and budgets necessary for the operation of government.

### United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

### United States Representative

Representatives must be at least 25 years old and citizens of the U.S. for at least seven years. Representatives are not required to be registered voters of their district, but must reside in the state. Representatives serve two-year terms.

The House of Representatives has 435 members, all of whom are up for election in even-numbered years. Each state has a different number of members based on population. After the 2010 Census, Washington was given a 10th Congressional District.

**Statement**

These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

No prior elected experience, but an extensive background building coalitions and working with members from both parties to enact legislation reforming the Veterans Administration and improving veterans' health care.

**Other Professional Experience**

Triage nurse, full-time caregiver, President and Co-Founder of "Hope Unseen," veteran's advocate, mother of three growing boys.

**Education**

Whitworth College- Bachelor of Science in Nursing

**Community Service**

KADLEC Foundation Board, Elizabeth Dole Foundation, National Chamber for Hiring our Heroes, Veterans Airlift Command, Camp Corral, Smart Women Smart Money, Policy Vet Board

**Statement**

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

**Elected Experience**

United States Representative, 2012-Present. Vice Chair of the Ways and Means Committee. Chair, New Democrat Coalition.

**Other Professional Experience**

Successful career as a businesswoman and entrepreneur. Former Microsoft executive, led local high-tech startups. Former Director of Washington's Department of Revenue, where I led efforts to simplify the tax system and help small businesses.

**Education**

B.A., Biology, Reed College; M.B.A., University of Washington.

**Community Service**

I've mentored students at UW Business School; been active in my church, serving as a board member. Volunteered with the PTA, Girl Scouts and YWCA, supporting transitional housing, job training and services to help families get back on their feet.

**Statement**

These days, our country faces serious challenges. Families across the 1st District are concerned about the future. More than ever, we need the sort of pragmatic leadership I am committed to delivering. My focus is on tackling inflation, rebuilding our middle class, standing up to the extremes, and protecting our rights.

We're all frustrated with the divisiveness of politics in the other Washington. Too much performance, not enough substance. I am the opposite. In Congress, I'm committed to putting aside hyperpartisanship to deliver results.

I led the expansion of the Child Tax Credit, which sent families up to \$300 per child monthly last year, reduced taxes on 40 million families and dramatically cut child poverty. I helped enact a low-income housing tax credit that will create 130,000 affordable homes. And we passed the Bipartisan Infrastructure Law, sending Washington state billions in federal funding to improve our state's highways, mass transit, ports and airports, and to expand access to broadband and wildfire mitigation programs.

My background as a successful businesswoman and entrepreneur helps guide my efforts to restore economic stability, prosperity and opportunity. I've pushed to reduce inflation by supporting policies to produce critical goods in America again, getting more people in the workforce, and lowering costs for housing, food, and gas while investing in clean energy. I secured \$200 million to expand job training opportunities. My core values remain unchanged. *As I have done from Day One, I'll protect Social Security and Medicare. If the Supreme Court overturns Roe, I will stand even stronger to protect a woman's right to choose.*

I have endorsements from Democratic groups, labor, local leaders, and many others.

I'm committed to results, not rhetoric. With the right decisions and leadership, our future in the 1st Congressional District will be bright. I ask for your support.

**Community Service**

I currently serve on the Boards for Parks and Recreation, Arts and Beautification, and WRIA 8 where my primary focus is protecting our open spaces and environment. I currently volunteer at the Mill Creek Food Bank and my community church.

**Statement**

Now, more than ever, Congress needs representatives who will honor their oath to the American people. While crime and inflation soar, current national leadership continues to ignore the needs of the people. I am committed to restoring public safety, revitalizing our small businesses, and holding Congress fiscally accountable.

As a Deputy with the Sheriff's Office for over 22 years, and a Mill Creek Councilman for the last seven, I have been able to accomplish many things in my community to make it safer, cleaner, and more prosperous. Mill Creek has been rated one of America's most livable cities during my tenure.

I led the charge in hiring more officers in my city while others were focused on "defunding or reimagining" their police. In the wake of the Washington Supreme Court's decision to legalize the possession of drugs, I authored a city ordinance to recriminalize the possession of drugs like fentanyl (now the #1 killer of Americans 18-45), methamphetamine, and heroin.

On day one in Congress, I will introduce the Law Enforcement Community Standards Act which will hold cities accountable that defund their police. In addition, I will also introduce the Prosecutor Responsibility and Detention Act which will hold prosecutors accountable for allowing repeat offenders back in our communities. Finally, my "Reapply and Retry" Bill will divert \$900 million of unused American Rescue Plan Act funds and give it back to businesses decimated by the mandates.

I have honorably served you as a soldier, deputy and councilman for more than 29 years. I humbly ask to serve as your congressman. With your help, we can repair the damage inflicted across America.

Proudly endorsed by former King County Sheriff and Congressman Dave Reichert, Snohomish County Sheriff Adam Fortney, the Snohomish County GOP, and your local law enforcement.

**Statement**

You sent me to Congress because you knew I would advocate for you the same way I stood up for children and families for over 20 years as a pediatrician. I promised to be an independent and effective voice for our district, someone willing to work with both parties to deliver real results that matter. I've helped pass laws to bring down costs for working families, to get Veterans the quality healthcare they deserve, and to support training and resources for local police because everyone deserves to feel safe in our community.

As the only pediatrician in Congress, I've helped pass laws to actually bring down the cost of lifesaving prescription drugs, like insulin. I will work to make healthcare and other everyday costs more affordable for middle class families. As a doctor, I will always fight to protect a woman's right to choose and to keep politicians out of private decisions between a woman and her doctor.

I am the only member of Congress from the Pacific Northwest on the Agriculture Committee. I have worked with both parties on behalf of our farming communities to support trade, encourage sustainable agriculture, advocate for commonsense immigration reform, and fix supply chain disruptions so farmers can get their goods to market. I will continue to champion responsible stewardship of our cherished public lands, clean air, and water.

With nearly 100 town halls, I've listened, I've learned, and I've gone to bat for you in Congress. It is an honor to serve you and I humbly ask for your vote.

**Statement**

I'm running for Congress because we all deserve a better, safer, Washington to raise our families in. As a father of 4 young children, Christian, business owner, former White House staffer, and prosecutor, I have a uniquely qualified perspective on the problems plaguing our state. My roots run deep in Washington---I was born and raised here. My family has lived here for 165 years. We own a 3rd generation, manufacturing company, employing over 600 people, making products in the USA which bring clean water to people globally.

Washington is heading in the wrong direction. Enabling policies and our crisis at the border have led to skyrocketing crime, homelessness, and drug abuse. Our state desperately needs a leader to tackle these issues.

We need to give parents back their voices in their children's education. We need to lower inflation so families can pay bills and fill their gas tanks. We need to ensure free, fair elections and a strong national defense which starts with energy independence.

Together we will reign in federal spending, Make Crime Illegal Again, take back our streets and parks, and restore hope for everyday Americans. I'm a hard worker who will never stop fighting for Washington families—it's time to roll up our sleeves and get to work!

I'm proudly endorsed by the Pierce and Snohomish County Republican Parties, Seattle Police Officers Guild, WA Young Republicans, Snohomish County Sheriff Adam Fortney and the Pierce County Sheriff, former WA Treasurer Duane Davidson, former WA Attorney General, Senators Phil Fortunato and Jim McCune, Representatives Carolyn Eslick and Robert Sutherland, former King County Councilwoman Kathy Lambert, Pierce County Councilwoman Amy Cruver, First Responders, Health Care Professionals, Radio Talk Show Hosts, Businesses, Teachers, Veterans and many others.

Washington deserves a Congressman who'll fight for them---because Washington is worth fighting for!

**Statement**

Our district is a tremendously diverse and hard-working community, one that I have been proud to call home my entire life. I grew up in the city of SeaTac, and my wife Sara and I raised our two children here, where they both attended public schools and are now at UW and WSU.

As our nation faces unprecedented challenges, I am focused on strengthening the middle class, ensuring equality of opportunity for all, and investing in our future. We must provide a progressive path forward where everyone can thrive. Working class families, like the union one I grew up in, do not have the same opportunities as previous generations. This must change. We must grow from the middle out, increase economic opportunities, protect unions, make higher education more affordable and accessible, and provide good paying jobs.

All people, no matter their background, should have access to quality, affordable healthcare. Our healthcare system needs to be restructured to create a path to a single-payer plan like Medicare for All. As the Chairman of the House Armed Services Committee, I have also prioritized making sure that all of our service members and their families, no matter who they are, receive the support they need and have earned.

I work hard to make sure every person in our district has access to the best this country has to offer; not only because it's the right thing to do, but because this is also my home—it's personal to me.

It is a true privilege to serve our community and I would be honored to have your vote.

**Statement**

Career politicians are the biggest problem in government today, promising they'll fix your problems and then, when elected, they ignore you until they need your vote again. The 9th District deserves more than a longtime incumbent and tired promises. When we lose our voice, we can also lose our opportunity at the American Dream.

We elect representatives to maintain a safe environment for our families and children, to protect our borders, our economy, and our constitutional rights. When politicians have been in office for over 2 decades, like the current congressman, they can get out of touch with their constituents' struggles and fail to give them that voice.

The policies we've seen coming from Washington DC have made it harder for families to put food on the table, and gas in the car. Out of touch career politicians and their actions continue to cause record high inflation and foster increased homelessness, and crime. That makes our communities unsafe, our borders unsecure, and puts our jobs at risk.

Your representative should be doing everything possible to lower consumer prices and increase public safety. Right now, many Americans can't pay their grocery bills and see empty store shelves, while non-citizens flooding our southern border receive taxpayer funded items like baby formula, and cell phones, and then are released into our communities without proper vetting.

I'm a husband and a father of five and I see these problems firsthand every day. When elected, I'll fight to protect parent's rights, restore the dollar and slow inflation, unleash domestic energy to lower gas prices, and to protect your rights, neighborhoods, schools, and jobs.

It's time for bold leadership that listens to you and fights for you in Congress. It's time for change in the 9th Congressional District. It's time to bring back the American Dream.

My deep community roots as an advocate led me to elected office and has informed my approach to governing. My priorities include protecting access to reproductive care; safeguarding the privacy of consumer data; ensuring access to healthcare for everyone; increasing opportunities for working families; reducing gun violence and homelessness; and fixing our upside-down tax code so that everyone pays their fair share. Together, I know that we can rise above our current challenges to create opportunity and security for all.

Government's chief job is protection of liberties. These are being flagrantly violated. The Governor's recent State of Emergency had no end date and no criteria for ending it. Our constitutional liberties of assembly and worship were forbidden. The Governor's power must legislatively be made subject to checks and balances.

Our children's property rights are being violated by the Growth Management Act. To provide our children affordable housing we need more land made available for construction. Newborn Washington babies can be murdered as they are being born. Emergency Powers, Growth Management and Partial-birth abortion must all be repealed.

In an era of hyper-partisan politics, Chad has earned a reputation for building bridges. An education champion in Olympia, he doubled school funding while reducing property tax rates for 44% of school districts. He formed bipartisan coalitions passing landmark legislation on computer science education, innovative schools, electric vehicles, and cybercrime.

The Seattle Times endorsed Chad in all his previous House races, calling him "one of the clearest thinkers in the Legislature" who "brings much-needed moderation and intellectual rigor to Olympia." The Municipal League has also consistently rated Chad "Outstanding" in their candidate evaluations. Washington state needs Chad back in Olympia.

It has been a privilege to serve the 12th District the past 4 years and although the geography has changed, there are many issues that are common throughout the 12th. Public safety, fiscal responsibility and government accountability are areas of concern. We have seen significant increases in crime, expanded government services without sustainable funding, and agency inefficiencies without consequence. There are still great opportunities for the State if we manage our resources well and the financial commitments ensure that our government is truly working for the benefit of its citizens.

My wife of 38 years, Wafa, and I have lived here since 1991, and we loved raising our family here, and we felt safe. For real safety, crime must be stopped and not allowed to spread. Olympia has *abandoned the middle*. The polarization in the legislature has been unhealthy for our state. I am a true moderate with experience bringing diverse interests together toward common goals. I’ll come to the table with real solutions, not a personal or partisan agenda.

Extreme policy decisions have had unintended consequences with escalating crime, surging gas prices, and a mental health and addiction crisis. I am running because *we need common sense legislators* to put our state back on the right track.

We live in an epicenter of technology and innovation. I’ll engage this community to make our schools world renown and properly prepare students to compete in the global marketplace. I will support the recovery of so many family and minority-owned small businesses who were hit hard by the pandemic. I will defend women’s reproductive rights.

Born and raised in Redmond, I’m passionate about getting the community I love back on track. I’ll work tirelessly on the most pressing issues facing the residents in the 45th District: *public safety, affordability, and education*. My public policy expertise and legal experience make me uniquely qualified to bring our community together at a time when we desperately need to find common ground.

It is the highest honor to represent you in the Senate, where I’ve worked to ensure the Eastside remains a safe and welcoming place by delivering common sense policies on issues like education, homelessness, health care, gun violence, protecting access to abortion, and more. I’m keenly aware there’s more work to do and will continue to provide level-headed leadership as we weather new challenges.

As an attorney and former prosecutor, I know we must respond to public safety challenges with smart, data driven policies proven to deter crime, dole out appropriate consequences to perpetrators and prioritize the needs of survivors.

We’ve started addressing the root causes of crime with our robust pandemic response. I worked with leaders across Washington to take swift action to protect social services, provide direct assistance to small businesses, and get many of our unsheltered neighbors into housing so they could properly maintain social distance.

With your support, I’ll continue working on your behalf to produce real results for our District. I’ll prioritize revitalizing our economy as we recover from the pandemic, increasing affordable homeownership opportunities, funding for public schools, and creating a robust infrastructure with good public transit. **Statement**

Olympia is out of balance. Too many families, seniors, and businesses are feeling the pain caused by radical, Seattle-style politics. Our education system is leaving children and young adults behind, and life around here has become less safe and less affordable. *“Have our legislators ever rubbed elbows with the single parent trying to support children, or the business owner supporting several families? Do they see the homeless on the streets or have they suffered a robbery or assault? Do they realize the effects of hundreds of bills passed each session on seniors, families, single parents and businesses? I don’t think so. That is why I am running for Senate.”* Michelle led bipartisan efforts to fix broken housing laws while maintaining a law office with her husband for a decade. Her work on behalf of mortgagees during the mortgage crisis is appreciated today by countless clients who staved off homelessness. Housing issues are Michelle’s wheelhouse. Decreasing crime; increasing affordability, and access to excellent education are Michelle’s priorities: *“I want to fix the laws responsible for the recent crime wave. I want to reduce our taxes. I want to fight for parental rights and school choice. That’s my platform in a nutshell.”*

I have always worked to make life better for people in my community, serving in volunteer and civic roles with organizations like Youth Eastside Services, Imagine Housing and Kirkland Downtown Association, and securing scholarships for students to attend Lake Washington Institute of Technology. As a cancer survivor, I also make it a priority to support services for families affected by cancer.

**Statement**

I'm grateful for your support and collaboration as we confront urgent issues like homelessness, property crimes, and an uneven economic recovery. Focused on these priorities, I voted for investments in immediate shelter, permanent housing solutions, and behavioral health services. I supported training and resources for law enforcement, with reforms to improve trust. I demanded targeted workforce development and small business support.

One of Olympia's strongest voices for gun violence prevention, I'll continue my efforts to keep kids and communities safe. A voice for LGBTQ neighbors and women's health, I'll fight erosion of rights and legal protections— including reproductive health care.

### Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on November 8, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! Don't let a late postmark disqualify your ballot. The USPS recommends that you mail it back at least one week before Election Day.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

2

### Your signature is verified

Your signature is important and we need it to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure **only one** ballot is counted for you.

3

### Envelopes and sleeves are separated

The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

### Your ballot is reviewed and scanned

The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5

### Your ballot is counted

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted. Every county conducts a post-election audit.

**New Washington resident**

Welcome! Register to vote online, by mail, in person, or when you get your new driver's license or ID at the Department of Licensing. You may not vote in more than one place, so cancel your previous voter registration.

**College student**

Register to vote using either your home or school address, but you may not vote in more than one place. Your ballot can be mailed to you anywhere in the world; however, your residential address must remain in Washington.

**Non-traditional address voter**

Use any physical location you consider your residence such as a shelter, park, or marina. Your mailing address can be general delivery at a local post office, a PO Box, or an address of a trusted friend or relative. A federally recognized tribe may designate tribal government buildings to serve as residential or mailing addresses for voters living on tribal lands.

**Seasonal resident**

Vote in Washington even if you're away during an election. To ensure you receive your ballot, update your mailing address at [VoteWA.gov](http://VoteWA.gov) or with a county elections office. Your ballot can be mailed to you anywhere in the world; however, your residential address must remain in Washington. You may not vote in more than one place.

**Person convicted of a felony**

If you were convicted of a felony in Washington, your right to vote is restored when you are no longer serving a sentence of total confinement in prison. After your right to vote is restored, you must re-register to vote in order to receive a ballot.
